

Trustees' Annual Report for the period

From 01 April 2024 To date 31 March 2025

Charity name: Aryana Aid

Charity registration number: 1130232

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>The purposes of Aryana Aid are to relieve poverty, hardship, and suffering and to advance humanitarian relief for disadvantaged individuals and communities. The charity's work focuses in particular on people affected by conflict, displacement, natural disasters, and extreme poverty, through the provision of aid, support, and essential services designed to improve living conditions and protect life and dignity.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>During the year, Aryana Aid carried out charitable activities aimed at relieving poverty and advancing humanitarian relief for the public benefit. The charity delivered aid through a range of programmes including orphan sponsorship, support for widows and vulnerable families, food distribution, clean water and sanitation projects, medical assistance, emergency relief responses, and mobility support for disabled children.</p> <p>The charity also distributed Zakat and other restricted donations in accordance with donor intent and Islamic principles, ensuring that funds were applied directly to eligible beneficiaries. These activities provided immediate relief from poverty and hardship, addressed basic needs such as food, healthcare, and clean water, and contributed to improving the safety, wellbeing, and living conditions of disadvantaged individuals and communities.</p>

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees confirm that, in carrying out and reviewing the charity's activities during the year, they have had due regard to the Charity Commission's guidance on public benefit. The trustees are satisfied that the charity's purposes are charitable and that its activities are carried out for the public benefit, providing clear and identifiable benefit to the public in accordance with that guidance.

	SORP reference	
Policy on grant making	Para 1.38	The charity does not operate a grant-making programme. The majority of the charity's activities are carried out directly through its own humanitarian projects and the delivery of aid to beneficiaries. Where funds are applied overseas, this is done through the charity's own operations or through trusted local partners acting on the charity's behalf.
Policy on social investment including program related investment	Para 1.38	The charity did not undertake any social investment or programme-related investment during the year. The trustees keep this under review but currently focus on the direct application of funds to charitable activities.
Contribution made by volunteers	Para 1.38	The charity benefited from the contribution of volunteers who supported fundraising activities, administration, and the delivery of charitable programmes. The trustees acknowledge and value the time and skills contributed by volunteers, which assisted the charity in maximising the impact of its resources.
Other		The trustees remain committed to maintaining strong governance, financial controls, and oversight of overseas activities to ensure that charitable funds are applied effectively and in accordance with donor intent.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>During the year, Aryana Aid delivered humanitarian assistance that provided direct relief to individuals and families affected by poverty, conflict, and displacement. The charity supported beneficiaries through food distribution, medical assistance, clean water and sanitation projects, emergency relief, and targeted support for orphans, widows, and disabled children. These activities helped to address immediate needs, improve wellbeing, and protect dignity among vulnerable populations. The trustees are satisfied that the charity's work during the year was effective in furthering its charitable purposes and delivering clear public benefit in accordance with Charity Commission guidance.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>At 31 March 2025, Aryana Aid was in a sound financial position. Total income for the year was £421,485 and total expenditure was £325,971, resulting in a surplus for the year. Unrestricted funds at the year end amounted to £157,199. The trustees consider the charity's financial position to be satisfactory and sufficient to support ongoing and planned charitable activities.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The trustees have adopted a formal Financial Reserves Policy to ensure the charity maintains sufficient unrestricted reserves to support financial stability and the uninterrupted delivery of its humanitarian activities. Reserves are held to manage short-term income fluctuations, meet unforeseen expenditure, and respond to emergencies, while avoiding the accumulation of excessive funds that could otherwise be applied directly to charitable purposes.</p>

		The policy applies to unrestricted funds only and excludes restricted and designated funds. The trustees aim to maintain free reserves equivalent to approximately three to six months of essential operational expenditure, with the precise target reviewed annually based on operational needs and risk assessment. The reserves policy is monitored regularly and reviewed periodically by the trustees in line with Charity Commission guidance on reserves.
Amount of reserves held	Para 1.22	At 31 March 2025, unrestricted reserves amounted to £157,199, which the trustees consider appropriate in light of planned programme expenditure, operational commitments, and the charity's risk profile.
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23

MESSAGE FROM THE CHAIR

Our widow sponsorship and food pack distribution programs have made a significant difference in the communities.

