Report of the Trustees
for the Year Ended 31 December 2025

The trustees present their report with the financial statements of the charity for the year ended 31 December 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public Benefit: running a charity (PB2)'.

Background

St Mary's is the Church for the whole parish and is open to the whole community.

The Parochial Church Council (PCC) of the Parish of St Mary the Virgin Datchet has the responsibility of co-operating with the Vicar in promoting the whole mission of the church, pastoral, evangelistic, social and ecumenical. It also has maintenance responsibilities for the Parish Church of St Mary the Virgin, The Green, Datchet. During the interregnum, until October 2025, this was with the Revd Canon Janet Binns (Area Dean) and from 13th October 2025 the new incumbent, the Revd Andreas Sistig. Any correspondence should be addressed to: St Mary's Vicarage, London Road, Datchet, Slough, Berks, SL3 9JW.

The Parish is a member of Churches Together in Datchet, the body that promotes ecumenical worship and activity amongst St Mary the Virgin, Datchet Baptist Church and St Augustine's Roman Catholic Church.

St-Mary's is part of the "Southern Grouping" of churches (a legal Group) within the Burnham and Slough Deanery, along with Eton, Eton Wick with Boveney, Dorney Colnbrook Horton & Wraysbury. The clergy and other lay ministers of the Southern Grouping hold regular meetings.

Committees and Task Groups

The PCC operates through a number of committees and task groups, which meet between full meetings of the PCC. Each group has a remit approved annually by the PCC. The groups are:

Standing Committee - CWs and Vicar This is the only committee that is required by law. It has the power to transact PCC business between PCC meetings, subject to any directions given by the PCC.

Stewardship Task Group - The group considers all the various aspects of Stewardship ('careful and responsible management of all resources and assets') and promotes, organises and collects the church's finances, resources and planned giving. The Stewardship Recorder records the planned giving.

Fundraising/Events Group - The group focuses specifically on fundraising through raffles and events, etc. It complements the efforts of the Stewardship Task Group (who focus on planned, regular giving), and works in collaboration with them.

Youth Task Group - The group seeks to promote ministry amongst young people and children in the church, including Junior Church, Messy Church, Creche and youth groups.

Worship and Study Task Group - The group supports various aspects of worship and study.

Mission and Social Responsibility Task Group - The group seeks to promote mission and social action by the congregation and PCC of St. Mary's. It is responsible for fostering our links with the missions and charities which the church supports. It also makes recommendations to the PCC on how to direct its external giving.

The Pastoral Care Group - This group is responsible for helping the Vicar with the pastoral care of members of the congregation and the wider parish.

Fabric and Upkeep Group - The group is responsible for advising the PCC on the repair, upkeep and maintenance of the fabric, as well as ensuring the church is fit for purpose in all aspects of worship and Church life. It does this by informing the PCC of works required and completed. In particular, to respond to the recommendations of the Quinquennial inspection.

ACHIEVEMENTS AND PERFORMANCE

Overview

Following the resignation of the incumbent in September 2023 leading to an interregnum which lasted until October 2025. St Mary's continued to press forward with faithful resilience and commitment. Day-to-day church life carried on with regular Bible study, community involvement, and a growing partnership with other churches in the area. During 2024 and equally 2025, St Mary's in partnership with other members of the new Benefice of Eton, Eton Wick, Dorney, and Boveney produced a Benefice Profile and agreed to advertise for a new benefice incumbent. In May 2025 Revd Andreas Sistig was successfully appointed and he took up post on 13th October 2025. Since this date there has been significant movement in building of relationships and working partnerships within the Datchet and wider benefice communities, most notable with the schools and other organisations such as RBL and Datchet Parish Council etc.

Church Services and Activities

Our weekly 9.30am Parish Eucharist continues to be a central part of church life, alongside a monthly informal service. Evensong is held monthly and has been enriched by the involvement of an expanding choir, including singers from surrounding areas. We have continued to offer services to the local Residential Care Home, Eton House and other special services such as Remembrance, Easter Dawn service. Activities include regular Messy Church and Bible studies. We were sorry to see the Revd Carol Dunk leave who had supported us as part of her Deanery Ministry role during 2025 but wished her every success and continued support in her new role. A group of parishioners attended her licensing and thanked her for her support during the interregnum.

Pastoral Reorganisation / New Benefice

In the past year, the Burnham & Slough Deanery has continued to make progress with the legalities of the reorganisation and the formation of the new benefice - working name 'Jubilee River Churches'. We envisage the completion of this process and a service of commitment to the new Benefice during 2026.

Finances

The financial position remains a significant concern, prompting the PCC to continue to re-evaluate what was sustainable and necessary. To help us navigate this, the PCC spent a dedicated session with Joshua Townson, the Diocese's Generous Giving Advisor, who guided us through several key areas seen below:

-Explaining Need

Clearly communicating the financial needs of the church to the congregation in a transparent and honest way.

-Building Trust

Creating a culture of openness and accountability so that members feel confident in how their contributions are being used.

-Inspiring People

Sharing stories and vision that motivate the church community to support God's work financially and joyfully.

-Discipling Members

Encouraging a biblical understanding of stewardship and generosity as part of discipleship and spiritual growth.

-Embedding Generosity

Making generosity a regular and integral part of church life rather than a one-off appeal or response to crisis.

-Activating Generosity

Providing practical ways for people to give-financially, with time or skills-making it easier for everyone to participate.

This session was both encouraging and challenging.

It was recognised that without an incumbent this was an area of particular challenge. A strategy to manage was completed using the above principles. This was reviewed during the latter half of 2025 once the Revd Andreas Sistig was in post. A robust plan for 2026 is currently in development.

Further challenge was presented when the treasurer Michael Edwards was taken seriously ill and unable to continue with the role in September, fortunately there had been discussions with Nikki Jhaj who took over from October. The handover was complicated due to significant issues with CAF Bank's new online banking system, which impacted management of day-to-day banking, and recognition of authorised people. This was an acknowledged problem by CAF Bank across the sector.

The Parish of St Mary The Virgin,
Datchet

Report of the Trustees
for the Year Ended 31 December 2025

Despite the challenges, the PCC has managed to meet the agreed commitments and renegotiated Parish Share during 2025, The St Nicholas Fayre and Table Top Sales were highly successful in both financial and relationship building. Progress is being made to ensure that a sound foundation for Stewardship and regular giving is embedded; already some significant growth in these areas has been seen.

Pastoral Care

Pastoral ministry has been especially challenging in the absence of a vicar. However, our churchwardens and members of the congregation and in particular those belonging to the Pastoral Care Group have stepped up with great dedication to ensure that care and support continue. Datchet remains a close-knit community, and it is evident that the church's presence and pastoral outreach are deeply appreciated.

