**LONDON SCHOOL OF JEWISH STUDIES (FORMERLY JEWS' COLLEGE)****(A company limited by guarantee)****TRUSTEES' REPORT  
FOR THE YEAR ENDED 31 JULY 2022**

---

The Trustees present their annual report together with the audited financial statements of the charity for the year 1 August 2021 to 31 July 2022. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the charity qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

The London School of Jewish Studies is also referred to as "the College" and "the charitable company" throughout this report.

**Objectives and activities****a. Policies and objectives**

The charitable company's objects are the education and training of educational leaders for Jewish communities and the provision of higher Jewish learning for the laity. Since 1855, the College has fulfilled this function and today its graduates can be found serving the Jewish Community in the UK and abroad as rabbis, lay leaders, headteachers, teachers and educators. The College has a list of esteemed graduates including the late Emeritus Chief Rabbi the Lord Sacks, (former President), the late Rabbi Abraham Levy, former spiritual leader of the Spanish and Portuguese Jewish Congregation in the UK (who is also former Deputy President and was Honorary Deputy President of the College) and Rabbi Joseph Dweck (Senior Rabbi of the S&P Sephardi community and Deputy President of the College). The current Chief Rabbi, Sir Ephraim Mirvis is the President of the College.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

**b. Activities undertaken to achieve objectives**

In recent years the charitable company has broadened the scope of its activities responding to communal needs, offering a range of adult education activities with a particular emphasis on text based learning for all. In addition, the College also provides a number of Higher Education courses on the Wohl Campus for Jewish Education, including teacher training qualifications with a focus on providing teachers for Jewish schools, continuing professional development for teachers of Jewish Studies, and BA & MA degrees in Jewish Education to enable them to progress in their careers as educational leaders for the Jewish community.

The day-to-day activities and courses run at the College are attended by people of all types of religious backgrounds including Orthodox and non Orthodox Jews and those of other faith. Courses are educational and provide a broad spectrum of view in all the topics covered. Courses are advertised in the press, on the internet and through social media and are open to all regardless of ability to pay the appropriate course fee.

Our degree programmes (BA and MA in Jewish Education) and Teacher Training Programmes offer access to higher education to those wishing to gain a degree and/or Qualified Teacher Status. Some sectors of the community would otherwise not have access to higher education, some alongside employment, and when the students graduate, they teach in schools across the spectrum of the community.

Bursaries are awarded through third party gifts to students based on the degree of need and the funds available. Third party bursaries are also sourced and awarded where appropriate.

### **TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JULY 2022**

---

#### **Achievements and performance**

##### **a. Main achievements of the charity**

25 teachers achieved Qualified Teacher Status through LSJS's three teacher training programmes, as well as 7 who achieved Qualified Teacher Status through our Assessment Only programme. All achieved offers of employment in schools. This success was celebrated at a Graduation Ceremony in July.

8 students graduated from the MA programme in Jewish Education. Three BA (Hons) in Jewish Education students completed their studies.

We continued an online (distance learning) version of the MA programme in Jewish Education. This has opened the MA option to students from across the UK (unable to study in London) and around the world. In 2022, 22 students have undertaken the programme from the UK, South Africa, Austria, the Netherlands, Hong Kong, USA and Israel. They are all progressing well.

We launched our BA programme as a distance learning programme and ran the first two years online in 2021/22. The distance learning students together with the on campus BA (Hons) Jewish Education had a total of 25 students in 2021/22 and this route continues to provide a vital stepping stone towards achieving Qualified Teacher Status.

Following the introduction of more rigorous government requirements for teacher training providers in 2022, we applied to the Department for Education to be re-accredited as a teacher training provider from September 2024. Our application was successful.

In 2022, The annual National Conference for Primary School Jewish Studies teachers again welcomed, online, over 100 teachers from all over the United Kingdom and Europe. 25 different sessions were available during the day on a variety of pedagogic and educational leadership topics.

In May 2022, we held our first in-person Secondary School Jewish Studies teachers conference, for 50 participants, sponsored by UnitEd(a project of the Ministry of the Diaspora in Israel).

We continued to offer our adult education programmes both in-person and online. We upgraded our IT and installed more sophisticated cameras to enable this hybrid method of learning. Our events included interactive museum tours, 'trial' events of Biblical characters, book launches and more, benefitting from the online access to teachers overseas.

