EMERGENCY SHELTER

The ongoing war in Afghanistan has been forcing people to leave the security of their homes and abandon their families. Upon their return from neighbouring countries Pakistan and Iran, they deserve a safe haven.

The UN Refugee Agency (UNHCR) estimates that over 1.5 million refugees have returned to Afghanistan from Pakistan and Iran since between 2023 - 24. This includes both voluntary and other returns.

Afghanistan is also facing other humanitarian crises, including economic instability, deteriorating human rights, and severe climate shocks.

After more than four decades of conflict and instability in Afghanistan, an estimated 23.7 million Afghan, over half of the population, including women and girls are in need of humanitarian and protection assistance. In January 2024, the number of Afghan refugees reported globally was 6.4 million, accounting for one of the largest protracted refugee situations in the world.

Aryana Aid emergency response teams are on the ground providing life-saving support to thousands of homeless refugees.

SPONSOR A WAR WIDOW

There are over 4.5 million Afghan widows affected by decades of war and political instability. These women face immense hardship, but you can help change their lives by providing critical support through housing, medical aid, and education.

The Plight of Afghan Widows

Widows in Afghanistan face a constant battle for survival. With limited job opportunities for women, many are forced to send their children to work or beg to support their families.

We at Aryana Aid, equip them with the tools they need to stand on their own. Through our Widow Sponsorship project, you can help them build a life of independence and dignity.

Your donation doesn't just provide short-term assistance; it offers the chance for these women to grow, learn, and succeed in the long run. Help break the cycle of poverty by donating to our Widow Sponsorship project. Every woman deserves the opportunity to raise her children with dignity, and your support makes this possible.

How Your Donation Helps Widows Build Independence?

Our beloved Prophet (pbuh) said: *"A giver of maintenance to the widows and the poor is like a giver in the way of Allah (swt), an utterer of prayers all night and fasting during the day"* (Bukhari).

Guided by this hadith, we focus on empowering widows to live with dignity and purpose. By giving Sadaqah Jariyah, you can sponsor a widow and provide her with the tools to rebuild her life. Here's how your support makes a difference:

- **Housing:** Safe, stable homes for widows and their children
- **Healthcare:** Access to medical care and mental health support.
- **Education & Training:** Skills and education that help them become financially independent.

Sponsor a widow today and become part of a transformative movement that uplifts entire communities. Every donation makes a measurable difference by providing education, healthcare, and economic opportunities for Afghan widows.

- **Real Impact:** Sponsoring a widow gives her access to essential services, helping her become self-sufficient and capable of supporting her children.
- **Ongoing Benefits:** Your contribution is a form of Sadaqah Jariyah, offering continuous rewards as widows thrive and positively impact their communities.

Water and Sanitation

Water is a gift that not only benefits others in this life, but also benefits us and our loved ones in the next. (Hadith of the Prophet (PBUH) narrated by Muslim) "When a person dies, their entire deeds end except three, a continuing charity, beneficial knowledge and a child who prays for them".

The price pay by poor communities with no access to clean water is huge, wasted income; lost time and ill - health all have a devastating impact on families. Children in particular suffer, with water-borne diseases being one of the biggest killers. Tackling the shortages of clean water across the rural parts of Afghanistan remains a big challenge.

Nevertheless, Aryana Aid remains committed to it, drilling and installing water well systems, would help th poor communities for years to come.

The accessible for water through Aryana Aid water supply project will improve thousands of lives, bringing convenience, safety and privacy for hundreds of communities with long-term benefits.

A gift of lasting opportunity

We build and install affordable water systems and serve everyone, from small villages to large communities.

Abdul Hanan's Story

Abdul Hanan 14 years old was forced to travel miles and miles away only to bring a bucket of clean drinking water for his family in Qara bagh district of Kabul, Afghanistan.

He says the nearest water source used to his house was to be 7 kilometres away where the animals also quenched their thirst. Abdul Hanan had to repeat his journey to this water source 2 -3 times a day, that he sometimes had to miss his school too.

He was very tired of travelling to collect clean drinking water. Aryana Aid team surveyed their village and built a community well for them. He says thank you Aryana Aid and its donors who made thier lives easy and accessible to clean drinking water

LONG TERM SUPPORT FOR WIDOWS

The Messenger of Allah (PUBH) said: "Whoever relieves a hardship for a believer in this world, Allah will relieve one of his hardships on the Day of Resurrection.

Four decades of conflict in Afghanistan have left behind over 2.5 million widowed. They were left displaced, illiterate, and facing severe PTSD (post-traumatic stress disorder) from living in a war zone.

Our Long-Term Impact

Aryana Aid has been assisting many widows and their families since 2009, transforming their lives to a better future. We've supported tens of widows each year by providing food packs (ration), secure housing, and emotional support.

Why sponsor a widow family?

Sponsoring a widow family is considered a way to fulfill a duty to help the vulnerable and to share the blessings of wealth with those in need. It is also seen as a way to uphold the values of the holy Prophet Muhammad (PBUH) and to transform lives in the spirit of Islam.

In the same way, the reward for those who offer assistance to widows and the needy is equal to someone who struggles for the sake of Allah (Swt) Himself. In addition to this, they also benefit from the same rewards that are reaped by someone who fasts and prays all night continuously.

Jamila's Story

She is 39 years old, lost her husband in war. She was a teacher in one of the school in Ghazni Afghanistan when the Taliban took over the power she lost her job, where she could make an earning for her family.