Schools, Community and Outreach

"Open the Book" continues to be well-received at the local primary school, and our Messy Church gatherings at Easter and Christmas have been joyful occasions. There is real potential to expand this work into a broader family ministry. We are also grateful for the ongoing positive relationship with Churchmead, the local secondary school, which provides further opportunities for engagement and witness. We are also blessed by all the local schools making use of the church for their Christmas and Easter end of term services.

WARDENS' REPORT

It was a particularly busy year due to the interregnum process and the appointment of a new incumbent. However, we have had numerous events to ensure the congregation are included in steering Saint Mary's forward. Over the past year Sally Anne Jarvis continued to organise the lay services service plan with Elaine Eastham and Helen Jensen supporting, these have been well attended with similar attendance to that of the regular Sunday worship. Since October 2025 these services have been expanded to include Anne Casson a LLM from Windsor and Revd Andreas Sistig as leaders on a rota basis. We also hope to encourage other groups to start leading these as we move forward in 2026. The young people who attend are encouraged to be active participants and share in presenting the services.

The three Bible groups are still thriving which supports our spiritual development. These have been led by Caroline Cole, Revd Robert Spicer, Revd Canon Janet Binns and Revd Andreas Sistig as well as individual group members.

We have identified the risks to Saint Mary's and our finances and taken steps to mitigate by inviting the Diocesan Generous Giving Adviser to run a workshop with the PCC where a basic strategy has been developed to move us forward on and support the congregation in the understanding of generous giving.

Using the Barker Bridge House Trust (Church Branch) Funding we were able to install phase 1 of the new, replacement, sound system and are now planning phase 2. The PCC are currently deciding on making this second phase a Project for focused fundraising rather than utilising BBHT(CB) funds. We have continued to oversee the repairs and maintenance according to the terms of the BBHT(CB) agreement with the Charity Commissioners.

We have improved and strengthened relationships within the wider community such as the Stag pub and Datchet Parish Council and several of the local shops. A particularly strong relationship with Oakwoods Estate Agents has developed and they have supported the majority of our activities and sponsored several events with banners and notices etc.

We have improved the social and spiritual element not just in Saint Mary's but with the wider community for example "Churches Together" meetings, services at "Eton House" the local residential care home and "Messy Church" where we have seen an increased number at each event across the year.

Volunteers from Saint Mary's have supported "Open the Book" which has proven to be a successful program at the local primary school. We have also held several social events across the year:

- * We started 2025 with a farewell to 2024 New Year's Eve Celebration with a blessing of the New Year by the Reverend Canon Janet Binns
- * Valentine's special event celebrating friendship and fun. This was attended by church members and people from the wider village community
- * a tabletop sale which was very successful, organized by the Events Team
- * Harvest Festival bring and share - goods donated to the local Foodbanks
- * We also held a Saint Nicholas fair organized by Helen Jensen and the Events Team as part of our general fundraising. This included a very successful raffle organized by Lesley Rigby and Emily Eastham raising a record £1,500.

Report of the Trustees
for the Year Ended 31 December 2025

This is just a brief outline of what has happened across the year 2025 to show how we are building on our growth and continuing to thrive, evidencing our recovery. The PCC would like to thank everyone for their support; **Everyone** is valuable in helping to make Saint Mary's what it is and in supporting its work and continued growth. In particular, the PCC wishes to express a very heartfelt 'Thank You' to some particular people, especially Revd Canon Janet Binns Revd Carol Dunk, and Revd Robert Spicer, as well as to Elaine Eastham and Sally-Anne Jarvis the Churchwardens who have steered through the interregnum. Lastly the PCC thanks all those from the community who have supported us for example Oakwood Estate Agents who sponsored the Saint Nicholas Fair and our Messy Church event and to Datchet Parish Council and the Barker Bridge House Trust Estate (non-ecclesiastical)

Conclusion

We ended the year with a joyful New Year's Eve party, followed by a simple but meaningful service of blessing to welcome in 2026. The PCC gives heartfelt thanks to all who have faithfully supported and sustained the life of the church during this time of transition, especially our churchwardens, Elaine Eastham and Sally-Anne Jarvis, for their outstanding leadership and care. We continue to trust in God's guidance and provision as we look ahead with hope.

Elaine Eastham, Sally-Anne Jarvis, Church Wardens.

FINANCIAL REVIEW

Summary of Results

In 2025 the PCC recorded a surplus of £1,306 (2024: deficit of £702). Total income was £76,689 (2024: £70,860) and total expenditure was £75,382 (2024: £71,562). The improvement in the overall position reflects higher income from loose plate collections, hall lettings and BBHT(CB) recharge, partially offset by the absence of any legacy receipt.

Parish Share

The original 2025 Parish Share allocation was £39,829 with a 10% discount applied in recognition of the vacant incumbent position until October 2025. The PCC was able to pay £15,392, leaving an outstanding balance of £12,208 against the revised allocation. The diocese and Deanery were involved in the process required to reduce payments. The PCC notes that the Parish Share is a target allocation rather than a statutory obligation. With effect from January 2026 the monthly payment has been reduced to £83, with the position to be reviewed quarterly in the light of income performance. Discussions with both Diocese, Deanery new benefice are ongoing and form part of our strategic development plan of recovery through 2026.

Income

Planned giving of £20,307 (2024: £20,381) remained broadly stable. The PCC acknowledges the importance of sustaining and growing the regular giving base through active stewardship.

Loose plate collections increased to £2,577 (2024: £1,629).

Donations which include use of the Church Room totalled £7,819 (2024: £3,580). General Donation received a one-off donation of £1,500 in support of the Link magazine's advertising costs and Church Hall lettings generated £5,741 (2024: £3,323), reflecting increased community use of the facility.

Gift Aid receipts were £6,092 (2024: £5,390), reflecting the continuing benefit of eligible donors' declarations.

Legacies: no legacy was received in 2025 (2024: £10,000). The PCC has been notified by solicitors of a forthcoming legacy for 2026, though the amount is not yet known.

BBHT(CB) income was £30,808 (2024: £19,566). The Barker Bridge House Trust -Church Branch (BBHT) reimburses the PCC for costs incurred in the upkeep and maintenance of the church buildings and grounds to ensure it is fit for purpose. The increase over 2024 reflects a significantly higher level of maintenance and repair activity carried out during the year.

