The RAF Shawbury Officers' Mess has 3 main aims set by the Trustee: i. Encourage esprit de corps by enabling serving members to mix together for both formal dining situations and informal social activities so as to help keep service traditions alive and encourage the well-being of the Mess community. ii. services identified in the accounts.		The main activities of the Officers' Mess in relation to those purposes for the public benefit are: a. The provision of funding to enhance living accommodation. b. The provision of funding towards informal and formal functions throughout the year. c. The provision of grants benefiting the wider Service Community.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Mess arranged a number of formal and informal functions/events over the Financial Year. This included Service 'Dining-In' or Dinner Nights such as a Battle of Britain evening, Dinner Nights for Mess Members and spouses/partners, and both a Summer Ball and Christmas Draw for the benefit of Mess Members, in order to meet the aim of promoting esprit de corps and for the collective benefit of the Membership. Some of the functions received subsidies to the overall cost, with attending Members paying the remaining cost of the function or event. A number of guests were invited to the Mess and the cost of their attendance was subsidised by Mess Members attending the function. In particular, the Officers' Mess has hosted functions for the benefit of its Members' with a total of £32,300.00 in subsidies towards the costs of some of the functions. Support to Other Activities: Each year the Mess agrees to grant sums of money to events held on the Unit, which benefit the wider Service community. This year the Officers' Mess allocated money towards: i. The Children's Christmas Event, Junior Ranks' Christmas Event, Senior Citizens' Christmas Event, Families Day, Shawbury 5s and the Annual Reception. ii. Contributed to the Royal Air Force Shawbury Sports Fund to assist in its programme to enhance sporting facilities on the Unit. Mess Subscriptions: As part of the financial planning process the Mess Committee seeks the agreement of the Membership in setting the level of subscriptions in the relevant membership categories. These subscriptions help to subsidise the formal functions, meet operating and maintenance costs as well as enabling the Mess to fund its grant allocating activities. Subscription income was lower than anticipated over the year, therefore the Committee took action to increase subscriptions. An amended Financial Plan was approved at an EGM in Apr 25, which incorporated the increase. At the end of the Financial Year subscription income was above the target in the amended Financial Plan. Trading Activities:

		The Officers' Mess operates a bar as a primary purpose trading activity. The bar is managed by the Contractor ESS, and ownership of the stock was handed over to ESS in Nov 20, reducing the risk to the Trustee and the Mess Committee. The levels of Gross Profit Percentages/ Mark-ups continue to be set by the Mess Committee and agreed at the EGM prior to the start of the Financial Year. Investments: Investment income performed much better than expected, with income above target by £829.34. Future Plans: Future Plans for the Officers' Mess is to arrange a similar spread of formal and informal functions for Financial Year 25/26 and a renovation of the bar area.

Achievements against objectives set	Para 1.41	The objectives are set in the Financial Plan, which is approved by the Trustee, and voted in at an EGM prior to the start of the Financial Year and any further amended Financial Plans approved by the Membership at a general meeting. Committee Meetings are held on a monthly basis to review the performance of the Officers' Mess against the Financial Plan. Planned income over the Financial Year was above target, which was mainly due to higher than anticipated investment income, bank interest and maintenance duty income. Overall planned expenditure was below target.
Performance of fundraising activities against objectives set	Para 1.41	The main income streams for the Officers' Mess are subscriptions and bar profit. Subscriptions: Subscriptions were set and agreed at £11.40 per month for each Mess Member. However as Subscription income was below target due to a fall in numbers in the Mess, subscriptions were increased to £15.00 per month and the target amended. At the end of the Financial year Subscription income was over the new target by £1,096.70 and under the original target by £873.30. Bar Income: The Bar performed well over the Financial Year and ended with a profit of £13,600.66, which is £598.66 above the target in the Financial Plan.
Investment performance against objectives	Para 1.41	As noted above, Investment Income performed better than expected, with an income over the year of £2,529.34 compared to a target income of £1,700.00.

		During the year the Officers Mess received notification that one of the Investment Funds held with M&G was closing. After careful consideration and with approval of the Trustee the decision was made to move the investment to another fund held by M&G. Unfortunately this has resulted in a loss of £472.94 due to the difference in the carrying value and value of recent sale. At the end of the Financial Year the Officers' Mess Investments were valued at £60,527.98, which is an increase in value over the Financial Year of £3,409.72 and overall growth of £19,551.31 since purchase. The Investments will be reviewed in the new Financial Year.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The Officers' Mess ends the Financial Year with income of £116,227 compared to expenditure of £114,330. This has resulted in a profit/surplus of £1,897 compared to a target profit/surplus in the Financial Plan of £294.56. Liquidity is excellent with net funds readily realisable of circa £85,000.00, some of which is deposited in a Charities Official Investment Fund (COIF) Deposit Fund and high interest account to gain maximum interest. The Officers' Mess was founded with assistance from an initial grant from the RAF Central Fund. The Contingent Liability/Permanent Endowment is the initial funding of the Officers' Mess. If the Mess was to close, the RAF Central Fund would normally expect the grant to be returned. The Mess must maintain investments at a value no less than the endowed grant monies, subject to market value losses and deflation. Income generated from the invested funds is restricted to support the appropriate charitable activities of the Mess. A comparison of the RAF Shawbury Officers' Mess investment holdings to its Contingent Liability /Endowed Grant shows that they have sufficient investments to cover the value of £35,325.00.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	At the end of the Financial Year the Officers' Mess had free reserves of circa £91,800.00. The Trustee also agreed an Operating Reserves Policy for the Financial Year to ensure financial viability of the Fund and its ability to meet on-going commitments. Reserves of £7,000.00 have been set aside, which is the value of approximately 2 months' worth of recurrently committed expenditure.

		Free Reserves have been calculated as those parts of income which are freely available and do not include the Permanent Endowment, Restricted Funds, any part of Unrestricted Funds not available for spending and Assets which could only be realised through disposing. I have included the investments, as they can be realised at short notice if required, however they may not sell at their current value on the Balance Sheet. The Reserves have been used to gain the maximum income for the Fund, with circa £60.5K being held in Equity and Fixed Investments and monies held in a COIF Deposit Fund and a High Interest Account. The Reserves of the Charity are continually monitored and reviewed within the context of the funds required to fulfil the charitable objectives.
Amount of reserves held	Para 1.22	Circa £91,800.00
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	There were no funds materially in deficit during the Financial Year.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	There are no uncertainties about the Charity continuing as a going concern.

The charity's principal sources of funds (including any fundraising)	Para 1.47	Principle funding is from subscriptions and investment Income, while further income is received from bar trading.
Investment policy and objectives including any social investment policy adopted	Para 1.46	To meet the over-riding need of regular on-going specified annual income – increasing with inflation, the Royal Air Force Officers' Mess Investment Strategy/Policy is to have a diversified portfolio across established UK Equity and Fixed interest markets with a bias towards Equities that offer growth and yield. Furthermore, money is held in a COIF Deposit Fund, gaining maximum interest, but ensuring monies are readily available. The 2 main aims of holding investments are to cover the Contingent Liability/Permanent Endowment and also to generate income to help cover the expenses of the Officers' Mess.
A description of the principal risks facing the charity	Para 1.46	To continue to meet the strategic and operational objectives of the Officers' Mess, the Trustee has given consideration to the major risks to which the Charity is exposed. He is satisfied that systems and procedures have been established in order to manage these risks. This is done through the means of a Service Funds Internal Audit Board, convened at the start of each Financial Year, to carry out

		internal arithmetical and management audit of the Charity. In addition, the Trustee maintains a Risk Register detailing those areas which may give rise to concern presently and into the future. Risks have been identified, analysed and assessed according to their impact and the likelihood of occurrence. Systems implemented to mitigate these risks are continually reviewed and the Risk Register is reviewed on a regular basis. The main risks over the year were: Potential Risk Assets including both stock and property are misappropriated Mitigation PMC to ensure Property Checks and carried out by the House Members as mandated. SFIAB to check during quarterly Audits. Potential Risk Ownership of stock by the Contractor with the risk of manipulation of the Bar Trading Accounts and GPP. Mitigation Bar Trading account to be scrutinized by OC Accts Flt and Audited by the Audit Clerk. At the end of the Financial Year the main risk was/is: Potential Risk Training Deficiency: Untrained President/ Chairman of the Mess Committees (PMC/CMC) or Officers in Charge of Funds (OIC). Mitigation OC Accts Flt briefs all new PMCs, CMCs and OICs. Regular briefings are held. OC Accts Flt produced a "Guide for OICs."

However, all management decisions, acquisitions and expenditure are subject to the Trustees' approval by signature in the electronic minutes. The Annual General Meeting ratifies the annual audited accounts of the Fund. Minutes are taken at each Committee and General Meetings and are circulated to reach the Trustee within 10 working days of the Meeting for his approval. Section D**Notes to the accounts****Note 2****Accounting Policies**

This standard list of accounting policies has been applied by the charity except for those identified, "No" or "N/A". Where a different or additional policy has been adopted then this is detailed in the box below.

2.1 INCOME

Recognition of income	These are included in the Statement of Financial Activities - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; and - the monetary value can be measured with sufficient reliability.	Yes
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP).	N/A
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	N/A
Legacies	Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	N/A
Government grants	The charity has received government grants in the reporting period	No
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	N/A
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	N/A
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.	N/A
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.	N/A
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.	N/A
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.	N/A
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable	N/A

Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.	N/A
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.	N/A
Support costs	The charity has incurred expenditure on support costs.	Yes
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	N/A
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably	Yes
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.	N/A
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	Yes
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP) and are included as an item of other income in the SoFA.	N/A
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	Yes

2.2 EXPENDITURE & LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	Yes
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	Yes
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	N/A
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	N/A
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	Yes

	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments	N/A
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.	N/A

I report to the Managing Trustee on my examination of the accounts of the above charity ("the Charity") for the year stated.

Responsibilities and
basis of report

As the charity's Managing Trustee, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

~~The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a Fellow member of the Association of Charity Independent Examiners.~~

I have completed my examination. I confirm that no material matter has come to my attention in connection with the examination (other than that disclosed in Section B below) which gives me cause to believe that in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Summary of the purposes of the charity as set out in its governing document	Para 1.17	The objectives of the Royal Air Force Shawbury Officers' Mess is "The Promotion of Military Efficiency of the Armed Forces of the Crown". This object presents the Trustee with wide powers, enabling him to provide charitable assistance to all elements of the Royal Air Force Community; internal subsidy of Officers' Mess activities and grant making are the Royal Air Force Officers' Mess principle means of delivering this charitable assistance. The RAF Shawbury Officers' Mess has 3 main aims set by the Trustee: i. Encourage esprit de corps by enabling serving members to mix together for both formal dining situations and informal social activities so as to help keep service traditions alive and encourage the well-being of the Mess community. ii. Encourage, supporting and facilitating the development of sport to raise standards and to promote the link to fitness, teamwork and personal development through sporting activity and opportunities. iii. Supporting facilities and capital projects to enable the best possible provision for the Royal Air Force community. Details of the Fund's objectives and activities are grouped together within the appropriate aims and details of the scope of each activity are given in the "Achievements and Performance" section.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or	Para 1.17 and 1.19	The Officers' Mess derives a benefit to the general public in helping to provide personnel who are motivated, have high morale and are willing to serve the needs of their country and that of its public at all times.

services identified in the accounts.		The main activities of the Officers' Mess in relation to those purposes for the public benefit are: a. The provision of funding to enhance living accommodation. b. The provision of funding towards informal and formal functions throughout the year. c. The provision of grants benefiting the wider Service Community.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Royal Air Force Shawbury Officers' Mess derives public benefit as it assists in providing Royal Air Force personnel with the necessary skills to carry out the Royal Air Force contribution to the defence of the United Kingdom and its interests. Service Funds are established for the benefit of Service personnel to promote military efficiency which underpins esprit de corps and team working, and they help to encourage personnel to develop character, spirit and attitude to face challenges and danger associated with military service. As a result, the Fund derives a benefit to the general public in helping to provide personnel who are motivated, have high morale and are willing to serve the needs of their country and that of its public at all times. The above statement has been agreed by RAF Air Command HQ Service Funds staff and the Charities Commission. With assistance issued from Air Command staff, the Trustee has paid due regard to the guidance issued by the Charities Commission on public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Mess arranged a number of formal and informal functions/events over the Financial Year. This included Service 'Dining-In' or Dinner Nights such as a Battle of Britain evening, Dinner Nights for Mess Members and spouses/partners, and both a Summer Ball and Christmas Draw for the benefit of Mess Members, in order to meet the aim of promoting esprit de corps and for the collective benefit of the Membership. Some of the functions received subsidies to the overall cost, with attending Members paying the remaining cost of the function or event. A number of guests were invited to the Mess and the cost of their attendance was subsidised by Mess Members attending the function. In particular, the Officers' Mess has hosted 9 functions for the benefit of its Members' with a total of £31,300.00 in subsidies towards the costs of some of the functions. Support to Other Activities: Each year the Mess agrees to grant sums of money to events held on the Unit, which benefit the wider Service community. This year the Officers' Mess allocated money towards: i. The Children's Christmas Event, Junior Ranks' Christmas Event, Senior Citizens' Christmas Event, Families Day, Shawbury 5s and the Annual Reception. ii. Contributed to the Royal Air Force Shawbury Sports Fund to assist in its programme to enhance sporting facilities on the Unit. Mess Subscriptions: As part of the financial planning process the Mess Committee seeks the agreement of the Membership in setting the level of subscriptions in the relevant membership categories. These subscriptions help to subsidise the formal functions, meet operating and maintenance costs as well as enabling the Mess to fund its grant allocating activities. Subscription income was higher than anticipated over the first 7 months of the Financial Year, but then fluctuated over the remainder of the year. At the end of the Financial Year subscription income was only £12.77 below the target in the Financial Plan.

