Trustees Report

Objects of the charity

The PCC is governed by the Parochial Church Councils (Powers) Measure and charged with:

- working with our incumbent to promote in the parish the whole mission of the Church: pastoral, evangelistic, social, and ecumenical;
- consulting with the incumbent on matters of general concern and importance to the parish;
- consideration and discussion of matters concerning the Church of England or any other matters of religious or public interest;
- making known and putting into effect any provisions made by the Diocesan or Deanery Synods but without prejudice to the powers of the PCC on any particular matter; and
- giving advice to the Diocesan Synod and the Deanery Synod on matters referred to it and raising such matters as the PCC consider appropriate with them.

The PCC met 7 times during the year with an average attendance of 20 members (82%). The Parochial Church Council has referred to the Charity Commission's guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities. In particular, the Parochial Church Council has considered how planned activities will contribute to the aims and objectives it has set.

Summary of the charity's main activities and achievements

To further the above objects and vision, the charity's main activities and achievements were as follows:

Churchwarden's Report (during Vacancy)

This year has been a significant one in the life of St John's, marked by vacancy, faithful service, and preparation for new leadership.

Vacancy and Leadership

The vacancy began in February 2025 following the departure of the Revd Esther Prior on her appointment as Bishop of Aston. During the vacancy, formal running of the parish became the legal responsibility of the Area Dean (Revd Canon Ben Beecroft) and the Churchwardens as the sequestrators. The spiritual leadership was shared collaboratively among the clergy team and authorised service leaders. The Revd Holly Byles, as stipendiary curate, carried significant day-to-day ministerial responsibility alongside non-stipendiary clergy and associate ministers who together sustained worship, preaching, and pastoral care across all services. Focal ministers provided continuity of leadership within individual congregations, ensuring stability throughout the year. The staff team continued to oversee the day-to-day management of the church campus and ministries. During the year, I joined the staff team as an ordinand, recommended for training to Bishop Paul, who then put me forward. We also give sincere thanks to Keith Malcouronne (PCC Vice Chair), and Beth Tebboth and Clem Jones (PCC Secretaries), whose work ensured governance and administration remained well ordered throughout the vacancy. We were delighted to welcome the Revd Lydia Corbett, licensed as Vicar on 16 February 2026, and we look forward with hope to this new season of ministry.

Worship and Church Life

Our regular pattern of worship continued unchanged, with Wednesday Midday Holy Communion and Sunday services at 9am, 10:30am and 6pm. Average weekly attendance has been around

300. Reported figures appear lower than previous years due to Electoral Roll renewal and improved accuracy in attendance recording, particularly online participation. Christmas attendance increased slightly, while Easter attendance was marginally lower. Baptisms and funerals both rose modestly during the year. The dedication of clergy, service leaders, and volunteers ensured worship remained consistent and prayerful throughout the vacancy.

Teaching and Discipleship

During the vacancy the church followed a structured preaching and teaching journey shaped around the theme from Ecclesiastes 3:1, recognising different seasons in the life of faith. Across the year, sermon series explored themes including wilderness and renewal, the work of the Holy Spirit, spiritual fruitfulness, stewardship, and the unexpected nature of Advent. This shared teaching framework provided continuity, theological depth, and spiritual formation across the congregations during a time of transition.

Ministry and Community Engagement

St John's continues to serve as a hub for the local community through a wide range of ministries offering pastoral support, hospitality, and outreach. Student ministry has remained stable through lunches and weekly gatherings, and links with Manorcroft School have continued through assemblies. Highlights during the year included Love Egham initiatives, youth and student gatherings, a worship evening with Philippa Hanna, and a Sri Lankan mission trip. Several community groups continue to make regular use of the church buildings.

Children's and youth ministry has been especially encouraging. Our Youth Pastor, Jo, has made significant progress in developing ministry among 11–18 year olds, while Rachel has continued to lead thriving children and family ministries, including a well-attended Holiday Club and weekday groups. Playbox Nursery continues to be a valued and well-supported part of community life.

