Structure, Governance and Management

Governing Document

Stanhill Foundation is a company limited by guarantee with company number 6756042 and is governed by its Memorandum and Articles of Association dated 15 April 2019. It is a registered charity with the Charity Commission with charity number 1129600.

Appointment of Trustees

As set out in the Articles of Association trustees can be appointed by ordinary resolution or by a decision of the Directors. There must be at all times at least two serving Trustees.

None of the trustees receive remuneration or other benefits for their work with the Foundation.

Trustee training

New trustees are provided with a briefing of their legal obligations under charity and company law, the Charity Commission guidance on public benefit and the contents of the Foundation's Memorandum and Articles of Association. The Foundation will also facilitate access to external professional advisers should this be required.

Trustees' responsibilities in relation to the financial statements

The trustees (who are also directors of Stanhill Foundation for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice.)

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- comply with applicable accounting standards, including FRS 102, subject to any material departures disclosed and explained in the financial statements;
- state whether a Statement of Recommended Practice (SORP) applies and has been followed, subject to any material departures which are explained in the financial statements;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006 and the Charities Act 2011. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

External Scrutiny

As a charity with a gross income in excess of £25,000 but not exceeding £1,000,000 accounts must be subject to outside scrutiny but trustees may choose either independent examination or audit by a registered auditor, unless the charity's governing document stipulates one or the other. The Foundation's governing documents do not stipulate examination by an auditor and therefore external scrutiny has been undertaken by independent examination

Independent Examiner's Report to the Trustees of Stanhill Foundation ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 November 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent Examiner's Statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1) accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
- 4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

For the year end 30 November 2022

1. Accounting policies

1.1. Basis of preparation of financial statements

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014. The financial statements are prepared on a going concern basis, under historic cost convention.

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) including Update Bulletin 1. The charitable company is a public benefit entity for the purposes of FRS 102 and therefore the charitable company also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP), the Companies Act 2006 and the Charities Act 2011.

The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

1.2. Going concern

The trustees have assessed whether the use of going concern is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of these financial statements. In particular the trustees have considered the charity's forecasts and projections and have taken into account of pressures on donation and charitable income. After making enquiries the trustees have concluded that there is reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

1.3. Income

All income resources are included in the Statement of Financial Activities when the Foundation is entitled to income, the receipt is probable and the amount can be measured reliably.

1.4. Unrestricted funds

These resources arise from grants and donations provided for unrestricted purposes and from accumulated surpluses and deficits in the operations for charitable purposes and are expendable at the discretion of the Trustees.

1.5. Designated funds

These funds have been designated for a particular purpose by the Trustees

1.6. Restricted funds

These funds arise from contributions made for specific purposes and are expended in accordance with these purposes.

Accounting Policies (continued)

1.7. Expenditure

Expenditure is classified under the principal categories of charitable expenditure and the costs of generating funds rather than the type of expense, in order to provide more useful information to users of these accounts. Irrecoverable VAT is treated as an expense.

1.8. Taxation

The charity is exempt from corporation tax on its charitable activities.

1.9. Cash and cash equivalents

Cash and cash equivalents include

1.10. Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognized in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument. Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

With the exceptions of prepayments and deferred income all other debtor and creditor balances are considered to be basic financial instruments under FRS 102.

1.11. Key estimates and judgements

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognized in the financial statements.

In the view of the trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognized in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.
