Mainly in the Scottish Borders to home sighthounds and we have also helped place other breeds of dogs with them when members of the public have contacted us for help. We have permanently accommodated any dog that are not suitable for rehoming.

Trustees' Annual Report for the period

From 29 June 2023 – 28 June 2024

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To relieve the suffering of Greyhounds, Lurchers and Whippets by providing necessary care and temporary shelter and by placing them in suitable homes. To advance the education of the public in the care of Greyhounds, Lurchers and Whippets.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Connections with the public and information about the dogs in our care were conveyed via social media and our website. Home checks are carried out to ensure dogs and owners/homes are appropriately matched. Advice prior to and after adoption was offered to the public either through a virtual platform or over the phone. The cost of living crisis is affecting the volume of potential owners coming forward. The cost of living has also been partly responsible for more dogs than in previous years have being returned to us. We also have had a slightly higher intake of sight-hounds that have been living as pets with owners who find themselves no longer able to care for their dog. Other animal rescues are also struggling to accommodate dogs and this is putting pressure on our charity to offer dogs within our catchment breed a shelter space. We are still liaising with other rescues in the hope that the situation improves.

		We have maintained a strict policy of never euthanising a healthy dog by accommodating dogs that would be difficult to rehome within the Greyhound Rescue North East team, in foster placements or permanent residence at our kennels.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Trustees have had regard for the Charity Commission's public benefit guidance. This is demonstrated by the support provided to ensure that healthy dogs are rehomed and those unsuitable for rehoming are cared for. FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From 29 June 2022 – 28 June 2023

Charity name: Greyhound Rescue North East

Charity registration number: 1131609

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To relieve the suffering of Greyhounds, Lurchers and Whippets by providing necessary care and temporary shelter and by placing them in suitable homes. To advance the education of the public in the care of Greyhounds, Lurchers and Whippets.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Connections with the public and information about the dogs in our care were conveyed via social media and our website. Home checks are carried out to ensure dogs and owners/homes are appropriately matched. Advice prior to and after adoption was offered to the public either through a virtual platform or over the phone. The cost of living crisis is affecting the volume of potential owners coming forward. The cost of living crisis has also been partly responsible for more dogs than in previous years have being returned to us. We also have had a slightly higher intake of sight-hounds that have been living as pets with owners who find themselves no longer able to care for their dog. Other animal rescues are also struggling to accommodate dogs and this is putting pressure on our charity to offer dogs within our catchment breed a shelter space. We are still liaising with other rescues in the hope that the situation improves.

		We have maintained a strict policy of never euthanising a healthy dog by accommodating dogs that would be difficult to rehome within the Greyhound Rescue North East team, in foster placements or permanent residence at our kennels.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Trustees have had regard for the Charity Commission's public benefit guidance. This is demonstrated by the support provided to ensure that healthy dogs are rehomed and those unsuitable for rehoming are cared for. The charity continues to offer advice and support to the public to increase knowledge of animal welfare and offer additional support as required.

Policy on grant making	Para 1.38	Not Applicable
Policy on social investment including program related investment	Para 1.38	Not Applicable
Contribution made by volunteers	Para 1.38	The founder of the charity is our main volunteer. His contribution is fundamental to the care of the dogs and the day-to-day running of the charity. He also provides the kennelling facilities to house the dogs free of charge. 4 volunteers help with work at the kennels and 1 of these volunteers also runs the Instagram account. 1 volunteer helps with the Facebook account and prepared the 2020-2021 accounts. 2 volunteers support admin and purchasing for the kennels.
Other		Trustees oversee the running of the charity, assist with all aspects related to caring for and homing the dogs, and are responsible for all administration, Facebook, banking and accounts, website and marketing, and fundraising

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	56Sight-hounds, 5 greyhounds and 6 lurchers, were homed directly from Greyhound Rescue North East during the period 29 June 2022 – 28 June 2023.