Creation Care and Environmental Impact

Creation care has been a significant area of mission this year. St John's achieved A Rocha's Eco Church Gold Award and completed installation of an air source heat pump as part of our commitment towards net zero. Environmental initiatives have combined practical stewardship with community wellbeing, including the establishment of a local parkrun, extensive tree planting through the Genesis Project, regular litter picks, repair clinics, and the ongoing work of the Community Fridge. These initiatives have contributed to measurable reductions in waste and carbon emissions while engaging a wide and diverse volunteer community.

Buildings and Fabric

Key building work included installation of the air source heat pump, repair and rebuilding of a retaining wall, completion of a fire risk assessment (with Amin Deiry appointed Responsible Person), and surveys to investigate cracking in the church ceiling. Preparation is underway for the forthcoming quinquennial inspection.

Challenges and Thanksgivings

The extended vacancy placed additional demands on clergy, staff, and volunteers, yet the commitment of many ensured ministries continued to flourish. We give thanks for the dedication shown across the church and for encouraging growth particularly within youth, outreach and men's ministries. With the arrival of the Revd Lydia Corbett, we look forward to continued growth in faith, community engagement, and financial sustainability as St John's enters a new chapter together, seeking growth numerically, spiritually, and in long-term sustainability.

Governance Statement

The PCC continues to recognise its responsibilities as charity trustees, seeking to ensure that the mission and ministry of St John's serves the public benefit through worship, pastoral care, community engagement, and outreach. We remain grateful for the commitment of staff, clergy, and volunteers whose service enables the church's work and witness within Egham.

Lee Langford Churchwarden, St John's Church, Egham On behalf of the PCC

Membership and attendance

A new Electoral Roll for the parish was prepared in 2025. There were 254 people on the Electoral Roll adopted in April 2025 (2024: 326), of whom 125 (2024: 188) were resident outside the parish. Physical attendance during Sundays in October 2025 averaged 218 adults and 33 children under 16, making a total of 251 (October 2024 averaged 262 adults and 46 children under 16, making a total of 308).

Promoting a Safer Church

St John's continues to be committed to providing a welcoming, respectful, and safe environment for all, including children and adults who may be at risk of abuse and neglect. The care and protection of children, young people and adults involved in church activities is the responsibility of everyone who participates in the life of the church community. The PCC takes the requirement to ensure the safety of everyone extremely seriously.

Safeguarding Dashboard

The Church of England has a relatively new reporting system called the Safeguarding Dashboard. We have completed the first two levels and have now reached level three. Level 3 gives us access to the 'Safeguarding Hub' - which will help with our HR processes.

- The PCC approved the automatically generated Safeguarding Plan that will enable us to move forward with this.
- The PCC has undertaken a review of the current Safeguarding Action Plan and formally approved it. This reflects our ongoing commitment to maintaining high safeguarding standards within our church community.
- The PCC is actively working to ensure that the list of all church-related activities is accurate and up to date. This helps ensure that safeguarding responsibilities are clearly identified for each area of church life.
- The PCC remains committed to safeguarding as a shared responsibility and will continue to review progress regularly.

Parish recording form

The template continues to be used regularly and is being treated as a live document so that any updates or reviews are all recorded on one document and can be kept in one place.

Vulnerability Report Sheet

This document has been developed and is now being used effectively. The report documents the following information:

- Date the vulnerability was identified
- Who is vulnerable
- What the vulnerability is
- Who else has been made aware
- What has been/can be done to reduce the vulnerability

Cases since last report:

There have been 6 cases involving vulnerable adults that have required support and action to varying degrees. Five have an element of mental health difficulties: one involving inappropriate behaviour, one depression/lifestyle problems, one relationship issues, one involving personality disorder and a fifth involving self-harm/suicidal ideation. The sixth case involved being vulnerable to financial abuse and self-care with capacity difficulties.

Three instances have been discussed with the Guildford Safeguarding Team. One was dealt with the support of the Diocese Safeguarding Caseworker. The second has been ongoing and has been managed well by the Parish Pastoral Team with the support of Social Services, the Police and the Diocesan Safeguarding Consultant. The third involved another parish in another diocese and the Diocese team are satisfied that no further action is required.

