Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Due to the impact of COVID-19, a significant proportion of planned mess functions and events throughout the Financial Year were cancelled.</p> <p>Despite this, the Mess managed to arrange a number of functions between Nov 19 – Mar 20 that had a positive effect on personnel deploying to numerous overseas locations, as well as National Standby duties. These functions include a number of Dining in Nights and a Christmas Ball.</p> <p>Normally, the Mess membership would host local dignitaries at an Annual Reception event in order to promote RAF Benson within the local community and to help foster good local relations. Unfortunately, this was one of many events cancelled due to the pandemic.</p> <p>Before COVID-19 restrictions, and when the rules permitted, numerous informal functions and activities were held for the collective benefit of the membership. These were designed to meet the main objective of the Mess by increasing moral and promoting the esprit de corps.</p>

Due to COVID-19, these income streams have been severely restricted.</p>
Investment policy and objectives including any social investment policy adopted	Para 1.46	<p>The primary purpose of investing Mess funds is to protect its capital and to show growth broadly in line with the prevailing overall rate of inflation each year.</p> <p>Additionally, the investments may provide an income to the Mess throughout the year.</p>

		Investments have been with BlackRock since Mar 17. A review of these investments is undertaken each year.
A description of the principal risks facing the charity	Para 1.46	<p>A Risk Register, updated monthly and held by the Accounts Flight, is presented to the Trustee monthly. Such risks include a loss of income and meeting the required assurance levels.</p> <p>The Trustee, through the Accounts Flight, continues a constant programme of work to identify procedures and plans that mitigate risk and minimise the potential impact of these risks, should they materialise.</p> <p>An Internal Audit Board has been convened, with this Mess being audited quarterly throughout the Financial Year.</p>

Note 29	Additional Disclosures	
The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.		
It should be noted that the charity revised their financial year end from 31st October 2020 to 31st March 2021. Resulting in the current year being 17 months.		
It should also be noted that during this financial year the global COVID-19 pandemic had caused most large activities and functions to be cancelled. This is consequently reflected in the figures reported, particularly in the Statement of Financial Activities (SOFA).