		Trading Activities: The Officers' Mess operates a bar as a primary purpose trading activity. The bar is managed by the Contractor ESS, and ownership of the stock was handed over to ESS in Nov 20, reducing the risk to the Trustee and the Mess Committee. The levels of Gross Profit Percentages/ Mark-ups continue to be set by the Mess Committee and agreed at the EGM prior to the start of the Financial Year. Investments: Investment income performed much better than expected, with income above target by £656.65. Future Plans: Future Plans for the Officers' Mess is to arrange a similar spread of formal and informal functions for Financial Year 24/25.

Additional information (optional)

You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	The objectives are set in the Financial Plan, which is approved by the Trustee, and voted in at an EGM prior to the start of the Financial Year. Committee Meetings are held on a monthly basis to review the performance of the Officers' Mess against the Financial Plan. Planned income over the Financial Year was slightly above target, which was mainly due to higher than anticipated investment income, bank interest and maintenance duty income. Planned expenditure was below target, with an underspend on white goods, mess improvements and Subsidies/Grants.
Performance of fundraising activities against objectives set	Para 1.41	The main income streams for the Officers' Mess are subscriptions and bar profit. Subscriptions: Subscriptions were set and agreed at £11.40 per month for each Mess Member. Subscription income fluctuated over the year and was below target at the end of the Financial Year by £12.77. Bar Income: The Bar performed really well in FY 22/23; therefore the target was increased for FY 23/24. However, it was discovered in Dec 23 that the Messes have been receiving "gross profit" in error from ESS instead of "net profit". This impacted bar income along with a drop in sales, therefore an amended Financial Plan incorporating a reduction in target Bar Profits was presented to the Membership at an EGM.

		Unfortunately bar profits were below target at the end of the Financial Year by £1,745.86.
Investment performance against objectives	Para 1.41	As noted above, Investment Income performed better than expected, with an income over the year of £6,410. At the end of the Financial Year the Officers' Mess Investments were valued at £57,591.20, which is an increase in value over the Financial Year of £4,360.65 and overall growth of £13,491.20 since purchase. The Investments will be reviewed in the new Financial Year.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The Officers' Mess ends the Financial Year with an income of £126,665. compared to expenditure of £123,785. This has resulted in a profit/surplus of £2,880.00 compared to a target profit/surplus in the Financial Plan of £580.00. The unexpected profit/surplus is as a result of higher than anticipated income and lower than anticipated expenditure. Liquidity is excellent with net funds readily realisable of circa £97,000, some of which is deposited in a Charities Official Investment Fund (COIF) Deposit Fund and high interest account to gain maximum interest. The Officers' Mess was founded with assistance from an initial grant from the RAF Central Fund. The Contingent Liability/Permanent Endowment is the initial funding of the Officers' Mess. If the Mess was to close, the RAF Central Fund would normally expect the grant to be returned. The Mess must maintain investments at a value no less than the endowed grant monies, subject to market value losses and deflation. Income generated from the invested funds is restricted to support the appropriate charitable activities of the Mess. A comparison of the RAF Shawbury Officers' Mess investment holdings to its Contingent Liability /Endowed Grant shows that they have sufficient investments to cover the value of £35,325.00.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	At the end of the Financial Year the Officers' Mess had free reserves of circa £120,000 This includes £3,365.50 which has been placed in a designated fund (detailed below). The Trustee also agreed an Operating Reserves Policy for the Financial Year to ensure financial viability of the Fund and its ability to meet on-going commitments. Reserves of £7,000.00 have been set aside,

		which is the value of approximately 2 months' worth of recurrently committed expenditure. Free Reserves have been calculated as those parts of income which are freely available and do not include the Permanent Endowment, Restricted Funds, any part of Unrestricted Funds not available for spending and Assets which could only be realised through disposing. I have included the investments, as they can be realised at short notice if required, however they may not sell at their current value on the Balance Sheet. The Reserves have been used to gain the maximum income for the Fund, with circa £57,500.00 being held in Equity and Fixed Investments and monies held in a COIF Deposit Fund and a High Interest Account. The Reserves of the Charity are continually monitored and reviewed within the context of the funds required to fulfil the charitable objectives. Designated Funds: In order to comply with Charity Commission requirements, a professional valuation is to be conducted every 5 years of all capital property owned by the Officers' Mess. Money is set aside in a designated fund each year towards payment of the Valuation.
Amount of reserves held	Para 1.22	Circa £120,000 (PY £106,100)
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	There were no funds materially in deficit during the Financial Year.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	There are no uncertainties about the Charity continuing as a going concern.

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	Principle funding is from subscriptions and investment Income, while further income is received from bar trading.
Investment policy and objectives including any social investment policy adopted	Para 1.46	To meet the over-riding need of regular on-going specified annual income – increasing with inflation, the Royal Air Force Officers' Mess Investment Strategy/Policy is to have a diversified portfolio across established UK Equity and Fixed interest markets with a bias towards Equities that offer growth and yield. Furthermore, money is held in a COIF Deposit Fund, gaining maximum interest, but ensuring monies are readily available. The 2 main aims of holding investments are to cover the Contingent Liability/Permanent

		Endowment and also to generate income to help cover the expenses of the Officers' Mess.
A description of the principal risks facing the charity	Para 1.46	To continue to meet the strategic and operational objectives of the Officers' Mess, the Trustee has given consideration to the major risks to which the Charity is exposed. He is satisfied that systems and procedures have been established in order to manage these risks. This is done through the means of a Service Funds Internal Audit Board, convened at the start of each Financial Year, to carry out internal arithmetical and management audit of the Charity. In addition, the Trustee maintains a Risk Register detailing those areas which may give rise to concern presently and into the future. Risks have been identified, analysed and assessed according to their impact and the likelihood of occurrence. Systems implemented to mitigate these risks are continually reviewed and the Risk Register is reviewed on a regular basis. The main risks over the year were: Potential Risk Assets including both stock and property are misappropriated Mitigation PMC to ensure Property Checks and carried out by the House Members as mandated. SFIAB to check during quarterly Audits. Potential Risk Ownership of stock by the Contractor with the risk of manipulation of the Bar Trading Accounts and GPP. Mitigation Bar Trading account to be scrutinized by OC Accts Flt and Audited by the Audit Clerk. At the end of the Financial Year the main risk was/is: Potential Risk Training Deficiency: Untrained President/ Chairman of the Mess Committees (PMC/CMC) or Officers in Charge of Funds (OIC). Mitigation OC Accts Flt briefs all new PMCs, CMCs and OICs. Regular briefings are held. OC Accts Flt produced a "Guide for OICs." Potential Risk

		New Accounting packing SAP, which is going to be introduced by ESS. The risk of the number of transactions SAP will produce, which poses a problem for internal and external audit and the delay of producing the monthly accounts and increased workload. Mitigation Service Funds Air Cmd have been informed of our concerns and the risk has been placed on the Service Funds Risk Register.

The charity's organisational structure and any wider network with which the charity works	Para 1.51	The Trustee delegates the day-to-day management and control of the Officers' Mess together with the authority of the disbursement of loans to a management committee chaired by the President of the Mess Committee, who is appointed by the Trustee. Members of the committee are appointed from each of the functional areas of the sections of the Station. However, all management decisions, acquisitions and expenditure are subject to the Trustees' approval by signature in the electronic minutes. The budget for the next Financial Year is set in June by the Committee for approval by the Fund Members at a General Meeting. The

		Annual General Meeting ratifies the annual audited accounts of the Fund. Minutes are taken at each Committee and General Meetings and are circulated to reach the Trustee within 10 working days of the Meeting for his approval. Committee meetings take place each month to discuss the financial performance against budget and other mess related issues.

Accounting Policies

This standard list of accounting policies has been applied by the charity except for those identified, "No" or "N/A". Where a different or additional policy has been adopted then this is detailed in the box below.

2.1 INCOME

Recognition of income	These are included in the Statement of Financial Activities ▪ the charity becomes entitled to the resources; ▪ it is more likely than not that the trustees will receive the resources; and ▪ the monetary value can be measured with sufficient reliability.	Yes
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP). In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	Yes
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	N/A
Government grants	The charity has received government grants in the reporting period	No
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	N/A
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	N/A
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable. Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable	N/A N/A N/A N/A N/A

Section C**Notes to the accounts***cont...*

Donated services and facilities	Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.	N/A
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SoFA.	N/A
Support costs	The charity has incurred expenditure on support costs.	Yes
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	N/A
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably	Yes
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.	N/A
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	Yes
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP) and are included as an item of other income in the SoFA.	N/A
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	Yes

2.2 EXPENDITURE & LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	Yes
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	Yes
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	Yes
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	N/A
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	Yes

Section C**Notes to the accounts***cont...*

Redundancy cost	The charity made no redundancy payments during the reporting period.	Yes
Deferred income	No material item of deferred income has been included in the accounts	Yes
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	N/A
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	Yes
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS 102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS 102 SORP.	Yes
2.4 ASSETS		
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost above £500	Yes

The depreciation rates and methods used as disclosed in note 16.	No
	They are valued at cost.	N/A
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.	Yes
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments	Yes
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.	Yes
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.	Yes
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	Yes

Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received	Yes
----------------	---	------------

Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.	N/A

	Based upon the valuer's opinion of the same for insurance purposes only. In adherence to the guidelines for RAF service charities, the value of fixed assets outlined in the organisation's financial statements are as follows: Silverware, painting and prints, and select furniture items are recorded at an insured valuation, which is subject to professional review every five years. It should be noted that due to the elapsed time, the original acquisition costs of most assets are not ascertainable. Consequently, it has not been possible to determine the amount of any related Revaluation reserve. Additionally, other tangible assets are depicted at historical cost less accumulated depreciation in accordance with relevant accounting standards.

Summary of the purposes of the charity as set out in its governing document	SORP reference Para 1.17	The objectives of the Royal Air Force Shawbury Officers' Mess is "The Promotion of Military Efficiency of the Armed Forces of the Crown". This object presents the Trustee with wide powers, enabling him to provide charitable assistance to all elements of the Royal Air Force Community; internal subsidy of Officers' Mess activities and grant making are the Royal Air Force Officers' Mess principle means of delivering this charitable assistance. The RAF Shawbury Officers' Mess has 3 main aims set by the Trustee: i. Encourage esprit de corps by enabling serving members to mix together for both formal dining situations and informal social activities so as to help keep service traditions alive and encourage the well-being of the Mess community. ii. Encourage, supporting and facilitating the development of sport to raise standards and to promote the link to fitness, teamwork and personal development through sporting activity and opportunities. iii. Supporting facilities and capital projects to enable the best possible provision for the Royal Air Force community. Details of the Fund's objectives and activities are grouped together within the appropriate aims and details of the scope of each activity are given in the "Achievements and Performance" section.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or	Para 1.17 and 1.19	The Officers' Mess derives a benefit to the general public in helping to provide personnel who are motivated, have high morale and are willing to serve the needs of their country and that of its public at all times.

services identified in the accounts.		The main activities of the Officers' Mess in relation to those purposes for the public benefit are: a. The provision of funding to enhance living accommodation. b. The provision of funding towards informal and formal functions throughout the year. c. The provision of grants benefiting the wider Service Community.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Royal Air Force Shawbury Officers' Mess derives public benefit as it assists in providing Royal Air Force personnel with the necessary skills to carry out the Royal Air Force contribution to the defence of the United Kingdom and its interests. Service Funds are established for the benefit of Service personnel to promote military efficiency which underpins esprit de corps and team working, and they help to encourage personnel to develop character, spirit and attitude to face challenges and danger associated with military service. Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Mess arranged a number of formal and informal functions/events over the Financial Year. This included Service 'Dining-In' or Dinner Nights such as a Battle of Britain evening, Dinner Nights for Mess Members and spouses/partners, and both a Summer Ball and Christmas Draw for the benefit of Mess Members, in order to meet the aim of promoting esprit de corps and for the collective benefit of the Membership. Some of the functions received subsidies to the overall cost, with attending Members paying the remaining cost of the function or event. A number of guests were invited to the Mess and the cost of their attendance was subsidised by Mess Members attending the function. In particular, the Officers' Mess has hosted 9 functions for the benefit of its Members' with a total of £27,000.00 in subsidies towards the costs of some of the functions. Support to Other Activities: Each year the Mess agrees to grant sums of money to events held on the Unit, which benefit the wider Service community. This year the Officers' Mess allocated money towards: i. The Children's Christmas Event, Junior Ranks' Christmas Event, Senior Citizens' Christmas Event, Families Day, Shawbury 5s and the Annual Reception. ii. Contributed to the Royal Air Force Shawbury Sports Fund to assist in its programme to enhance sporting facilities on the Unit. Mess Subscriptions: As part of the financial planning process the Mess Committee seeks the agreement of the Membership in setting the level of subscriptions in the relevant membership categories. These subscriptions help to subsidise the formal functions, meet operating and maintenance costs as well as enabling the Mess to fund its grant allocating activities. Subscription income has fluctuated over the year and was lower than anticipated at the end of the Financial Year. Trading Activities: The Officers' Mess operates a bar as a primary purpose trading activity. The bar is managed by the Contractor ESS, and ownership of the stock was handed over to ESS in Nov 20, reducing the risk to the Trustee and the Mess

		Committee. The levels of Gross Profit Percentages/ Mark-ups continue to be set by the Mess Committee and agreed at the EGM prior to the start of the Financial Year. Investments: Investment income performed much better than expected, with income above target by £1,045.32. Future Plans: Future Plans for the Officers' Mess is to arrange a similar spread of formal and informal functions for Financial Year 23/24 and to deliver an improved BBQ outdoor area for the Membership.

Achievements against objectives set	Para 1.41	The objectives are set in the Financial Plan, which is approved by the Trustee, and voted in at an EGM prior to the start of the Financial Year. Committee Meetings are held on a monthly basis to review the performance of the Officers' Mess against the Financial Plan. Planned income over the Financial Year was above target, which was mainly due to higher than anticipated investment income, bank interest and bar income. Planned expenditure was below target, with an underspend on mess improvements, however due to the delay of the purchase of furniture for the planned improvements £5,865.00 has been placed in a designated fund. The purchase was completed in Sep 23.
Performance of fundraising activities against objectives set	Para 1.41	The main income streams for the Officers' Mess are subscriptions and bar profit. Subscriptions: Subscriptions were set and agreed at £11.80 per month for each Mess Member. Subscription income fluctuated over the year and was below target at the end of the Financial Year by £521.13. Bar Income: The Bar performed really well over the Financial Year with an overall income of £20,651.72, which is £3,651.72 above target.
Investment performance against objectives	Para 1.41	As noted above, Investment Income performed better than expected, with an income over the year of £2,145.32, compared to a target income of £1,100.00. Unfortunately 2023 has so far been a volatile year for the markets due to the war in the Ukraine and rising inflation. This has had an

		impact on the Officers' Mess Investments, resulting in a decrease in value over the Financial Year of £1,508.47, but an overall growth of £9,130.55 since purchase. The Investments will be reviewed in the new Financial Year.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The Officers' Mess ends the Financial Year with income of £113,821.52 compared to expenditure of £104,549.14. This has resulted in a profit/surplus of £9,272.38 compared to a target profit/surplus in the Financial Plan of £516.80. The unexpected profit/surplus is as a result of higher than anticipated income and lower than anticipated expenditure. Liquidity is excellent with net funds readily realisable of circa £79,000.00, some of which is deposited in a Charities Official Investment Fund (COIF) Deposit Fund and high interest account to gain maximum interest. The Officers' Mess was founded with assistance from an initial grant from the RAF Central Fund. The Contingent Liability/Permanent Endowment is the initial funding of the Officers' Mess. If the Mess was to close, the RAF Central Fund would normally expect the grant to be returned. The Mess must maintain investments at a value no less than the endowed grant monies, subject to market value losses and deflation. Income generated from the invested funds is restricted to support the appropriate charitable activities of the Mess. A comparison of the RAF Shawbury Officers' Mess investment holdings to its Contingent Liability /Endowed Grant shows that they have sufficient investments to cover the value of £35,325.00.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	At the end of the Financial Year the Officers' Mess had free reserves of circa £102,860.00. This includes £3,165.50 which has been placed in a designated fund (detailed below) and £5,865.00 for the planned purchase of furniture. The Trustee also agreed an Operating Reserves Policy for the Financial Year to ensure financial viability of the Fund and its ability to meet on-going commitments. Reserves of £7,000.00 have been set aside, which is the value of approximately 2 months' worth of recurrently committed expenditure. Free Reserves have been calculated as those parts of income which are freely available and do not include the Permanent Endowment, Restricted Funds, any part of Unrestricted Funds not available for spending and Assets which could only be realised through disposing.

		I have included the investments, as they can be realised at short notice if required, however they may not sell at their current value on the Balance Sheet. The Reserves have been used to gain the maximum income for the Fund, with circa £53,200.00 being held in Equity and Fixed Investments and monies held in a COIF Deposit Fund and a High Interest Account. The Reserves of the Charity are continually monitored and reviewed within the context of the funds required to fulfil the charitable objectives. Designated Funds: In order to comply with Charity Commission requirements, a professional valuation is to be conducted every 5 years of all capital property owned by the Officers' Mess. Money is set aside in a designated fund each year towards payment of the Valuation. Due to the delay of the purchase of furniture for the planned improvements, £5,865.00 has been placed in a designated fund. The purchase was completed in Sep 23.
Amount of reserves held	Para 1.22	Circa £102,860.00
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	There were no funds materially in deficit during the Financial Year.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	There are no uncertainties about the Charity continuing as a going concern.

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	Principle funding is from subscriptions and investment income, while further income is received from bar trading.
Investment policy and objectives including any social investment policy adopted	Para 1.46	To meet the over-riding need of regular on-going specified annual income – increasing with inflation, the Royal Air Force Officers' Mess Investment Strategy/Policy is to have a diversified portfolio across established UK Equity and Fixed interest markets with a bias towards Equities that offer growth and yield. Furthermore, money is held in a COIF Deposit Fund, gaining maximum interest, but ensuring monies are readily available. The 2 main aims of holding investments are to cover the Contingent Liability/Permanent Endowment and also to generate income to help cover the expenses of the Officers' Mess.
		To continue to meet the strategic and operational objectives of the Officers' Mess, the

A description of the principal risks facing the charity	Para 1.46	Trustee has given consideration to the major risks to which the Charity is exposed. He is satisfied that systems and procedures have been established in order to manage these risks. This is done through the means of a Service Funds Internal Audit Board, convened at the start of each Financial Year, to carry out internal arithmetical and management audit of the Charity. In addition, the Trustee maintains a Risk Register detailing those areas which may give rise to concern presently and into the future. Risks have been identified, analysed and assessed according to their impact and the likelihood of occurrence. Systems implemented to mitigate these risks are continually reviewed and the Risk Register is reviewed on a regular basis. The main risks over the year were: Potential Risk Assets including both stock and property are misappropriated Mitigation PMC to ensure Property Checks and carried out by the House Members as mandated. SFIAB to check during quarterly Audits. Potential Risk Ownership of stock by the Contractor with the risk of manipulation of the Bar Trading Accounts and GPP. Mitigation Bar Trading account to be scrutinized by OC Accts Flt and Audited by the Audit Clerk. Potential Risk The War in the Ukraine and rising Inflation may have an impact on the Officers' Mess with a fall in capital value of investments and the impact on the finances. Mitigation The impact of any fall in capital value of investments would only become an issue if the Officers' Mess were required to sell them, which is currently not required. At the end of the Financial Year the main risk was/is: Potential Risk Training Deficiency: Untrained President/ Chairman of the Mess Committees (PMC/CMC) or Officers in Charge of Funds (OIC). Mitigation

		OC Accts Flt briefs all new PMCs, CMCs and OICs. Regular briefings are held. OC Accts Flt produced a "Guide for OICs." Potential Risk New Accounting packing SAP, which is going to be introduced by ESS. The risk of the number of transactions SAP will produce, which poses a problem for internal and external audit and the delay of producing the monthly accounts and increased workload. Mitigation Service Funds Air Cmd have been informed of our concerns and the risk has been placed on the Service Funds Risk Register.

services identified in the accounts.		The main activities of the Officers' Mess in relation to those purposes for the public benefit are: a. The provision of funding to enhance living accommodation. b. The provision of funding towards informal and formal functions throughout the year. c. The provision of grants benefiting the wider Service Community.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Royal Air Force Shawbury Officers' Mess derives public benefit as it assists in providing Royal Air Force personnel with the necessary skills to carry out the Royal Air Force contribution to the defence of the United Kingdom and its interests. Service Funds are established for the benefit of Service personnel to promote military efficiency which underpins esprit de corps and team working, and they help to encourage personnel to develop character, spirit and attitude to face challenges and danger associated with military service. As a result, the Fund derives a benefit to the general public in helping to provide personnel who are motivated, have high morale and are willing to serve the needs of their country and that of its public at all times. The above statement has been agreed by RAF Air Command HQ Service Funds staff and the Charities Commission. With assistance issued from Air Command staff, the Trustee has paid due regard to the guidance issued by the Charities Commission on public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Mess arranged a number of formal and informal functions/events over the Financial Year. This included Service 'Dining-In' or Dinner Nights such as a Battle of Britain evening, Dinner Nights for Mess Members and spouses/partners, and both a Summer Ball and Christmas Draw for the benefit of Mess Members, in order to meet the aim of promoting esprit de corps and for the collective benefit of the Membership. Some of the functions received subsidies to the overall cost, with attending Members paying the remaining cost of the function or event. A number of guests were invited to the Mess and the cost of their attendance was subsidised by Mess Members attending the function. In particular, the Officers' Mess has hosted 8 functions for the benefit of its Members' with a total of £19,184.72 in subsidies towards the costs of some of the functions. Support to Other Activities: Each year the Mess agrees to grant sums of money to events held on the Unit, which benefit the wider Service community. This year the Officers' Mess allocated money towards: i. The Children's Christmas Event, Junior Ranks' Christmas Event, Senior Citizens' Christmas Event, Families Day, Queen's Jubilee Party and the Annual Reception. ii. Contributed to the Royal Air Force Shawbury Sports Fund to assist in its programme to enhance sporting facilities on the Unit. Mess Subscriptions: As part of the financial planning process the Mess Committee seeks the agreement of the Membership in setting the level of subscriptions in the relevant membership categories. These subscriptions help to subsidise the formal functions, meet operating and maintenance costs as well as enabling the Mess to fund its grant allocating activities. Subscription income was higher than anticipated over the second half of the Financial Year due to increasing numbers in the Mess. Trading Activities: The Officers' Mess operates a bar as a primary purpose trading activity. The bar is managed by the Contractor ESS, and ownership of the stock was handed over to ESS in Nov 20, reducing the risk to the Trustee and the Mess

		Committee. The levels of Gross Profit Percentages/ Mark-ups continue to be set by the Mess Committee and agreed at the EGM prior to the start of the Financial Year. Investments: Investment income performed better than expected, with income above target by £629.44. Future Plans: Future Plans for the Officers' Mess is to arrange a similar spread of formal and informal functions for Financial Year 22/23.

Achievements against objectives set	Para 1.41	The objectives are set in the Financial Plan, which is approved by the Trustee, and voted in at an EGM prior to the start of the Financial Year. Committee Meetings are held on a monthly basis to review the performance of the Officers' Mess against the Financial Plan. Planned income over the Financial Year was above target, which was mainly due to higher than anticipated subscription income, Investment Income and bar income. Planned expenditure was below target, with an underspend on entertainment and subsidies to events.
Performance of fundraising activities against objectives set	Para 1.41	The main income streams for the Officers' Mess are subscriptions and bar profit. Subscriptions: Subscriptions were set and agreed at £12.80 per month for each Mess Member. Subscription income was higher than anticipated over the second half of the Financial Year and was above target by £3,255.25 at the end of the Financial Year. Bar Income: The Bar performed well during the Financial Year as COVID restrictions were relaxed, with an overall income of £18,692.70, which is £8,591.70 above target.
Investment performance against objectives	Para 1.41	As noted above, Investment Income performed better than expected, with an income over the year of £1,529.44, compared to a target income of £900.00. Unfortunately, 2022 has so far been a volatile year for the markets due to the war in the Ukraine and rising inflation. This has had an impact on the Officers' Mess Investments, resulting in a decrease in value over the Financial Year of £2,438.38, but an overall growth of £10,639.02 since purchase.

		The Investments will be reviewed in the new Financial Year.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The Officers' Mess ends the Financial Year with income of £130,014.92 compared to expenditure of £144,452.70. This has resulted in a loss of £14,437.78 compared to a target loss in the Financial Plan of £34,653.00. The planned loss was as a result of the £35K voted and agreed at the previous EGM towards the bar refurbishment. The loss is lower than expected due to the higher than anticipated income and lower than anticipated expenditure. A total of £5,035.12 was spent from the allocated budgets on improvements and white goods, which included Bottle Coolers, Fridges and Washers and Dryers to enhance the facilities for the Mess Membership. Liquidity is excellent with net funds readily realisable of circa £65,300.00, some of which is deposited in a Charities Official Investment Fund (COIF) Deposit Fund and high interest account to gain maximum interest. The Officers' Mess was founded with assistance from an initial grant from the RAF Central Fund. The Contingent Liability/Permanent Endowment is the initial funding of the Officers' Mess. If the Mess was to close, the RAF Central Fund would normally expect the grant to be returned. The Mess must maintain investments at a value no less than the endowed grant monies, subject to market value losses and deflation. Income generated from the invested funds is restricted to support the appropriate charitable activities of the Mess. A comparison of the RAF Shawbury Officers' Mess investment holdings to its Contingent Liability /Endowed Grant shows that they have sufficient investments to cover the value of £35,325.00.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	At the end of the Financial Year the Officers' Mess had free reserves of circa £86,700.00. This includes £2,965.50 which has been placed in a designated fund (detailed below). The Trustee also agreed an Operating Reserves Policy for the Financial Year to ensure financial viability of the Fund and its ability to meet on-going commitments. Reserves of £7,000.00 have been set aside, which is the value of approximately 2 months' worth of recurrently committed expenditure. Free Reserves have been calculated as those parts of income which are freely available and do not include the Permanent Endowment,

		Restricted Funds, any part of Unrestricted Funds not available for spending and Assets which could only be realised through disposing. I have included the investments, as they can be realised at short notice if required, however they may not sell at their current value on the Balance Sheet. The Reserves have been used to gain the maximum income for the Fund, with circa £54,700.00 being held in Equity and Fixed Investments and monies held in a COIF Deposit Fund and a High Interest Account. The Reserves of the Charity are continually monitored and reviewed within the context of the funds required to fulfil the charitable objectives. Designated Funds: In order to comply with Charity Commission requirements, a professional valuation is to be conducted every 5 years of all capital property owned by the Officers' Mess. Money is set aside in a designated fund each year towards payment of the Valuation.
Amount of reserves held	Para 1.22	Circa £86,700.00
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	There were no funds materially in deficit during the Financial Year.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	There are no uncertainties about the Charity continuing as a going concern.

The charity's principal sources of funds (including any fundraising)	Para 1.47	Principle funding is from subscriptions and investment Income, while further income is received from bar trading.
Investment policy and objectives including any social investment policy adopted	Para 1.46	To meet the over-riding need of regular on-going specified annual income – increasing with inflation, the Royal Air Force Officers' Mess Investment Strategy/Policy is to have a diversified portfolio across established UK Equity and Fixed interest markets with a bias towards Equities that offer growth and yield. Furthermore, money is held in a COIF Deposit Fund, gaining maximum interest, but ensuring monies are readily available. The 2 main aims of holding investments are to cover the Contingent Liability/Permanent Endowment and also to generate income to help cover the expenses of the Officers' Mess.
A description of the principal risks facing the charity	Para 1.46	To continue to meet the strategic and operational objectives of the Officers' Mess, the Trustee has given consideration to the major risks to which the Charity is exposed. He is satisfied that systems and procedures have

		been established in order to manage these risks. This is done through the means of a Service Funds Internal Audit Board, convened at the start of each Financial Year, to carry out internal arithmetical and management audit of the Charity. In addition, the Trustee maintains a Risk Register detailing those areas which may give rise to concern presently and into the future. Risks have been identified, analysed and assessed according to their impact and the likelihood of occurrence. Systems implemented to mitigate these risks are continually reviewed and the Risk Register is reviewed on a regular basis. The main risks over the year were: Potential Risk Handover of ownership of stock to the Contractor with the risk of manipulation of the Bar Trading Accounts and GPP. Mitigation Bar Trading account to be scrutinized by OC Accts Flt and Audited by the Audit Clerk. Potential Risk COVID-19, the War in the Ukraine, rising Inflation may all have an impact on the Officers' Mess with a fall in capital value of investments and the impact on the finances. Mitigation The impact of any fall in capital value of investments would only become an issue if the Officers' Mess were required to sell them, which is currently not required. At the end of the Financial Year the main risk was/is: Potential Risk Training Deficiency: Untrained President/ Chairman of the Mess Committees (PMC/CMC) or Officers in Charge of Funds (OIC). Mitigation OC Accts Flt briefs all new PMCs, CMCs and OICs. Regular briefings are held. OC Accts Flt produced a "Guide for OICs."

The charity's organisational structure and any wider network with which the charity works	Para 1.51	The Trustee delegates the day-to-day management and control of the Officers' Mess together with the authority of the disbursement of loans to a management committee chaired by the President of the Mess Committee, who is appointed by the Trustee. Members of the committee are appointed from each of the functional areas of the sections of the Station. However, all management decisions, acquisitions and expenditure are subject to the Trustees' approval by signature in the electronic minutes. The budget for the next Financial Year is set in June by the Committee for approval by the Fund Members at a General Meeting. The Annual General Meeting ratifies the annual audited accounts of the Fund. Minutes are taken at each Committee and General Meetings and are circulated to reach the Trustee within 10 working days of the Meeting for his approval. Committee meetings take place each month to discuss the financial performance against budget and other mess related issues.

Accounting Policies

This standard list of accounting policies has been applied by the charity except for those identified, "No" or "N/A". Where a different or additional policy has been adopted then this is detailed in the box below.

2.1 INCOME

Recognition of income	These are included in the Statement of Financial Activities ▪ the charity becomes entitled to the resources; ▪ it is more likely than not that the trustees will receive the resources; and ▪ the monetary value can be measured with sufficient reliability.	Yes
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP). In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	Yes
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	N/A
Government grants	The charity has received government grants in the reporting period	No
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	N/A
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	N/A
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.	N/A N/A N/A N/A

	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable	N/A
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.	N/A
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.	N/A

The RAF Shawbury Officers' Mess has 3 main aims set by the Trustee: i. Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Mess allocated funding towards a variety of formal and informal functions over the Financial Year. This included; Service 'Dining-In' or Dinner Nights such as a Battle of Britain evening, Dinner Nights for Mess Members and spouses/partners, and both a Summer Ball and Christmas Draw for the benefit of Mess Members, in order to meet the aim of promoting esprit de corps and for the collective benefit of the Membership. Unfortunately, as a result of COVID-19 and Government restrictions all functions had to be cancelled, therefore no money was spent on functions during the Financial Year. Support to Other Activities: Each year the Mess agrees to grant sums of money to events held on the Unit, which benefit the wider Service community. Unfortunately, the only grant paid out which was detailed in the original Financial Plan, was a grant towards a joint Battle of Britain Event. The Officers' Mess was able to continue to contribute to the Royal Air Force Shawbury Sports Fund to assist in its programme to enhance sporting facilities on the Unit. Mess Subscriptions: As part of the financial planning process the Mess Committee seeks the agreement of the Membership in setting the level of subscriptions in the relevant membership categories. These subscriptions help to subsidise the formal functions, meet operating and maintenance costs as well as enabling the Mess to fund its grant allocating activities. Due to the cancellation of functions, action was taken to reduce Subscription levels, which was approved by the Membership at an EGM. An amended Financial Plan was presented to the Membership at the AGM which incorporated the reduction in subscriptions and a number of other changes they wished to make, including allocating money towards Mess Improvements. The aim in the amended Financial Plan 20/21 was to end the Financial Year with a surplus of £127.00. However, the surplus was much higher than anticipated.

		Trading Activities: The Officers' Mess operates a bar as a primary purpose trading activity. The bar is managed by the Contractor ESS, but the stock is owned by the Officers' Mess. Agreed Gross Profit Percentages/ Mark-ups are set by the Mess Committee and agreed at the EGM prior to the start of the Financial Year. With the agreement of the Trustee and Mess Membership an amendment was made to the contract to hand back ownership of the stock to the Contractor, reducing the risk to the Trustee and the Mess Committee. The stock was finally handed over on 30 Nov 20. The levels of Gross Profit Percentages/ Mark-ups continue to be set by the Mess Committee and agreed at the EGM prior to the start of the Financial Year. Investments: Investment income performed much better than expected, with income above target by £636.34. Despite the impact COVID-19 had on the economy and ultimately our Investments during Financial Year 20/21, there has been an increase in capital growth of £5,419.86 over this Financial Year and overall growth of £13,077.40 since purchase. Future Plans for the Officers' Mess is to arrange a similar spread of formal and informal functions for Financial Year 21/22 which were anticipated prior to COVID-19. Furthermore, money was approved at the AGM for a Bar Extension. If functions are unable to be held due to further restrictions, funds will be re-allocated at the AGM or an EGM.

Achievements against objectives set	Para 1.41	The objectives are set in the Financial Plan, which is approved by the Trustee, and voted in at an EGM prior to the start of the Financial Year. Committee Meetings are held on a monthly basis to review the performance of the Officers' Mess against the Financial Plan. Planned income over the Financial Year was below target. Subscription and Investment income were above target. Unfortunately, Bar Profits were below target as a result of the direction from Government to close all Bars due to COVID-19. Planned expenditure was below target, with an underspend on Subsidies to events and planned Mess Improvements.
		The main income streams for the Officers' Mess are subscriptions and bar profit.