Since the last annual report, there has been one instance requiring follow-up by the safeguarding team concerning a child or young person. Support needs were identified for a young person and their family. Following consent from the family, a referral was made to Surrey Early Help to provide appropriate support.

Guidance has also been sought by the Playbox team, during Holiday Club and when the youth group attended Satellites. Information and advice were provided, and no further action was necessary in these cases.

In all cases the workers or volunteers involved have responded carefully, and caringly, demonstrating a positive and supportive approach. They have taken appropriate action and signposted correctly. Other general information and advice have been provided when needed.

In planning the activities, the trustees have applied the guidance on public benefit issued by the Charity Commission.

Structure, Governance and Management

Operating Mechanisms

The Parochial Church Council (PCC) is a corporate body established by the Church of England and is also registered as a charity, number 1130185. It is a public benefit entity under the Charities Acts.

The PCC has ultimate responsibility for running the church. They set the budgets, agree appointments and together with the vicar determine the aims and objectives of the church and the broad guidelines to be followed. The Wardens and other Officers are engaged in many day to day activities. Also the paid employees and key church members volunteer for much of the church's work. The remuneration of key management of the church is not specifically determined by the PCC in that the Vicar, who is employed by our diocese of Guildford, is remunerated by and according to pay scales determined by them. The other key officers all act on a voluntary basis and receive no remuneration. Pay for all staff is set by the PCC and follows a review to determine the appropriate rate for the role. Pay increases reflect performance and consider guidance from the diocese. Members of the PCC who are employed by the church or whose relatives are employed by the church, are excluded from any discussion on remuneration.

Members represent trustees who are trustees for the purposes of charity law. Members are either ex-officio or elected by the Annual Parochial Church Meeting in accordance with the Church Representation Rules. Under those rules, lay representatives on the PCC are ordinarily expected

to serve for a term of three years, with a third of the lay representatives elected each year. Training and induction of new members is the focus of the first meeting of each new PCC.

The Ministry Area Coordinators are our Standing Committee. It is comprised of: Esther Prior (Chair until Feb 25); Keith Malcouronne (Chair from Feb 25); Holly Byles; Debbie Benefield; Philippa Stuart; Will Bissett; Andrew Tebboth; Lee Langford; Amin Deiry; Sara Holloway; Elizabeth Tebboth (Secretary); and Clement Jones (Secretary).

In addition to the above, there were two Assistant Treasurers: Chris Gray, Geoff Wickes. The Partnership Secretary is Phil Johnson, assisted by the Associate Partnership Secretary Andrew Tebboth.

Financial Review

Review of Financial Activities and Affairs

The PCC accounts incorporate the activities of all groups operating under its auspices, segregated into those which are unrestricted (for use at PCC discretion) and those which are restricted (where the use has been specified by the donor). Total income for 2025 was £878,549 (2024: £778,665) and expenditure £693,499 (2024: £681,420) leaving a net income of £185,049.

PCC General Fund

The General Fund comprises unrestricted funds under the direct control of the PCC and so covers most normal operating income and expenditure. In 2025, the church installed a heat pump which cost £107,637 in total, with £101,532 being spent in 2025. To cover this we raised grants of £51,250 and the congregation generously donated £36,225. The balance was met by reserves. As the heat pump is an asset, only the depreciation shows as a cost this year. The General Fund income for the year was £405,853 (2024: £401,697). There is a 2% decrease in unrestricted expenditure at £414,303 (2024: £423,068). Our income was up and our costs down, so we are heading in the right direction to move back to an annual surplus for our core activity. The ministry teams are keeping within their budget (mostly unchanged since 2023) and the numbers of children, youth, students and adults we connect with has increased again. As our activities grow and we continue to engage in our community, we will need to continue to seek a greater variety of different income sources.

Playbox

Our church nursery continues to grow in numbers and reputation. Their income this year was £230,517 (prior year £172,823). 95% of the income is grant funded from Surrey County Council. Playbox's expenditure was £205,265 (prior year £154,909). Demand for places continues to be strong from across the community, while the nursery aims to also support children with extra needs, so all flourish.

