Independent Examiners Report to the trustees of Happy Bunnies Pre -School (Southampton)

Year Ended 30 September 2023

I report to the trustees on my examination of the financial statements of Happy Bunnies Pre-School (Southampton) ('the charity') for the year ended 30 September 2022.

Responsibilities and basis of the report

As the trustees of the company (and also its directors for the purposes of the company law) you are responsible for the preparation of the financial statements in accordance with requirements of the Companies Act 2006 ('the 2006 Act')

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the directions given by the Charity's Commission under section 145 (5) (b) of the 2011 Act.

Independent examiners statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of any independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statements of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in respect in order to enable a proper understanding of the accounts to be reached.

2 Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the companies act 2006.

3 Accounting Policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income and expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going Concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the Financial statements requires management to make judgements, estimates and assumptions that affect the amount reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor to through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to the particular categories of income.

- * income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and it amount can be measured reliably.
- * legacy income is recognised when receipt is probable and entitlement is established.
- * income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources explained

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financials activities to which it relates.

- * expenditure on raising funds includes the cost of all fundraising activities, events, non charitable trading activities, and the sale of donated goods.
- * expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- * other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provision of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

NOTES: Independent Examination covering year ending 30th September 2023

Income and expenditure are currently recorded using excel spreadsheets where every transaction is recorded and numbered, this allows for ease of tracking and transparency. The number is written on the document which is then scanned in for future referral and quick retrieval.

The system is very workable to follow and transparent.
Where invoices for expenses are not held in paper format they can be located within the scanned folder held securely.

THERE WERE NO ERRORS OF CONCERN FOUND.

Expenditure

For everyday essential items purchased and paid by the staff these are cleared for reimbursement on production of receipt straight into the staff members bank account. For more costly items these requests are put to the Trustee's for approval before purchasing.

Income

The majority of income received comes from grants from the government.
All transactions are recorded in the spreadsheet.

The preschools preferred method of payment from parents is by Standing Order.

Payroll

Payroll is run monthly and paid at the end of month. Paid online and recorded in the spreadsheet. A breakdown of payroll including pensions is held within the online accessed software (Sage Online and NEST Online) accessed by authorised personnel only.

Income and expenditure spreadsheet

The spreadsheet works really well and is a good basis for keeping the accounts in order.

Petty Cash

The Charity does not hold a petty cash float.

POINTS TO NOTE:
