Independent Examiner's Report to the Trustees of St Francis Meir Heath & The Holy Evangelists Normacot

I report on the accounts of the church for the year ended 31st December 2021.

Respective Responsibilities of Trustees and Examiner

The Church's trustees are responsible for the preparation of the accounts. The church's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:-

Examine the accounts (under section 145 of the 2011 Act);

To follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the 2011 Act); and

To state whether particular matters have come to my attention.

Basis of Independent Examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements

to keep accounting records in accordance with section 130 of the 2011 Act; and

to prepare accounts which accord with the accounting records and comply with the Accounting records of the 2011 Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

(eg. trust deed, constitution)

Meir Heath & Normacot PCC is a corporate body established by the Church of England operating under the PCC (Powers) Measure 1956 as amended and Church Representation Rules.

How the charity is constituted
(eg. trust, association, company)

Corporate Body

Trustee selection methods
(eg. appointed by, elected by)

All PCC members are charity Trustees, the majority being elected by those on the Church's Electoral Role at an Annual Parochial Meeting held before the end of April each year. Others are members and Trustees by virtue of their position in the Parish or by election to the Lichfield Diocesan Synod.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Newly elected PCC members are introduced to their role as Trustees of a registered charity and members may attend Diocesan training events applicable to their roles. All issued with 'Trusteeship: An Introduction for PCC Members' published jointly by The Archbishops' Council and the Charity Commission. The Lichfield Diocesan Office offers high quality, professional advice to PCCs. During the pandemic, meetings were reduced in frequency and mainly held *via* Zoom.

Safeguarding training for the members of the PCC was completed according to the requirements of the Church of England and an appropriate register is maintained. No safeguarding issues were raised during the year

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The PCC's principal function is to promote in the ecclesiastical Parish the whole mission of the Church (pastoral, evangelistic, social and ecumenical).

We try to enable people to live out their faith more effectively through the Diocese's Four Primary Purposes of:

- ☐ Worship and Prayer
- ☐ Evangelism and Outreach
- ☐ Teaching and Nurture
- ☐ Social Justice and Care

In doing so, we provide a benefit to the public by:

- ☐ Providing facilities for public worship, pastoral care and spiritual, moral and intellectual development, both for our members and for anyone who wishes to benefit from what the Church offers: and
- ☐ Promoting Christian values, and service by members of the Church in and to the community, to the benefit of individuals and society as a whole.

To facilitate this work it is important for us to keep the fabric of our parish buildings and the condition of the grounds in good order.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning our activities, the PCC trustees have been aware of the Charity Commission's guidance on public benefit in *The Advancement of Religion for the Public Benefit* and have had regard to it in the administration of the Charity.

Worship and Prayer

The PCC is committed to enabling as many people as possible to worship in our churches and to become part of our parish community. We are fortunate to be able to enjoy a wide and flexible programme of liturgical worship, within the Catholic tradition. Including:

Sunday services

0800 Holy Communion (BCP) St Francis
0930 Parish Mass & Children's Church St Francis
1115 Parish Mass Holy Evangelists

Weekday services

Morning Office 09:00 Morning Prayer (Mon to Thurs) St Francis
Evening Office 17:00 Evening Prayer (Mon to Thurs) St Francis
Tuesday 09:30 Mass St Francis
Thursday 10:00 Mass Holy Evangelists
Thursday 19:30 Mass St Francis
Saturday 09:30 Mass St Francis (Advent & Lent only)

Other devotional acts of worship take place depending on the liturgical season e.g. Stations of the Cross during Lent. Owing to the ongoing Covid-19 pandemic, some of these activities were available online only, or via a mixed mode of online and in-person.

Weddings, Funerals and other rites were as arranged. Baptisms are held at 1200 noon on Saturdays or at any Sunday Mass. Confessions are heard by arrangement. All such activities were conducted in accordance with the Bishops' Guidelines and Government regulations.

Owing to the pandemic, worship activities at the School have been suspended.

Teaching and Nurture

Due to the Covid pandemic, it has not been possible to follow our usual course of educational programmes this year. Instead, although technical difficulties had to be overcome, use has been made of on-line courses, utilizing the Benefice's YouTube channel. An Advent course was presented in this way.

Evangelism and Community Outreach

The Beacon parish magazine – published monthly in-house and widely distributed across the parish community. The PCC decided that the magazine would be distributed by post, free of charge, to all who wished to receive a printed copy for the duration of the pandemic. Each edition would be available electronically to those who prefer to receive it in that format. Local companies and individuals publish adverts in the magazine. Fr David has used the **Beacon** parish magazine, through a series of monthly articles, to help the community and congregation to meet the challenges of the present crisis, as well as by providing articles on appropriate Christian topics. Occasional articles on other topics are contributed by members of the parish. Regular reflections have been emailed throughout the congregations

and occasional talks have been provided on Facebook, despite technical challenges.

The parish website – previously kept up to date, has suffered from the resignation of the previous webmaster and a replacement format is currently being considered, as too much technical knowledge is required for the current format. **A Church Near You**, maintained by the Church of England, is currently acting as a temporary replacement. Plans have been commenced with a view to replacing our current website with a more user-friendly version, permitting regular updating.

Holy Evangelists Church has suspended all social events due to the Pandemic, as of March. Worship was suspended for a period, on the Bishop's instructions, owing to the pandemic, but has been resumed, with necessary social distancing guidelines being complied with.

Social Justice and Care

We continue to support the work of **The Children's Society** and **World Vision**. We actively promote the work of **Christian Solidarity Worldwide**, as well as that of **Christian Aid**.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

St Clare's Church Centre continues to be run as a venue for a range of classes and groups. The primary group to hire the hall is a dance group, which runs classes for both adults and children.

The facility is run by the PCC, with minimal involvement from the vicar. Day-to-day running of the Centre is dealt with by the Administrator. We have successfully obtained a series of relatively small grants from the local authority for the refurbishment and enhancement of the facility. This has permitted the PCC to continue to make the facility available for hire to community groups and, owing to the reduction of council services, makes a welcome contribution to the social life of the area.

Summary of the main achievements of the charity during the year

We have continued to live out the Christian Faith in this part of our local community and have remained supportive of our many ventures. The pandemic has, alas, had a major impact on our attendance and activities and has both continuing financial impact and pastoral implications. Numbers are slowly starting to return to pre-pandemic levels of attendance. Thus, although our activities have been somewhat curtailed, we continue to survive and witness in this part of our city and county.

Section E

Financial review

Brief statement of the charity's policy on reserves

We have no cash reserves at present. Our previous investment account with HSBC has been wound up and the assets transferred to CCLA. This has successfully generated extra money for our reserves. It is the PCC's policy to closely monitor the performance of these investments. At Normacot, we received a substantial legacy, which has been invested with CCLA and continues to provide growth. However, owing to the terms of the legacy, these funds are restricted.

Details of any funds materially in deficit

None.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Aside from giving, our primary sources of income are from the letting of our premises and from the investment funds. Expenditure has been directed to the support of the charity's aims, including the maintenance of buildings, the support of worship and the employment of a Benefice Administrator on a part-time basis.

A very generous legacy (£70 000) was left to the Benefice to be spent at the discretion of the Vicar for the spiritual benefit of parishioners at Normacot. So far, this has been used to cover transport costs to enable those at a distance to continue to attend church services there.