Easter Centre

The financial totals include restricted income of £126,396 (2024: £149,079) including Gift Aid, towards the Easter Centre related loans. During 2025, it is with humble thankfulness that we received more significant gifts and interest free loans for the Easter Centre. Alongside these congregational loans we have two bank loans. As at April 2026, one loan balance is under £73,000. The interest on this loan is on a variable rate based on the base rate plus 2.35%. As the interest rate has dropped a percentage point over the year, our interest repayment on the variable rate loan has also dropped. The second loan is on a fixed rate that is less than 0.5% above the Bank of England base rate. This is a very favourable rate. We continue to be able to meet our

monthly repayments to service both bank loans through the steadfast generosity of our congregation.

Financial Outlook and Strategy for 2026

As set out in the following Financial Statements, the PCC believes the charity is a going concern for at least twelve months from the date of approval of these accounts and that funds will continue to become available to repay its borrowings as they fall due. We sincerely thank all those who have given financially to support the ongoing ministries of St Johns, paying off the Easter Centre debt and, this year, to the heat pump. Each year in September at our Stewardship season the congregation are invited to pledge their giving for the next year. This is the bedrock of our income and provides the PCC the confidence to continue with our ministries to the church family and to our community. Thank you all for your generosity of the congregation, faithfully giving through the planned partnership. All contributions are welcome and appreciated.

Financial Policies

Fundraising policy

Fundraising is conducted solely by volunteer members of St John's, primarily through regular committed giving from church members. Although we are not members of any regulatory scheme, the PCC follows the Code of Fundraising Practice established by the Fundraising Regulator. All teaching about Christian stewardship and generosity is scriptural with specific care taken that advantage is not taken of vulnerable members. The fundraising training continues to ensure that the trustees and those involved in fundraising are properly trained and the necessary procedures are followed.

Grants policy

Grants to mission partners locally and overseas are made on the basis of clear knowledge of and connections with those ministries on the part of St John's. We tithe (give 10%) our General Fund voluntary income for these purposes within our overall mission as part of God's church worldwide, and enhance this giving with appeals.

Reserves Policy

It is the policy of the PCC to maintain a sufficient balance of cash reserves in its General Fund to cover between three and six months of current expenditure, a minimum of £103,500. At the end of 2025 the General Fund cash had a balance of £10,002. There are two designated funds with a combined total of £55,512 which the PCC could un-designate if needed. This, combined with our CCLA investment of £66,595 (value at 31 December 2025), provides close to four months of cover.

Responsibilities of Trustees under charity law

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing these financial statements, the trustees are required to:

1. select suitable accounting policies and apply them consistently;
2. observe the methods and principles in the Charities SORP;
3. make judgements and estimates that are reasonable and prudent;

4. state whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
5. prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

No payments were made to PCC members for services as Trustees (other than expense reimbursement).

Signature

This report was approved by the trustees, and is signed on their behalf by:

Canon Keith Malcouronne

17 April 2026

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF THE PAROCHIAL CHURCH COUNCIL OF ST JOHN THE BAPTIST EGHAM FOR THE YEAR ENDED 31 DECEMBER 2025

We have audited the financial statements of The Parochial Church Council of St John the Baptist Egham (the 'charitable company') for the year ended 31 December 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 (United Kingdom Generally Accepted Accounting Practice).

Opinion

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any

form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our discussions with the charity's management and the Trustees, we identified that the following laws and regulations are significant to the entity:

Those laws and regulations considered to have a direct effect on the financial statements include UK financial reporting standards and Charity Law. Those laws and regulations for which non-compliance may be fundamental to the operating aspects of the charity and therefore may have a material effect on the financial statements include compliance with the charitable objectives, public benefit, safeguarding and health and safety legislation. These matters were discussed amongst the engagement team at the planning stage and the team remained alert to non-compliance throughout the audit.

Audit procedures undertaken in response to the potential risks relating to irregularities (which include fraud and non-compliance with laws and regulations) comprised of: inquires of management and the Trustees as to whether the entity complies with such laws and regulations; enquiries with the same concerning any actual or potential litigation or claims; inspection of relevant legal correspondence; review of Trustee meeting minutes; testing the appropriateness of journal entries; and the performance of analytical review to identify unexpected movements in account balances which may be indicative of fraud.

No instances of material non-compliance were identified. However, the likelihood of detecting irregularities, including fraud, is limited by the inherent difficulty in detecting irregularities, the effectiveness of the entity's controls and the nature, timing and extent of the audit procedures performed. Irregularities that result from fraud might be inherently more difficult to detect than irregularities from error. As explained above there is an unavoidable risk that material misstatements may not be detected, even though the audit has been planned and performed in accordance with ISAs (UK).

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Notes - Accounting Policies

Basis of Preparation

The Parochial Church Council of the Ecclesiastical Parish of St John the Baptist Egham ("the PCC") is a PCC established under the Parochial Church Councils Measure (1956) as amended and the Church Representation Rules. It is a charity registered in England & Wales number 1130185 and meets the definition of a Public Benefit Entity under Financial Reporting Standard 102. Details of the principal office are included in the PCC's Annual Report.

These financial statements have been prepared in accordance with the "Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("the Charities SORP"), with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ("FRS 102") and with the Charities Act 2011. The charity meets the definition of a public benefit entity as set out in FRS 102.

They have also been prepared to give a True and Fair view and so have departed from the Charities (Accounts and Reports) Regulations 2008 but only to the extent necessary to do so to follow the SORP. They are presented in sterling, the functional currency of the PCC, rounded to the nearest pound. They have been prepared under the historical cost convention, except for investment assets which are shown at market value, and include all transactions, assets and liabilities for which the PCC is responsible. They do not include the accounts of groups such as Besom, that owe their main affiliation to another body, nor informal gatherings of church members. No financial benefit has been reflected in these accounts in respect of the time and effort freely given by many members of the church involved in the running and administration of church and community activities.

The principles adopted in the preparation of the financial statements are set out in the accounting policies below.

Going Concern

The Trustees consider the Parochial Church Council of the Ecclesiastical Parish of St John the Baptist Egham a going concern at the date for approving the accounts. There are no material uncertainties that the charity can continue as a going concern for the next year.

Key Risks & Uncertainties

As with most churches and charities, the majority of the PCC's income is the result of voluntary giving. Over the years, especially with the focus on building the Easter Centre, we have seen faithful, sacrificial giving from a significant number of individuals. The majority give through the Parish Giving Scheme and make and renew pledges through our annual Gift Day process. The Finance & Stewardship Sub-Committee, ably supported by our Partnership Secretary, monitors the level of giving, the risk of being dependent on a small number of individuals, and undertakes cashflow planning to ensure we can meet our obligations for day to day expenditure as well as the schedule of loan repayments.

The PCC recognises the challenge of having a major multi-year debt burden which could impinge on the immediate mission-based opportunities which require funding. Demonstrating good stewardship alongside faith-stretching financial challenges and recognition of past generosity and blessings, ensures our plans and budget do not stifle the work we feel called to undertake now, while ensuring we can meet our long-term obligations. At 31 December 2025, the statement of financial position (balance sheet) shows net current assets of -£40,188 and long term liabilities of £565,908. Gifts and pledges promised at the 2025 Gift Day will cover the repayment of loans due in 2026 up to the Gift Day process.

Fund Accounting

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion, have set aside resources for a specific purpose. Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or the term of specific appeal. They remain wholly under the control of the PCC.

Incoming Resources

All incoming resources are recognised once the charity has entitlement to the resources, it is probable that the resources will be received, and the monetary value of incoming resources can be measured with sufficient reliability.