Expenditure

Costs outside the BBHT (CB) grant were kept under control during 2025. Items of note include:

- o Upkeep of Services: £2,976 (2024: £1,207), including £2,310 for new altar cloths.
- o Administration: £5,181 (2024: £4,191), including £652 for replacement office equipment.
- o Audit fee: £3,060 (2024: £1,680), reflecting the full year charge including the BBHT (CB) totalled £2,400, no accrual for BBHT(CB) was posted in 2024 in the Church Accounts for the recharge and therefor increased the cost in 2025.

Barker Bridge House Trust Church Branch (BBHT(CB))

All BBHT expenditure of £30,808 (2024: £19,566) is fully reimbursed by the Trust. The significant increase over 2024 was driven by two essential items of capital maintenance:

- o Roof and building repairs: £8,130 - necessary works to the church roof and fabric to maintain the building in good repair.
- o Sound system: £4,956 - replacement and upgrade of the church audio system, essential for services and community use.

These two items together account for £13,086 of the increase in maintenance costs compared to the prior year.

The Link Magazine

The Link project recorded a deficit of £68 (2024: deficit of £3,094). The substantial improvement on the prior year was due to the one-off £1,500 donation received to offset professional printing costs. Printing expenditure continues to rise year on year, and with the one-off contribution the sustainability of the current model requires review. The Link fund holds a balance of £2,710 to meet future shortfalls. The Treasurer will raise the position with the Editor and Vicar 2 items to note

- The way The LINK is published often means the printing costs are paid out before the advertisement income is received each quarter - some advertisers pay annually, some per edition:

The Parish of St Mary The Virgin,

-The LINK is operated by volunteers as a not for profit community magazine linking Church and Community together.

Outlook and Stewardship

The PCC recognises that the charity cannot rely on the generosity of a small group of regular donors remaining at current levels indefinitely. It is essential to attract new givers and to find ways of increasing income across all streams. The PCC will consider its plans for stewardship and fundraising at an early meeting in 2026, having regard to the ongoing uncertainty over Parish Share levels.

Reserves Policy

The PCC maintains unrestricted reserves at a level consistent with protecting the charity's operational viability. At 31 December 2025, unrestricted free reserves (excluding fixed assets) were £10,618 (2024: £9,244). The trustees consider this level adequate, while recognising the need for continued growth given the Parish Share obligations.

Going Concern

The trustees have carefully and with due diligence considered the charity's financial position, income projections and expenditure commitments. They are satisfied that the PCC has adequate resources to continue in operational existence for the foreseeable future and that the going concern basis of preparation remains appropriate.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The charity is governed by the Parochial Church Council Powers Measure (1956) as amended and Church Representation Rules.

Recruitment and appointment of trustees

Members of the Datchet PCC are either ex officio (Vicar and Churchwardens, any Deanery and/or Diocesan Synod representatives) or elected by the Annual Parochial Church Meeting in accordance with the Church Representation Rules.

OBJECTIVES AND ACTIVITIES

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public Benefit: running a charity (PB2)'.

Background

St Mary's is the Church for the whole parish and is open to the whole community.

The Parochial Church Council (PCC) of the Parish of St Mary the Virgin Datchet has the responsibility of co-operating with the Vicar, the Revd Darcy Chesterfield- Terry, in promoting the whole mission of the church, pastoral, evangelistic, social and ecumenical. It also has maintenance responsibilities for the Parish Church of St Mary the Virgin, The Green, Datchet, Any correspondence should be addressed to: St Mary's Vicarage, London Road, Datchet, Slough, Berks, SL3 9JW.

The Parish is a member of Churches Together in Datchet, the body that promotes ecumenical worship and activity amongst St Mary the Virgin, Datchet Baptist Church and St Augustine's Roman Catholic Church.

St Mary's is part of the "Southern Grouping" of churches (a legal Group) within the Burnham and Slough Deanery, along with Colnbrook Horton & Wraysbury, Upton-cum-Chalvey and Langley. The clergy and other lay ministers of the Southern Grouping hold regular meetings.

Committees and Task Groups

The PCC operates through a number of committees and task groups, which meet between full meetings of the PCC. Each group has a remit approved annually by the PCC. The groups are:

Standing Committee - This is the only committee that is required by law. It has the power to transact PCC business between PCC meetings, subject to any directions given by the PCC.

Stewardship Task Group - The group considers the various aspects of Stewardship and promotes, organises and collects the church's planned giving. The Stewardship Recorder records the planned giving.

Fundraising Group - The group focuses specifically on fundraising through raffles and events, etc. It complements the efforts of the Stewardship Task Group (who focus on planned, regular giving), and works in collaboration with them.

Youth Task Group - The group seeks to promote ministry amongst young people and children in the church, including Sunday School, Pram Service and youth groups.

Worship and Study Task Group - The group supports various aspects of worship and study.

Mission and Social Responsibility Task Group - The group seeks to promote mission and social action by the congregation of St. Mary's. It is responsible for fostering our links with the missions and charities which the church supports. It also makes recommendations to the PCC on how to direct its external giving.

The Pastoral Care Group - This group is responsible for helping the Vicar with the pastoral care of members of the congregation and the wider parish.

Repairs and Maintenance Task Group - The group is responsible for advising the PCC on the repair and maintenance of the fabric of the church and informing the PCC of works required and completed. In particular to respond to the recommendations of the Quinquennial inspection.

Friends of St Mary's - This is a group that provides financial and moral support for the work of St Mary's in the community.

Leadership Team - This group consists of six members (inclusive of the Vicar) and is tasked with implementing the Church's Vision and providing leadership alongside the Vicar. It is accountable to the PCC and reports to each PCC meetings.

ACHIEVEMENT AND PERFORMANCE

Overview

Following the resignation of the incumbent in September 2023, St Mary's has continued to press forward with faithful resilience and commitment. Day-to-day church life has carried on with regular Bible study, community involvement, and a growing partnership with other churches in the area. In the Autumn work to create a parish profile that reflects the formation of the new Benefice of Eton, Eton Wick, Dorney, and Boveney began. A welcome gathering was held to help members of the new benefice get to know one another and begin building a shared identity.

Church Services and Activities

Our weekly 9.30am Parish Eucharist continues to be a central part of church life, alongside a monthly informal service. Evensong is held monthly and has been enriched by the involvement of an expanding choir, including singers from surrounding areas. We were delighted to welcome Revd Carol Dunk in June 2024, appointed as the Deanery Associate Minister. She has made a significant contribution, particularly through her monthly visits to Eton House, and has been warmly received by the congregation.

Pastoral Reorganisation / New Benefice

In the past year, we advertised for a new incumbent for the joint benefice of Datchet, Eton, Eton Wick, Dorney, and Boveney. Although the interview process did not result in an appointment, we remain prayerful and hopeful that God will provide the right person to lead and unite our churches into this next season of ministry.

