HWHC LIMITED

TRUSTEES' REPORT

FOR THE YEAR ENDED 30 APRIL 2023

Structure, Governance and Management

The organisation is a charitable company limited by guarantee, incorporated on 30 April 2009 and registered as a charity on 13 May 2009. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £10.

The directors of the company are also charity trustees for the purposes of charity law. The club is controlled by a Board of Directors, who are re-elected annually at the AGM and which delegate day-to-day operations to a management committee.

Objectives and activities

The objective of the charity is the promotion of community participation in healthy recreation by the provision of facilities for the playing of hockey. This includes:

- Facilitating participation in hockey at all levels and ages for both sexes, and encouraging and developing a high physical and moral standard in players;
- Encouraging and developing hockey in London;
- Providing training opportunities for instruction of playing hockey, coaching hockey and umpiring hockey; and
- Cooperating with England Hockey in the provision of playing and other facilities for the game.

Hampstead and Westminster Hockey Club was set up more than 100 years ago in 1894 and since then has established itself as a significant hockey presence in central London, regularly running 19 adult teams each week encompassing all levels of ability (national league to local and regional leagues) and including three veterans (Masters) teams. One of the main day to day activities of the club is to support and promote this wide diversity of hockey involvement and balancing the needs of all the teams.

The club seeks on the one hand to support the highest achieving teams, and by doing so to attract the best coaches and players, allowing their skills and experience to be of benefit to the rest of the club and the work with young players from the wider community. At the same time, players and coaches attached to the club run hockey sessions for young or newly interested players from the local area to try out and develop their hockey interest in an informal way.

The club plays most of its hockey on the local authority owned artificial pitches at Paddington Recreation Ground, for which it pays rent to Westminster Council. The club has a vested interest to work with the local authority to ensure that the facilities provided are fit for purpose, so that not only the members of the club but also the wider local community users benefit. The club works with Westminster Council to consider ways in which it can promote these activities, for instance with linking with local schools.

On a continual basis, the club encourages its own members to participate in coaching and umpiring, and the club funds players for coaching qualifications and umpiring qualifications as appropriate.

The club actively works with England Hockey to seek out new opportunities and ways in which it can promote the game of hockey and further England Hockey's national objectives in the central London area.

Achievements and Performance

The club continues to consolidate and strengthen on and off the field. The Ladies 1s qualified for Europe in for the first time in the history of the club thanks to their second place in the league finish. Success then followed in the European tournament in Switzerland where they won a Bronze medal and were perhaps unlucky not to be in the final.

In the league the Mens and Ladies had good seasons but both unfortunately did not manage to continue the club run of qualifying for European competition for the following seasons.

HWHC LIMITED

TRUSTEES' REPORT

FOR THE YEAR ENDED 30 APRIL 2023

The club continues to attract international players both in the home countries as well as countries such as New Zealand, South Africa and the USA. There was also representation at various age groups including international Masters hockey for the home nations from the O40s up to and including the O70s.

The charity has continued to monitor performances against its objectives this year to provide wide-ranging opportunities for the participation in hockey both for full-time club members, occasional players, and for an increasing number of young people from the local community. However, the main focus has of necessity been to ensure both the financial security and the security of hockey facilities of the club such that hockey provision can and will continue to provide opportunities for all age groups and abilities.

The club successfully ran 19 adult teams and 28 junior teams in 2022/23, which covered all playing abilities. It is anticipated that similar levels of hockey provision will continue as the 2023/24 season commences from September 2023.

Both the Mens and Ladies teams continue to meet their performance targets hence enabling the club to continue to improve its junior hockey offering through the provision of high quality coaching by the performance squad members.

Membership and Participation

We have approximately 400 paying adult club members.

Members pay subscriptions via the Pitchero and Teamo websites. Payment provider is stripe which allows for debit and credit card payments.

Our wider club network is extensive, and the reach of our newsletters go out to 2900+ which comprises a mix of our members, alumni and parents of junior players. Our recruitment over the last couple of years has been so successful that the core section of the club was filled to near capacity with great success in attracting new members who have newly moved to London from other countries. There is room for growth within the teams of playing members and we are actively recruiting new members to the core club to strengthen our team numbers during the competitive season.

We continue to promote veterans hockey with an aim of retaining existing members and recruiting new members who wish to continue playing hockey with people of their own age groups. We currently run mens Masters (over 40's) and 'super' veterans (over 50's) teams and a 'Grand Masters' team for the over 60's in the London League. In addition, the women's veterans team have a squad of existing members and historical players who have been attracted back to the club to for occasional social and England Hockey cup games. We are also now running mixed teams that are competing in the England Hockey competitions.

