Thornton Heath Evangelical Church

Report of the trustees for the year ended 31 December 2024

The Trustees submit their annual report and the financial statements for the year ended 31 December 2024. The Trustees have adopted the provisions of the Statement of Recommended Practice (Charities SORP (FRS102) and Financial Reporting Standard 102 (FRS102)).

Structure, governance and management

The Church was originally constituted by a Trust Deed dated 20 October 1904 with the object of promoting religion on evangelical protestant lines. In 2009, the Church was registered under the Charities Act 2006, having previously been excepted from registration. The Church adopted a constitution and Church Rules on 22nd October 2008 (ratified on 28th January 2009 as required under the original church rules) and was registered with the Charity Commission on 28th July 2009.

The Church officers (Pastor, Elders, and Deacons) are Managing Trustees under the constitution and are responsible for directing the affairs of the Church in accordance with the aims set out in the constitution and they meet regularly to review the activities of the Church.

The Managing Trustees of the Church are the persons appointed as Church officers as laid down in Section 6 of the constitution, subject to them not being disqualified from being trustees by Section 178 of the Charities Act 2011. Church officers are appointed by the Church membership at a Church Business Meeting, in accordance with Section 2.4 of the Church Rules.

The Trustees who served during 2024 and those in office at the date of this report are set out on page 2.

The Trustees are considered to be the Key Management Personnel of the church.

Objectives and activities

The Church was established with the aim of the advancement of the Christian faith and promoting the evangelical protestant religion. The church seeks to serve the Thornton Heath community through encouraging wholehearted discipleship of Jesus Christ, firstly knowing Him as their Saviour, and also through their love and service for Him. This is continued primarily through public worship each Sunday morning and evening, prayer and Bible study, and through other weekly meetings and activities, including activities for children and young people and a weekly Bible study meeting for women. All of these services and ministries are carried out at its premises in London Road, Thornton Heath, Surrey.

Achievements and performance

The regular services and activities of the Church have continued running throughout the year, namely: the Sunday morning service; Sunday evening service; midweek Bible Study and Prayer Meeting; Parents and Toddlers group; TEFL (conversational English) classes; Ladies afternoon Bible Study, Open Door twice a week; Door-to-door visitation in the local neighbourhood; Wayfinders (3–10 year-olds); Engage (11 years +); Bi-monthly Men's and Ladies Breakfasts

The Church continues to be encouraged seeing new attendees at the Sunday services and has also had the joy of welcoming additional people into church membership during the year.

In accordance with the objectives outlined above, the public services continue to be an encouragement to the congregation through the preaching of the Bible each week, to seek to know Jesus Christ as their Saviour and to love and serve Him.

Public Benefit

The Trustees have complied with the duty to have due regard to guidance published by the Charity Commission, including public benefit guidance.

The Trustees believe that the gospel of Jesus Christ transforms lives and thereby has a great benefit on the wider society in general, and particularly to the people of the local area where the members of a particular church are located. Therefore, the Church continues to provide a public benefit in providing weekly Sunday services for Divine Worship, a mid-week meeting for those who wish to meet for prayer and to study the Bible and meetings for women, children and young people and ministries for the local community.

Risks

The Trustees normally meet each month and review the principal risks facing the church and any new risks that become apparent. The church has a Health and Safety Policy in place, which is subject to annual review.

The Church also has a “Safeguarding Policy for children, young people and vulnerable adults” in place.

Trustees training

New trustees are provided with relevant guidance issued by the Charity Commission.

The current Church Treasurer is a member of the Association of Church Accountants and Treasurers (ACAT) and attends relevant courses from time to time to keep his knowledge of applicable Charity accounting and trustee related requirements up to date.

Financial review

The attached financial statements disclose the financial position of the Church at 31 December 2024. The Trustees again acknowledge the provision and goodness of God in providing for the ongoing financial needs of the Church. In 2024, there was an overall surplus of income over expenditure across the funds of the Church.

In general, the policy of the Trustees is to distribute substantially all of the income of the Restricted Funds during the year subject to suitable needs being identified and to retain a working balance within the General Account and the Missionary Fund to provide a contingency to meet routine expenditure in the event of a reduction in offerings.

Reserves Policy

It is the policy of the Trustees to maintain reserves of the equivalent of three month's general account expenditure. This equates to about £30,000. The unrestricted reserves at the end of the year were £2,253,944 of which £2,210,615 represent fixed and net current assets held in the Capital Fund. At the end of the year the cash balances were £241,920.

The trustees will continue to review the reserves during this year and intend to produce a new documented Reserves Policy.