Achievements against objectives set	Para 1.41	Covered in summary of achievements.
Performance of fundraising activities against objectives set	Para 1.41	Collection tubs Calendars. Pets at Home, at very short notice, stopped supporting us as their charity of the year midway through the year to support Pets Pantry, a small unregistered charity providing food to people who can't afford to feed their pets. According to their Facebook page, this charity paused operations September 2023. We have not contacted Pets at Home to reapply for charity of the year status because of the abrupt way they ended our relationship. The cosmetics store Lush contacted us at the beginning of 2023 to ask if they could support us with their charity pot. We initially declined due to lack of volunteers to attend the in-store event. However we managed to enlist some volunteers to help and liaised with the Newcastle Eldon Square store to set up the fundraiser day. On the morning we were due to attend the store we received an email saying we could not be part of their charity fundraisers because we are a greyhound rehoming charity and Lush are opposed

		to Greyhound racing.
Investment performance against objectives	Para 1.41	Not Applicable.

Para 1.17 and 1.19	Connections with the public and information about the dogs in our care were conveyed via social media and our website. Advice prior to and after adoption was offered to the public either through a virtual platform or over the phone. During the Covid-19 pandemic Dogstrust were in need of dogs for their rehoming centres. We facilitated the handover of 72 dogs directly from the trainers to Dogs Trust. Unfortunately Dogstrust have not been able to take in dogs we have requested placements for since the lockdowns ended. Other dog rescues are also struggling to accommodate dogs and this is putting pressure on our charity to offer dogs a shelter space. We are still liaising with other rescues in the hope that the situation improves We have maintained a strict policy of never euthanising a healthy dog by accommodating dogs that would be difficult to rehome with the Greyhound

A description of the principal risks facing the charity	Para 1.46	The concerns regarding dogs being returned to the charity post Covid-19 restrictions proved to be unnecessary. Proportionately, taking into account the number of dogs that went out, dogs being returned was no higher than normal. Fewer dogs are being homed than before and during lock-downs. This could be due to vast amount of people who adopted during lock-downs. It could also be due to the cost of living price rises. The kennels always run the risk that we could have an excess of dogs who are difficult or unsuitable to home to the public.

CHARITY COMMISSION
FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From 29 June 2020 – 28 June 2021

Charity name: Greyhound Rescue North East

Charity registration number: 1131609

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To relieve the suffering of Greyhounds, Lurchers and Whippets by providing necessary care and temporary shelter and by placing them in suitable homes. To advance the education of the public in the care of Greyhounds, Lurchers and Whippets.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Connections with the public and information about the dogs in our care were conveyed via social media and our website. Home checks of potential homes continued to take place virtually during the Covid-19 pandemic lockdowns. Measures were put in place, reviewed and changed regularly to ensure Covid-19 restrictions were being met whilst still homing dogs. Advice prior to and after adoption was offered to the public either through a virtual platform or over the phone. Due to the Covid-19 pandemic Dogstrust were in need of dogs for their rehoming centres. We facilitated the handover of 72 dogs directly from the trainers to Dogs Trust. We have maintained a strict policy of never euthanising a healthy dog by accommodating dogs that would be difficult to rehome with the Greyhound Rescue North East team, in foster placements or permanent residence at our kennels. +

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Trustees have had regard for the Charity Commission's public benefit guidance. This is demonstrated by the support provided to ensure that healthy dogs are rehomed and those unsuitable for rehoming are cared for. During the lockdown, the benefits to members of the public of caring for a pet became even more evident . The charity continues to offer advice and support to the public to increase knowledge of animal welfare and offer additional support as required.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Financial position remains viable, and an independent examiner has reviewed accounts as our income has risen above £25k for the first time this year.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	In addition to the general running costs of the Rescue, the charity endeavours to have funds to meet larger, unforeseen veterinary bills for animals in our care and those being rescued on an ongoing basis. There is a recognition that larger kennel facilities will be required in the future to meet demand and funding for this requires a build up of reserves as running costs allow.

Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	none

The kennels always run the risk that we could have an excess of dogs who are difficult or unsuitable to home to the public.
