Trustees' Annual Report

The Trustees present their annual report and accounts for the year ended 31 December 2023. The Trustees' Annual Report is also the Directors' report for the purposes of Company Law. The Directors of the charitable company ("the charity") are its trustees for the purposes of charity law and throughout this report are collectively referred to as the Trustees. The financial statements comply with current statutory requirements, the charity's governing document, and the Statement of Recommended Practice - Accounting and Reporting by Charities: SORP 2015 (FRS102). Taking advantage of the small charities provision in Section 4.6 and 4.22-4.26 of the same SORP, the trustees have reported income and expenditure on a natural basis.

INTRODUCTION

The Steve Sinnott Foundation holds the vision that all children have the right to quality education, and we work with partners to ensure that this becomes a reality. We support the achievement of the Sustainable Development Goals, specifically (SDG 4) to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all. We believe that the achievement of this goal supports the achievement of all 17 SDGs.

As we are now in our 14th year of operation, we focus on reciprocal learning and we are continually learning and growing ourselves. We work with teachers and educators on the ground to develop projects that are "fit for purpose", locally owned and managed and are sustainable. In 2023 we have mostly focused our efforts in Cuba, Haiti, The Gambia, Sierra Leone, Guinea Bissau, Cape Verde, Senegal and the U.K.

The Foundation was established in 2009 to maintain the momentum of the work of Steve Sinnott, General Secretary of the National Union of Teachers of England and Wales, in promoting the achievement of the United Nations Millennium Development Goals for education, established by world leaders in 2000. Steve died suddenly, whilst still in office, in April 2008.

OBJECTIVES AND ACTIVITIES

The Charity's objects (the Objects) are to promote, for the public benefit, the education of children and young people across the world by seeking to ensure access to education for all children everywhere in accordance with Sustainable Development Goal 4, these Objects may be advanced by any of the following means:

- a) improving the ability of teachers across the world to collaborate in improving the access to and quality of education for all children;
- b) providing a focus for ideas from educators around the world as to how universal primary education may best be achieved and collecting and disseminating these ideas;
- c) establishing an online international community of teachers, educationalists and other interested parties to discuss ideas for advancing universal primary education; and
- d) supporting projects for the development of education in developing countries and encouraging the participation of teachers and educationalists from the developed world in such projects.

The charity's principal activities are to raise funds and provide funding and develop partnerships for the delivery of sustainable projects to improve education in developing countries working with teachers and educators from across the world.

The Trustees confirm that they have had regard to the guidance issued by the Charity Commission on public benefit.

Trustees' Annual Report

ACHIEVEMENTS AND PERFORMANCE

During this year, we have continued to reassess our priorities and find new ways of supporting learning to continue in many of the countries we work in, particularly in the rural areas. The effect in countries that rely on tourism for income following Covid has continued to have a huge impact on families, school closures have had a devastating effect on children's access to learning, especially for girls.

There continues to be huge divide between those who can afford to learn online and those who cannot and we have made ways of connecting digitally a priority

We have achieved a tremendous amount of work this year and the success of some of the work has meant that demand has increased in some areas.

SSF Partner Projects

We work with teachers and educators on the ground to develop projects that are "fit for purpose", locally owned and managed and sustainable. Here is a selection of our current work:

Our Positive Periods programme continued in 2023, reaching 150,000 girls in Sierra Leone, Guinea Bissau, Cuba, and Haiti: Girls are missing 50 days of school each year just because they have their period. The 'Positive Periods' programme teaches girls and young women about good menstrual health and how to take care of their bodies alongside creating their own re-usable sanitary pads which are long lasting, locally sourced, and most importantly, eco-friendly.

The prevention of Gender Based Violence training has reached 450 educators Cape Verde, The Gambia, Guinea Bissau and Senegal.

Counselling Skills training delivered for 270 educators in The Gambia.

SEN Awareness training delivered for 150 educators in The Gambia and Sierra Leone.

Kreyol Literacy Programme for 180 learners in Haiti.

A further 50 bicycles delivered to students in rural villages to support them to travel to school safely in the Gambia.

The Learning 3 Resource Centres and 3 Digital Classrooms are making use of the best available technology and delivering excellent learning and development for educators, students and their wider communities in Haiti, The Gambia and Sierra Leone.

