7. TRUSTEES' REPORT

The trustees present their report and accounts for the year ended 30 June 2025.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the governing document, the Companies Act 2006 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005.

Structure, governance and management

The charity is a company limited by guarantee, incorporated on 17 February 2009 and registered as a charity on 21 May 2009 with the Charity Commission (Registration No. 1129769).

The trustees, who are also the directors for the purpose of company law, and who served during the year

Mrs Belinda Jane Blank

Mr Marc Victor Lewis

Mr Phillip Lionel Ullmann

The charity is run by the trustees listed above, who are appointed by the Committee. Under the Charity's rules, the maximum number of trustees that can serve each year is ten, and the minimum is three. The trustees shall be appointed by resolution of a meeting of trustees or by written resolution signed by all the trustees. Each trustee shall hold office for a period of three years from the date of appointment (or such shorter period as he may agree) and, if qualified, is eligible for reappointment for a further period or further periods (without limitation) of three years.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

Trustee Induction and Training

Any new trustees would, upon appointment, be fully briefed and trained by the existing committee and made aware of their responsibilities and duties. Where felt necessary, they would be sent to external training courses relevant to their appointment.

Organisational Structure

The board of trustees is the governing body which administers the charity. All major decisions are made by the board, which meets to discuss and formulate policy and to decide on strategy. A scheme of delegation is in place, and day-to-day responsibility for the affairs of the charity rests with Mr and Mrs Blank, who act as administrators of the charity.

HENDON UNITED SPORTS CLUB
Notes to the Financial Statements
For the year ended 30 June 2025

Risk Management

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and activities

The charity's main objective is the advancement of the physical education of young members of London's Jewish community by providing training and facilities to play football and other sports. The charity aims to achieve its objective by increasing the number of boys, girls and ladies who are able to participate in sports.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

During the period, the average number of boys attending the training sessions remains steady. Demand for training and Sunday leagues continues and shows the club is meeting the needs of the community.

Achievements and performance

The club has had another very successful year. It continues to grow. It remains financially strong, and the number of teams playing across three different leagues continues to rise. The club continues to grow and provide sports sessions for hundreds of young Jewish people this year.

Scholarships and reductions in costs are made available to those in need. The charity has re-launched a ladies' netball program, which is proving very popular.

Financial review

The society maintains adequate financial reserves to carry out its work and meet its obligations. During the period, the charity had incoming resources of £163,074 (2024: £157,620) and an excess of expenditure over income of £11,606 (2024: £24,236) an excess of income over expenditure. The trustees are mindful of their reserves policy (as stated below), and the charity managed to keep its administrative costs to an absolute minimum.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six months' basic expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

On behalf of the Board of Trustees

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the governing document, the Companies Act 2006 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005.

Structure, governance and management

The charity is a company limited by guarantee, incorporated on 17 February 2009 and registered as a charity on 21 May 2009 with the Charity Commission (Registration No. 1129769).

The trustees, who are also the directors for the purpose of company law, and who served during the year
Mrs Belinda Jane Blank
Mr Marc Victor Lewis
Mr Phillip Lionel Ullmann
Mr Thomas Aitchison

The charity is run by the trustees listed above who are appointed by the Committee. Under the Charity's rules, the maximum number of trustees that can serve each year is ten and the minimum is three. The trustees shall be appointed by resolution of a meeting of trustees or by written resolution signed by all the trustees. Each trustee shall hold office for a period of three years from the date of appointment (or such shorter period as he may agree) and, if qualified, is eligible for reappointment for a further period or further periods (without limitation) of three years.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

Trustee Induction and Training

Any new trustees would upon appointment be fully briefed and trained by the existing committee and made aware of their responsibilities and duties. Where felt necessary they would be sent to external training courses relevant to their appointment.

Organisational Structure

The board of trustees is the governing body which administers the charity. All major decisions are made by the board which meets to discuss and formulate policy and to decide on strategy. A scheme of delegation is in place and day-to-day responsibility for the affairs of the charity rests with Mr and Mrs Blank who act as administrators of the charity.