Assalamu Alaikum wa Rahmatullahi wa Barakatuh

"Peace, mercy, and blessings of Allah be upon you."

On behalf of Aryana Aid, I extend my heartfelt gratitude for your generous support and unwavering trust in our mission.

Your contributions last year played a vital role in enabling us to continue our humanitarian work and bring relief to those most in need. It is through the kindness and compassion of donors like you that our organisation remains able to serve communities with dignity and purpose.

Alhamdulillah, as we present **Aryana Aid's Annual Report 2025**, with marking a significant milestone of **16 years of serving humanity**. Throughout this journey, your donations have empowered countless individuals and families, uplifted vulnerable communities, and enhanced our capacity to respond effectively to hardship wherever it occurs.

Our ongoing theme, **"You Give, We Serve,"** reflects the foundation of our works. The extent of our impact is determined by the support we receive, and your generosity has directly translated into hope, nourishment, and stability for the impoverished and deserving individuals we serve.

We sincerely thank every one of you who made this journey possible. May Allah (tabāraka wa ta'āla) accept your charity, bless your livelihood, and place your contributions upon the scale of your good deeds on the Day of Judgment. **Ameen.**

With gratitude and prayers

Orphans Sponsorship

Giving Every Child Hope for a Brighter Tomorrow

For the past **16 years**, Aryana Aid has been dedicated to supporting orphans, providing access to education, healthcare, and a safe environment where they can grow and thrive. Over this time, hundreds of orphaned children have benefited from our programs, gaining the tools and opportunities they need to build a brighter future.

The Prophet Muhammad (PBUH) said: "Whoever supports an orphan and alleviates their hardship, Allah will protect them in this world and the Hereafter." (Sahih Muslim)

Through our orphan sponsorship program, donors play a vital role in transforming the lives of these children. Sponsorship ensures that each child receives personalized support, including schooling, basic necessities, and a nurturing environment. We maintain close communication with caregivers, to address the often complex and evolving needs of each child. By partnering with generous donors, we continue to create opportunities for education, personal growth, and hope, helping Afghan orphans build a brighter future.

Your support can change a life. By sponsoring an orphan, you not only provide education and care but also instill hope and dignity for a child who has faced tremendous hardships. Together, we can continue our 16-year legacy of empowering orphans and giving them the chance to thrive.

Sponsor an orphan today and be a part of their journey toward a brighter tomorrow.

Amir's Story

From Heartbreak to Hope

At just eight years old, Amir from Kabul, Afghanistan carried the silent scars of war. He lost his parents in a bomb blast when he was four left with only fragments of their embrace and the scent of his mother's bread.

Alone and surviving on the streets, hope felt impossibly far away, until one cold morning, a man from Aryana Aid found him shivering beside a market stall and offered what he needed most: safety, warmth, and a future.

Aryana Aid brought Amir into their shelter and enrolled him in their orphan sponsorship education program. For the first time, he held a pencil, opened a book, and felt the spark of possibility. with counselling, consistent care, and the unwavering support of teachers, Amir began to heal. He excelled in school and discovered a dream to become an Engineer and help rebuild his country.

Most importantly, he found a family, a community bound by hope instead of loss.

Today, Amir's journey stands as a powerful reminder, compassion can rebuild what war destroys, and education can transform a life. Because of Aryana Aid, a child once surrounded by rubble now walks toward a future filled with promise.

Emergency Shelter

A Haven Of Safety And Dignity

Decades of conflict have displaced countless Afghan families, many of whom have been forced to flee in search of safety. As large numbers return from Pakistan and Iran, they face profound uncertainty and an urgent need for secure, dignified shelter and support.