Finances

The financial position at the start of the year was a significant concern, prompting the PCC to re-evaluate what was sustainable and necessary. To help us navigate this, the PCC spent a dedicated session with Joshua Townson, the Diocese's Generous Giving Advisor, who guided us through several key areas seen below:

- Explaining Need

Clearly communicating the financial needs of the church to the congregation in a transparent and honest way.

- Building Trust

Creating a culture of openness and accountability so that members feel confident in how their contributions are being used.

- Inspiring People

Sharing stories and vision that motivate the church community to support God's work financially and joyfully.

- Discipling Members

Encouraging a biblical understanding of stewardship and generosity as part of discipleship and spiritual growth.

- Embedding Generosity

Making generosity a regular and integral part of church life rather than a one-off appeal or response to crisis.

- Activating Generosity

Providing practical ways for people to give-financially, with time or skills-making it easier for everyone to participate.

This session was both encouraging and challenging. We recognise the importance of revisiting these principles and taking them forward, particularly once a new incumbent is in place to help lead this work.

Pastoral Care

Pastoral ministry has been especially challenging in the absence of a vicar. However, our churchwardens and members of the congregation have stepped up with great dedication to ensure that care and support continue. Datchet remains a close-knit community, and it is evident that the church's presence and pastoral outreach are deeply appreciated.

Schools, Community and Outreach

"Open the Book" continues to be well-received at the local primary school, and our Messy Church gatherings at Easter and Christmas have been joyful occasions. There is real potential to expand this work into a broader family ministry. We are also grateful for the ongoing positive relationship with Churchmead, the local secondary school, which provides further opportunities for engagement and witness. We are also blessed by all the local schools making use of the church for their Christmas and Easter end of term services.

Wardens Report

It has been a busy year so far due to the interregnum process and the non-appointment of a new incumbent. However, we have had numerous events to ensure the congregation are included in steering Saint Mary's forward. Over the past year Sally Anne has been organizing the lay services service plan with myself and Helen supporting, these have been well attended with similar attendance to that of the regular Sunday worship.

The bible groups are still thriving which supports our spiritual development.

We have identified the risks to Saint Mary's and our finances and taken steps to mitigate this by inviting the Diocesan Generous Giving Adviser to run a workshop with the PCC where a basic strategy has been developed to move us forward on and support the congregation in the understanding of generous giving.

Using the Barker Bridge Funding we have been able to install phase 1 of the new sound system and are now planning phase 2 in 2025.

We have improved and strengthened relationships within the wider community such as the Stag pub and Datchet Parish Council and several of the local shops.

We have improved the social and spiritual element not just in Saint Mary's but with the wider community for example "Churches Together" services at "Eton House " care home and "Messy Church" where we have seen an increased number at each event across the year.

Volunteers from Saint Mary's have supported " Open the Book " which has proven to be a successful program at the school. We have also held several social events across the year and these include:

- Harvest Festival bring and share
- News Years Eve Celebration and blessing of the New Year by the Reverend Canon Janet Bins
- Valentine's special event celebrating friendship and fun and this was attended by church members and people from the community
- We also held a Saint Nicholas fair organized by Helen as part of our general fundraising including, a very successful raffle organized by Lesley and Emily
- In the year we also held a tabletop sale which was very successful, organized by the Events Team

This is just a brief outline of what has happened across the year to show how we are beginning to thrive and evidence our recovery. We would like to thank everyone for your support, you are all valuable in helping to make Saint Mary's what it is and to support its work and growth. A huge thank you to particular people, especially Janet, Carol, and Robert and to all those from the community who have supported us for example Oakwood Estate Agents who sponsored the Saint Nicholas Fair and our Messy Church event and to Datchet Parish Council and the Barker Bridge House Trust Estate (none ecclesiastical)

Conclusion

We ended the year with a joyful New Year's Eve party, followed by a simple but meaningful service of blessing to welcome in 2025. We give heartfelt thanks to all who have faithfully supported and sustained the life of the church during this time of transition, especially our churchwardens, Elaine Eastham and Sally-Anne, for their outstanding leadership and care. We continue to trust in God's guidance and provision as we look ahead with hope.

FINANCIAL REVIEW

The 2024 results show a shortfall in our ability to pay the full Parish share. The 2024 share allocation was £39,829 of which we managed to pay £24,000 leaving a shortfall of almost £16,000. With the new change in the Benefice our allocation has reduced to £27,600 for 2025. Both these allocations take into account the vacant vicar position and we will continue to receive the 10% allowance until the position is filled.

Our results would have been even worse had we not received the very generous legacy of £10,000 from Matthew Jarvis.

Income from stewardship/planned giving, church hall lettings and general fundraising improved slightly. Other fees for weddings and funerals doubled from a very low figure in 2023 when other factors influenced the number of weddings and funerals.

Costs (not covered by BBHT) were kept well under control during 2024. The only items of note were the net cost of the advertising of £571 (after donations and contributions) and expensive governance costs. I was looking at this to see if we can get someone as an individual to audit the accounts. We have now switched to local accountants in Datchet. This has resulted in a final reduced charge for Governance costs.

The Link project showed a deficit for the year as the funds in the account were sufficient to allow our regular contributors a free quarter's advertising.

The future still requires fund raising and increased stewardship to cover the new level of Parish share. The return for the tabletop sale may give a clue as to what could be done with the extra effort. Perhaps we should consider doing this on a more regular basis if we have the volunteers to cover it.

Overall, it is essential to find ways of increasing our income across the board as we cannot rely on a generous group of regular donors remaining at the level it is. We need new blood to boost the existing group for the future.

The Parish Share is based on what each Church is allocated and is a target we should be aiming to meet. However, it is not a legal requirement, and therefore allows us to continue trading as we are. In the long term, this will work against us as we attempt to find a new incumbent for the post of vicar for St Mary's.

Reserves policy

The Parochial Church Council Of The Ecclesiastical Parish Of St. Mary The Virgin Datchet maintains its reserves at a minimum level consistent with maintaining its viability. At the year end the level of unrestricted reserves excluding fixed assets was £9,244 (2023 - £6852).

Going concern

The trustees are confident that the charity will be able to see through the current uncertainty. Therefore, it is the trustee's opinion that the going concern basis of preparation of the accounts continues to be appropriate.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The charity is governed by the Parochial Church Council Powers Measure (1956) as amended and Church Representation Rules.

Structure, Governance and Management

Governing Document

The charity is governed by the Parochial Church Council Powers Measure (1956) as amended and Church Representation Rules.

Recruitment and appointment of trustees

Members of the Datchet PCC are either ex officio or elected by the Annual Parochial Church Meeting in accordance with the Church Representation Rules.