Junior Development

England Hockey Accreditation

In July 2022, HWHC became 1 of 37 clubs across England to gain England Hockey Talent Centre accreditation; recognising the quality of HWHC's talent development environment and provision.

In September 2022, HWHC became 1 of 17 clubs across England to host a Talent Academy for high ability players aged 15-18 aspiring to National Age Group selection.

Junior Competitions

U12 Girls Driver won the bronze medal in the U12 In2Hockey Plate Finals at Lee Valley after winning their regional round.

U14 Boys Draper won the U14 National Boys Tier 2 Cup Final at Nottingham and Tier 2 League Finals after winning their London league.

HWHC LIMITED

TRUSTEES' REPORT

FOR THE YEAR ENDED 30 APRIL 2023

In their debut season in Tier 1, U16 Boys Shipperley qualified for the Supraleague, went on to win their regional league and then finished second in England in the U16 National Boys Tier 1 Supra League Finals at Nottingham. U16 Girls Owsley finished second in the U16 Tier 3 Final.

Junior Representative Honours

Nine HWHC Boys and six HWHC Girls were selected for HWHC's Talent Academy in 2022-23.

Four juniors trialled for England U16s boys with three making final selection and representing their country in international competitions.

Junior Club Pathway to Adult Hockey

Six U16-U18 Boys were invited to attend pre-season with the Men's 1s & 2s.

Five Boys were selected for Men's 2s throughout the season.

Five current Juniors and two University Graduates who returned to the Club after leaving the U18s three years earlier played with the Men's 1s in the 2023-24 Pre-Season Y1 Tournament. Playing four matches in two days, the Men's 1's won the Y1 Tournament for the second time.

Two Boys played the first Men's 1s Premier Division 2023-24 fixture - a first for the Club to field HWHC Juniors at this level.

Two U18 Girls played Ladies 2s and five U16-U18 Girls played Ladies 3s.

One U18 Girl played as second Goalkeeper for the Ladies 1s at the EuroHockey Club Trophy Tournament.

Club Performance:

The club embraced the return of a full hockey season in 2022/23 and saw continued success at the top end of the club.

Ladies

The 2022/23 season was a very successful for the ladies side, with all teams finishing in third position or above, including four promotions and Ladies 1st playing in their first European competition.

Ladies 3s, 4s, 5s and 7s all won promotion from their leagues within the London Area of England Hockey. This helped to reduce the gap between Ladies 2s and 3s teams, whilst continuing to offer hockey at all levels. Ladies 2s finished third in the National League Conference division and Ladies 6s finished third in London Area. The newly established Ladies Veterans entered a team into the England Veterans Cup and were knocked out in a penalty shootout in the semi-final. We've had a significant number of juniors integrate into the seniors teams across the Club.

Mens

The Mens 1st XI ended 5th in the league, another very creditable performance although not enabling to qualify for Europe.

The Mens 2s had a good first season in the National League Conference division, where after a slow start they ended up mid table.

There were nine Mens teams, six in the adult leagues and three in the Masters / Veterans sections. The 3s were successfully promoted into Div 1 London. Which was a key strategic focus in the club to close the gap to the top 2 teams. The 4s, Zaks, Thirsts, Spaniards and Colts are starting in competitive leagues across the London divisions.

HWHC LIMITED

TRUSTEES' REPORT

FOR THE YEAR ENDED 30 APRIL 2023

Junior integration into the senior club has been a great success, which 3 junior players in the Men's 2s and Men's 3s. With the colts as the development squad for the U16 upwards.

Future developments:

As the 2023/23 season continues the club continues to focus on the need to have longer term security over its facilities. Westminster Council continue to support the club and we are fortunate to have use of a water-based pitch at Paddington Recreation Ground in Maida Vale. UCS is an important second pitch that is used regularly for club matches, junior sessions and club training. With Mill Hill School as a third pitch.

Last year we reported that we were one of a group of clubs that we were in the process of gaining accreditation from England Hockey to become a Junior Talent Centre. We are now delighted to confirm that we have completed our Year 1 accreditation such that we are now recognised as an England Hockey Talent Centre for 2022/23.

In addition we are one of a small numbers of clubs around the country to have been appointed as a Junior Talent Academy for the central and north London area which is aimed at developing high performance players in the 15-18 age group. A small number of players, 25 boys and 25 girls, will be selected and receive high quality focused training, some of whom will hopefully represent the Club at the senior levels in future.