Performance of fundraising activities against objectives set	Para 1.41	Subscriptions: Subscriptions were set and agreed at £14.20 per month for each Mess Member. However, as a result of COVID-19, approval was given at an EGM to reduce Subscription levels from Nov 20 to £4.00 per month. Subscription income fluctuated over the year, but was above target at the end of the Financial Year Bar Profits: The Bar has unfortunately not performed well over the majority of the Financial Year and as a result of COVID-19 had to close again in Nov 20. Bar profits of £3,134.19 was achieved but was below target by £1,865.81.
Investment performance against objectives	Para 1.41	As noted above, despite the impact COVID-19 had on the economy and ultimately our Investments in Financial Year 20/21, there has been an increase in capital growth of £5,419.86 over this Financial Year and overall growth of £13,077.40 since purchase.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The Officers' Mess ends the Financial Year with income of £52,980.33 compared to expenditure of £37,608.18. This has resulted in a surplus of £15,372.15 compared to a target surplus in the Financial Plan of £127.00. £7,000.00 was allocated within the Financial Plan for Mess Improvements and £5,000.00 for white goods, however any property purchased would be capitalised on the Balance Sheet, depreciated in accordance policy and only the depreciation charge would be expensed through the Profit and Loss Statement. Therefore, the surplus at the end of the Financial Year includes the total of £12,000.00 allocated for Improvements and white goods, which would not be expensed through Profit and Loss. The remainder of the surplus is mainly as a result of cancelled functions, for which a total of £3,000.00 subsidies had been allocated. £5,000.00 was approved for the purchase of white goods in Financial Year 20/21, however due to Government Restrictions as a result of COVID-19 this money was not spent prior to the end of the Financial Year. The purchase of the Washing Machines commenced as soon as restrictions started lifting. A total of £9,370.79 was spent from the allocated budgets on improvements and white goods, which included Garden Furniture, Patio Heaters and Washers and Dryers to enhance the facilities for the Mess Membership.
---	-----------	---

		Liquidity is excellent with net funds readily realisable of circa £90,000, some of which is deposited in a Charities Official Investment Fund (COIF) Deposit Fund and high interest account to gain maximum interest. The Officers' Mess was founded with assistance from an initial grant from the RAF Central Fund. The Contingent Liability/Permanent Endowment is the initial funding of the Officers' Mess. If the Mess was to close, the RAF Central Fund would normally expect the grant to be returned. The Mess must maintain investments at a value no less than the endowed grant monies, subject to market value losses and deflation. Income generated from the invested funds is restricted to support the appropriate charitable activities of the Mess. A comparison of the RAF Shawbury Officers' Mess investment holdings to its Contingent Liability /Endowed Grant shows that they have sufficient investments to cover the value of £35,325.00.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	At the end of the Financial Year the Officers' Mess had free reserves of circa £100,000. This includes £2,765 which has been placed in a designated fund (detailed below). The Trustee also agreed an Operating Reserves Policy for the Financial Year to ensure financial viability of the Fund and its ability to meet on-going commitments. Reserves of £7,000.00 have been set aside, which is the value of approximately 2 months' worth of recurrently committed expenditure. Free Reserves have been calculated as those parts of income which are freely available and do not include the Permanent Endowment, Restricted Funds, any part of Unrestricted Funds not available for spending and Assets which could only be realised through disposing. I have included the investments, as they can be realised at short notice if required, however they may not sell at their current value on the Balance Sheet. The Reserves have been used to gain the maximum income for the Fund, with circa £57,000 being held in Equity and Fixed Investments and monies held in a COIF Deposit Fund and a High Interest Account. The Reserves of the Charity are continually monitored and reviewed within the context of the funds required to fulfil the charitable objectives. Designated Funds: In order to comply with Charity Commission requirements, a professional valuation is to be conducted every 5 years of all capital property owned by the Officers' Mess. Money is set aside in a designated fund each year towards payment of the Valuation.

Amount of reserves held	Para 1.22	Circa £100,000
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	There were no funds materially in deficit during the Financial Year.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	There are no uncertainties about the Charity continuing as a going concern.

The charity's principal sources of funds (including any fundraising)	Para 1.47	Principle funding is from subscriptions and investment Income, while further income is received from bar trading.
Investment policy and objectives including any social investment policy adopted	Para 1.46	To meet the over-riding need of regular on-going specified annual income – increasing with inflation, the Royal Air Force Officers' Mess Investment Strategy/Policy is to have a diversified portfolio across established UK Equity and Fixed interest markets with a bias towards Equities that offer growth and yield. Furthermore, money is held in a COIF Deposit Fund, gaining maximum interest, but ensuring monies are readily available. The 2 main aims of holding investments are to cover the Contingent Liability/Permanent Endowment and also to generate income to help cover the expenses of the Officers' Mess.
A description of the principal risks facing the charity	Para 1.46	To continue to meet the strategic and operational objectives of the Officers' Mess, the Trustee has given consideration to the major risks to which the Charity is exposed. He is satisfied that systems and procedures have been established in order to manage these risks. This is done through the means of a Service Funds Internal Audit Board, convened at the start of each Financial Year, to carry out internal arithmetical and management audit of the Charity. In addition, the Trustee maintains a Risk Register detailing those areas which may give rise to concern presently and into the future. Risks have been identified, analysed and assessed according to their impact and the likelihood of occurrence. Systems implemented to mitigate these risks are continually reviewed and the Risk Register is reviewed on a regular basis. The main risks over the year were: Potential Risk COVID-19 will have an impact on the Messes when holding their mandatory meetings, also the impact on finances due to cancelled events/functions. Mitigation Conservative Financial Plans and the Membership made aware of adjustments throughout the year as restrictions are lifted. Meetings to be held virtually.

		Potential Risk Training Deficiency: Untrained President /Chairman of the Mess Committee (PMC/CMC) or Officers in Charge of Funds (OIC). Mitigation OC Accts Flt briefs all new PMCs, CMCs and OICs. Regular briefings. OC Accts Flt produced a "Guide for OICs." Potential Risk Handover of ownership of stock to the Contractor with the risk of manipulation of the Bar Trading Accounts and GPP. Mitigation Bar Trading account to be scrutinised by OC Accts Flt and Audited by the Audit Clerk. At the end of the Financial Year the main risk was/is: Potential Risk COVID-19 and the impact on the Officers Mess with a fall in capital value of investments and the impact on the finances. Also ensuring mandatory meetings continue to be held (in accordance with government guidelines of social distancing). Mitigation The Officers Mess have been conservative when drafting their Financial Plan for Financial Year 21/22 and have made the Membership aware of the need to make adjustments throughout the Financial Year if required. Meetings will continue to be held virtually through various methods until restrictions are lifted. Investment have increased in Capital Value this Financial year. The impact of any fall in capital value of investments would only become an issue if the Officers' Mess were required to sell them, which is currently not required.

Accounting Policies

This standard list of accounting policies has been applied by the charity except for those identified, "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

2.1 INCOME

Recognition of income	These are included in the Statement of Financial Activities - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; and - the monetary value can be measured with sufficient reliability.	Yes
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP). In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	Yes N/A
Legacies	Legacies are included in the SoFA when receipt is probable; that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	N/A
Government grants	The charity has received government grants in the reporting period	No
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	N/A
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	N/A
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.	N/A N/A N/A N/A

Responsibilities and
basis of report

As the Charity's Managing Trustee, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

~~The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a Fellow member of the Association of Charity Independent Examiners.~~

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (~~other than that disclosed below~~) which gives me cause to believe that in, any material respect:

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
