PURLEY UNITED REFORMED CHURCH

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 MARCH 2025

Introduction

The Elders, being the Trustees of the Church, present their annual report together with the financial statements for the year ended 31 March 2024. The trustees confirm that the annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1st January 2019) ("SORP (FRS 102)").

OBJECTIVES AND ACTIVITIES

The principal objective of the charity is the advancement of the Christian Faith for the benefit of the public in accordance with the Scheme of Union of The United Reformed Church.

The activities of the Church are to provide regular public worship for all, to promote the Christian faith, to teach the faith to all ages, to serve the community, to give pastoral care and support to members and to others in need, particularly those in sickness, distress or poverty, and to provide premises and resources for community groups and activities.

Our Mission Statement

"Living God's Love"

PURC's mission is
to live the love of God
through worship
and the service and care we give to all people and God's world
by our commitment to be inclusive
and to work for peace and reconciliation;
by being faithful Christians
and by responding to the community around us.

The above mission statement guides all the Church's activities in pursuance of its being the local congregation of the United Reformed Church in Purley.

ACHIEVEMENTS AND PERFORMANCE

The church has settled down after the disruption caused by Covid. Worship continues as normal, although numbers of worshippers have dropped a little as some members decide to stay at home and view the services on Youtube. The church community remains strong.

The building continues to be used intensively, mainly for community activities. The church maintains regular coffee mornings, and opened for longer during the winter to offer "warm space" to people affected by energy price rises.

Purley Food Hub continued to operate from the church, delivering food to those in need.

The Revd Russell Furley-Smith continued his ministry to the members and friends of the Church.

At 31 March 2025 the membership of the Church was 53. (2024: 64)

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document - Legal Structure: National and Local

The Church is a local congregation of the Southern Synod of the United Reformed Church (URC).

The governing body of the United Reformed Church is the General Assembly. The authority under which General Assembly acts is given by the resolutions passed at the Uniting Assemblies of 1972, 1981 and 2000; and the United Reformed Church Acts 1972, 1981 and 2000 enabled those resolutions to be given legal effect in relation to the finance and property of the Church.

Following the Charities Act 2006, the Trustee for the General Assembly, United Reformed Church Trust, registered as a Charity number 1133373 in December 2009.

Purley United Reformed Church was also formerly an excepted charity, but applied to be a Registered Charity also as required by the Charities Act 2006 and was accepted as Purley United Reformed Church Charity with effect from 26 August 2009 - Registered Number 1131359.

The principal object of this Charity is the advancement of the Christian faith for the benefit of the public in accordance with the Scheme of Union of the United Reformed Church.

The Church is governed by its rules originally adopted, and amended from time to time, by the Church Meeting.

The Church became a Grade 2 Listed Building on 20 May 2010.

Governing Document - Organisational Structure

The Church is governed by the Church Meeting, at which all Church Members may vote. Church Meeting appoints a number of Elders (being the Trustees) and delegates a number of its functions to the Elders' Meeting.

The Minister normally chairs both of these meetings. The Officers of the Church consist of a Church Secretary, a Treasurer and an Assistant Treasurer who are nominated by Church Members and elected by the Church Meeting. Normally Elders shall serve on the Elders' Meeting for a period of five years and shall not be eligible for re-election for one year. The Church Meeting may extend the term of office of the Secretary and the Treasurer for a further period of five years. In the case of the Assistant Treasurer, Church Meeting may extend his/her appointment for further periods of up to five years.

New Elders are appointed annually from the members of the Church.

The Finance and Stewardship Committee includes the Treasurers, several Elders and Church members and regularly reviews all aspects of the Church finances.

New and existing serving Elders (being the Trustees) are kept fully updated on the Charity Commission requirements of their duties, including through copies of the publication CC3 - "The essential trustee".

The Trustees confirm that they have had due regard to the public benefit guidance published by the Charity Commission.

Risk Assessment

The major risks to which the Church is exposed, as identified by the Elders as Trustees, have been reviewed and systems or procedures have been established to manage those risks. The onset of Covid introduced a number of new risks, which had to be reviewed continually in the light of changing guidance from the government and from the United Reformed Church.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Risk Assessment (continued)

The Church is mindful that it has been experiencing a slowly reducing membership and a congregation whose average age is increasing. The Church building is large and parts of it were built some years ago, requiring modernisation and repair work that can be expensive.

The Finance and Stewardship Committee and Elders keep both the income and expenditure of the Church under regular review and implement measures to manage the Church's resources to ensure the continuance of the Mission of the Church on the Purley site.