Objects and Activities

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public Benefit: running a charity (PB2)'.

Background

St Mary's is the Church for the whole parish and is open to the whole community.

The Parochial Church Council (PCC) of the Parish of St Mary the Virgin Datchet has the responsibility of co-operating with the Vicar, the Revd Darcy Chesterfield- Terry, in promoting the whole mission of the church, pastoral, evangelistic, social and ecumenical. It also has maintenance responsibilities for the Parish Church of St Mary the Virgin, The Green, Datchet, Any correspondence should be addressed to: St Mary's Vicarage, London Road, Datchet, Slough, Berks, SL3 9JW.

The Parish is a member of Churches Together in Datchet, the body that promotes ecumenical worship and activity amongst St Mary the Virgin, Datchet Baptist Church and St Augustine's Roman Catholic Church.

St Mary's is part of the "Southern Grouping" of churches (a legal Group) within the Burnham and Slough Deanery, along with Colnbrook Horton & Wraysbury, Upton-cum-Chalvey and Langley. The clergy and other lay ministers of the Southern Grouping hold regular meetings.

Committees and Task Groups

The PCC operates through a number of committees and task groups, which meet between full meetings of the PCC. Each group has a remit approved annually by the PCC. The groups are:

Standing Committee - This is the only committee that is required by law. It has the power to transact PCC business between PCC meetings, subject to any directions given by the PCC.

Stewardship Task Group - The group considers the various aspects of Stewardship and promotes, organises and collects the church's planned giving. The Stewardship Recorder records the planned giving.

Fundraising Group - The group focuses specifically on fundraising through raffles and events, etc. It complements the efforts of the Stewardship Task Group (who focus on planned, regular giving), and works in collaboration with them.

Youth Task Group - The group seeks to promote ministry amongst young people and children in the church, including Sunday School, Pram Service and youth groups.

Worship and Study Task Group - The group supports various aspects of worship and study.

Mission and Social Responsibility Task Group - The group seeks to promote mission and social action by the congregation of St. Mary's. It is responsible for fostering our links with the missions and charities which the church supports. It also makes recommendations to the PCC on how to direct its external giving.

The Pastoral Care Group - This group is responsible for helping the Vicar with the pastoral care of members of the congregation and the wider parish.

Repairs and Maintenance Task Group - The group is responsible for advising the PCC on the repair and maintenance of the fabric of the church and informing the PCC of works required and completed. In particular to respond to the recommendations of the Quinquennial inspection.

Friends of St Mary's - This is a group that provides financial and moral support for the work of St Mary's in the community.

Leadership Team - This group consists of six members (inclusive of the Vicar) and is tasked with implementing the Church's Vision and providing leadership alongside the Vicar. It is accountable to the PCC and reports to each PCC meetings.

Going concern

2022 saw a significant legacy from Gordon Murray which allowed the Church to pay the full Parish share for the year and also contribute to 2023

The trustees are confident, however, that the charity will be able to see through the current uncertainty. Therefore, it is the trustee's opinion that the going concern basis of preparation of the accounts continues to be appropriate.

Reserves policy

The Parochial Church Council Of The Ecclesiastical Parish Of St. Mary The Virgin Datchet maintains its reserves at a minimum level consistent with maintaining its viability. At the year end the level of unrestricted reserves excluding fixed assets was £6,852 (2022 - £20,773).

Financial Review 2023

2023 has been a difficult year for several reasons. From a finance point of view ,although we received 2 very welcome legacies during the year amounting to £7,500, there was still a significant deficit between the funds we received during the year and expenditure paid out. We managed to pay our full Parish share for 2023 thanks to the 2 legacies received mentioned plus the balance carried forward from last year from Gordon Murray. However that reduced our unrestricted reserves from £22,600 to £5,382 by the end of 2023, before adjustment.

At this stage the PCC thought it was prudent to start the year 2024 by reducing the monthly payment for the parish share to £500 and then reviewing it every 3 months. Also we have been carrying forward a sum of £3,500 from 2018 as a creditor for distribution of funds to 7 charities of 500 each which we have not been in a viable position to distribute. The PCC agreed to write this back into the accounts which has meant the reserves are increased to £8,852 at the end of the year.

Day to day expenditure is kept to a minimum and apart from printing costs, administrator and organist honorariums , there is very little other expenditure to cut back on which are not covered by the Barker Bridge Trust.

The one main area we need to improve is planned giving/stewardship which has dropped from £44K per annum in 2017 to just £18K in 2023. When you add the gift aid element that is a shortfall of over £31K in a year. Plenty to cover our costs without resorting to relying on legacies to pay the parish share. Somehow we need to get back to these levels in the future during these difficult times.

I have decided to retire from the position of treasurer as I will be 79 this year plus have other issues to deal with. One being my son's struggle to keep his restaurant going during these difficult times for the hospitality industry. I have enjoyed working with the PCC and other members of the St Mary's Church community.

On behalf of the Datchet PCC.

**Report of the Church Wardens
for year ended 31 December 2023**

Achievements and Performance/review of the year

During 2023 St Mary's has faced some unusual and difficult challenges in maintaining the energy, commitment and enthusiasm for sustaining development and growing all the activities undertaken, alongside regular worship, of the church in the absence of the guiding Leadership of a working incumbent being in place, but still in role. Without the focal point of knowing when they would be able to return to take up the duties and re start the stalled processes (due to both covid and extended pastoral leave), this has had a dampening and depressing effect on progress, causing parishioners anxiety and concern. This has been one of the biggest, if not the most significant of challenges and we are proud that, despite concerns, the parish has put their trust in the leadership of the Churchwardens, PCC and Area Dean and supported them wholeheartedly, evidenced by seeing new increasing energy and enthusiasm beginning to sprout new growth in the last 6 months or so. We saw a significant increase in attendance at Christmas 2023 and a gradual increase in weekly attendance to an average of 35 up from an average of 16 in 2022. Events such as Messy Church also saw an enthusiastic uptake from children of all ages from 2022.

It is fair to say that although we ended 2023 on a note of uncertainty, it was a very different type from the uncertainty we experienced on entering the year. In January 2023 we had no idea how long the extended leave was to be, or what would happen making it hard to plan further than 3 months ahead at a time. Despite this we navigated through and managed to remain on an even keel. We held some successful events – a BBQ, The St Nicholas Fayre and Raffle and Harvest Supper bring and share to name a few: These saw the people coming together in fellowship and feeling more confident as the year progressed; the sense of low energy slowly dissipating. When we ended the year it was to a different outlook entirely – although still an uncertain future it had a more familiar feel to it – one of cautious hope as we are now in a vacancy and undergoing an interregnum, this gives us a measure of being able to make some more effective decisions moving forward: Committed to God every step of the way.