- All voluntary income from members of the charity are recognised as donations and are included in full, with associated Gift Aid receivable in the Statement of Financial Activities.
- Legacies and grants (where entitlement is not conditional on the delivery of specific performance by the charity) are recognised when the charity becomes unconditionally entitled to the grant.
- Income resources from charitable trading activities such as the letting of the building are accounted for when invoices are drawn up (as at the point of entitlement).
- Playbox nursery income represents the amounts receivable in respect of the provision of nursery facilities during the year.
- Donated services and facilities are included at the value to the charity where this can be quantified.
- Gifts in Kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.
- Volunteer time, the value of voluntary support for the work of the charity, is not included in the accounts but is described in the Trustees Annual Report.
- Investment income (dividends and interest) is included in the accounts when receivable. Realised gains or losses are recognised when investments are sold and unrealised gains or losses on revaluation of investments at the year-end are accounted for through the Statement of Financial Activities.
- Income from letting PCC properties is recognised when due. Gains from the revaluation of PCC properties, whether realised on disposal or unrealised on revaluation, are reported as Other Recognised Gains in the Freehold Property Fund.

Resources Expended

- Expenditure is accounted for on an accruals basis but excludes time or materials freely given by members.
- Grants are accounted for when awarded, if that award creates a binding or constructive obligation on the PCC.
- All costs are directly attributable to the different categories of expenditure and so no allocation or apportionment is made.

Governance Costs

Governance costs include costs associated with the independent examination of the financial statements, compliance with constitutional and statutory requirements and any other expenditure incurred on the strategic management of the charity. Governance costs are shown within 'Analysis of Expenditure' note.

Liability Recognition

Expenditure is recognised on an accrual basis as a liability is incurred. Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out the resources and the amount of the obligation can be measured with reasonable certainty.

Tangible Fixed Assets

Assets over the value of £2,500 are capitalised. Depreciation is provided on tangible fixed assets at rates calculated to write off the cost of an asset, less its estimated residual value, over the expected useful economic life of that asset, as follows:

- Freehold property: Consecrated and beneficed property is excluded from the financial statements in accordance with the Charities Act 2011. The Easter Centre has been built on land held in trust by the Diocese of Guildford on behalf of the PCC and is carried at cost including capitalised interest on loans taken out to fund construction costs in advance of donations received. Other freehold land and buildings held on behalf of the PCC are valued at cost or the PCC's estimate of market value in 2007 (if later). No depreciation is charged against freehold properties as their residual values are considered equal to or greater than their carrying value in the accounts.
- No value is placed on church inventory furnishings held by the churchwardens on trust for the PCC and which require a faculty for disposal.
- Office, computer and technical equipment: depreciated over 5 years on straight line basis.
- Furniture, fixtures and fittings: depreciated over 5 years on straight line basis.
- Plant & machinery: depreciated over 20 years on a straight line basis.
- Investments are stated at market value on the balance sheet.

Taxation

The charity is exempt from tax on its charitable activities.

Judgements and Key Sources of Estimation

The trustees do not consider that there are any material sources of estimation or uncertainty at the balance sheet date that could result in a material adjustment to the carrying values of assets and liabilities in the next reporting period.

In preparing financial statements certain judgements, estimates and assumptions have to be made that affect the amounts recognised in the financial statements. The trustees consider the following to be significant:

- The annual depreciation charge for property, plant and equipment is sensitive to changes in the estimates for useful economic life and residual value. These estimates are reassessed annually and, when necessary, adjusted to reflect current circumstances.
- The constructive obligation for grants payable is based on an assessment of the likely duration of the supported activity. This estimate is re-assessed annually and the obligation is adjusted to reflect current expectations.

Concessionary Loans

Interest free loans from church members towards the public benefit of the Easter Centre are accounted for as concessionary loans under FRS 102. Details are set out below: Creditors due after more than one year.

Additional Income Notes

We gratefully received grants this year totalling £74,573.

For gifts towards our General Fund we thank:

- The United Church of Egham
- CDN Consular Services Ltd
- The Audley Foundation
- Girdlers Trust
- Dewgard Window Company
- Chivers Cladding
- Martin & Co, estate agents
- Surrey County Council
- Egham Chamber of Commerce
- Diocese of Guildford
- Garfield Weston
- Heathrow Community Trust
- Egham United Charities

We gratefully received grants for our heat pump from

- Benefact Trust
- Archbishops Council
- Net Zero Carbon Fund, Church of England Environmental Programme

Playbox benefitted from a training grant from

- Hospitality Industry Training (HIT)

Additional Expenditure Notes

Playbox contributed £27,750 in 2025 to the running costs of the Easter Centre (prior year, £19,200).