The UN Refugee Agency (UNHCR) and other UN bodies report that in 2025, more than 2.4 million Afghans have returned to Afghanistan from neighbouring countries, including Iran and Pakistan, driven by deportations, coercive policies, and deteriorating conditions abroad. Of these, over 1.6 million returned from Iran and hundreds of thousands from Pakistan, overwhelming already strained communities and services inside the country.

At the same time, Afghanistan continues to grapple with intersecting humanitarian crises: economic instability, restricted human rights, and severe climate shocks all compounding the needs of returnees and vulnerable populations.

After more than four decades of instability, humanitarian needs in Afghanistan remain extremely high. In 2025, an estimated **22.9 million** people more than half the population require urgent humanitarian and protection assistance, including **12 million** children facing severe hunger, malnutrition, and lack of basic services.

Globally, the number of Afghan refugees has shifted as many returns home and approximately **5.8 million Afghans** are recorded as refugees worldwide, reflecting ongoing returns from neighbouring Iran and Pakistan and making this situation one of the most protracted displacement crises in history.

Aryana Aid's emergency teams continue to operate on the frontlines, delivering essential shelter and humanitarian support to thousands of displaced and vulnerable families.

EMPOWERING COMMUNITIES, TRANSFORMING LIVES

Widow Empowerment and Development Programme

Afghanistan's prolonged conflict and political instability have left lasting social and economic impacts on vulnerable populations, particularly widows. Current estimates indicate that more than 4.5 million Afghan women have been widowed, many of whom have become the sole providers for their families under extremely challenging circumstances. These women often navigate life with limited educational opportunities, restricted mobility, and minimal access to income-generating activities.

Widow Skills Training Programme

Afghanistan's ongoing socio-economic instability has heavily affected vulnerable populations, especially widowed women who carry the responsibility of supporting their families without adequate financial or social support. Many widows face severe barriers to employment, education, and community participation.

In response to these challenges, **Aryana Aid** established the **Widow Skill Development Programme** to provide widowed women with market-relevant skills, livelihood opportunities, and the necessary support systems to achieve long-term economic independence.

The programme strengthens resilience, enhances dignity, and contributes to sustainable community development.

Programme Components

Vocational and Skills Training

As part of its **Widow Support Programme**, Aryana Aid delivers structured training in skills that are aligned with local market needs and suitable for home-based or small-scale businesses.

Training combines theoretical instruction with hands-on practice to ensure practical readiness.

Through this programme, Aryana Aid remains committed to breaking the cycle of poverty and fostering dignified, **sustainable livelihoods** for **widowed women across Afghanistan**.

Training areas may include:

- Tailoring and garment production
- Embroidery, weaving, and other artisan crafts
- Textile and handcraft work
- Small-scale food production
- Basic home-based business management

Mariam's Journey to Financial Independence

Mariam is 35 from Ghazni Afghanistan, lost her husband in war and was left to care for her three children alone. Without formal education or vocational skills, she struggled to earn enough to provide food and shelter for her family. Mariam relied on occasional work as a domestic helper, which was unpredictable and insufficient.

Upon joining **Aryana Aid's Widow Skill Development Programme**, Mariam enrolled in courses on embroidery and handicraft production. Alongside practical training, she received mentorship and access to small starter kits to launch her own work.

Within a year, Mariam had established a small home-based handicraft business, producing embroidered items for local markets. Her income now supports her household consistently, and she is able to send her children to school regularly. Mariam's story reflects the transformative impact of skills training and empowerment programs on widows' economic stability.

A contribution of **£420** covers a full year of training in skills such as tailoring, embroidery, and basic business management, giving widows the opportunity to build a sustainable future for themselves and their families.

Solar Panel Distribution

Expanding Access to Sustainable Energy

The charity's Solar Panel Distribution Program provides solar panels to **needy households, community centres, and mosques**, enhancing access to reliable and sustainable energy in underserved areas. Many beneficiaries previously relied on limited or unsafe energy sources, which restricted daily activities, study, and small-scale income generating opportunities.

