### **Trustees' Report 2024–2025**

The WiCC has undertaken a range of activities this year to comply with its charter, with each initiative aimed at strengthening our community and supporting our members.

These achievements are the result of the dedication and hard work of our volunteers and trustees:

- Conducting daily prayers, ensuring the centre remains a focal point for spiritual growth and unity among community members.
- We conduct two Friday sermons each week, attracting more than 100 people. These gatherings offer an opportunity for collective worship and foster a sense of togetherness.
- The Islamic school operates five days per week, providing religious education and fostering a sense of belonging among over 40 children. Positive feedback from parents and students highlights the school's welcoming atmosphere and the valuable life lessons imparted.
- We have established good working relationships with other local charities, including the church and the police, to promote interfaith understanding and community safety.
- During Ramadan, we provided daily iftar meals for all attendees at the mosque, ensuring a welcoming environment and meaningful support for the community throughout the holy month. Many participants expressed their gratitude, noting how these gatherings helped foster a spirit of generosity and togetherness.
