**Independent Examiner's Report to the Members of
KGV Cottingham Community Trust**

I report on the accounts of KGV Cottingham Community Trust for the year ended 31 March 2024, which are set out on pages 11 to 25.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention to indicate that:

- accounting records have not been kept in accordance with section 386 of the Companies Act 2006;
- the accounts do not accord with such records;
- where accounts are prepared on an accruals basis, whether they fail to comply with relevant accounting requirements under section 396 of the Companies Act 2006, or are not consistent with the Charities SORP (FRS102)
- any matter which the examiner believes should be drawn to the attention of the reader to gain a proper understanding of the accounts.

The trust has a lease agreement with ERYC. The Trust also has a service level agreement with ERYC on the provision of public space and active recreation for the public of Cottingham and the surrounding area, and has to ensure maintenance and care of the facilities, staff, participants and equipment to health and safety standards. Since the first year of the Trust taking on the management role, ERYC has provided advice and support as and when required, and they will continue to work in partnership with the Trust for the foreseeable future.

Objective and Activities (continued)

KGV Cottingham Community provides facilities for recreation and leisure time activities for the residents of Cottingham and surrounding areas, working with the local authority, voluntary groups (East Riding Rangers) and other organisations including the local police. The trust oversees the management and maintenance of the pavilion (leisure centre) and some of the outdoor areas on the site. These include two all-weather fenced 3G football pitches along with grass football pitches together with assistance from East Riding Rangers Football club.

The facility is normally open for the benefit of the general public, throughout the year a number of sessions for pre-school children, school age children and on occasion activities during school holidays. The facility is also hired by providers of sporting activities for children and adults e.g. football, karate, running and fitness in addition the facility is used by groups for meetings, staff training and fundraising events.

The Trust have explored ways to grow the business and increase efficiency to become closer to being a self-sustaining organisation by focusing on the strengths of the directors, staff and volunteers. Partnership with East Riding Rangers (the home football club) has regularly provided a useful source of skilled volunteers to undertake repairs and maintenance work at minimal cost. East Riding Rangers have maintained the grass pitches to a very high standard since purchasing their own tractor and also securing funding from the FA. We have made a donation to East Riding Rangers towards the Tractor so ongoing they will keep our grass pitches maintained. The trust has been able to offer the use of the 3G pitches off peak at nominal cost to small groups and individuals, helping to reduce anti-social behaviour in the park

Main objectives for the following year:

The trust will continue to focus on business efficiencies by providing a range of activities for all age groups either led by the Trust or by hiring to outside organisations. The trust seeks to continue exploring funding opportunities and income streams which help to achieve the charities stated objectives to support activities and development of the complete site. The Trust will continue to explore ways of growing the business through focusing on the strength of the directors and working closely with East Riding Rangers our main facility user.

The Trust anticipate a tough year ahead meeting rising utilities but will continue to seek ways of growing and steering the business forward. The Trust along with East Riding Rangers are continuing to pursue better facilities and are working closely with ERYCC and the FA. The lease agreement is in progress with the Trust and East Riding Rangers, should be agreed during 2024

In line with our policy, all reserves will be carried forward to sustain the trust in future years and to allow expansion of activities where possible. The trust is mindful that the building is dated and may require significant modification or look to replace the building. Reserves are now built, and sufficient, to cope with major repairs and renewals.

Notes to the financial Statements
For the year ended 31 March 2024

1.6. Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on charitable activities includes the costs of all activities undertaken to further the purposes of the charity and their associated support costs.

The Charity is not VAT registered and irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

1.7. Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the Charities activities.

All activities undertaken by the Charity are in furtherance of the charitable objects therefore all support costs have been allocated to charitable activities. A full breakdown of all costs related to Charitable Activities has been provided in Note 6.

Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

2. Income and Expenditure Account

The Company is a charity and so achievements cannot be measured by normal commercial criteria. Accordingly, the Directors consider that it would be inappropriate to present a Profit and Loss Account in one of the formats set out by the Companies Act 2016. Therefore, as permitted by the Companies Act, in order to reflect the special nature of the company's activities, the Directors are of the opinion that it would be more appropriate to present an Income and Expenditure Account.