Objectives and Impact

The program aims to improve quality of life, reduce energy poverty, and promote environmental sustainability. Solar panels provide households and community spaces with consistent electricity for lighting, cooking, and powering essential devices, contributing to better health, education, and economic outcomes.

Community Benefits

- **Education:** Reliable lighting allows children to study safely after dark.
- **Health and Safety:** Access to clean, renewable energy reduces reliance on kerosene lamps and other unsafe energy sources.
- **Economic Empowerment:** Electricity enables small home-based enterprises, supporting additional income opportunities.

Progress and Future Plans

With the support of donors, the program has successfully delivered solar panels to many households, community centers, and mosques, improving energy access and quality of life. The charity remains committed to expanding this initiative to reach more communities in the coming year.

How You Can Help ?

You can provide a **complete solar energy setup**, including panels, storage batteries, and essential equipment, for a household, community centre, or mosque, transforming lives through sustainable energy access.

Water and Sanitation Project

A Sustainable Gift for Communities

Access to clean water is not only a basic human necessity but also a source of lasting benefit for communities.

Generosity in Water:

"Whoever gives water to a thirsty person, Allah will give them a reward in Paradise." (Sunan Ibn Majah)

Water projects represent one of the most enduring forms of charitable impact, providing benefits that extend far beyond the immediate moment.

In many rural areas of Afghanistan, the absence of safe and reliable water sources has severe consequences. Families face lost income, wasted time, and increased vulnerability to disease. Children, in particular, are disproportionately affected, with water-borne illnesses contributing significantly to preventable morbidity and mortality.

Aryana Aid is committed to addressing this critical challenge.

Through its **Water and Sanitation Program**, the organisation drills and installs sustainable water well systems and delivery infrastructure that serve communities for years to come. These projects ensure that thousands of people gain safe, reliable, and accessible water, improving health outcomes, convenience, and overall quality of life.

The programme provides:

- **Safe and Affordable Water Systems:** Designed for both small villages and larger communities, ensuring wide accessibility.
- **Long-Term Community Benefits:** Reliable water sources reduce time spent collecting water, allowing children to attend school and adults to engage in productive activities.
- **Health and Hygiene Improvements:** Reducing the prevalence of water-borne diseases through clean, safe water access.
- **Sustainability and Maintenance Support:** Aryana Aid ensures that water systems remain operational through training local communities in upkeep and management.

Through this initiative, Aryana Aid not only transforms daily life but also contributes to the long-term resilience and well-being of the communities, making water a true gift that keeps giving.

Jabar Khail's Village Transformed

Jabar Khail, a father of four in Bamyan province, remembers the daily struggle of fetching water from distant wells shared with animals. The lack of clean water often caused illness among his children, and the long trips consumed most of his day, leaving little time for work to support his family.

Through Aryana Aid's Water and Sanitation Program, a community well and safe water points were installed in his village. Jabar Khail now has direct access to safe drinking water, which has significantly reduced sickness among his children. He can dedicate more time to earning an income and caring for his family. Jabar Khail describes the project as a **"lifeline for our village,"** emphasizing the vital importance of sustainable water access.

Empower a Widow, Change a Life

Caring for Widows and Orphans:

Sponsor a widow's family today provide food, shelter, and education and earn rewards that continue as **Sadaqah Jariyah**.

Afghanistan has faced over four decades of conflict, leaving millions of families devastated. Today, an estimated **4.5 million** Afghan women are widowed, many confronting extreme vulnerability, displacement, illiteracy, and psychological trauma. These women often struggle to provide for their families and rebuild their lives amid significant social and economic challenges.

