## **PCC Trustees' Annual Report**

From 12 November 2019 St Mary Kippington became part of the benefice of the West Sevenoaks Team Ministry, together with St Mary the Virgin, Riverhead with Dunton Green and St. Luke's, Sevenoaks.

### **Aims and Purposes.**

The Parochial Church Council (PCC) of St Mary Kippington has the responsibility of cooperating with the incumbent, the Reverend Mark Bridgen, in promoting in the ecclesiastical parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. The PCC is also specifically responsible for the maintenance of the Church complex of the Kippington Centre, next door to the Church.

### **Objectives and Activities**

The PCC is committed to enabling as many people as possible to worship at the church of St Mary Kippington and to become part of that parish community. The PCC maintains an overview of worship and makes suggestions on how services can involve as many people who live within the parish as possible. The services and worship of St Mary Kippington seek to put faith into practice through prayer and scripture, music and sacrament.

When planning activities for the year, the PCC has considered the Commission's guidance on public benefit and, in particular, the supplementary guidance on charities for the advancement of religion. In particular, the PCC tries to enable people to live out their faith as part of the parish community through:

- Worship and prayer: learning about the Gospel; and developing their knowledge and trust in Jesus.
- Provision of pastoral care for people living in the parish.
- Missionary and outreach work. To facilitate this work it is important that we maintain the fabric of the Church of St. Mary Kippington and the Kippington Centre.

### **Achievements and Performance**

#### **1. Worship, Fellowship and Prayer**

The PCC is committed to offer a range of services during the week and over the course of the year that the community find both beneficial and spiritually fulfilling. St Mary Kippington upholds the Anglican ethos of worship that offers a broad spectrum of worship, which encompasses the Book of Common Prayer, Common Worship and Fresh Expressions.

The regular pattern of 8am and 10:30am service times on Sundays has been maintained on a consistent basis, along with a mid-week service on a Thursday and occasionally a Sunday evening act of worship.

Family Services continue to be run from the Kippington Centre for most of the year, with the occasional service taking place at Church.

Worship has continued to take place commemorating key events in the liturgical calendar, being Harvest, Remembrance, Advent, Christmas, Lent and Holy Week and Easter. During the year numbers attending for these key service times were as follows (previous year in brackets).

Good Friday and Easter Sunday 175 (206); Harvest Sunday 87 (79); Remembrance Sunday 77 (76); Advent Sunday 71 (58); and Christmas Eve and Day 469 (260).

As of 15 May 2022, there were 132 parishioners on the Church Electoral Roll, 43% of whom are resident in the Parish and 57% of whom are non-resident.

During the year the following number of occasional offices were performed: nine baptisms, three weddings, three internment of ashes, seven funerals at church and two funerals at one of the local crematoria.

Due to the long term effects of the Covid pandemic and many in the congregation only slowly returning back to the rhythms of worship, the Church of England have not yet asked for Average Weekly Attendance figures.

Study courses undertaken were as follows – Advent and Lent Study times; Living in Love and Faith; York courses; Pit Stop – philosophical and ethical course.

Team services have taken place celebrating the midweek festivals of the church and to welcome the Priesting of the Team's Assistant Curate.

Social events are arranged throughout the year, and an hour's gathering in the Parish Centre following worship at key festival times (e.g. the Harvest Lunch) brings all ages together.

Our Sunday Club has met weekly and special craft events have been laid on though Jean Day. The Youth Club ceased meeting during the year because its leaders stepped down due to their moving out of Sevenoaks.

Provision has been made at the church for live streaming. Equipment was installed, and there is a feed through our YouTube channel. This enables those housebound, or not able to attend worship, to join the live link from the church or to watch afterwards; as well as offering (for a fee) live streaming for occasional offices (baptisms, weddings and funerals).

With wi-fi now able to be accessed throughout the church (including the centenary room) the provision of direct giving has been made available using a QR code linked to the GiveALittle facility.

## **2. Kippington Centre**

Over the year the Centre has returned to full operating capacity, serving both the church and community. Weekends have seen a marked increase in usage. Three regular groups have ceased meeting due to the decline in their membership, but this shortfall has been partly met by new groups now meeting. The Centre Manager is Karen Bridgen.

