### Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 December 2024.

#### Objectives and activities

##### *Objects and aims*

GoChurch's (previously World Harvest Bible Church) charitable purposes as set out in the company's Memorandum of Association are to:

- Advance the Christian faith anywhere in the world
- Advance education anywhere in the world
- Relieve sickness and financial hardship and to promote and preserve good health
- Pursue other charitable purposes as the Trustees think fit

These objects are being worked out in three main areas:

- Churches – Local churches with a strong citywide, regional, national and international vision that continually seek to reflect the city or region in which they are based
- Training – Bible Colleges, Conferences and Teaching Materials that provide training for real-life practical Christian ministry
- Missions – Teams of people dedicated to taking the Christian message to other regions and countries, with a special focus on the least reached people groups

These objectives provide benefits to the public as follows:

- The Churches – Providing environments for regular Christian services open to the public, focusing on worship, teaching and religious instruction
- The Buildings – Providing regular youth and children's clubs during the week that provide recreational activities involving craft, media and games to children and youth from the local communities as well as Care facilities for both adults and children
- The Care – Providing pastoral assistance and advice to anyone who approaches the church with targeted specific care in the following areas:
  - ☐ CAP Money – Money management course that teaches people budgeting skills and a simple cash-based system that really works
  - ☐ CAP Debt – Debt relief advice and helping clients establish realistic budgets as well as dealing with creditors to obtain affordable repayment plans
  - ☐ FoodBank – Emergency food parcels and support to people experiencing crisis

##### *Objectives, strategies and activities*

GoChurch has always sought to be innovative and adaptable, constantly striving for excellence, learning new methods to present and demonstrate eternal truths. This is a continual and exciting challenge presenting the life of Christ in a relevant way in our communities & around the world. It is part of the adventure that is Christianity, working from relationship rather than religion.

The GoChurch's global vision is "a family of churches working together to reach the world" with global values "love, grow, go" which are worked out in each church with a unique local expression. This allows for diversity and enables the churches to reflect the communities that they are based in. The GoChurch vision is to see 25 churches established by 2035.

### **Trustees' Report**

The Church – GoChurch is now 5 churches in 5 cities across the UK and also an established church in Beirut, Lebanon. In January 2024 Pastors Alan & Claire Morton transitioned out of their local church role in Manchester to an oversight role across the UK. The aim of this move being to train, mentor and resource church planting across the UK, Europe & beyond.

- GoChurch Manchester led by Pastors Mark & Simone Walker.

A new leadership team was established in 2022, post-pandemic to enable the transition to a group of younger leaders. In January 2024 Pastors Mark & Simone Walker took on the Lead Pastor role for the Manchester Church.

This has allowed greater freedom for Pastors Alan & Claire to strengthen the ties with Rhema UK and Ireland. As part of this strengthening, they also became “Master Trainers” for DCPI (Dynamic Church Planting International) working across GoChurch, Rhema & DCPI.

In 2023, the year running up to the transition, and 2024 the first year of Pastors Mark & Simone, the church grew by 25% numerically with greater stability in finances and activities.

- GoChurch Bradford led by Pastors Rob & Julia Post.

2024 was a year of strengthening the Bradford church following the transition of pastors. However, at the end of 2024 Pastors Rob & Julia Post resigned from their position and the search for a new pastor began. A pastoral team of Pastors Alan & Claire Morton and Kenny & Jenn MacKay are working to gether to provide the leadership needed.

- WOL London led by Pastor Jourdel Lord

The London church continues working in conjunction with Pastors Alan & Claire and the UK Board of Trustees. Delays in the formation of a new charity for the work has prevented the daily operations and funds of this church from being transferred to the new charity. This transfer will be implemented with effect from 31/12/2025.

- GoChurch Liverpool led by Pastors Barney & Becci Linscott.

GoChurch Liverpool continued the Go Play project beyond the initial planned period until the Hub stopped being used as a base for the church.

The church is now in a transition period from being a Sundays meeting-based church to becoming a groups-based church with a monthly “Big Sunday”. The full relaunch of the church is expected in 2025.

- GoChurch Beirut, Lebanon led by Pastors Matt & Julie Hattabaugh

GoChurch continues to thrive in Beirut and the team have begun the launch of RHEMA Lebanon, providing Bible College training. These two activities operate separately but with much of the same team.

The financial activities for the Beirut church do not form part of these annual accounts and reports. Instead, reports are filed as appropriate in Lebanon and USA.

- Restoration Church, Middlesbrough led by Pastor Samuel & Sarah Ireton

This is a new church plant, currently in the pre-launch phase operating under the GoChurch charity with Pastors Alan & Claire Morton providing oversight as part of the vision of seeing churches planted across the UK.

