### **TRUSTEE'S REPORT (INCLUDING DIRECTORS' REPORT)**

#### **FOR THE YEAR ENDED 31 MARCH 2025**

---

The trustees present their annual report and financial statements for the year ended 31 March 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the association's Memorandum and Articles of Association dated 9 April 2009, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

#### **Objectives and activities**

The trusts objective is to provide mobility aids to assist the disabled residents of Exeter and the surrounding district.

The trust have paid due regard to guidance issued by the Charity Commission in deciding what activities the trust should undertake.

The activity of the charity is that of running and maintaining a fleet of mobility vehicles based in Paris Street, Exeter in furtherance of its objectives as detailed above.

#### **Achievements and performance**

The trust has endeavoured to maintain the provision of mobility services under difficult economic conditions and is indebted to its dedicated band of staff and volunteers in achieving this.

#### **Financial review**

It is the policy of the association that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the association's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has increased this year.

#### **Risk management:**

The trust has assessed the major risks to which the trust is exposed, and is satisfied that systems are in place to mitigate exposure to the major risks.

#### **Structure, governance and management**

The trust is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The trustees, who are also the directors for the purpose of company law, and who served during the year were:

Mrs J A Gale

Mr W P Williams

(Resigned 15 October 2024)

Mr G J Prowse

Mr C P Norton

Mrs C M Hunt

(Resigned 15 October 2024)

Ms B E Denning

Mr R Hill

Ms J M Newton

#### **Recruitment and appointment of trustees:**

Under the requirements of the Articles of Association, all trustees retire annually and are eligible for re-election at the next Annual General Meeting.

All the trustees give their time voluntarily and receive no benefits from the charity. Any expenses reclaimed by the trustees from the charity are set out in note 9 to the financial statements.

#### **Organisational structure:**

The charity is administered by Mr Michael Ellis, General Manager, who reports to the trustees.

**EXETER COMMUNITY TRANSPORT ASSOCIATION  
(A COMPANY LIMITED BY GUARANTEE)  
INDEPENDENT EXAMINER'S REPORT  
TO THE TRUSTEES OF EXETER COMMUNITY TRANSPORT ASSOCIATION**

---

I report on the financial statements of the association for the year ended 31 March 2025, which are set out on pages 4 to 14.

**Respective responsibilities of trustees and examiner**

The association's trustees, who are also the directors of Exeter Community Transport Association for the purposes of company law, are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the next statement.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
  - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - (ii) to prepare financial statements which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

The company is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 March 2025.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements were approved by the trustees on 19 November 2025

# **EXETER COMMUNITY TRANSPORT ASSOCIATION**

## **(A COMPANY LIMITED BY GUARANTEE)**

### **NOTES TO THE FINANCIAL STATEMENTS**

#### **FOR THE YEAR ENDED 31 MARCH 2025**

---

#### **1 Accounting policies**

##### **Charity information**

Exeter Community Transport Association is a private company limited by guarantee incorporated in England and Wales. The registered office is 8-10 Paris Street, Exeter, Devon, EX1 1GA.

The Trust is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of charity.

##### **1.1 Accounting convention**

The financial statements have been prepared in accordance with the association's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The association is a Public Benefit Entity as defined by FRS 102.

The association has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the association. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

##### **1.2 Going concern**

At the time of approving the financial statements, the trustees have a reasonable expectation that the association has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

##### **1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the association.

##### **1.4 Incoming resources**

Income is recognised when the association is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the association has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the association has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for services provided in the normal course of business, net of discounts.

**EXETER COMMUNITY TRANSPORT ASSOCIATION  
(A COMPANY LIMITED BY GUARANTEE)  
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2025**

---

**1 Accounting policies**

**(Continued)**

**1.5 Resources expended**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

**1.6 Tangible fixed assets**

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold property	25% straight line basis
Plant and machinery	6 years straight line basis
Computers	25% reducing balance basis
Motor vehicles	10% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

**1.7 Financial instruments**

The association has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the association's balance sheet when the association becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

**EXETER COMMUNITY TRANSPORT ASSOCIATION  
(A COMPANY LIMITED BY GUARANTEE)  
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2025**

**1 Accounting policies**

**(Continued)**

**Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

**Derecognition of financial liabilities**

Financial liabilities are derecognised when the association's contractual obligations expire or are discharged or cancelled.

**2 Critical accounting estimates and judgements**

In the application of the association's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

**Depreciation**

The main estimate is the depreciation policy applied to motor vehicles and mobility scooters.

**3 Income from donations and legacies**

Charitable activities	<u>127,895</u>	<u>3,540</u>	<u>131,435</u>	<u>117,896</u>

Governance costs include accountancy fees of £2,885 (2024- £3,000).

**11 Ring and ride Income and expenditure**

The income and expenses of the association is derived from a number of activities, one of which is the Ring and Ride bus service which constitutes 7.8% of the total income (2024: 4.3%). Similarly, the expenditure relating to the Ring and Ride service constitutes 18.7% (2024: 26.8%) of total expenditure.

**12 Taxation**

The charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 252 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects.
