While it remains relatively easier to practice these values within homes and our community we still need to focus on setting examples, taking stance on Islamic principles in the wider arena, worked towards better community cohesion. To achieve this during the last 12 months the trust has started to engage with other faith groups, other muslims organisations both locally and nationally and other local community leader, and by doing show will harness good community relations. The Trust strives to contribute to the sharing of knowledge about Muslim aspirations and needs at all levels of public and statutory agencies, amongst professionals and within the wider community. The trust as website has gone live and this is being used to post important messages, and valuable knowledge to our community. We continue to take a proactive approach in identifying needs and issues facing the Muslim community making service accessible and appropriate. Our firm belief that Islam has power to enrich our civil society – family, relationship and laws of nature including environment remains one of the focus of our organisation.

Financial Review

We note the Increase in incoming resources in 2025 from £113,140 to £162,030 in total whereas the expenditures also increases as compared to previous year from £57,050 to £110,794. The reasons for increase in income is due to increase in collections and number of members, also the increase in expenditures are due to extension work for mosque and we hired new teachers.

The total surplus of £51,236 has resulted in an increase in the total funds of the charity to £204,940 (2024: £153,704).

The Trustees are ever grateful for all monies received and thank all those who have freely contributed to the funds of the trust. Our reserves grow at a steady rate, we have been greatly blessed by this abundant provision and give God the glory for our strong financial position.

Therefore we extend our thanks to all those who have contributed generously. All members are requested to continue with their kind donations.

Risk Management

The Trustees understand the risks to the Charity and these are reviewed as part of their monthly meetings through evolved Governance. Trustees strive to ensure that the Charity is not exposed to significant external risk but where risks have been identified they are reviewed and followed up accordingly. Internal risks are minimised by putting in place agreed policies and by implementation of procedures.

Trustees' Responsibilities

The Charities Act 2011 requires the Trustees of the Charity to prepare financial statements for each financial year which give a true and fair view of the Charity's financial activities during the year and of its financial position at the end of the year. In preparing the financial statements the Trustees should follow best practice and:

- Select suitable accounting policies and apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- Follow applicable accounting standards and the Charities SORP, disclosing and explaining any departures in the financial statements.
- Prepare the financial statements on the going concern basis, unless it is inappropriate to assume that the charity will continue in operation.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and for taking reasonable steps for prevention and detection of fraud and other irregularities.

**Independent Examiner's Report to the Trustees of Hidaiyat-ul-Muslimin Trust
for the Year Ended 31 March 2025**

I report to the charity trustees on my examination of the accounts of the Hidaiyat-ul-Muslimin Trust for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since your charity's gross income didn't exceed £260,000 your examiner doesn't need to be a member of a listed body but it is always better to get your books checked by a qualified person. I can confirm that I am qualified to undertake the examination because I am a registered member of the ACCA which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
