GOCHURCH GLOBAL LTD

TRUSTEES' REPORT

The Trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 December 2020.

Structure, governance and management

Nature of governing document

The management of the Company is the responsibility of the Trustees who are elected and co-opted under the terms of the Memorandum of Association.

Recruitment and appointment of Trustees

The management of the company is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association.

Organisational structure

The Board of Trustees meets 3 times a year formally and has delegated 2 of the trustees to meet with the Senior Pastor bi-monthly to review the financial affairs of the charity. The Trustees have delegated the day to day running of the charity to the Senior Pastor. The work is supported by a number of staff members and volunteers.

Both the Founding Pastor and the Senior Pastor are members of the Board of Trustees.

Risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Objectives and activities

Objects and aims

GoChurch's (previously World Harvest Bible Church) charitable purposes as set out in the company's Memorandum of Association are to:

- Advance the Christian faith anywhere in the world
- Advance education anywhere in the world
- Relieve sickness and financial hardship and to promote and preserve good health
- Pursue other charitable purposes as the Trustees think fit

These objects are being worked out in three main areas:

- Churches - Local churches with a strong citywide, regional, national and international vision that continually seek to reflect the city or region in which they are based
- Training - Bible Colleges, Conferences and Teaching Materials that provide training for real-life practical Christian ministry
- Missions - Teams of people dedicated to taking the Christian message to other regions and countries, with a special focus on the least reached people groups

GOCHURCH GLOBAL LTD

TRUSTEES' REPORT

Public benefit

The Trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

The objectives provide benefits to the public as follows:

- The Churches - Providing environments for regular Christian services open to the public, focusing on worship, teaching and religious instruction.
- The Buildings - Providing regular youth and children's clubs during the week that provide recreational activities involving craft, media and games to children and youth from the local communities as well as Care facilities for both adults and children.
- The Care - Providing pastoral assistance and advice to anyone who approaches the church with targeted specific care in the following areas:
 - a. CAP Money - Money management course that teaches people budgeting skills and a simple cash-based system that really works
 - b. CAP Debt - Debt relief advice and helping clients establish realistic budgets as well as dealing with creditors to obtain affordable repayment plans
 - c. FoodBank - Emergency food parcels and support to people experiencing crisis

Achievements and performance

Review of activities

2020 has been an unusual year for everyone across the world with the effects of the Covid-19 Pandemic creating challenges to every area of GoChurch's life and mission. Many "normal" activities were not possible but new ways of working were found as GoChurch has always sought to be innovative and adaptable. We constantly strive for excellence, learning new methods to present and demonstrate eternal truths. This is a continual and exciting challenge to learn to present the life of Christ in a relevant way in our communities & around the world. It is part of the adventure that is Christianity, working from relationship rather than religion.

The accounts for the year 2020 show the ongoing financial improvement with a surplus of £8,471 (2019: £13,926 surplus).

Previous years have seen GoChurch developing a clear identity and pushing into new areas as we continue to work together, supporting and cheering each other on. 2020 has particularly seen the "new" online church presence featuring in significant ways. Plans that were developing for this Online presence were accelerated as a direct result of the March 2020 and subsequent lockdowns.

The GoChurch's global vision is "a family of churches working together to reach the world" with global values "love, grow, go" which are worked out in each church with a unique local expression.

GOCHURCH GLOBAL LTD

TRUSTEES' REPORT

The Church - GoChurch is now 4 churches in 4 cities across the UK and also an emerging church in Beirut, Lebanon:

- **GoChurch Manchester** led by Pastors Alan & Claire Morton.

This year we have seen 4 TV programs per week being produced for the adults and children. Much of this was the result of many hours of work by our dedicated volunteer workforce who supported the part-time staff with filming, editing and producing over 64 hours of programs.

Experiments with online Grow Groups in late 2019 enabled us to be ready for lockdown. Across the year an average of 10 Grow Groups met per week with over 60% of the church participating. This enabled friendships, pastoral care and teaching to continue.

Our CAP & FoodBank projects continued and increased during this strange period as many external organisations and people volunteered help. FoodBank fed over 250 clients per month in 2020 and this has continued to rise to +400 per month in 2021.

Pastors Alan & Claire also oversee the other GoChurches in the UK.

- **GoChurch Bradford** led by Pastors Mathew & Fina Tapusoa.

Lockdown meant a total change of style for Bradford as the school building the church was using was no longer available. Church, Grow Groups & Leadership meetings all moved online. Across the year the Bradford team was able to care for everyone and grow new "further afield" members who joined online.

The Bradford church also contributed significantly to the media presence of the other GoChurches with artwork and social media postings.

- **WOL London** led by Pastor Jourdel Lord

Like Bradford, WOL London moved exclusively onto an online only basis due to the lockdown. In 2020 Pastor Jourdel was instated as the church pastor and Pastors Gleison & Marina Cabral moved to Portugal to expand the Word of Life ministry across Europe. Pastors Gleison & Marina continue to oversee the London church working in conjunction with Pastors Alan & Claire and the UK Board of Trustees.

