## **Organisation**

An elected board of at least three members administers the charity.

The board meets four times a year.

A pastor is appointed by the board to manage the spiritual and the day-to-day operations of the charity. There are volunteers assisting the pastor in the administration and other areas where help might be needed.

## **Risk review**

The trustees have conducted a review of the major risks to which the charity is exposed and systems have been established to minimise those risks.

Internal procedures are established and regularly reviewed to ensure compliance at all times.

## **Responsibilities of the trustees**

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the year then ended.

In preparing those financial statements which give a true and fair view, the trustees should follow best practice and:

- . Select suitable accounting policies and then apply them consistently
- . Make judgements and estimates that are reasonable and prudent
- . State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements

- . Prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue on that basis.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and also to ensure that the financial statements comply with the Companies Act 2006.

The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Reserve Policy**

The trustees of the charity have a prudent reserve policy, conscious of the fact that the charity is not self-financing and aware that reserve must be set aside in case of funding challenges.

The trustees have adopted a policy of keeping a reserve account separately from the general funds where all activities of the organisation are run from. The trustees move unused funds into this account from time to time. The gift aid received is also kept in this account. This policy will be reviewed from time to time.

### **Grant Making Policy**

The Charity support visiting ministers of the gospel both within and outside the United Kingdom. Support is also given to RCCG central office, World evangelism mission, Festival of life and other RCCG programmes. The church support other charities and missionary that shares its objectives in advancement of Christian faith and relief of poverty. The church gives occasional grants to people/congregational members who are in need.

## **Future Development**

The charity continues to explore various ways of spreading the gospel of Christ in an effective manner. The charity is also looking to grow in membership and continue to develop its members to make life changing impact in society.

During the year the charity started a once in a month food bank out reach for the homeless. The programme has been very successful and has been a life changing experience for the attendants.