Unesco ASPnet Schools Programme

The Foundation's Chief Executive, Ann Beatty, is the UK Co-ordinator for UNESCO's ASPnet programme. This is a global network of over 12,000 educational institutions in 182 countries. Member institutions – ranging from pre-schools, primary, secondary and vocational schools to teacher training institutions - work in support of international understanding, peace, intercultural dialogue, sustainable development and quality education in practice. In June 2022, we held the first UNESCO ASPnet UK Conference on-line; "Arts and Culture for Peace".

We continued our work on the Arts and Culture for Peace Initiative this year.

Trustees' Annual Report

Students from Belgium, The Gambia, Japan, The Netherlands, Oman, Poland, Singapore, South Korea and the U.K. worked on the Arts and Culture for Peace initiative in Kyoto, Japan - known for traditional Japanese culture and promoting sustainability. The shared intercultural experiences created a rich platform for the participants to discuss the challenge of achieving a Culture of Peace.

Future plans

We have agreed as an organisation to focus on the sustainability and scalability of our project work with our current partners.

We are continuing our focus on projects which provide access to education for all children everywhere: Learning Resource Centres, Teacher Training, Girls Education, Digital Connectivity and Sustainability.

Towards the end of 2023 the Foundation employed a consultant to look at the future sustainability of the organisation.

FINANCIAL REVIEW AND RESERVES POLICY

After making appropriate enquires, the trustees have a reasonable expectation that the company had adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

The financial position of the charity at 31 December 2023 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2023	2022
	£	£
Total income	201,212	182,440
total expenditure	(263,080)	(195,261)
Gain/(loss) on the revaluation of current asset investments to fair value	4,086	(7,447)
Net income/ (expenditure)	(57,782)	(20,268)
Unrestricted funds	86,089	143,871
Restricted funds	36	36
Total funds	86,125	143,907

The Foundation's income in 2023 was again derived almost entirely from donations.

The Teachers Group Educational Trust granted £110,000 and has committed to grant £110,000 in 2024 and 2025.

The National Education Union granted £50,000.

The Foundation has invested the money from previous legacies with the intention of earning interest on funds not currently required for the day to day running of the charity. The total amount invested at 31 December 2023 including funds invested from legacies in prior years is set out in note 9 of the accounts.

The Trustees wish to maintain reserves equal to 12 months of operating costs and if reserves fell below this level, a meeting of the trustees would be held to agree appropriate action. This reserves policy currently reflects a minimum level of reserves of circa £70,000.

The Steve Sinnott Foundation

Company limited by guarantee registered number:

06696272

Registered charity numbers: 1130814 and SC046031

Trustees' Annual Report

The level of reserves is above the minimum level of reserves of circa £70,000 for the current year required under the agreed reserves policy and a large proportion of funds in excess of the minimum level of reserves have been invested on a short term basis as set out in note 9 of the accounts. Reserves have decreased during the year mainly due a fall donations and loss on revaluation of short term investments.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The organisation is governed by the Memorandum and Articles of Association agreed in 2015.

Ann Beatty continued as the Foundation's Chief Executive throughout 2023.

The Foundation has contracted professionals and consultants this year to carry out work on administration, fundraising, social media, networking, website maintenance and communications work. The Foundation has engaged 4 people on this basis in 2023.

The pay and remuneration is reviewed each year by the trustees taking account of inflation, available resources and other similar charities pay scales.

The Foundation's trustees are also the Directors of the company limited by guarantee.

The following persons served as directors during the year:

E Glazier

E Jackson (resigned 20 January 2023)

M Sinnott

W Chambers

S Rayment

M Hussein

S Tiwari (appointed 13 March 2023)

In order to recruit new Trustees, the Foundation advertises on social media and through their own networks, and the applicants are formally interviewed by the Chief Executive and 2 other Trustees. The Trustees are then formally elected at the first meeting they attend, following their interview. No individual person or body may appoint one or more trustees.

The Foundation reformed our support group of teachers, educators and education consultants and renamed the group "Ambassadors" during 2020.

The group now has 17 Ambassadors who carry of a range of activities to support the Foundation's work: representing the Foundation at events, hosting workshops and talks, advocacy, specialist advice and support when required.

STRATEGIC DEVELOPMENT

The Strategic Plan was reviewed and updated by the Trustee Directors to 2025. The focus continues to be on communications, raising funds to meet demand and sustainability.

COMMUNICATIONS

The Foundation published the twenty-seventh and twenty-eighth issues of its magazine, ENGAGE which again attracted high profile contributors of articles published alongside project reports, news updates from around the world together with articles from international development activists, teachers and students and news about the Foundation's activities.