## **3. Pastoral Care**

The Pastoral and Mission Committee have continued to care for those termed vulnerable within the church and assigned individuals from that committee to keep in touch. The Covid Meal Delivery programme has now ceased. Monthly communion services to Kippington Nursing Home take place.

## **4. Mission and Evangelism**

The charities committee, following PCC approval, made grants totalling £16,180 a broad range of local, national and international charities. Solefields School returned to celebrating their Christmas service at the church and the Vicar now preaches occasionally at Evensong at New Beacon School. Harvest Lunch, Jubilee events, Christmas Fair and monthly 'Coffee and Cake' fellowship events have taken place.

The year has seen outreach to members of the Ukrainian community including the creation of a drop-in centre on Sunday afternoons, with discussions ongoing concerning the use of the church for orthodox worship.

The Vicar has taken over as editor for the monthly Forward Move magazine. Thanks are due to Sue Shepherd for editing for the last ten years and helping to maintain its continued success.

## **5. Ecumenical Relationships**

Churches Together in Sevenoaks and District organise termly ecumenical services. The church participated in the annual 'Ride and Stride'.

## **6. Volunteers**

We would like to thank all the volunteers who work so hard to make our church the lively and vibrant community it is. In particular thanks are expressed to churchwardens Brenda Ross and Dave White for their service to the life of the church.

## **Financial Review**

### **1. Overview**

Overall reserves have fallen by £3,251 compared with 2021. This is broadly matched by a fall in the book value of our Charifund units of £3,358. Unrestricted funds are down by £466, and restricted funds by £2,785.

On a broad “cashflow” basis (excluding items such as depreciation, the unrealised loss on Charifund units and a transfer from restricted funds), there was a surplus on unrestricted funds of £9,138.

The position on unrestricted funds is encouraging as, on this basis, we were budgeting for a deficit of £3,552. This turnaround of £12,690 can be explained as follows:

- Income was ahead of budget by approx. £4,000 almost entirely due to one-off grants: £2,667 from a further Government grant to support the loss of Parish Centre income due to the Covid pandemic, and £1,045 from the Diocese to help offset the increase in energy costs.
- Expenditure was below budget mainly due to underspends on maintenance in both the Church and the Parish Centre, though early indications are that these bills will be higher in 2023.

Restricted funds were used to pay for our new streaming capability and the provision of a new laptop computer to support its use. Main sources of income for restricted funds were plant sales and the annual Friends of Kent Churches Bike Ride.

The main financial concern for 2023 is the increase in energy bills. While we are currently benefiting from the Government’s Energy Bill Relief Scheme, this will end on March 31 2023. It will be replaced by a less generous ‘Energy Bill Discount Scheme’, but we will not know the exact effect of this until the bills for April arrive during May. Our budget for gas and electricity for the Church and the Centre in 2023 is £18,500 as compared to a budget of £7,850 (and actual spend of £8,508) in 2022. Our forecast “cashflow” budget deficit for 2023 is £10,600, which broadly matches the expected increase in energy costs.

Thanks are once again due to Zoë Anderson, Planned Giving Administrator, who has ably managed the Planned Giving Scheme and who has continued to make monthly claims on HMRC for Gift Aid in a timely manner.

### **2. Charitable Giving**

Charitable Giving is set out in Note 15 to the Accounts. Giving included within our accounts was £16,180 (2021: £14,114). The PCC’s tithing commitment in 2022 was slightly higher at £13,600 (2021: £13,200) due to higher income. In addition to the tithing commitment, a grant of £1,000 was made to our fellow Benefice church of St Mary The Virgin at Riverhead.

Our accounts do not include agency collections for third parties. If these are added our total giving amounted to £17,641 (2021: £15,884).

