Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The Mess arranged a number of formal and informal functions/events over the Financial Year. This included Service 'Dining-In' or Dinner Nights such as a Battle of Britain evening, Dinner Nights for Mess Members and spouses/partners, and both a Summer Ball and Christmas Draw for the benefit of Mess Members, in order to meet the aim of promoting esprit de corps and for the collective benefit of the Membership. Some of the functions received subsidies to the overall cost, with attending Members paying the remaining cost of the function or event. A number of guests were invited to the Mess and the cost of their attendance was subsidised by Mess Members attending the function.</p> <p>In particular, the Officers' Mess has hosted 9 functions for the benefit of its Members' with a total of £31,300.00 in subsidies towards the costs of some of the functions.</p> <p>Support to Other Activities:</p> <p>Each year the Mess agrees to grant sums of money to events held on the Unit, which benefit the wider Service community. This year the Officers' Mess allocated money towards:</p> <ul style="list-style-type: none"> i. The Children's Christmas Event, Junior Ranks' Christmas Event, Senior Citizens' Christmas Event, Families Day, Shawbury 5s and the Annual Reception. ii. Contributed to the Royal Air Force Shawbury Sports Fund to assist in its programme to enhance sporting facilities on the Unit. <p>Mess Subscriptions:</p> <p>As part of the financial planning process the Mess Committee seeks the agreement of the Membership in setting the level of subscriptions in the relevant membership categories. These subscriptions help to subsidise the formal functions, meet operating and maintenance costs as well as enabling the Mess to fund its grant allocating activities.</p> <p>Subscription income was higher than anticipated over the first 7 months of the Financial Year, but then fluctuated over the remainder of the year. At the end of the Financial Year subscription income was only £12.77 below the target in the Financial Plan.</p>

		<p>Trading Activities:</p> <p>The Officers' Mess operates a bar as a primary purpose trading activity. The bar is managed by the Contractor ESS, and ownership of the stock was handed over to ESS in Nov 20, reducing the risk to the Trustee and the Mess Committee. The levels of Gross Profit Percentages/ Mark-ups continue to be set by the Mess Committee and agreed at the EGM prior to the start of the Financial Year.</p> <p>Investments:</p> <p>Investment income performed much better than expected, with income above target by £656.65.</p> <p>Future Plans:</p> <p>Future Plans for the Officers' Mess is to arrange a similar spread of formal and informal functions for Financial Year 24/25.</p>

Achievements against objectives set	Para 1.41	<p>The objectives are set in the Financial Plan, which is approved by the Trustee, and voted in at an EGM prior to the start of the Financial Year.</p> <p>Committee Meetings are held on a monthly basis to review the performance of the Officers' Mess against the Financial Plan.</p> <p>Planned income over the Financial Year was slightly above target, which was mainly due to higher than anticipated investment income, bank interest and maintenance duty income.</p> <p>Planned expenditure was below target, with an underspend on white goods, mess improvements and Subsidies/Grants.</p>
Performance of fundraising activities against objectives set	Para 1.41	<p>The main income streams for the Officers' Mess are subscriptions and bar profit.</p> <p>Subscriptions:</p> <p>Subscriptions were set and agreed at £11.40 per month for each Mess Member. Subscription income fluctuated over the year and was below target at the end of the Financial Year by £12.77.</p> <p>Bar Income:</p> <p>The Bar performed really well in FY 22/23; therefore the target was increased for FY 23/24. However, it was discovered in Dec 23 that the Messes have been receiving "gross profit" in error from ESS instead of "net profit". This impacted bar income along with a drop in sales, therefore an amended Financial Plan incorporating a reduction in target Bar Profits was presented to the Membership at an EGM.</p>

		Unfortunately bar profits were below target at the end of the Financial Year by £1,745.86.
Investment performance against objectives	Para 1.41	<p>As noted above, Investment Income performed better than expected, with an income over the year of £6,410.</p> <p>At the end of the Financial Year the Officers' Mess Investments were valued at £57,591.20, which is an increase in value over the Financial Year of £4,360.65 and overall growth of £13,491.20 since purchase.</p> <p>The Investments will be reviewed in the new Financial Year.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>The Officers' Mess ends the Financial Year with an income of £126,665. compared to expenditure of £123,785. This has resulted in a profit/surplus of £2,880.00 compared to a target profit/surplus in the Financial Plan of £580.00. The unexpected profit/surplus is as a result of higher than anticipated income and lower than anticipated expenditure.</p> <p>Liquidity is excellent with net funds readily realisable of circa £97,000, some of which is deposited in a Charities Official Investment Fund (COIF) Deposit Fund and high interest account to gain maximum interest.</p> <p>The Officers' Mess was founded with assistance from an initial grant from the RAF Central Fund. The Contingent Liability/Permanent Endowment is the initial funding of the Officers' Mess. If the Mess was to close, the RAF Central Fund would normally expect the grant to be returned. The Mess must maintain investments at a value no less than the endowed grant monies, subject to market value losses and deflation. Income generated from the invested funds is restricted to support the appropriate charitable activities of the Mess. A comparison of the RAF Shawbury Officers' Mess investment holdings to its Contingent Liability /Endowed Grant shows that they have sufficient investments to cover the value of £35,325.00.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>At the end of the Financial Year the Officers' Mess had free reserves of circa £120,000 This includes £3,365.50 which has been placed in a designated fund (detailed below).</p> <p>The Trustee also agreed an Operating Reserves Policy for the Financial Year to ensure financial viability of the Fund and its ability to meet on-going commitments. Reserves of £7,000.00 have been set aside,</p>