Another success has been the growing attendance which has gradually been creeping up over the year. Lay Led Services were reintroduced, and presented in a Café style within a more formal framework than Café church usually offers. We were pleasantly surprised with the number of children increasing attending events and services such as Messy Christmas, the Christingle Service and the Nativity, (there were 120 in total at the Crib Service) we saw a significant increase in attendance at the Midnight Mass service the church was almost full which was extremely uplifting to see after the low numbers the previous three years.

Sadly although we have made progress through the year it has felt very much like one step forward and three back, and some of our projects have had to be placed on the back burner until we knew where we stood regarding having a minister to see them through: One of these was the Vision development, which we look forward to developing with a new minister sometime in 2024. We were delighted to welcome the Reverend Samson Kuponiya, who came to help out initially for three months, but this was extended for a few more. His quiet but powerful spirituality and presence brought new life and hope into our church life and complimented the ministry of Reverend Canon Janet Binns the Area Dean perfectly.

We continued to have a good relationship with the young men from The Manor Hotel Asylum. They demonstrated a true faith and resilience in being tested by God, and taught us a lot about both. They have enriched our own experience of 'being church' and have been fully embraced into the family and life of St Mary's.

Finances

Until very recently St Mary the Virgin has a proven track record of delivering on a strong commitment to stewardship and giving. We signed up to the Parish Giving Scheme in 2017 and pre-covid had a high percentage of sign up – @ 90% with a number of the remaining being committed to giving through Pledged Giving envelopes: Post covid and departure away from the village of two treasurers in five years, combined with the extended pastoral leave, interrupting the routines around Stewardship has had the slow but gradual impact of reducing our income and are now finding it this area has become one of our most significant challenges and a key priority to be addressed to mitigate any risks this may bring: We have taken steps to address this already. Alongside developing an events programme with both social and fundraising elements, looking at how to reestablish the Annual Pantomime for 2025 (one of our biggest success in both social and financial outcomes in previous years). We have invited the Diocesan Generous Giving Advisor help us assess, plan and implement a robust strategy to move forward and get back on track to return to a well-supported and effective Stewardship of our resources—human, assets (including volunteer time) as well as financial.

Up to the end of 2023, we managed our Share payments in full each year. However this was with the welcome receipt of several legacies with our current position, the forecast is that for 2024 we will struggle to meet the full amount. Despite this, we are still able to pay 'Caesar' the majority of what is owed through the great blessing having the Barker Bridge House Trust Ecclesiastical Branch. This means we are to be able to plan works, meet the Quinquennial schedule, other repairs and maintenance as required, and to currently pay off the increasingly rising costs of utilities such as heating, energy use and similar through this fund. We are aware of how fortunate this Trust has made us and give thanks that it has been a particular blessing in helping us navigate through the past few years. We were also able to replace the totally inadequate and non-functional sound system with this in 2023.

We wish to thank the Revd Canon Janet Binns, our Area Dean who has been tireless and extremely supportive, wisely guiding the PCC and our congregation through the challenges faced.

Report of the Trustees for year ended 31 December 2022

Structure, Governance and Management

Governing Document

The charity is governed by the Parochial Church Council Powers Measure (1956) as amended and Church Representation Rules.

Recruitment and appointment of trustees

Members of the Datchet PCC are either ex officio or elected by the Annual Parochial Church Meeting in accordance with the Church Representation Rules.

Objects and Activities

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public Benefit: running a charity (PB2)'.

Background

St Mary's is the Church for the whole parish and is open to the whole community.

The Parochial Church Council (PCC) of the Parish of St Mary the Virgin Datchet has the responsibility of co-operating with the Vicar, the Revd Darcy Chesterfield- Terry, in promoting the whole mission of the church, pastoral, evangelistic, social and ecumenical. It also has maintenance responsibilities for the Parish Church of St Mary the Virgin, The Green, Datchet, Any correspondence should be addressed to: St Mary's Vicarage, London Road, Datchet, Slough, Berks, SL3 9JW.

The Parish is a member of Churches Together in Datchet, the body that promotes ecumenical worship and activity amongst St Mary the Virgin, Datchet Baptist Church and St Augustine's Roman Catholic Church.

St Mary's is part of the "Southern Grouping" of churches (a legal Group) within the Burnham and Slough Deanery, along with Colnbrook Horton & Wraysbury , Upton-cum-Chalvey and Langley. The clergy and other lay ministers of the Southern Grouping hold regular meetings.

Committees and Task Groups

The PCC operates through a number of committees and task groups, which meet between full meetings of the PCC. Each group has a remit approved annually by the PCC. The groups are:

Standing Committee - This is the only committee that is required by law. It has the power to transact PCC business between PCC meetings, subject to any directions given by the PCC.

Stewardship Task Group - The group considers the various aspects of Stewardship and promotes, organises and collects the church's planned giving. The Stewardship Recorder records the planned giving.

Fundraising Group - The group focuses specifically on fundraising through raffles and events, etc. It complements the efforts of the Stewardship Task Group (who focus on planned, regular giving), and works in collaboration with them.

Going concern

2022 saw a significant legacy from Gordon Murray which allowed the Church to pay the full Parish share for the year and also contribute to 2023

The trustees are confident, however, that the charity will be able to see through the current uncertainty. Therefore, it is the trustee's opinion that the going concern basis of preparation of the accounts continues to be appropriate.

Reserves policy

The Parochial Church Council Of The Ecclesiastical Parish Of St. Mary The Virgin Datchet maintains its reserves at a minimum level consistent with maintaining its viability. At the year end the level of unrestricted reserves excluding fixed assets was £20,773 (2021 - £11,150).

The Parochial Church Council Of The Ecclesiastical
Parish Of St. Mary The Virgin Datchet

Report of the Trustees for year ended 31 December 2022

Financial Review 2022

2022 has been dominated by the receipt of a very generous legacy from Gordon Murray plus 3 smaller ones from Valerie Butler , Brenda Sanctuary and Bill Middlemass . This has allowed us to pay the full Parish Share for the year. Valerie Butler’s £1K is restricted to the cleaning of the lecturn on a regular basis. The legacy from Gordon Murray includes £9K for outside giving and should not be used for the running of the Church. However that still leaves a balance of £27K for day to day Church use of which £10K was used to pay the balance of the 2022 Parish share .