### **3. Reserves Policy**

The PCC, advised by the Finance Committee, considers its reserves policy annually. Where a sum has been set aside for a designated purpose, the PCC aims to hold enough in that reserve to meet the specific policy intention; so, for example, a sum set aside for a major repair or renewal should either be sufficient to fund that repair/renewal or should be complemented by a fundraising intention and plan. Informed by recent experience we consider that unrestricted reserves, complemented by any restricted reserves available for that purpose, should be at least sufficient to cover essential running costs for 9-12 months, after assuming that regular sources of income reduce significantly.

## Structure, Governance and Management

The method of appointment of PCC members is set out in the Church Representation Rules.

At St. Mary Kippington the membership of the PCC consists of the incumbent, churchwardens, the local lay minister, co-opted members (the pastoral assistant, treasurer and deanery synod representatives) and members elected by those from the congregation on the electoral roll of the church. All those who attend our services / members of the congregation are encouraged to register on the Electoral Roll and stand for election to the PCC. The PCC members are responsible for making decisions on all matters of general concern and importance to the parish including deciding on how the funds of the PCC are to be spent. The full PCC met six times during the year with an average level of attendance of 85%.

Given its wide responsibilities the PCC has a number of committees, each dealing with a particular aspect of parish life. These committees, which are outlined below, are all responsible to the PCC.

- **Standing Committee:** This is the only committee required by law. It has power to transact the business of the PCC between its meetings, subject to any directions given by the Council. Members of this committee are the Vicar, the Churchwardens, PCC Secretary and PCC Treasurer and one other PCC nominated member.
- **Fabric Committee:** Considers all matters relating to the care and maintenance of church buildings and advises the PCC on necessary repairs, obtaining estimates as appropriate.
- **Finance Committee:** This oversees the general financial dimension of the work of St Mary's by monitoring income and expenditure, budgeting, reviewing the annual report and financial statements and maintaining appropriate financial controls.
- **Charities Committee:** Promotes the work of charities and mission agencies in the Parish and recommends donations to registered charities, according to the policies set by the PCC. More information on charitable donations is set out within the Accounts and in the Charitable Giving paragraph above.
- **Pastoral and Ministry:** This group meets four times a year to help the Church realise its vision as a bridge between God and the community. The Chair is the Vicar. Its minutes are sent to the PCC.

## The Benefice of the West Sevenoaks Team Ministry

Following the incorporation, by Pastoral Measure on 12 November 2019, into a new Team Ministry, a Joint Council to develop the ongoing life of the Team was approved by all three Annual Parochial Church Meetings in 2021. Representatives from each of the churches serve on the Council and their work takes place within six sub groups. These are: 1) music, 2) worship, 3) children, young people and families, 4) Pastoral, 5) Mission and Outreach and 6) Discipleship. The recommendations of the Joint Council relating to the sub groups are brought for agreement to all three Parochial Church Councils. However, due to the resignation of the Rev Andy Finn, Team Vicar of St Mary the Virgin, Riverhead with Dunton Green and the lack of representation of that church on the Council, the Joint Council is not currently meeting.

In recent years, the issue of Safeguarding has come to the fore of every church's mission and ministry. Wendy Pritchard is St Mary Kippington's Parish Safeguarding Officer (PSO), and all PCC members must have a DBS check and undergo training in Safeguarding C0 and C1, as well as Domestic Abuse training). There are other safeguarding training requirements required for clergy and those in the congregation working with children and vulnerable adults. Safeguarding is an agenda item at every PCC meeting as part of their responsibilities is to make our church and its activities a safe environment for children and vulnerable adults. The Parochial Church Council has complied with the duty under section 5 of the Safeguarding and Clergy Discipline Measure 2016 (duty to have due regard to House of Bishops' guidance on safeguarding children and vulnerable adults).

**Risk Management**

The PCC keeps under review the strategic and operational risks which would impact the work of the church and the steps taken to minimise these risks. Mitigations include our safeguarding procedures, financial controls and the maintenance of healthy reserves

Approved by the PCC on 27 March 2023 and signed on their behalf by the Reverend Mark Bridgen (PCC chairman)

A handwritten signature in black ink, appearing to read 'Mark Bridgen', is written over a horizontal line. The signature is stylized with a large, sweeping flourish at the end.