Grant Making Policy

The Church makes discretionary grants to institutions and individuals.

The amount and duration of grants are considered at the discretion of the Trustees. Where such grants are for a significant amount, or granted on regular basis, these are agreed by the Church members at a Church Business Meeting.

The Church primarily supports Missionary work and other Christian institutions and Christian workers whose beliefs and practices accord with the Church's aims and objectives.

On occasions, the Church also provides humanitarian aid as well as helping in cases of individual financial hardship. This will be either given directly to beneficiaries or channelled through a trusted intermediary Church or other organisation.

Plans for the future

At the date of this report the Church intends to carry on its normal activities of public worship and providing the ministries already mentioned in this report. The country continues to face serious economic issues, including a relatively high inflation rate, which means recent increased costs to the Church are now embedded in regular expenditure, and also pressure on future income if donors have to cut back on their donations to the church. The trustees continue to monitor and look for ways to reduce expenditure, as the aspiration of the trustees is still to be able to employ an assistant pastor in the future.

The accounts have been prepared on the basis that the church continues to operate as a going concern. The trustees are satisfied that the church has sufficient reserves to cover future expenditure in the short to medium term.

Responsibilities of the trustees

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the end of the year and of its financial activities during the year then ended. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether the policies adopted are in accordance with the Statement of Recommended Practice “Accounting and Reporting by Charities” and with applicable accounting standards, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the charity and to prevent and detect fraud and other irregularities.

Independent examiner's report to the trustees of Thornton Heath Evangelical Church

I report to the charity trustees on my examination of the accounts of the Thornton Heath Evangelical Church (the Church) for the year ended 31 December 2024 set out on pages 8 to 18.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Church's accounts as carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Church as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Report) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the financial statements

1 Accounting policies

(a) Basis of preparation

The financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with the Charities Statement of Recommended Practice (Charities SORP (FRS 102) and Financial Reporting Standard 102 (FRS102)) and the Charities Act 2011.

The charity meets the definition of a public benefit entity under FRS 102.

(b) Funds

The General Account includes Sunday offerings, electronic payments received from regular donors and other unrestricted gifts which may be used for any purpose within the terms of the constitution. Other gifts received for specified purposes are recorded in a Restricted Fund. The main Church premises, bookroom stock, legacies and interest received are all recognised in the Capital Fund. The General Account and the Capital Fund are unrestricted funds.

(c) Property

The main church property is included in the Balance Sheet at the original estimate of the value of the original main Church, plus the actual rebuilding costs paid during the rebuilding of the new halls and foyer in the period 2013/2014. The original estimate for the main Church has not been valued by an independent expert. On transition to FRS 102, this carrying value was treated as deemed cost going forward.

Freehold land is not depreciated. No depreciation is provided on freehold buildings where their estimated residual value is not less than their carrying amount.

(d) Stock

The value of the book-room stock is valued at the lower of cost and net realisable value.

(e) Income

Offerings and donations are accounted for on receipt. Legacies are accounted for when notified and confirmed as probable by a competent executor, and the church has been supplied with a realistic estimate with sufficient accuracy of the value of the legacy.

(f) Expenditure

Expenditure is accounted for as amounts fall due.

Direct charitable expenditure comprises all expenditure directly related to the objects of the Church. Governance costs comprise expenditure related to the cost of compliance with statutory requirements.

Thornton Heath Evangelical Church

Notes to the financial statements (continued)

(g) Grants

Grants payable are payments made to third parties in the furtherance of the charitable objects of the charity. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the one or multi-year grant. Grants awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled conditions attaching to that grant are outside the control of the charity.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty as to the timing of the grant or the amount payable. A provision for a multi-year grant is recognised at its present value where settlement is due over more than one year from the date of the award, there are no unfulfilled performance conditions under the control of the charity that would permit the charity to avoid making the future payment(s), settlement is probable, and the effects of discounting is material.

(h) Debtors

Grants receivable and other debtors are included at the settlement amount due. Prepayments are valued at the amount prepaid.

(i) Cash at bank and at hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of opening of the deposit.

(j) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

(k) Financial Instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

A harvest offering (£2,981) was given to European Mission Fellowship, for gospel work and humanitarian aid in Ukraine.

Evangelism – to provide funds relating to the church's outreach and evangelism activities.

Suspense – funds that are not specifically part of the charitable activities the church, but for which the funds are passed through the church accounts. These funds include ET and EN personal subscriptions by members and friends, and personal gifts placed in the offering which are then distributed.