The Prophet (ﷺ) said:

"The one who strives to support a widow and the poor is like the one who strives in the cause of Allah, or like the one who fasts all day and prays all night" Sahih al-Bukhari (6007), Sahih Muslim (2982)

Enduring Social Impact

For the past 16 years, Aryana Aid has been dedicated to supporting widows and their families across Afghanistan and Pakistan. As part of its holistic approach, the organisation provides sustainable assistance, including **monthly food ration packs**, addressing both immediate needs and long-term empowerment to help women rebuild their lives and achieve resilience.

Key initiatives include:

- **Provision of Essential Needs:** Regular food packs, clean water, and access to healthcare for widows and their families.
- **Safe and Secure Housing:** Ensuring widows have a stable home environment to raise their children safely.
- **Skills Development and Vocational Training:** Offering tailored training in tailoring, embroidery, handicrafts, and home-based business skills to help widows generate income.
- **Psychosocial Support:** Emotional counselling, peer support networks, and community engagement to address trauma and isolation.

Through these interventions, we have assisted **Hundreds of widows over the years**, helping them regain independence, dignity, and the ability to provide for their children.

The Importance of Sponsoring a Widow Family

Supporting a widow family is a meaningful way to uplift vulnerable members of society. By providing financial, emotional, and vocational assistance, donors help widows regain stability, dignity, and the ability to care for their children. In Islam, assisting widows is a noble act and a form of continuous charity (Sadaqah Jariyah), offering lasting spiritual rewards.

Your support provides essential aid, upholds the teachings of the Prophet Muhammad (PBUH), and empowers widows and their families.

Hadia 's Journey to Stability

Hadia is 42 years old widow from Herat, Afghanistan became the sole caregiver for her three children after losing her husband to cancer. Struggling to survive, she was often forced to beg on the streets to provide for her family.

Aryana Aid enrolled Hadia in the **Widow Family Sponsorship Programme**, providing monthly household rations, including food, hygiene items, and essential supplies. With this support, she can now provide regular meals, send her children to school, and rebuild stability and hope for her family.

Wheelchair Project

Improving Mobility and Inclusion for Children with Disabilities

Decades of conflict in Afghanistan have resulted in a significant number of children living with long-term disabilities. Many of these children face severe barriers to mobility, education, and social participation due to the lack of appropriate assistive equipment. Without access to mobility aids, children are often confined to their homes and excluded from school and community life.

Aryana Aid Wheelchair Project aims to address these challenges by providing disabled children with safe, appropriate wheelchairs, enabling greater independence and improved quality of life.

Project Objectives and Impact

The provision of a wheelchair can have a transformative effect on a child's daily life. Access to mobility support allows children to move independently, attend school, and engage more fully with their families and communities. For orphaned and vulnerable children, this support is particularly critical in restoring dignity and reducing isolation.

Each wheelchair provided through the project is carefully selected and fitted to meet the individual needs of the child, ensuring comfort, safety, and long-term usability. This approach helps to prevent secondary health issues and supports children as they grow.

Sustainability and Local Capacity

The project prioritises sustainability by working with trained local staff to ensure wheelchairs are appropriately fitted and maintained. This approach helps maximise the lifespan of the equipment and ensures ongoing support for beneficiary families.

Progress and Ongoing Need.

During the reporting period, the charity continued to distribute wheelchairs to disabled children across Afghanistan, supporting increased mobility and social inclusion. While significant progress has been made, demand for mobility aids remains high, and many children are still waiting for support.

Gul Bibi's Story

Gul Bibi is a young girl from Kabul, Afghanistan, living with a physical disability that has significantly restricted her mobility since early childhood. Due to her condition, she has been unable to walk independently and has relied heavily on her family for movement, even within her own home.

Gul Bibi's family faces severe economic challenges and lacked the financial means to access specialised medical or mobility equipment. As a result, Gul Bibi spent much of her time indoors, isolated from her peers and unable to attend school or participate in community activities. This limited mobility affected not only her physical wellbeing but also her emotional confidence and sense of dignity.

During a community needs assessment, **Aryana Aid** identified Gul Bibi as a priority case requiring urgent mobility support.