Risk Management

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and activities

The charity's main objective is the advancement of physical education of young members of London's Jewish community by providing training and facilities to play football and other sports. The charity aims to achieve its objective by increasing the number of boys and girls and ladies who are able to participate in sports.

HENDON UNITED SPORTS CLUB

Notes to the Financial Statements

For the year ended 30 June 2024

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

During the period, the average number of boys attending the training sessions remains steady. Demand for training and Sunday leagues continues and shows the club is meeting the needs of the community.

Achievements and performance

The club has had another very successful year. It continues to grow. It remains financially strong and the number of teams playing across three different leagues continues to rise. The club continues to grow, and provide sports sessions for hundreds of young Jewish people this year.

Scholarships and reductions in costs are made available to those in need. The charity has re-launched a ladies' netball program which is proving very popular.

Financial review

The society maintains adequate financial reserves to enable it to carry out its work and meet its obligations. During the period, the charity had incoming resources of £157,620 (2023: £147,248) and an excess of expenditure over income of £24,236 (2023: £25,339 an excess of income over expenditure). The trustees are mindful of their reserves policy (as stated below) and the charity managed to keep its administrative costs to an absolute minimum.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's basic expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

On behalf of the Board of Trustees

Belinda Blank

Structure, governance and management

The charity is a company limited by guarantee, incorporated on 17 February 2009 and registered as a charity on 21 May 2009 with the Charity Commission (Registration No. 1129769).

The trustees, who are also the directors for the purpose of company law, and who served during the year

Mrs Belinda Jane Blank

Mr Marc Victor Lewis

Mr Phillip Lionel Ullmann

Mr Thomas Aitchison

The charity is run by the trustees listed above who are appointed by the Committee. Under the Charity's rules the maximum number of trustees that can serve each year is ten and the minimum three. The trustees shall be appointed by resolution of a meeting of trustees or by written resolution signed by all the trustees. Each trustee shall hold office for a period of three years from the date of appointment (or such shorter period as he may agree) and, if qualified, is eligible for reappointment for a further period or further periods (without limitation) of three years.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

Trustee Induction and Training

Any new trustees would upon appointment be fully briefed and trained by the existing committee and made aware of their responsibilities and duties. Where felt necessary they would be sent to external training courses relevant to their appointment.

Organisational Structure

The board of trustees is the governing body which administers the charity. All major decisions are made by the board which meets to discuss and formulate policy and to decide on strategy. A scheme of delegation is in place and day to day responsibility for the affairs of the charity rests with Mr and Mrs Blank who act as administrators of the charity.

Risk Management

HENDON UNITED SPORTS CLUB
Notes to the Financial Statements
For the year ended 30 June 2020

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and activities

The charity's main objective is the advancement of physical education of young members of London's Jewish community by providing training and facilities to play football and other sports. The charity aims to achieve its objective by increasing the number of boys and girls and ladies who are able to participating sports.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

During the period, the average number of boys attending the training sessions remains steady. Demand for training and Sunday leagues continues, and shows the club is meeting the needs of the community.

Achievements and performance

The club has had another very successful year. It continues to grow. It remains financially strong and the number of teams playing across three different leagues continues to rise. The summer camp did not run in 2019 due to timing of holidays, but we look forward to running it again in the future. The club continues to grow, and provide sports sessions for hundreds of young Jewish people this year, across all activities. Scholarships and reductions in costs are made available to those in need. The charity has re-launched a ladies' netball program which is proving very popular.

Financial review

The society maintains adequate financial reserves to enable it to carry out its work and meet its obligations. During the period, the charity had incoming resources of £143381 (2019: £125,417) and an excess of income over expenditure £1,166 (2019: £6,913 an excess of expenditure over income). The trustees are mindful of their reserves policy (as stated below) and the charity managed to keep its administrative costs to an absolute minimum.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's basic expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

On behalf of the Board of Trustees

Mrs Belinda Jane Blank

- observe the methods and principles in the Charities SORP;