Grants paid

Grants were made during the year to the following organisations (included in the Analysis of Expenditure note above).

Overseas mission	£	UK mission	£
Child Action Lanka	22,367	Christians Against Poverty	4,350
Kijabe Hospital	5,580	East to West	6,000
Latin Link: Flatmans	6,574	Faith Awareness in Children Trust	2,075
My Father's House	5,000	Diocesan collections	1,239
		Hardship Fund grants	7,158
		Choral scholars	1,295
		Young Life International	500
		Other charities	2,040
Total overseas grants	39,521	Total UK grants	24,657

In addition, collections were taken up or other gifts received for the following charities where the PCC was acting as agent for these recipients. Accordingly, these amounts did not form part of the income or expenditure of the PCC in these financial statements: Thank you gifts £3,598, Royal British Legion £389, Link to Hope £113, Compassion UK £84, Children in Need £23.

Notes - Other

Volunteers

The charity benefits greatly from the voluntary contributions of time and money. Please refer to the trustees' report for further detail about volunteer contributions in the organisation.

Auditors Fees

Fees payable to the auditor for independent examination were £11,970 (fee payable in prior year: £11,400).

Staff Costs

The total staff costs and employee benefits for the reporting period are analysed as follows:

Gross wages and salaries for all staff (including Playbox): £240,826.54, Employers NI costs £18,750.96, Employers Pension costs £9,507.39. (Prior year: Gross wages and salaries £241,919, Employers NI costs £4,172, Employers Pension costs £8,734.

The average number of employees during the year directly employed by the PCC was 6 (prior year was 8). The average number of employees during the year directly employed by Playbox was 12 (prior year 9).

No employees received salaries at a rate of more than £60,000 per annum.

The charity operates a defined contribution pension scheme. Contributions are charged to the Statement of Financial Activities as they become payable in accordance with the rules of the scheme.

Key Management Personnel

These staff costs exclude the Incumbent and Curate, who are employed by Guildford Diocese, paid for from the Parish Share and considered to be key management personnel overseeing the ministry of St John's that is resourced by the PCC.

Trustee Remuneration

During the year two trustees received remuneration. The remuneration paid during the year was for the employees' role within the charity and not for their role as a trustee. The total remuneration is as follows:

Veronica Cresswell, part-time Church Administrator £13,538. Mrs J Johnson, verger £150.

Trustee Expenses

Our Incumbent and Curate (who are employed by the Diocese and remunerated out of our Parish Share) were reimbursed expenses, as were some other PCC members, none of which related to their services as PCC members. All expenses were incurred for the day-to-day running of the charity's activities.

Trustee Donations

During the year the total aggregated donations made to the charity by the trustees was £86,609 (prior year £106,021). There were no conditions attached to the donations.

Transactions with Related Parties

Veronica Cresswell is on the PCC and is a church employee. Keith Malcouronne is a director of Acuity Professional Group Limited which is related to Acuity Professional Partnership LLP that administered the PCC and Playbox payrolls for fees of £1,008 including VAT and a partner in of BC Technologies LLP which provided IT support for a total cost of £1,950. Keith is also on the Guildford Diocesan Board of Finance, which receives the parish share of £138,220.

As at 31st December 2024	1,719	4,337	6,257,544	0	6,263,600

33 Grange Road was revalued by the Trustees to estimated market value at October 2007, its second such revaluation since inclusion in the accounts. It was bought in 1979 as curate housing at a cost of £31,950 and the Trustees are not aware of any impairment in value since the 2007 valuation.

The Endowment Fund of £83,847 is invested into the Easter Centre for continuing use in mission and ministry of St John's parish, in accordance with the bequest of Edward Budgen in 1954.

Following the transfer of land previously owned by the Vicar and Churchwardens to the PCC, on some of which the Easter Centre is built, the PCC now also owns the land on which the Caddey stands and the car park is laid. This was originally received at no cost from Runnymede Borough Council in exchange for some land adjoining the High Street where the war memorial is located.