Recognising that independence and freedom of movement are fundamental to a child's wellbeing, Aryana Aid provided a **wheelchair tailored to Gul Bibi's physical needs**.

The wheelchair was delivered directly to the family, along with practical guidance on its safe and effective use, ensuring long-term benefit and sustainability of the support.

Ramadan 2025

Bringing Communities Together

Charity during Ramadan:

"The best charity is that given in Ramadan."

(Sunan al-Tirmidhi)

Ramadan Giving Opportunities

During Ramadan, giving to those in need such as widows, orphans, and vulnerable families are especially virtuous. By supporting others in this blessed month, donors can share Allah's mercy, earn multiplied rewards, and help transform lives in accordance with the spirit of compassion and generosity that Ramadan embodies.

Zakat Distribution

Zakat funds are distributed in accordance with Islamic principles to eligible beneficiaries, including displaced families, widows, orphans, and households living in extreme poverty. Assistance helped meet essential needs such as food, shelter, and basic household necessities. This Ramadan, your Zakat can play a meaningful role in alleviating their suffering and restoring dignity.

Provide Safe Drinking Water (Sadaqah Jariyah)

Many families in Afghanistan lack access to safe and reliable water sources and must travel long distances to collect water for drinking and ablution. This Ramadan, you can help ease this hardship by contributing towards the construction of wells and hand pumps. Providing access to clean water is a form of Sadaqah Jariyah, offering ongoing reward for as long as the water source continues to benefit communities.

Support Orphan

Funds raised during Ramadan enabled the charity to provide ongoing support to orphaned children, including access to food, education, healthcare, and essential living support. Additional assistance was provided to children with disabilities through the provision of mobility aids where required. Your generosity can also support children with disabilities by providing wheelchairs, giving them the opportunity for a safer and more dignified childhood.

Fidyah and Kaffarah

Fidyah and Kaffarah contributions are used to provide food assistance to families living in extreme poverty, ensuring compliance with Islamic requirements and charitable best practice. Overall, the Ramadan Appeal made a meaningful contribution to the charity's objectives by enabling timely, needs-based assistance and supporting some of the most vulnerable individuals and families within the communities served.

Zakat Project (Restricted Funds)

Your Zakat: Supporting Those Most in Need

Zakat donations received during the reporting period are treated as restricted funds and are managed in accordance with Islamic principles and the Charity Commission's guidance on restricted funds. The Trustees recognise their responsibility to ensure that Zakat funds are applied solely for the purposes for which they are given and only to beneficiaries who are eligible to receive Zakat.

Understanding Zakat

Zakat is one of the five pillars of Islam and serves as a means of purifying wealth. It represents an acknowledgement that all wealth ultimately belongs to Allah. In accordance with Islamic guidance, Zakat is calculated at 2.5% of qualifying wealth held over one lunar year and is distributed to those who meet the eligibility criteria.

The Prophet Muhammad (peace be upon him) said: "Whoever pays the Zakat on his wealth will have its harm removed from him."

Our Commitment to Zakat Distribution

The charity operates a strict **100% Zakat Policy**, under which all Zakat donations are allocated exclusively to Zakat-eligible beneficiaries in accordance with Islamic principles. Zakat funds are used solely to support families in need and are not applied towards administrative, fundraising, or operational costs.

Governance and Oversight

The Trustees have established robust procedures to ensure that Zakat funds are clearly identified, accurately recorded, and reported separately within the charity's accounts. Appropriate monitoring and reporting mechanisms are in place to provide assurance that restricted funds are applied correctly and in line with both regulatory requirements and Islamic guidance.

The Zakat Project made a significant contribution to the charity's humanitarian activities during the year, enabling the delivery of essential, life-sustaining assistance to some of the most vulnerable individuals and families supported by the organisation.

Your Zakat. Their Right. Our Responsibility.

