MADRASAH IMAM BUKHARI
TRUSTEES' REPORT
FOR THE YEAR ENDED 31ST AUGUST 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st August 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Madrasah Imam Bukhari aims to advance the religion of Islam by providing Islamic education in accordance with the sunni school of thought.

Public benefit

The School provides language and citizenship classes as well encouraging the students to promote racial and religious harmony.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Although the school has managed to successfully complete another year due to the Covid-19 crisis students were unable to sit the end of year assessments. However teaching continued through an online remote basis.

The school provides a unique teaching system with continual assessment for its students and teaching staff. Where on a weekly basis a teaching plan is given to individual teachers and at the end of the week the students are assessed on what they have been taught through the teaching plan.

The school has a tailored syllabus for its eldest students 12 to 13 year olds where the syllabus is drawn up according to relevance rather than the norm of working through teaching books.

The adult women classes introduced last year which run 4 days a week continued in the year, these were provided on a voluntary basis.

FINANCIAL REVIEW

Reserves policy

The school runs a minimum reserves policy with an aim to offset costs and keep a modest surplus.

The school has had a lower uptake of new students and those completing studies, as well as a number of parents who through financial hardship have been unable to pay fees, which has reflected in lower fee income.

The current situation with Covid-19 has meant that the madrasah had to be closed to students since late March 2020, with teaching taking place on a remote online basis. Unfortunately with the students not being onsite a considerable number of student fees were not received meaning it could not sustain ongoing costs. The madrasah had to make the difficult decision of temporary closure in late May 2020 to the end of August 2020 intending to resuming for the new academic year in September 2020. However with the continued Covid-19 situation and government guidance and risk assessment the madrasah continued to teach online.

Despite the Covid-19 related issues and financial difficulties the madrasah was able continue meeting costs through the support of donations and government grants.

FUTURE PLANS

The Madrasah is planning to increase its intake of students for the future and utilize the spare capacity and taking admissions for a nursery class.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