Plans to buy a building for the church were put on hold for the time being but the new Bible Training Centre thrived online.

- **GoChurch Liverpool** led by Pastors Barney & Becci Linscott.

Like Bradford and London, GoChurch Liverpool were unable to meet in the school they were using but moved online. This empowered many of the church members to help produce the TV programs with personal testimonies and encouraging videos. Many of these videos appeared on the other GoChurch service videos.

GOCHURCH GLOBAL LTD

TRUSTEES' REPORT

- **GoChurch Beirut, Lebanon** led by Pastors Matt & Julie Beemer

The Beirut church launched online in April 2020 and has reached +100,000 through their videos. In addition to the Pandemic, the Beirut church had to cope with the massive explosion at the docks in August 2020 that affected +200,000 people. Offerings from the UK +£30,000 and USA +\$230,000 were channelled through GoChurch Beirut to help rebuild homes and churches as well as provide food and essentials for many families. GoChurch has truly been able to have an impact on many lives.

The financial activities for the Beirut church do not form part of these annual accounts and reports. Instead, reports are filed as appropriate in Lebanon and USA.

The Training Centres - The Rhema bases in Nigeria and Egypt continue to flourish and grow with over 2,000 students attending the various courses and attracting considerable support from local churches in those countries. These centres operate through national based charities and trusts. All training centres in the UK & Ireland now operate under the new Rhema trust.

The Missions - The global pandemic affected every country making travel between countries impossible and often restricting travel within countries. We have continued to support missionaries and works abroad during this difficult time, ensuring the ministries can continue in the future.

During the year, the Trustees carried out careful financial and health-related risk assessments to ensure the ministry was able to continue. Only 2 staff members were furloughed during the year. This increased in 2021 to 7 as the government's part-furlough scheme became appropriate.

The Trustees and Pastors continue to be very thankful for the ongoing support of the partners and staff of GoChurch as they have remained faithful to the ministry in their sacrificial support, both financially and in volunteering time and skills. Without this help, GoChurch would not be able to fulfil its mandate.

Plans for future periods

Our plans for 2021 continue to be affected by the Covid-19 pandemic but new ideas are emerging as we all seek to respond, adapt and learn. Hybrid church is becoming the new normal, reaching out physically and digitally to the communities around us. More connections and greater reach.

The original vision to plant 10 churches over a 15-year period is becoming a reality. So far 5 churches have been started in 3 nations. We are planning for more.

2021 will be a year of expansion and outreach as societies begin to return to more normal activities but with a strong focus on raising new pastors as new leaders are required for the church plants, both online and in-person. Exciting times ahead!

GOCHURCH GLOBAL LTD

TRUSTEES' REPORT

Financial review

Income for the year amounted to £616,135 (2019 - £772,566) with expenditure being £607,664 (2019 - £758,640). The surplus of £8,471 (2019 - £13,926) was added to funds brought forward resulting in a fund balance of £384,554 (2019 - £376,083). Of this £364,775 (2019 - £358,999) are unrestricted funds.

Policy on reserves

The trustees have determined that, in line with their belief that God provides for the work to which he calls His people, no reserves are actively maintained by the charity.

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

GOCHURCH GLOBAL LTD

TRUSTEES' REPORT

Statement of Trustees' Responsibilities

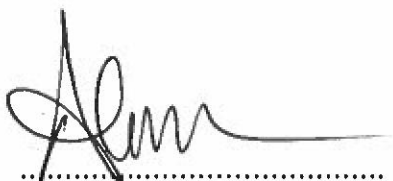

The Trustees (who are also the directors of GoChurch Global Ltd for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The annual report was approved by the Trustees of the charity on 28 September 2021 and signed on its behalf by:

GOCHURCH GLOBAL LTD
INDEPENDENT EXAMINER'S REPORT

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 December 2020 which are set out on pages 9 to 23.

Respective responsibilities of Trustees and examiner

As the charity's Trustees of GoChurch Global Ltd (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of GoChurch Global Ltd are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since GoChurch Global Ltd's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Chartered Institute of Management Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of GoChurch Global Ltd as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

GOCHURCH GLOBAL LTD

NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 31 DECEMBER 2020

1 Charity status

The charity is limited by guarantee, incorporated in England, and consequently does not have share capital. Each of the Trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

GoChurch Global Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

GOCHURCH GLOBAL LTD

NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 31 DECEMBER 2020

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Gift aid

Incoming resources from tax reclaims are included in the Statement of Financial Activities at the same time as the gift to which they relate.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £500 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Land and buildings	2% straight line
Computer equipment	25% straight line

GOCHURCH GLOBAL LTD

NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 31 DECEMBER 2020

Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Liabilities

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Fund structure

Unrestricted income funds are general funds that are available for use at the Trustees' discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

GOCHURCH GLOBAL LTD

NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 31 DECEMBER 2020

Pensions and other post retirement obligations

The charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