		<p>which is the value of approximately 2 months' worth of recurrently committed expenditure.</p> <p>Free Reserves have been calculated as those parts of income which are freely available and do not include the Permanent Endowment, Restricted Funds, any part of Unrestricted Funds not available for spending and Assets which could only be realised through disposing. I have included the investments, as they can be realised at short notice if required, however they may not sell at their current value on the Balance Sheet.</p> <p>The Reserves have been used to gain the maximum income for the Fund, with circa £57,500.00 being held in Equity and Fixed Investments and monies held in a COIF Deposit Fund and a High Interest Account.</p> <p>The Reserves of the Charity are continually monitored and reviewed within the context of the funds required to fulfil the charitable objectives.</p> <p>Designated Funds: In order to comply with Charity Commission requirements, a professional valuation is to be conducted every 5 years of all capital property owned by the Officers' Mess. Money is set aside in a designated fund each year towards payment of the Valuation.</p>
Amount of reserves held	Para 1.22	Circa £120,000 (PY £106,100)
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	There were no funds materially in deficit during the Financial Year.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	There are no uncertainties about the Charity continuing as a going concern.

The charity's principal sources of funds (including any fundraising)	Para 1.47	Principle funding is from subscriptions and investment Income, while further income is received from bar trading.
Investment policy and objectives including any social investment policy adopted	Para 1.46	<p>To meet the over-riding need of regular on-going specified annual income – increasing with inflation, the Royal Air Force Officers' Mess Investment Strategy/Policy is to have a diversified portfolio across established UK Equity and Fixed interest markets with a bias towards Equities that offer growth and yield. Furthermore, money is held in a COIF Deposit Fund, gaining maximum interest, but ensuring monies are readily available.</p> <p>The 2 main aims of holding investments are to cover the Contingent Liability/Permanent</p>

		Endowment and also to generate income to help cover the expenses of the Officers' Mess.
A description of the principal risks facing the charity	Para 1.46	<p>To continue to meet the strategic and operational objectives of the Officers' Mess, the Trustee has given consideration to the major risks to which the Charity is exposed. He is satisfied that systems and procedures have been established in order to manage these risks. This is done through the means of a Service Funds Internal Audit Board, convened at the start of each Financial Year, to carry out internal arithmetical and management audit of the Charity. In addition, the Trustee maintains a Risk Register detailing those areas which may give rise to concern presently and into the future. Risks have been identified, analysed and assessed according to their impact and the likelihood of occurrence. Systems implemented to mitigate these risks are continually reviewed and the Risk Register is reviewed on a regular basis. The main risks over the year were:</p> <p>Potential Risk</p> <p>Assets including both stock and property are misappropriated</p> <p>Mitigation</p> <p>PMC to ensure Property Checks and carried out by the House Members as mandated. SFIAB to check during quarterly Audits.</p> <p>Potential Risk</p> <p>Ownership of stock by the Contractor with the risk of manipulation of the Bar Trading Accounts and GPP.</p> <p>Mitigation</p> <p>Bar Trading account to be scrutinized by OC Accts Flt and Audited by the Audit Clerk.</p> <p>At the end of the Financial Year the main risk was/is:</p> <p>Potential Risk</p> <p>Training Deficiency: Untrained President/ Chairman of the Mess Committees (PMC/CMC) or Officers in Charge of Funds (OIC).</p> <p>Mitigation</p> <p>OC Accts Flt briefs all new PMCs, CMCs and OICs. Regular briefings are held. OC Accts Flt produced a "Guide for OICs."</p> <p>Potential Risk</p>

		<p>New Accounting packing SAP, which is going to be introduced by ESS. The risk of the number of transactions SAP will produce, which poses a problem for internal and external audit and the delay of producing the monthly accounts and increased workload.</p> <p>Mitigation</p> <p>Service Funds Air Cmd have been informed of our concerns and the risk has been placed on the Service Funds Risk Register.</p>

basis of report

As the charity's Managing Trustee, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

~~The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a Fellow member of the Association of Charity Independent Examiners.~~

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (~~other than that disclosed in Section B below *~~) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