## **GoChurch Global Ltd**

### **Trustees' Report**

The Training Centres – The Rhema bases in Nigeria and Egypt continue to flourish and grow with over 9,000 students attending the various courses and attracting considerable support from local churches in those countries. A new Rhema base started in Lebanon in September 2023. These centres operate through national based charities and trusts. All training centres in the UK & Ireland now operate under the new Rhema UK & Ireland trust.

The Missions – We have continued to support missionaries and works abroad during this year, with a particular focus on unreached people groups. In addition to this we have continued to support Pastors Matt & Julie Beemer as they transitioned the Lebanese Church leadership. Bex Morton, the daughter of Pastors Alan & Claire Morton, is a missionary in Brazil working with Life Impact International, a charity caring for children at risk of sexual exploitation.

The Trustees and Pastors continue to be very thankful for the ongoing support of the partners and staff of GoChurch as they have remained faithful to the ministry in their sacrificial support, both financially and in volunteering time and skills. Without this help, GoChurch would not be able to fulfil its mandate.

#### ***Public benefit***

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

#### **Financial review**

The accounts for the year 2024 show a financial surplus of £32,987 (2023: £13,755 surplus).

#### ***Policy on reserves***

The Trustees of GoChurch Global Ltd aim to create and maintain a general reserve of unrestricted funds equivalent to 3 months operating expenses as being sufficient to meet its financial, legal and moral obligations to its service users, employees and volunteers and to all relevant authorities.

#### **Structure, governance and management**

##### **Financial instruments**

#### ***Objectives and policies***

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk.

#### ***Cash flow risk***

The charity's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates. The charity uses foreign exchange forward contracts and interest rate swap contracts to hedge these exposures.

Interest bearing assets and liabilities are held at fixed rate to ensure certainty of cash flows.

## **GoChurch Global Ltd**

### **Trustees' Report**

#### ***Credit risk***

The charity's principal financial assets are bank balances and cash, trade and other receivables, and investments. The charity's credit risk is primarily attributable to its trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

#### ***Liquidity risk***

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity uses a mixture of long-term and short-term debt finance.

Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

#### **Plans for future periods**

##### ***Aims and key objectives for future periods***

Our plans for 2025 and beyond continue to be the development of new churches that reflect the communities they are based in.

The GoChurch vision to plant 25 churches by 2035 has started and our focus will be to ensure that these churches become healthy dynamic churches. Exciting times ahead!

The operations, incomes & expenditure, assets & liabilities of Word Of Life, London will be transferred to a new charity, Word of Life Ministries Europe (charity number 1190375) on 31/12/25 as this is the next step in the growth of this partnership ministry that has seen 12 churches established across Europe.

In 2025 we anticipate the launching of 2 new church plants, the training up of +100 leaders with a view to go establish new works in the future. It's time to get busy.

#### **Statement of trustees' responsibilities**

The trustees (who are also the directors of GoChurch Global Ltd for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". The report and accounts have been prepared in accordance with the provisions in the Companies Act 2006 relating to small companies.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

### **Notes to the Financial Statements for the Year Ended 31 December 2024**

#### **1 Charity status**

The charity is limited by guarantee, incorporated in England & Wales, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

Studio 4

Unit 4

Dallas Court

Salford

M50 2GF

These financial statements were authorised for issue by the trustees on 24 September 2025.

#### **2 Accounting policies**

##### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### **Statement of compliance**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

##### **Basis of preparation**

GoChurch Global Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

##### **Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

##### **Income and endowments**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

## **GoChurch Global Ltd**

### **Notes to the Financial Statements for the Year Ended 31 December 2024**

#### ***Donations and legacies***

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Legacy gifts are recognised on a case by case basis following the grant of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the charity.

#### ***Deferred income***

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

#### ***Investment income***

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

#### ***Expenditure***

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### ***Charitable activities***

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### ***Governance costs***

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

#### ***Taxation***

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

## GoChurch Global Ltd

### Notes to the Financial Statements for the Year Ended 31 December 2024

#### Tangible fixed assets

Individual fixed assets costing £500.00 or more are initially recorded at cost.

#### Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Land and buildings	2% per annum on a straight line basis
Furniture and equipment	25% per annum on a straight line basis

#### Stock

Stock is valued at the lower of cost and estimated selling price less costs to complete and sell, after due regard for obsolete and slow moving stocks. Cost is determined using the first-in, first-out (FIFO).

#### Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

#### Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

## **GoChurch Global Ltd**

### **Notes to the Financial Statements for the Year Ended 31 December 2024**

#### **Borrowings**

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

#### **Fund structure**

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

#### **Financial instruments**

##### *Classification*

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

##### *Recognition and measurement*

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.
