Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The Mess arranged a number of formal and informal functions/events over the Financial Year. This included Service 'Dining-In' or Dinner Nights such as a Battle of Britain evening, Dinner Nights for Mess Members and spouses/partners, and both a Summer Ball and Christmas Draw for the benefit of Mess Members, in order to meet the aim of promoting esprit de corps and for the collective benefit of the Membership. Some of the functions received subsidies to the overall cost, with attending Members paying the remaining cost of the function or event. A number of guests were invited to the Mess and the cost of their attendance was subsidised by Mess Members attending the function.</p> <p>In particular, the Officers' Mess has hosted 8 functions for the benefit of its Members' with a total of £19,184.72 in subsidies towards the costs of some of the functions.</p> <p>Support to Other Activities:</p> <p>Each year the Mess agrees to grant sums of money to events held on the Unit, which benefit the wider Service community. This year the Officers' Mess allocated money towards:</p> <ul style="list-style-type: none"> i. The Children's Christmas Event, Junior Ranks' Christmas Event, Senior Citizens' Christmas Event, Families Day, Queen's Jubilee Party and the Annual Reception. ii. Contributed to the Royal Air Force Shawbury Sports Fund to assist in its programme to enhance sporting facilities on the Unit. <p>Mess Subscriptions:</p> <p>As part of the financial planning process the Mess Committee seeks the agreement of the Membership in setting the level of subscriptions in the relevant membership categories. These subscriptions help to subsidise the formal functions, meet operating and maintenance costs as well as enabling the Mess to fund its grant allocating activities.</p> <p>Subscription income was higher than anticipated over the second half of the Financial Year due to increasing numbers in the Mess.</p> <p>Trading Activities:</p> <p>The Officers' Mess operates a bar as a primary purpose trading activity. The bar is managed by the Contractor ESS, and ownership of the stock was handed over to ESS in Nov 20, reducing the risk to the Trustee and the Mess</p>

		<p>Committee. The levels of Gross Profit Percentages/ Mark-ups continue to be set by the Mess Committee and agreed at the EGM prior to the start of the Financial Year.</p> <p>Investments:</p> <p>Investment income performed better than expected, with income above target by £629.44.</p> <p>Future Plans:</p> <p>Future Plans for the Officers' Mess is to arrange a similar spread of formal and informal functions for Financial Year 22/23.</p>

Achievements against objectives set	Para 1.41	<p>The objectives are set in the Financial Plan, which is approved by the Trustee, and voted in at an EGM prior to the start of the Financial Year.</p> <p>Committee Meetings are held on a monthly basis to review the performance of the Officers' Mess against the Financial Plan.</p> <p>Planned income over the Financial Year was above target, which was mainly due to higher than anticipated subscription income, Investment Income and bar income.</p> <p>Planned expenditure was below target, with an underspend on entertainment and subsidies to events.</p>
Performance of fundraising activities against objectives set	Para 1.41	<p>The main income streams for the Officers' Mess are subscriptions and bar profit.</p> <p>Subscriptions:</p> <p>Subscriptions were set and agreed at £12.80 per month for each Mess Member. Subscription income was higher than anticipated over the second half of the Financial Year and was above target by £3,255.25 at the end of the Financial Year.</p> <p>Bar Income:</p> <p>The Bar performed well during the Financial Year as COVID restrictions were relaxed, with an overall income of £18,692.70, which is £8,591.70 above target.</p>
Investment performance against objectives	Para 1.41	<p>As noted above, Investment Income performed better than expected, with an income over the year of £1,529.44, compared to a target income of £900.00.</p> <p>Unfortunately, 2022 has so far been a volatile year for the markets due to the war in the Ukraine and rising inflation. This has had an impact on the Officers' Mess Investments, resulting in a decrease in value over the Financial Year of £2,438.38, but an overall growth of £10,639.02 since purchase.</p>

		The Investments will be reviewed in the new Financial Year.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>The Officers' Mess ends the Financial Year with income of £130,014.92 compared to expenditure of £144,452.70. This has resulted in a loss of £14,437.78 compared to a target loss in the Financial Plan of £34,653.00. The planned loss was as a result of the £35K voted and agreed at the previous EGM towards the bar refurbishment. The loss is lower than expected due to the higher than anticipated income and lower than anticipated expenditure.</p> <p>A total of £5,035.12 was spent from the allocated budgets on improvements and white goods, which included Bottle Coolers, Fridges and Washers and Dryers to enhance the facilities for the Mess Membership.</p> <p>Liquidity is excellent with net funds readily realisable of circa £65,300.00, some of which is deposited in a Charities Official Investment Fund (COIF) Deposit Fund and high interest account to gain maximum interest.</p> <p>The Officers' Mess was founded with assistance from an initial grant from the RAF Central Fund. The Contingent Liability/Permanent Endowment is the initial funding of the Officers' Mess. If the Mess was to close, the RAF Central Fund would normally expect the grant to be returned. The Mess must maintain investments at a value no less than the endowed grant monies, subject to market value losses and deflation. Income generated from the invested funds is restricted to support the appropriate charitable activities of the Mess. A comparison of the RAF Shawbury Officers' Mess investment holdings to its Contingent Liability /Endowed Grant shows that they have sufficient investments to cover the value of £35,325.00.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>At the end of the Financial Year the Officers' Mess had free reserves of circa £86,700.00. This includes £2,965.50 which has been placed in a designated fund (detailed below).</p> <p>The Trustee also agreed an Operating Reserves Policy for the Financial Year to ensure financial viability of the Fund and its ability to meet on-going commitments. Reserves of £7,000.00 have been set aside, which is the value of approximately 2 months' worth of recurrently committed expenditure.</p> <p>Free Reserves have been calculated as those parts of income which are freely available and do not include the Permanent Endowment,</p>

