CITY UNITED REFORMED CHURCH CARDIFF (GENERAL FUNDS) CHARITY

ANNUAL REPORT

YEAR ENDED 31 DECEMBER 2021

The trustees are pleased to present their annual report and accounts of the charity for the year ending 31 December 2021.

The accounts have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

1. Main Objects and Activities

The object of the Charity, declared by resolution of the Church Meeting on 9th May 2009, is to advance Christian faith for the benefit of the public in accordance with the Scheme of Union of the United Reformed Church.

Overall income fell by around £16,000 compared to the previous year, mainly due to a reduction in Covid 19 support grants.

Expenditure grew by around £3,000 compared to the 2020 year. Church premises expenditure grew by around £9,000. There was no Outreach expenditure in the year (2020 - Nil).

There was an overall increase in the realisable value of investments of £29,502 compared to a decrease in the previous year £15,062.

Overall, there was a surplus for the year of £30,465 (2020 - surplus of £4,666). This was made up of a surplus on General Fund of £24,333 and a surplus of £6,132 on Designated Funds.

The charity finances have increased to now show accumulated general and designated funds of £433,848 at the year end made up as follows:

	2021	2020
	£	£
General Fund	274,004	249,671
Designated Funds	159,844	153,712
Total	<u>433,848</u>	<u>403,383</u>

These remaining funds could be called upon in coming years given the ever increasing costs that will need to be met.

2. Constitution

The qualified members of the Elders' Meeting administer the Charity in accordance with procedures for the time being laid down by the Church Meeting, which must in turn be in conformity with the Scheme of Union. Those procedures are currently found in rule 12 of City Church's Rules of Procedure, adopted by the Church Meeting on 20th February 2005 and last amended on 19th November 2017.

3. Public Benefit Statement

The trustees are aware of the Charity Commission's guidance on public benefit in 'The Advancement of Religion for the Public Benefit' and have regard to it in the administration of the Charity.

The general funds of City United Reformed Church enable the Church to:

- provide regular acts of worship open to the public
- teach and promote the Christian faith among all ages and at all levels, regardless of background, sexuality or nationality

CITY UNITED REFORMED CHURCH CARDIFF (GENERAL FUNDS) CHARITY
ANNUAL REPORT
YEAR ENDED 31 DECEMBER 2021

3. Public Benefit Statement (continued)

- administer the Gospel sacraments
- offer activities for young people in connection with Christian worship and growth
- visit and befriend the elderly and unwell
- offer fellowship and pastoral support within and beyond the congregation
- maintain an historic church building
- serve the community and provide premises or resources for community groups and activities
- support initiatives for Christian education
- support the charitable work of the United Reformed Church at Wales and United Kingdom levels
- engage in ecumenical dialogue and activity in the interest of a wider understanding between believers

4. Appointment of Serving Elders

The members of the Elders' Meeting, who are as such Trustees of the Charity, are called or elected by the church membership assembled in Church Meeting. Procedures are contained in rules 7 and 8 of City Church's Rules of Procedure. No member of the Elders' Meeting serving during 2021 was disqualified from serving as a charity trustee.

5. Reserves Policy

The reserves policy is to retain prudent levels of funding as follows:-

- ~ General Fund - to maintain the religious and charitable work of the Church together with complementary activities.
- ~ Designated Fund - to ensure the continuation of Church and Manse repairs.

As detailed in note 1 above, the total balance held in unrestricted funds as at the balance sheet date were £433,848 (2020 - £403,383). This amount is held to cover for financial commitments that the church will have to meet in the future including, specifically, church maintenance.

Budgets are prepared each year with actual income and expenditure being monitored against the budgets.

6. Investment Policy and Performance

The investment policy is implemented by the Finance Committee. The Committee considers the most appropriate policy for investing funds and has found that specialised equity, fixed interest and government stock investment, designed for the charity sector, meets the requirements to generate both income and capital growth.

For the year under review there was a net gain on revaluation amounting to £29,502 (2020 - overall revaluation loss of £15,062). These unrealised gains are in line with general stock market movements for the year under review.

The investment policy is under review in order to try to maintain the difficult balance in today's economic situation of seeking to mitigate losses as far as possible in the future whilst attempting to obtain the best income and capital growth to support church's main objects.