She has four children 1 Boy and 3 Girls, her economical condition was very poor, she was struggling to survive, she was informed by a relative about Aryana Aid monthly food Pack distribution program and approached our local office, she was assessed and enrolled into Aryana Aid monthly ration program where she gets every month household needs. She is happy and thankful to Aryana Aid and its donors.

Wheelchair Distribution Program Help Disabled Children Gain Independence

After four decades of conflict in Afghanistan left behind an estimated **280,000 children with disabilities** without access to the tools, they need for a full life. Many of these children are confined to their homes, unable to play, go to school, or simply be part of their communities. Your support can give them the freedom and dignity they deserve.

Your Donation Brings Hope and Opportunity

For these children, a wheelchair is a life-changing gift, providing the chance to attend school, make friends, and contribute to their communities. Supporting orphans in this way is a beautiful means of honouring the teachings of our Prophet (pbuh), bringing both dignity and opportunity to those in need. With a donation of **£120**, you can sponsor a wheelchair, offering a child independence and hope for the future.

Creating Sustainable Change

Your gift of **£120** doesn't just buy a wheelchair, it builds a support system. Each chair is carefully fitted to the child's needs, providing safe, reliable mobility. Local staff are trained to ensure these wheelchairs serve children for years, preventing further injuries and empowering them to grow with confidence.

Our Progress So Far and the Road Ahead

With generous donations, Aryana Aid has already provided hundreds of wheelchairs to disabled Afghan children, helping them experience a new level of independence. But thousands more children are still waiting for this opportunity.

Did you know?

- Today, nearly **75% of disabled children in Afghanistan** still lack access to basic healthcare and mobility aids.
- Those who do have access face long waiting times and limited resources, which can delay critical treatments and services.

Our vision is to provide every disabled child in Afghanistan with the chance to build a fulfilling life through mobility and education. Together, we can give them hope and opportunity.

Share the Joy of Ramadan

Whoever feeds a person breaking his fast will earn the same reward as him, without anything being lessened from the reward of the fasting person'. (Tirmidhi)

Ramadan is a time when Muslims focus their energy on their relationship with Allah (Swt), through intensive worship, and abstinence from food and water during the daytime. Ramadan is a gift, a month when Allah (SWT) showers His mercy and blessings upon us and multiplies our rewards

Give your Zakat: Zakat is the right of the poor. This Ramadan, displaced refugees, vulnerable Afghans, as well as war widows and their orphans struggling to survive extreme poverty. We cannot begin to imagine what they are going through, but we can help alleviate their suffering

Give Safe Drinking Water: Too many families in Afghanistan have no access to a clean water source and have to travel far to fetch water for drinking and ablution. This Ramadan, you can help ease their suffering by donating towards building wells and hand pumps. Building a water source is Sadaqah Jariyah, allowing you to reap the rewards of your charity for as long as people benefit from it.

Sponsor an Orphan:

Millions of Afghan orphans survive through begging or doing menial jobs. Through orphan sponsorship, you can ensure a child is fed, sheltered, educated and given medical assistance. You can also give a disabled child mobility and a chance at a norm childhood by donating a wheelchair.

Pay Fidyah and Kaffarah

We accept Fidyah and Kaffarah payments and use the to feed families living in extreme poverty. So, what are Fidyah and Kaffarah?

Fasting is compulsory during Ramadan. Muslims who fail to keep the Ramadan fast have to pay compensat in the form of either Fidyah or Kaffarah.

Your Zakat, A Lifeline For The Poor

what is zakat?

Zakat is one of the five pillars of Islam, and the literal meaning of Zakat is „to cleanse’ or „purification.’ In the Islamic faith, Zakat means purifying your wealth for the will of Allah; to acknowledge that everything we own belongs to Allah. According to Islamic regulations, Zakat is 2.5% of one year’s total cumulative wealth. This amount is then distributed to the poor. Prophet Mohammad (PBUH) has said, “Whoever pays the zakat on his wealth will have its evil removed from him.”

Your Zakat eligible donation delivers life-saving aid to internally displaced people in Afghanistan, facing starvation and dehydration.

The Messenger of Allah (PUBH) said: "Whoever relieves a hardship for a believer in this world, Allah will relieve one of his hardships on the Day of Resurrection."

100% of your Zakat goes directly to the most vulnerable families, without deducting any administrative fees.

Give your Zakat today and share your generous gift with families in need

Winter Appeal

Afghanistan 's Killer Winter

How cold are the winters in Afghanistan? Winters in Afghanistan can be extremely harsh, with temperatures dropping to -25°C , sometimes even lower, for months at a time. The season brings heavy snowfall, though this can vary depending on location and altitude.

Humanitarian needs: An estimated 23.7 million people in Afghanistan need humanitarian assistance, which is more than half of the country's population.

However, with the coming of winter, we would like to say through the "**Warm Love for the Cold Victims**" program that winter embodies harshness, bitterness, and sadness. Nature sheds all its veils and takes on a godless form due to winter.

Afghan People shivered in the cold air. Winter brings a message of great hardship to them; they can not withstand the severity of winter. The suffering of the helpless and the poor is increasing day by day. Those who live under the open sky, on footpaths try to survive in the winter with the help of the sun's rays. Many try to prevent winter by burning straws and branches. During this time they live a very inhuman life.

We provide following goods to Afghan IDPS returning refugees and the local Communities.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of Certified Public Accountants Association.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