Planned giving continues to fall significantly with another annual reduction of £5K together with the gift aid of £1.2K. Also income from weddings and funerals fell by £2K even though 4 weddings were included. This means funeral funeral income dropped significantly which must be in many ways a blessing! The sumup machine does not seem to be being used even though it was available through much of the Christmas period. Taking out the legacies (which we cannot rely on every year) there is a shortfall of £22K. Were we able to go back 4 years the planned giving would have covered this amount!

The costs side are under control insofar as there is not much we can save on. The main cost of administration relates to the printing expenditure with the printer being the main contributor.

2023 should see us receive further legacies of £7.5K but will still leave us with a deficit of £10K to £11K for the year if there is no improvement in the planned giving. My belief is we should be covering our basic costs on an annual basis without relying on legacies however welcome they are. We do have the benefit of BBHT covering the fabric costs of the building and grounds. Currently we receive a 10% reduction on our Parish share due to the incumbent being on sabbatical.

The Friends of St Marys group has been disbanded as far as I can understand although there is a balance of over £1,500 in the account.

We really must do more to raise regular funds for the future years.

On behalf of the Datchet PCC.

The Parochial Church Council Of The Ecclesiastical Parish Of St. Mary The Virgin Datchet

Report of the Vicar for year ended 31 December 2022

Achievements and Performance/review of the year

This report is written from the perspective of the Area Dean in the absence of the Incumbent Revd Sara Chesterfield -Terry.

I am mindful that the annual report is about looking back over the past year, marking much that has been done well and thanking those who serve our parishes and our communities. With this in mind I want to start by saying how immensely grateful I am to our Churchwarden, Parish officers, Treasurer, PCC Secretary and members of our PCCs, thank you all for soldiering on, for your wisdom and commitment in what has been a difficult and challenging year. I am also deeply grateful for those members of the church, who behind the scenes, usually unseen and unsung, carry out the thousand and one tasks to be done. In music, flowers, churchyards, dusting and cleaning, visiting and tasks of administration, we work together to build the kingdom.

However, writing this report is difficult because as I look back over the year so much has happened which has made it both financially and spiritually challenging for us all. For much of the year it was noticeable that the incumbent was struggling to cope in managing the various strands of Ministry. In October last year the announcement came that they would be transitioning from male to female and would take leave of absence for a period of initially four months. During this time, I have spent quite a lot of time and energy simply 'managing' the process. We have had regular meetings with the Archdeacon and considered the impact on the parish and community. It is agreed it is not an easy task, but I believe we are working towards a way of keeping the church active and vibrant and as ever God is working in our midst, and we look forward with hope.

Our services

Over this uncertain time I have come to recognise that a key strength of the church is the togetherness that has been displayed in the face of adversity. The new lay led service has provided a more informal space for people to express themselves in worship and has been hugely successful. It was a delight to welcome the Iranian asylum seekers staying at the Manor hotel into our midst and a joy to baptise four of them in December. This then followed with preparation for confirmation to take place in February 2023. There has not been many other Baptisms and we seem to no longer attract enquiries for weddings at the present time. This is an area to be worked on as we consider the future. The regular weekly services have slowly increased in numbers although 8am BCP and midweek services have largely been static with a few additional attendees occasionally.

Finances

The financial resources of St Mary's have been stretched but we were blessed to receive some considerable legacies and donations during the year. The legacy from Gordon Murray estate was a real answer to prayer and enabled the payment of the parish share in full. Sadly across the year there had been a considerable reduction in general giving overall. But we are grateful to those who have continued their regular giving enabling the Parish to cover immediate outgoings. As you can imagine the costs of running the church has gone up not down in the current economic climate which is not sustainable. There is a limit to how long the current income will be able to keep the parish operating with a full time incumbent in the future. It is clear the PCCs will face some significant challenges during 2023 and must consider how to increase the level of fundraising activities as well as look at other means to rejuvenate stewardship and ensure the parish continue to function as a going concern.

Our church building and churchyard

I am always mindful that the outside of our churches, including our churchyards, speak a message to passers-by, a tidy churchyard speaks of a place that is loved and valued. A clean church tells of people who care about this sacred space. Such things proclaim the Gospel – and usually to more people than will ever listen to a sermon. Sadly, a number of issues came to light when the Deanery inspection took place but I am grateful that the churchwarden and others took immediate action to tidy the church which has made a huge difference to the appearance and comfort of the congregation. I am also grateful to those who clean or arrange flowers, perform the role of sacristy and open the church for services - you are proclaiming the Kingdom.

The Bridge café and other Charites

It's been encouraging to see the Bridge go from strength to strength in what for some has been a tough time. Huge thanks to those involved especially to Caroline Sands who organises rotas and oversees the day to day running of the cafe. Sadly time has not allowed me to be engaged with other charities attached to the church but I am grateful to others who attend meetings and represent the church on committees such as the Barker Bridge trust and the Datchet United charity.

Local schools

Throughout the year there has been some assemblies and local schools have visited St Mary's for services at Easter and Christmas it was good to have a full church with the local uniformed organisation at the Remembrance Sunday service. It is recognised that we need to strengthen our contact with the schools especially the Church of England schools in the area.

There continues to be many challenges ahead, but I believe the Spirit is working among us, enabling the Gospel to be proclaimed powerfully throughout our worship and celebrations. This demonstrates our flexibility as human beings when we support each other through adversity. Let's pray that with God's help this will continue well into the future.

Structure, Governance and Management

Governing Document

The charity is governed by the Parochial Church Council Powers Measure (1956) as amended and Church Representation Rules.

Recruitment and appointment of trustees

Members of the Datchet PCC are either ex officio or elected by the Annual Parochial Church Meeting in accordance with the Church Representation Rules.

Objects and Activities

Background

St Mary's is the Church for the whole parish and is open to the whole community.

The Parochial Church Council (PCC) of the Parish of St Mary the Virgin Datchet has the responsibility of co-operating with the Vicar, the Revd Darcy Chesterfield- Terry, in promoting the whole mission of the church, pastoral, evangelistic, social and ecumenical. It also has maintenance responsibilities for the Parish Church of St Mary the Virgin, The Green, Datchet, Any correspondence should be addressed to: St Mary's Vicarage, London Road, Datchet, Slough, Berks, SL3 9JW.

The Parish is a member of Churches Together in Datchet, the body that promotes ecumenical worship and activity amongst St Mary the Virgin, Datchet Baptist Church and St Augustine's Roman Catholic Church.

St Mary's is part of the "Southern Grouping" of churches (a legal Group) within the Burnham and Slough Deanery, along with Colnbrook Horton & Wraysbury, Upton-cum-Chalvey and Langley. The clergy and other lay ministers of the Southern Grouping hold regular meetings.