7. Risk Management Policy

The consideration of financial risk is undertaken by the Finance Committee. Other risk assessments are undertaken by the Buildings and Fabric Ministry Group. The major potential financial risks which could arise are considered to be in relation to unexpected significant loss of income or unbudgeted expenditure together with potential losses on church investments. Non financial risk areas would include fire risk, health & safety issues etc.

ANNUAL REPORT
YEAR ENDED 31 DECEMBER 2021

7. Risk Management Policy (continued)

Reviews have been carried out to assess risks in certain areas of operation and it is intended that further reviews are undertaken to provide a comprehensive assessment of potential key risk areas and to ensure that relevant procedures put in place to mitigate those risks.

8. Related Parties

Certain Elders are also Trustees of the City United Reformed Church Charity.

During the year a grant of £32,000 was receivable from the Charity (2020 - £32,000).

No Trustees received any remuneration or other recompense from the Charity in their capacity as Trustees.

10. Statement of Serving Elders' Responsibilities

The members of the Elders' Meeting, who are trustees for the purposes of charity law, are responsible for the preparation of the accounts for each financial year which give a true and fair view of the charity's state of affairs as at the balance sheet date and of its financial activities for that period. In preparing those accounts the serving trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts;
- prepare the accounts on a going concern basis unless it is inappropriate to presume that the church will continue to operate.

The serving elders are responsible for keeping proper accounting records which disclose, with reasonable accuracy, at any time the charity's financial position and enable them to ensure that the accounts comply with the Charities Act 2011. They are also responsible for safeguarding the church's assets and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

11. Independent Examiners

Williams Ross Limited, Chartered Accountants, have indicated their willingness to accept re-appointment as independent examiners for a further term.

INDEPENDENT EXAMINER'S REPORT TO THE ELDERS OF CITY UNITED REFORMED CHURCH CARDIFF (GENERAL FUNDS) CHARITY

I report on the accounts of the Church for the year ended 31 December 2021, which are set out on pages 5 to 11.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 145 of the Charities Act 2011 (the 2011 Act)) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts (under section 145 of the 2011 Act);
- to follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities in the UK and Republic of Ireland preparing their accounts in accordance with the Financial Reporting Standard (FRS 102) issued on 16 July 2014 and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

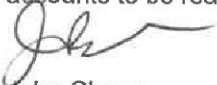

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
- to keep accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

CITY UNITED REFORMED CHURCH CARDIFF (GENERAL FUNDS) CHARITY

NOTES TO THE ACCOUNTS

YEAR ENDED 31 DECEMBER 2021

1 ACCOUNTING POLICIES

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The particular accounting policies used are described below.

a) Donations

Donations are accounted for gross when received.

b) Legacies

Legacies are accounted for when their receipt is certain and can be properly quantified.

c) Investment Income

Investment income is included in the accounts in the year in which it is receivable.

d) Grants payable

The Charity makes grants to other organisations whose charitable objects complement its work. They are accounted for in the year in which they are paid.

f) Classification of funds

Funds are classified according to the manner in which they are allowed to be spent.

- The General Fund deals with funds that can be spent generally for furthering the religious and charitable work of the church.
- Designated funds are funds which have been set aside for specific purposes but which can be returned to the General Fund at any time if Church Meeting so decides.
- Restricted funds are funds whose use is restricted according to the terms on which they were received; for example, collections for specific causes, or properties the proceeds of a sale of which cannot be used without the approval of URC Synod for Wales.

g) Tangible fixed assets

The church buildings, and fixtures and fittings considered to be an integral part of the building, including the organ, are not included in these accounts as they held on separate trusts. Other fixed assets are stated at estimated market value or cost, except that items costing less than £250 are written off in the year of purchase.

In 2004 & 2005 the church incurred costs of £29,392 (net of £9,081 member donations) on the South Porch project which provided a new kitchen and shower room. As City United Reformed Church will derive benefits from this project for many years to come, it was decided to capitalise the costs and write them off over the estimated useful economic life of the kitchen and shower room.

Depreciation is calculated at the following percentages on cost or valuation:

South Porch project	- 5% straight line
Church fixtures & equipment	- 5% straight line
Office equipment	- 10% straight line
Kitchen equipment	- 10% straight line

h) Investments

Investments are stated at their market value as at the balance sheet date.