Winter Appeal

The Harsh Reality

Afghanistan faces one of the world's most severe winters. Temperatures in mountainous regions can drop below - 33°C, with heavy snowfall cutting off access to food, healthcare, and basic necessities. In recent years, harsh winters have claimed dozens of lives and left tens of thousands of families struggling to survive.

The Human Impact

- During the winter of **2025**, at least **78 people** died due to freezing conditions.
- Millions of Afghan families live in damaged shelters, exposed to the harsh cold.
- Winter threatens not only lives but livelihoods: **tens of thousands of livestock** a critical source of food and income perish due to freezing temperatures and lack of fodder.

Urgent Need for Winter Aid

Over **14 million** people are projected to face food insecurity during the winter months, with many families unable to afford sufficient heating, warm clothing, or nutritious meals.

Without timely support, the winter months can be deadly.

Aid agencies estimate that over 1 million people urgently need “**winterization support**”, including:

- Warm blankets, food and clothing
- Fuel or safe heating sources
- Shelter and winter-proof tents
- Nutritious food and basic household essentials

How You Can Help

Your contribution to this year's Winter Appeal can **save lives, protect families, and reduce suffering** during Afghanistan's brutal winter. Every donation provides warmth, nourishment, and hope to those who would otherwise face life-threatening cold.

Together, we can bring light to the darkest, coldest months.

Qurbani 2025

Spreading Joy Through Sacrifice

Celebrating 16 Years of Delivering Fresh Qurbani Meat to Those in Need

What is Qurbani ?

Qurbani is the beautiful tradition of sacrificing an animal in the spirit of devotion, following the example of **Prophet Ibrahim (AS)**. The **Prophet Muhammad (ﷺ)** said: "It is the Sunnah of your father Ibrahim (AS). For every hair of the Qurbani, you earn a reward from Allah (swt)." (Tirmidhi)

Every year, Muslims come together to share the blessings, ensuring fresh meat reaches those who need it most. Your Qurbani can bring joy, nourishment, and hope to families who may only enjoy meat once a year.

How It Works:

One Share, One Qurbani:

Prices are available for a single share or an entire animal.

Sharing is Caring: A full cow can be divided into seven shares, allowing seven people to contribute collectively and share the blessings of Qurbani meat.

Last Year, Your Contributions helped us, Provided Fresh Meat to 5,800 Families.

Make your Qurbani unforgettable this year Join us in spreading joy this Eid!
Early booking helps us secure healthy animals and ensure every share of meat reaches those in need.

Maximise Your Impact with Gift Aid!

Did you know you can increase the value of your donation by 25% at no extra cost to you? Gift Aid is a government scheme that allows us to claim an additional 25p for every £1 you give.

Once we receive your donation, we reclaim the tax you have already paid from HMRC, boosting the impact of your generosity.

We operate a **100% Donation Policy**: every penny of donations goes directly to charitable purposes. Donations are held in our dedicated charity account:

Barclays - Aryana Aid (Projects Fund Account)

Sort Code: 20-29-77

Account No: 90526584

No donations are used for administrative costs. However, to run the charity effectively covering utilities, rent, accounting, legal fees, and fundraising expenses we maintain a separate administration account:

Barclays - Aryana Aid (Administrative Account)