Trustee Director

The Steve Sinnott Foundation

Independent Examiner's Report to the Board of Trustees of The Steve Sinnott Foundation for the year ended 31 December 2023

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2023.

Respective responsibilities of the Board of Trustees and examiner

As the trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 ('the 2005 Act'), the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Companies Act 2006 ('the 2006 Act'). You are satisfied that the accounts of the Company are not required by charity or company law to be audited and have chosen instead to have an independent examination.

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 44 (1) (c) of the 2005 Act and section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the requirements of Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Basis of independent examiner's statement

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Company, and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Board of Trustees concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view", and this report is limited to those matters set out in the statement below.

Independent examiner's statement

Since the Company is required by company law to prepare its accounts on an accruals basis and is registered as a charity in Scotland your examiner must be a member of a body listed in Regulation 11(2) of the Charities Accounts (Scotland) Regulations 2006 (as amended). I can confirm that I am qualified to undertake the examination because I am a registered member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept as required by section 386 of the 2006 Act and Regulation 4 of the 2006 Accounts Regulations; or
2. the accounts do not accord with those records with the accounting requirements of Regulation 8 of the Charities Accounts (Scotland) Regulations 2006; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (SORP 2015), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Steve Sinnott Foundation

Independent Examiner's Report to the Board of Trustees of The Steve Sinnott Foundation for the year ended 31 December 2023

Departure from the 2008 Regulations

I understand that the financial statements have been prepared to give a 'true and fair' view, and have departed from the Charities (Accounts and Reports) Regulations 2008, only to the extent required to provide a 'true and fair view'. This departure has involved following SORP 2015 FRS102, rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 (SORP 2005), which is referred to in the extent regulations, but has since been withdrawn.

Conclusion

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Director

Approved by the board on 10 September 2024

The Steve Sinnott Foundation
Notes to the Accounts
for the year ended 31 December 2023

1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice (SORP), Accounting and Reporting by Charities and FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (as applied to small entities by section 1A of the standard) and the Companies Act 2006. As such the charity has taken advantage of the exemption available not to present a Cash Flow statement.

The Steve Sinnott Foundation meets the definition of a public benefit entity under FRS 102.

Alternative reporting

Income and expenditure have been analysed on a natural basis, taking advantage of small charities provision in Section 4.6 and 4.22-4.26 of the SORP.

Departure from the Charities (Accounts and Reports) Regulations 2008

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following SORP 2015 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 (SORP 2005) which has since been withdrawn.

Fund Accounting

Funds held by the charity are either:

Unrestricted funds are available for the use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds earmarked by the trustees for a particular purpose.

Restricted funds are subject to restrictions on their expenditure imposed by the donor or through the terms of appeal.

Income

Income received from subscriptions, donations, Gift Aid Tax and activities is measured at the fair value of the consideration received or receivable. Income is recognised when the charity has entitlement to the funds, any performance conditions attached the item of income have been met, it is probable that the income will be received and the amount can be reliably measured. Accruals are made for monies received on fund generating activities that were held during the financial year but received after the financial year end up to the date these financial statements were approved by the trustee/directors. Income received in advance of the provision of services is deferred until the criteria for income recognition are met.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that a settlement will be required and the amount of the obligation can be measured reliably. Resources expended are included in the Statements of Financial Activities on an accrual basis, inclusive of any VAT which cannot be recovered. Where applicable they have been charged directly to the funds and activities to which they relate.

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Plant and machinery	over 4 years
---------------------	--------------

Current Asset Investments

Listed investments are measured at fair value. Unlisted investments are measured at fair value unless the value cannot be measured reliably, in which case they are measured at cost less any accumulated impairment losses. Changes in fair value are included in the profit and loss account.

Debtors

Short term debtors are measured at transaction price (which is usually the invoice price), less any impairment losses for bad and doubtful debts. Loans and other financial assets are initially recognised at transaction price including any transaction costs and subsequently measured at amortised cost determined using the effective interest method, less any impairment losses for bad and doubtful debts.

Creditors

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.

During the year some unrestricted income has been designated by the Trustees to be spent on project work. This income and costs directly relating to project work incurred during the year have been allocated to a designated project fund. A transfer was made during the year from the general fund to the project fund, as some projects are partially funded by the general fund.

At 31 December 2023 the net assets of £86,125 were analysed between the general fund (£86,089), the designated project fund (£nil) and the restricted fund (£36).