		<p>Restricted Funds, any part of Unrestricted Funds not available for spending and Assets which could only be realised through disposing. I have included the investments, as they can be realised at short notice if required, however they may not sell at their current value on the Balance Sheet.</p> <p>The Reserves have been used to gain the maximum income for the Fund, with circa £54,700.00 being held in Equity and Fixed Investments and monies held in a COIF Deposit Fund and a High Interest Account.</p> <p>The Reserves of the Charity are continually monitored and reviewed within the context of the funds required to fulfil the charitable objectives.</p> <p>Designated Funds: In order to comply with Charity Commission requirements, a professional valuation is to be conducted every 5 years of all capital property owned by the Officers' Mess. Money is set aside in a designated fund each year towards payment of the Valuation.</p>
Amount of reserves held	Para 1.22	Circa £86,700.00
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	There were no funds materially in deficit during the Financial Year.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	There are no uncertainties about the Charity continuing as a going concern.

The charity's principal sources of funds (including any fundraising)	Para 1.47	Principle funding is from subscriptions and investment Income, while further income is received from bar trading.
Investment policy and objectives including any social investment policy adopted	Para 1.46	<p>To meet the over-riding need of regular on-going specified annual income – increasing with inflation, the Royal Air Force Officers' Mess Investment Strategy/Policy is to have a diversified portfolio across established UK Equity and Fixed interest markets with a bias towards Equities that offer growth and yield. Furthermore, money is held in a COIF Deposit Fund, gaining maximum interest, but ensuring monies are readily available.</p> <p>The 2 main aims of holding investments are to cover the Contingent Liability/Permanent Endowment and also to generate income to help cover the expenses of the Officers' Mess.</p>
A description of the principal risks facing the charity	Para 1.46	To continue to meet the strategic and operational objectives of the Officers' Mess, the Trustee has given consideration to the major risks to which the Charity is exposed. He is satisfied that systems and procedures have

		<p>been established in order to manage these risks. This is done through the means of a Service Funds Internal Audit Board, convened at the start of each Financial Year, to carry out internal arithmetical and management audit of the Charity. In addition, the Trustee maintains a Risk Register detailing those areas which may give rise to concern presently and into the future. Risks have been identified, analysed and assessed according to their impact and the likelihood of occurrence. Systems implemented to mitigate these risks are continually reviewed and the Risk Register is reviewed on a regular basis. The main risks over the year were:</p> <p>Potential Risk</p> <p>Handover of ownership of stock to the Contractor with the risk of manipulation of the Bar Trading Accounts and GPP.</p> <p>Mitigation</p> <p>Bar Trading account to be scrutinized by OC Accts Flt and Audited by the Audit Clerk.</p> <p>Potential Risk</p> <p>COVID-19, the War in the Ukraine, rising Inflation may all have an impact on the Officers' Mess with a fall in capital value of investments and the impact on the finances.</p> <p>Mitigation</p> <p>The impact of any fall in capital value of investments would only become an issue if the Officers' Mess were required to sell them, which is currently not required.</p> <p>At the end of the Financial Year the main risk was/is:</p> <p>Potential Risk</p> <p>Training Deficiency: Untrained President/ Chairman of the Mess Committees (PMC/CMC) or Officers in Charge of Funds (OIC).</p> <p>Mitigation</p> <p>OC Accts Flt briefs all new PMCs, CMCs and OICs. Regular briefings are held. OC Accts Flt produced a "Guide for OICs."</p>

RAF SHAWBURY OFFICERS' MESS

On accounts for the year
ended

30TH JUNE 2022

Charity no
(if any)

1129848

Set out on pages

CC17A & TAR

I report to the Managing Trustee on my examination of the accounts of the above charity ("the Charity").

Responsibilities and
basis of report

As the charity's trustee, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

~~The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a Fellow member of the Association of Charity Independent Examiners.~~

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (~~other than that disclosed below *~~) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