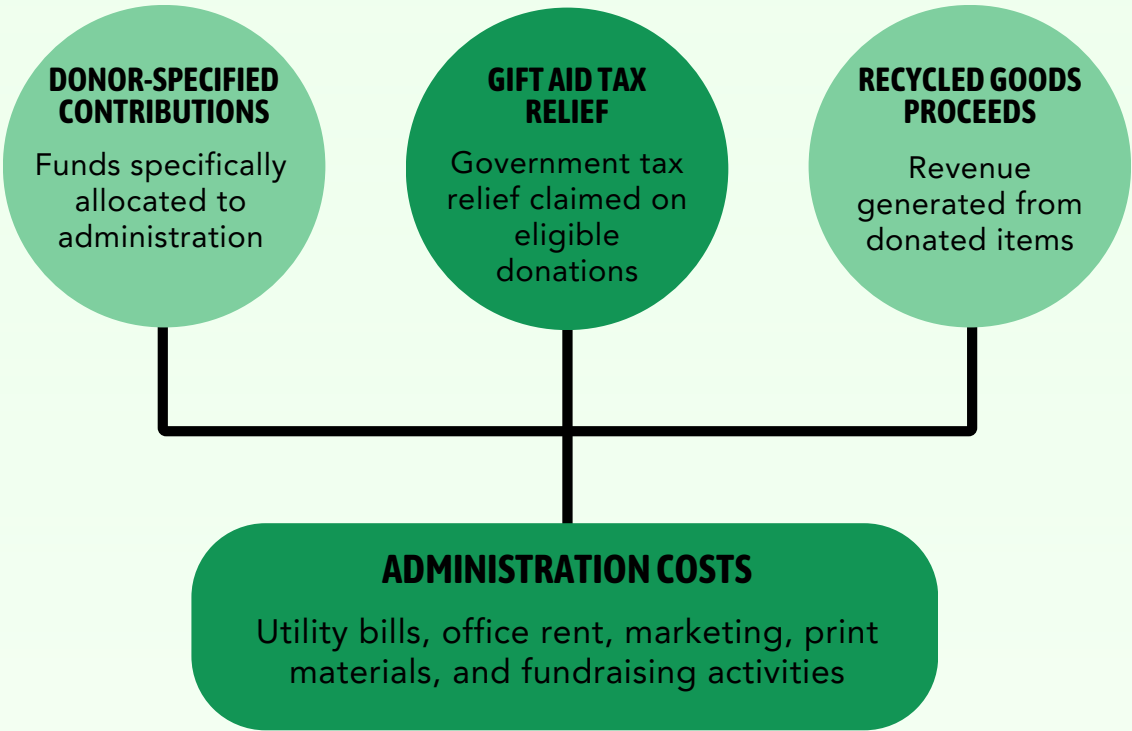

Sort Code: 20-29-81

Account No: 63144690

This structure ensures transparency and accountability while keeping your donations fully dedicated to projects.

As a responsible and accountable organisation, we are committed to:

- Maintaining the highest standards of transparency and accountability to our donors.
- Delivering all projects within the established timelines, wherever practicable.
- Providing timely, comprehensive updates on the progress of our initiatives.
- Ensuring that every donation designated for a specific project is used exclusively for its intended purpose, maximising impact and trust.

Please disclose:

(i) the nature of the prior period error;	During the preparation of the current year's accounts, the trustees identified that the prior year-end cash at bank balance had been overstated due to errors in the recording and reconciliation of year-end bank balances. In addition, a debtor balance and a fixed asset included in the prior year's accounts were reviewed in the current year and determined not to be valid. These items were written off through the current year's Statement of Financial Activities and did not form part of the opening funds correction.
(ii) for each prior period presented in the accounts, the amount of the correction for each account line item affected; and	An adjustment of £9,542.99 was required to correct the opening funds, arising solely from an overstatement of the cash at bank balance at the prior year end. The correction related specifically to: Cash at bank: previously reported as £67,998, corrected to £58,455.01 No other balances were adjusted through opening funds.
(iii) the amount of the correction at the beginning of the earliest prior period presented in the accounts.	Opening funds previously reported as £71,858 were corrected to £58,831.

Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2025.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of Association of Chartered Certified Accountants.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Overseas activities

The charity undertakes humanitarian and relief activities overseas. During the year, these activities were delivered primarily through programmes supporting orphans, widows and vulnerable families, food distribution, water and sanitation projects, emergency relief, medical assistance, and other humanitarian support.

The trustees are responsible for ensuring appropriate oversight and control of overseas operations. In carrying out the independent examination, consideration was given to the charity's arrangements for the management and monitoring of overseas activities, including financial controls and governance procedures.

Based on the procedures performed, no matters have come to my attention that require disclosure in this report.