FINANCIAL REVIEW

The financial statements have been prepared on the going concern basis as in the opinion of the trustees there are no material uncertainties about the charity's ability to continue.

The Accounts for year ended 31 March 2025 show a deficit for the year on the General Fund of £10,760, much of which came from extensive maintenance work. Major jobs were funded from the Memorial Fund and the Repairs Reserve, but many less substantial jobs were covered by the General Fund. Expenditure on staff rose appreciably, as the church needed to employ people to cover work formerly done by volunteers.

The church continued to benefit from Richard Bosanquet's legacy and from a further £5,000 left by Revd Daphne Topple. The Bosanquet estate has not yet been wound up, and the church expects to receive a further significant sum.

Budget for the year ending 31st December 2025

The church has decided to move to a calendar year for financial reporting, so this budget is for 9 months. The budget shows a potentially large deficit, caused mainly by the need for significant maintenance work. It should be possible to pay for much of this from the Memorial Fund. The budget contains extra provision to fund outreach work to help us serve the community better and strengthen the church. The Finance & Stewardship Committee is satisfied that the church's reserves are sufficient to allay any immediate cause for concern.

The financial position of the Church at 31 March 2025 is considered to be satisfactory.

Reserves policy

Mindful of the risk assessment, the Church seeks to hold sufficient reserves on its General Fund to meet anticipated expenditure and any projected deficits for approximately two years.

Designated Funds - the purpose of each is laid down in the Notes to the Accounts and the stated reserves are ongoing. They are under control of the Elders and can be reallocated at any time with the approval of Church Meeting.

It is the intention for the Church to hold such resources here as it reasonably needs to fulfil its Mission, but not to hold more than is envisaged to be expended over a five-year period.

Restricted Funds - are held solely for the purposes laid down in the Notes to the Accounts and are held for the lifetime of each Fund and in accordance with the wishes of the donors. It is intended that the balances held on these Funds will not be more than is envisaged to be expended over a five-year period.

Trustees responsibilities in relation to the financial statements

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year that give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing the statements, the trustees should follow best practice and:

- * select suitable accounting policies and then apply them consistently;
- * make suitable judgements and estimates that are reasonable and prudent; and
- * state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements, and;
- * prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity, and enables them to ensure that the financial statements comply with applicable law, accounting standards and the Charities Statement of Recommended Practice (SORP). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
PURLEY UNITED REFORMED CHURCH**

I report to the charity trustees on my examination of the accounts of the Purley United Reformed Church (the Church) for the year ended 31 March 2025.

Responsibilities and basis of report

The Elders as Charity Trustees of the Church are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

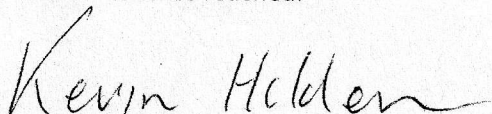

I report in respect of my examination of the Church's accounts as carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Church as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Report) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102)

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

PURLEY UNITED REFORMED CHURCH

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2025

1. ACCOUNTING POLICIES

Basis of preparation of financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', and the Charities Act 2011. The financial statements have been prepared under the historical cost convention as modified for the valuation of investments at fair value. The charity is an unincorporated trust.

The accounts are presented in pounds sterling rounded to the nearest pound.

Income

All income is recognized once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be reliably measured.

Expenditure

Expenditure is recognized once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be reliably measured.

All expenditure is accounted for on an accruals basis.

Investments

Investments are stated at their fair value at the balance sheet date. The Statement of Financial Activities includes the net surpluses and deficits arising on revaluations and disposals throughout the year.

Tangible fixed assets and depreciation

The Church buildings and manse are the properties of the Southern Synod of the United Reformed Church through the URC (Southern Synod) Trust Limited and, as they are considered as inalienable, they are not included in the accounts at any value.

Plant and equipment is included at cost, and depreciation is provided at a rate calculated to write-off the cost on a straight line basis over its expected useful economic life.

In the case of the Boilers, this has been agreed at 10 years, and these have now been written off.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

Fund accounting

Funds are classified according to the manner in which they are allowed to be spent.

Unrestricted Funds:

- The General Fund deals with funds that can be spent generally for furthering the religious and charitable work of the Church.
- Designated funds are funds which have been set aside for specific purposes but which can be returned to the General Fund at any time if Church Meeting so decides.
- Restricted funds are funds whose use is restricted according to the terms on which they were received: e.g. collections for specific causes.

Taxation

As a charity, Purley United Reformed Church is exempt from tax on income Chargeable Gains to the extent that these are applied to its charitable objects. No tax charges have arisen during the year.
