NOTES ON FINANCIAL STATEMENTS - 31st March 2021

1 Accounting policies**ACC320** Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (Effective April 2008)

ACC321 Turnover

The turnover shown in the surplus & deficit account represents revenue earned during the period, exclusive of VAT

ACC322 Tangible fixed assets Depreciation

Depreciation is provided, after taking account of any grants receivable, at the following annual rates in order to write off each asset over its estimated useful life.

Freehold buildings 2% on cost or revalued amounts, **Plant and machinery** 15% on cost, **Fixtures and fittings** 10% on cost, **Motor vehicles** 20% on cost. No depreciation is provided on **freehold land**

ACC323 Intangible fixed assets

Intangible fixed assets (including purchased goodwill and patents) are amortised at rates calculated to write off the assets on a straight basis over their estimated useful economic lives, not to exceed twenty years. Impairment of intangible assets is only reviewed where circumstance indicate that the carrying value of an asset may not be fully recoverable.

ACC324 Stocks

Stocks and work-in-progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Fixed Asset Investments

Fixed Asset Investments are stated in the balance sheet at cost less any provision made for impairment in value. Such investments are classified as current assets when regarded as available for sale.

Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter. The interest element of these obligations is charged to the surplus and deficit account over the relevant period. The capital element of the future payments is treated as a liability. Rentals paid under operating leases are charged to the surplus and deficit account on a straight line basis over the period of the lease.

Research and Development

Expenditure on research and development is written off in the year in which it is incurred.