## **Independent Examiner's Report to the Trustees**

I report to the Trustees on my examination of the accounts of The Parochial Church Council of the Ecclesiastical Parish of St Mary, Kippington, Registered Charity 1130183 ("the Trust") for the year ended 31 December 2022, set out on pages 9 to 20.

### **Responsibilities and basis of report**

As PCC members, and therefore the Charity's Trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## **NOTES TO THE FINANCIAL ACCOUNTS**

### **For the year ended 31 December 2022**

#### **NOTE 1 - ACCOUNTING POLICIES**

The financial statements have been prepared in accordance with the United Kingdom Financial Reporting Standards (UK GAAP) including the Charities SORP (FRS102).

The financial statements have been prepared under the historical cost convention except for the valuation of investment assets, which are shown at market value.

The PCC considers that there are no material uncertainties about St Mary, Kippington's ability to continue as a going concern.

The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the financial statements of church groups that owe their main affiliation to another body, nor those that are informal gatherings of church members.

#### **Funds**

Unrestricted funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for the general purposes of the PCC. Designated funds may be set aside by the PCC out of unrestricted funds for specific purposes. They remain unrestricted.

Restricted funds are those funds that must be spent on restricted purposes. Details of these funds and the restrictions are provided in note 10.

#### **Incoming Resources**

##### ***Voluntary income***

Collections and planned giving are recognised when received by or on behalf of the PCC.

Gift Aid is recognised at the same time as the underlying gift.

Grants and legacies to the PCC are accounted for as soon as the PCC is notified of its legal entitlement and the amount due is measurable and its ultimate receipt is considered probable.

Funds raised by fetes, garden parties and similar events are accounted for gross.

##### ***Other income***

Rental income from the letting of the Parish Centre is recognised in the period the facility is used.

##### ***Income from investments***

Dividends are accounted for when due and payable. Interest entitlements are accounted for as they accrue. Income from specific assets held within a fund that is not an endowment is credited to the respective fund. Income from other assets is credited to the General Fund.

##### ***Gains and losses on investments***

Unrealised gains or losses are recognised on revaluation of investments each year end.

Realised gains or losses are recognised when investments are sold.

#### **Resources expended**

##### ***Grants***

Grants and donations for charitable purposes are accounted for when paid. The PCC has a policy of aspiring to make grants which amount to 10% of budgeted unrestricted income. The Charities Committee recommends for approval by the PCC the charities to which grants are to be made and the amounts for each. Specific collections for outside charities and staff leaving are included within income and expenditure and treated as liabilities until paid over. Amounts made payable direct to the recipient and not the PCC are not included within income and expenditure. Details of charitable giving that has not passed through income and expenditure are included in Note 15.

##### ***Diocesan Offer***

The diocesan 'Offer' is accounted for when due. Any 'Offer' unpaid at 31 December is provided for in these financial statements as an operational (though not a legal) liability and shown as a creditor in the balance sheet.

#### **Fixed Assets**

##### ***Consecrated property and movable church furnishings***

Consecrated and beneficed property is excluded from the financial statements by section 10(2)(a) of the Charities Act 2011.

Movable church furnishings, acquired prior to 2000, held by the vicar and churchwardens on special trust for the PCC and which require a faculty for disposal are accounted for as inalienable property unless consecrated and are given no value.

All expenditure incurred in the year on consecrated or beneficed buildings or on the repair of movable church furnishings acquired before 1 January 2000 is written off.

##### ***Other land and buildings***

Up until December 2017 the Parish Centre (built in 2004) was valued at cost with no provision for depreciation. From 2018 the PCC agreed to provide depreciation of £7,400 per annum based on an estimated remaining useful life of 68 years. Any expenditure on maintenance or minor improvement is written off as incurred.

##### ***Other fixtures, fittings and office equipment***

Equipment used within the church premises is normally depreciated on a straight-line basis over 4 years, commencing the year after acquisition. Individual items of equipment with a purchase price of £1,500 or less are written off when the asset is acquired.

##### ***Investments***

Investments are included at market value.

##### ***Current assets***

Amounts receivable in respect of fees, rents or other income are shown as debtors less provision for any amounts considered uncollectable.
