INDEPENDENT EXAMINER'S REPORT TO THE CARPENTER BOX CHARITABLE FOUNDATION

FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their report and accounts for the year ended 31 March 2024.

Structure, Governance and Management

The Carpenter Box Charitable Foundation (CBCF) is governed by its constitution and is an unincorporated registered charity, number 1129585.

The trustees are appointed by the board of trustees. It is intended that trustees will serve a term of 1 year and will reconsider their position at the end of each term. The trustees will meet at least four times a year. New trustees receive a copy of the constitution and training is undertaken when considered appropriate.

The charity has set up an endowment fund through the Sussex Community Foundation (SCF). SCF has specialist expertise to manage the investment of these funds. The fund manager is currently Sarasin & Partners LLP.

The trustees receive suggestions from the staff of Carpenter Box regarding charitable causes to be supported, as well as receiving requests directly from not-for-profit organisations. The trustees will make the final decision as to the beneficiaries of donations.

The trustees have assessed the major risks to which the charity is exposed and due to the nature of its activities do not believe that there are any.

The following trustees who served during the year and up to the date of signing this report were:

Mr R Evans
Mrs K McKinney (Resigned 8 February 2024)
Mrs G Lynes
Mr C Holdaway
Mr H Winters (Resigned 8 February 2024)
Mr D Hopper
Ms D Bettison (Appointed 8 February 2024)
Mr J Abbott (Appointed 8 February 2024)

Objectives and activities

The charity was set up with the intention of providing Carpenter Box and its employees with a vehicle through which they can raise monies for local community projects.

The prime objective is for CBCF to support local charities, community groups and projects in the communities and neighbourhoods where Carpenter Box is located as well as in which our employees reside.

Funds raised in 2009 at the commencement of the trust, of £25,000, were transferred to and are held by SCF as part of the Grassroots Endowment Scheme together with a matched gift of £25,000 from the Government's charitable giving program. This is held on behalf of the CBCF and is annotated as the Carpenter Box Fund. It is an expendable endowment and decisions on grants awarded are made by the Board of trustees of CBCF. During the year under review an additional £30,000 has been added to the endowment fund, with £20,000 transferred in from CBCF and £10,000 of 50% match funding being contributed by the Lawson Trust. The trustees are very grateful to the Lawson Trust for this contribution.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities they should undertake.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's guidance on public benefit when reviewing the charity's aims and objectives in planning future activities.

INDEPENDENT EXAMINER'S REPORT TO THE CARPENTER BOX CHARITABLE FOUNDATION

FOR THE YEAR ENDED 31 MARCH 2024

Achievements and performance

The year to 31 March 2024 was our most successful ever in terms of funds raised and donated. The year coincided with the centenary of Carpenter Box and saw a great level of fundraising activity to mark the occasion. This included a number of staff events, such as sponsored walks and cycles, and an LGBTQIA+ Gaymes Day, events held in conjunction with local organisations Firmballs and Best of British, and donations from a number of the firm's clients who sponsored the year's events.

We are extremely grateful to everyone who participated in making the year a great success; we extend a special thanks to the staff of Carpenter Box for the contribution of their time and financial support, as well as our clients and the local professional community for their generous donations to our centenary fundraising efforts.

During the year the charity made a total of 46 grants (2023 - 30) totalling £53,487 (2023 - £13,302). The beneficiaries, in line with the charity's objectives, were a variety of local charities, schools, individuals, community groups and projects. This covered a broad range of needs and activities, including local organisations supporting those in need due to the cost-of-living crisis, and with an element of focus on those smaller organisations where our level of giving was able to make an impact. Donations included restricted donations of £10,825 where sums were donated to CBCF by a variety of staff, clients and other supporters with a specific request for a particular cause to be supported.

Donations in the year included more significant sums to our four Charities of the Year, which were chosen by the staff of Carpenter Box. The four charities, and the sums donated to them from unrestricted funds, were Red Balloon Educational Trust (£10,000), West Sussex Mind (£10,000), Crawley Open House (£5,000) and Turning Tides (£5,000). Other donations covered a variety of causes including mental health, serious illness, the arts, schools and the cost-of-living crisis.

Financial review

The charity raised funds in the year through the exceptional events noted above, as well as the ongoing Carpenter Box tuck shops, staff donations, fund raising days and employee sponsorship. Income from all activities generated £68,449 (2023 - £29,081). Overall the charity spent £7,666 more than its income for the year (2023 - £14,443 less than income).

The SCF endowment funds balance stood at £81,567 (2023 - £50,589) following the new injection of funds noted on page 1 and after distributing grants and paying management fees.

It is the policy of the charity that unrestricted funds will be maintained at a level that, in the event of a significant drop in funding, they will be able to continue the charity's activities while consideration is given to ways in which additional funds may be raised. This level has been maintained throughout the year.

The trustees' report was approved by the Board of Trustees.

TRUSTEES REPORT

FOR THE YEAR ENDED 31 MARCH 2023

Achievements and performance

During the year the charity made a total of 30 grants (2022 - 33) totalling £13,302 (2022 - £17,304). The beneficiaries, in line with the charity's objectives, were a variety of local charities, schools, individuals, community groups and projects. This covered a broad range of needs and activities, including local organisations supporting those in need due to the cost-of-living crisis, and with an element of focus on those smaller organisations where our level of giving was able to make an impact.

Donations in the year included total donations of £1,300 to Safe in Sussex and £1,200 to Ten Little Toes, our two Charities of the Year chosen by the Carpenter Box staff who received regular monthly sums to support their work. Other donations covered a variety of causes including mental health, serious illness, the arts and the cost-of-living crisis.

As noted below the majority of our income during the year was generated by the generosity of Carpenter Box staff and partners, and we are extremely grateful to everyone for their support throughout another difficult year.

Financial review

The charity raised funds in the year through the Carpenter Box tuck shops, staff donations, fund raising days and employee sponsorship. Income from these activities generated £29,081 (2022 - £15,774). Overall the charity spent £14,638 less than its income for the year (2022 - £2,476 more than income).

The year preceded an exciting one for Carpenter Box, being its centenary year. The trustees anticipate the year to March 2024 being a significant one in terms of fundraising activity and giving for the charity.

The SCF endowment funds balance stood at £50,589 (2022 - £56,285) after distributing grants and paying management fees.

It is the policy of the charity that unrestricted funds will be maintained at a level that, in the event of a significant drop in funding, they will be able to continue the charity's activities while consideration is given to ways in which additional funds may be raised. This level has been maintained throughout the year.

The trustees report was approved by the Board of Trustees.