Committees and Task Groups

The PCC operates through a number of committees and task groups, which meet between full meetings of the PCC. Each group has a remit approved annually by the PCC. The groups are:

Standing Committee - This is the only committee that is required by law. It has the power to transact PCC business between PCC meetings, subject to any directions given by the PCC.

Stewardship Task Group - The group considers the various aspects of Stewardship and promotes, organises and collects the church's planned giving. The Stewardship Recorder records the planned giving.

Fundraising Group - The group focuses specifically on fundraising through raffles and events, etc. It complements the efforts of the Stewardship Task Group (who focus on planned, regular giving), and works in collaboration with them.

Youth Task Group - The group seeks to promote ministry amongst young people and children in the church, including Sunday School, Pram Service and youth groups.

Worship and Study Task Group - The group supports various aspects of worship and study.

Mission and Social Responsibility Task Group - The group seeks to promote mission and social action by the congregation of St. Mary's. It is responsible for fostering our links with the missions and charities which the church supports. It also makes recommendations to the PCC on how to direct its external giving.

The Pastoral Care Group - This group is responsible for helping the Vicar with the pastoral care of members of the congregation and the wider parish.

Repairs and Maintenance Task Group - The group is responsible for advising the PCC on the repair and maintenance of the fabric of the church and informing the PCC of works required and completed. In particular to respond to the recommendations of the Quinquennial inspection.

Friends of St Mary's - This is a group that provides financial and moral support for the work of St Mary's in the community.

Leadership Team - This group consists of six members (inclusive of the Vicar) and is tasked with implementing the Church's Vision and providing leadership alongside the Vicar. It is accountable to the PCC and reports to each PCC meetings.

Going concern

The Coronavirus pandemic is creating significant uncertainty and the charity is not immune to this although, at this stage, it is not possible to reliably forecast what the long-term impact of this may be.

2021 has seen a significant legacy received which will see the Church through and beyond the end of 2021 by which time the PCC will expect normal fund raising activities to resume into 2022. Also we are covered for any costs incurred for the fabric of the Church and grounds by the Barker Bridge House Trust. Whilst the Parish Share is payable and forms a significant proportion of our costs, it is not a legal requirement. However the longer term consequence of short paying could be the loss of a fulltime vicar for St Mary's.

The trustees are confident, however, that the charity will be able to see through the current uncertainty. Therefore, it is the trustee's opinion that the going concern basis of preparation of the accounts continues to be appropriate.

Report of the Trustees for year ended 31 December 2021

Financial Review 2021

Income

Planned giving reduced by £3,200 for the year compared to last year with plate giving at the same level.

Donations general and church room ended up £700 higher. It may be prudent to advertise this facility more heavily in the future through the Link.

General fund raising dropped a little, simply because 2020 included the surplus from the pantomime early in 2020 which was not repeated in 2021 but we did have a very successful Christmas event at the end of 2021.

We were extremely fortunate to receive the legacy of £10,000 from Pat Pierson.

Fees for weddings and funerals more than doubled year on year increasing by more than £4,200.

Donations to the Friends of St Mary's remained at similar levels although no funds were distributed from this account so the balance has climbed to £1,256 by the year-end.

BBHT re-imbursement dropped significantly in line with reduction in costs covered by the fund.

Expenditure

Bank fees have increase form £5 per month to £8.

Parochial Fees have followed the doubling of the weddings and funerals receipts.

The giving to the Congo mission was the last payment to be allocated/designated.

Ministry parish share was reduced by £13,365 as was agreed with Oxford Diocese.

Parish administrator and organist payments have not increased for at least 2 years.

The majority of the other costs were either covered by the BBHT or in line with what was expected.

There was a shortfall on the Link account as we had sufficient funds in the bank to reduce the cost to some of the advertisers.

Overall

Income exceeded expenditure by £4,892 thanks to receiving the very generous legacy mentioned. We must try to reverse the continued fall in the planned giving. It has been dropping by about £3k pa for the last 3 years. I understand a drive is to take place in 2022 to try and arrest and reverse decline. Also look for opportunities of raising funds through other means especially use of the excellent Church Hall.

On behalf of the Datchet PCC.

**Report of the Vicar
for year ended 31 December 2021**

Achievements and Performance/review of the year

Thank-you all for coming as we reflect on the last year, on all that we have been through as community and how we have grown as a family.

The beginning of this period we were in the middle of COVID and with a variety of every changing restriction, relaxations, and retractions.

Thanks to the hard work of the Elaine as Churchwarden, and the PCC, as well as everyone who helps thing to run smoothly, the church has responded in an amazing manner to all the challenges that have been thrown at it. We are seeing growth in attendance and growth in individual faith. Including seeing folk baptised and confirmed.

As we approach something resembling the pre-covid days, I'd like to thank you all for your flexibility and understanding. It was deeply frustrating at times, at other times the do's and don'ts felt arbitrary and peculiar, but we held together, socially distanced of course, and came out the other side.

Schools

For most of 2021 the schools were not allowing visitors or visiting to occur, I was however able to lead collective worship via recordings as well as suitably distanced services recorded for Churchmead. We have also delighted in welcoming the schools back into church.

Community

Closing the church doors in 2020 was tough and it was good to be able to open then in a limited manner during 2021. It would be good to be able to return to having an open church.

The larger civic services, such as Remembrance, has to be changed at very short notice, but luckily thanks to the good will of various members of the community an online service was able to be produced as well as a brief act of remembrance.

Sadly, we weren't able to have the St Nicholas Fayre or Pantomime.

Parish planning

We have been awarded funding to recruit a youth worker and schools' chaplain and having interviewed and offered the role to an able candidate, the candidate accepted and later declined the role. I will be working with Churchmead and the diocese to try and recruit a suitable person.

In September all are to be invited to an away day to reflect on where God is calling his church to go forward. Please do make every effort to attend as this will be shaping our mission and outreach going forward.

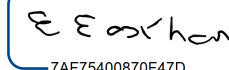

Finances

I don't wish to step on Mike's report, but we do need to think about how we give to the church, the church only offers what it does through the generosity and kindness of the regular giving of you. To give to the church is a Christian obligation and important. I wish to thank all who donate, those who have setup regular giving and those who give occasionally. The inflation crisis will be a challenge, but please do be as generous as you are able.

Looking forward

Looking forward to the next year I am filled with great hope for all that we are able to do together. We are preparing for a unique event, the celebration of the Queen's Platinum Jubilee. We will continue to gather and give prayer and praise to God. We will continue to show God's love unconditionally to each other and to all who live and work in Datchet. We will be the light of Christ in the world. There will be challenges but by working together love will overcome all.

Independent Examiners Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Company's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose.