Financial Review:

Reserves are needed to bridge the gap between spending and receiving of resources and to cover unplanned emergencies and replacement of club pitches and facilities. The financial strategy of the club is to:

- Ensure that the adult club is largely self-funding through subscriptions and match fees
- To provide junior hockey that is affordable for all, including providing scholarships or financial support where needed, whilst contributing towards the overall running costs of the club
- Encourage top international and domestic hockey players into the club, providing financial support where needed in recognition of the cost of living in or near to Central London,
- To raise funding from donations and similar mechanisms to cover the significant costs arising from both the Mens and Ladies club playing at the highest level of domestic hockey as well as within Europe, thereby ensuring that these costs do not fall onto the adult club section
- And to ensure that those players in receipt of support from the club contribute back to the club in various means, especially through providing coaching to the junior section as well as some adult training

The financial position of the club remains a challenge, given the significant dependency on donations from a limited number of people who have been willing to ensure that the ambitions of the club in seeking to be one of the top clubs in the country are not overly constrained by a lack of funding. Such dependency does not provide any long-term security of finance and as a result the club has recently announced the launch of the 1894 Club, designed to broaden the number of people who are willing to provide regular funding to the club.

Early indications suggest that there is a willingness amongst the members, alumni, parents of juniors and other supporters of the club to provide such funding – we are immensely appreciative of those who have already signed up.

The results of the period are set out on page 10 of the financial statements attached to this report. The club has made a loss of £27,824 (2022: loss of £23,020) for the year which reduced the existing surplus within the reserves to negative reserves of £18,825 (2022: positive reserves of £8,999) to be carried forward at 30 April 2023.

Trustees' responsibilities:

The trustees (who are also directors of HWHC Limited for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

HWHC LIMITED

TRUSTEES' REPORT

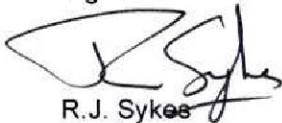

FOR THE YEAR ENDED 30 APRIL 2023

Company Law requires the trustees to prepare financial statements for each financial year. Under Company Law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on behalf of the board

R.J. Sykes

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

OF HWHC LIMITED

I report to the charity trustees on my examination of the accounts of HWHC Limited for the year ended 30 April 2023 which comprise the Statement of Financial Activities, the Summary Income and Expenditure Account, the Balance Sheet, the Statement of Cash Flows and the related notes.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

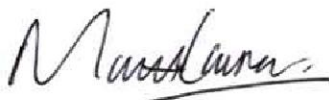

Independent examiner's statement

As the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Institute of Chartered Accountants in England and Wales.

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that:

- accounting records were not kept in accordance with section 386 of the 2006 Act ; or
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements under section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

HWHC LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2023

1. ACCOUNTING POLICIES

1.1 Statutory information

HWHC Limited is a charitable company limited by guarantee and is incorporated in England and Wales. The registered office address and principal place of business is Reservoir Cottage, Mount View Road, London, N4 4SP.

1.2 Basis of accounting and preparation

These financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The Charity is a public benefit entity for the purposes of FRS 102 and therefore has also prepared the financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP) and the Charities Act 2011.

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the Charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. After making enquiries the trustees have concluded that there is a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. The Charity therefore continues to adopt the going concern basis in preparing its financial statements.

1.3 Income

Income is accounted for when it is probable that the income will be received, and the amount can be measured reliably.

1.4 Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

1.5 Debtors

Trade and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid.

1.6 Depreciation

Depreciation is provided at the following annual rates in order to write off the cost of each asset over its expected useful life:

Fixtures, fittings and equipment	25% straight line
----------------------------------	-------------------

1.7 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

1.8 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments. Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument. Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

HWHC LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2023

With the exception of any prepayments and deferred income, all debtor and creditor balances are considered to be basic financial instruments under FRS 102.

1.9 Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the club and which have not been designated for other purposes.

Restricted funds are funds which have been raised for particular purposes. The aim and use of each restricted fund is set out in the notes to the financial statements.

1.10 Areas of critical judgement & estimation

There are no key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

2. INCOME FROM DONATIONS AND LEGACIES

HWHC LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2023

13. RELATED PARTY TRANSACTIONS

The club provides accommodation support to key players and coaches who would otherwise find it difficult to relocate to and live in central London. Accordingly, the club enters into rental agreements on certain properties to enable this to happen. In return players and coaches will sometimes make a contribution towards the rental costs as well as committing to provide coaching support to the junior programme or to some of the lower adult club sides.

One such property rented by the club is owned by a director and trustee of the club. The rental agreement is based on a cost reimbursement basis and hence is considerably below a market rental for the property. Costs incurred by the club under this agreement which was entered into in July 2016 were £16,200 in 2023 (2022: £16,200).
