Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Financial Plan details planned income and expenditure for the financial year. All proposals for the commitment of expenditure, generation of income, including Gross Percentage Profit (GPP) and charges are subject to the ratification by the Mess Membership. The Mess must break even in its profit and loss activities. This FP aims to enhance mess facilities whilst maintaining realistic standing charges for all our members due to COVID the FP had to be revised to a more realistic amount which we addressed at the AGM in Nov 20.

Achievements against objectives set	Para 1.41	The Covid-19 pandemic has resulted in some considerable changes to mess life that have presented financial planning concerns to ensure that the mess remains financially buoyant. With direction from the CO, we remain flexible as a committee to the challenges that we face with a view to ensuring that our financial investment is protected against a long-term change to mess life. We may be forced to reduce some services to protect you from infection and have reflected this in the short-term changes to subscriptions previously reducing our contributions by 40% which was reflected in last year's financial plan in a reduction to subscriptions income, but we remain hopeful that this year we will return to normal mess life.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The Mess is now in a significantly stronger financial position when compared to recent years. As a result, it is possible to reward the Mess Membership with improved Mess facilities. It should be noted however that the COVID-19 pandemic continues to provide uncertainty, and therefore this FP continues to add to The Mess' future security through the RAF Honington Investments Reserve. The financial plan for FY20/21 will be monitored closely by the Mess Committee and Trustee during the FY. The size of any surplus will as ever, be dependent on the number of personnel deployed over the course of the FY, the departure of 15 Sqn which will affect subscription by around £2,500 and the popularity of functions, happy hours and the bar in general. Over previous years The Mess has made a small surplus.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Permanent Endowment (PE) previously known as the Contingent Liability is the capital of The Mess and is held in trust by the Mess Members. Should the Mess close the PE would have to be returned to the RAF Central Fund.
Amount of reserves held	Para 1.22	In line with RAF Honington Investments Reserve. The Investment Reserve contains monies that are invested to provide future security for The Mess. The funding streams have been considered and an accurate figure of £10,000 has been agreed.
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	Nil
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	Nil

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.