We continued to grow our campus as a hub for Jewish charities, with a particular focus on Jewish education. Over the year we have increased the number of tenants on our site and have continued working in partnership with several of them.

##### **b. Fundraising activities**

The charity manages its own fundraising activities with an in-house professional and does not employ the services of an external fundraiser or involve commercial participants.

The charity aims to achieve best practice in the way in which it communicates with donors and other supporters. It takes care with both the tone of its communications and accuracy of its data to minimise the pressure on supporters. The charity is not registered with the Fundraising Regulator but adheres to the Code of Fundraising Practice. All direct marketing is monitored to ensure it is not unreasonably intrusive or persistent. All marketing material contains clear instructions as to how a recipient can be removed from mailing lists. There were no complaints about fundraising activities during the year to 31 July 2022.

FOR THE YEAR ENDED 31 JULY 2022**

---

**Financial review****a. Reserves policy and going concern**

As explained above the charitable company carries out a diverse range of activities, some of which comprise short term and externally funded projects whilst others comprise long term projects requiring significant ongoing financial commitment and investment.

The Trustees have examined the requirement for free reserves i.e., those unrestricted funds not invested in tangible fixed assets, designated for specific purposes, or otherwise committed. The Trustees consider that, given the nature of the charitable company's work, the level of free reserves representing general fund net current assets, would ideally be approximately £400,000 equivalent to 4 months annual expenditure on unrestricted funds. The Trustees believe that this level of reserves would provide sufficient flexibility to cover temporary shortfalls in incoming resources due to timing differences in income flows, adequate working capital to cover core costs, and will allow the charity to cope and respond to unforeseen emergencies whilst specific action plans are implemented.

The level of free reserves continued to improve over the last year and the forecast for the next year is for these reserves to stay static. The College has continued to grow rental and programme income.

The charity continued all its learning, adult education classes and tours both in person and online. All learning courses have been carried on with minimum disruption and the College suffered no financial loss of income through these channels. LSJS continues to run a variety of fundraising events.

The Trustees therefore believe that the charity will continue as a going concern owing to support from its donors and the continued strong uptake in courses offered by the College.

**b. Financial performance**

The College wishes to thank all of its donors and supporters for their support.

A summary of the year's results can be found on page 13 of these financial statements. Total income £1,593,436 (2021: £1,621,501). The College incurred total expenditure of £2,108,464 during the year (2021: £1,394,996).

The balance sheet shows total funds of £961,738 (2021: £1,476,766) which includes restricted funds of £92,655 (2021: £87,626). These monies have either been raised for and their use restricted to specific purposes or they comprise donation subject to donor imposed conditions. Further detail can be found in note 20.

The unrestricted funds of the charitable company at 31 July 2022 total £869,083 (2021: £1,389,140), which includes free reserves of £Nil (2021: £432,669).

Included in other creditors is a claim for £604,000, notified by the Universities Superannuation Scheme (USS) to The London School of Jewish Studies (LSJS) relating to a former employee of Jews' College who was a member of that scheme. Jews' College (which no longer exists) was a separate legal entity to LSJS. As the employee was not employed by LSJS, it is the view of the trustees that LSJS is not liable for the USS claim.

To promote continued financial stability, the College has continued to review all expenditure, operations and functions.

**LONDON SCHOOL OF JEWISH STUDIES (FORMERLY JEWS' COLLEGE)****(A company limited by guarantee)****TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 JULY 2022**

---

**c. Principal risks and uncertainties**

The Trustees are responsible for the management of risks faced by the charitable company. They have assessed the major potential risks to which the charitable company is exposed, in particular those relating to the specific operational areas of the charitable company, its investments and its finances.

The main risks faced by the College and how these are being addressed are as follows:

- Possibility of insufficient funding to maintain an appropriate level of activity. LSJS now runs major fundraising campaigns on a yearly basis. These have proved to be very successful. Trustees also take responsibility for fundraising. While the College's free cash reserves have improved significantly, they still need to be monitored on an ongoing basis. A further budget surplus is projected for the next year.
- Possibility that both buildings on the Wohl Campus for Jewish Education, found no longer to be a safe, appropriate, comfortable and an effective base for LSJS. Health and Safety is a key focus of the Trustees and all staff within the charitable company. In addition to ensuring that LSJS complies with all legislation, appropriate sums have been spent and will continue to be spent on maintaining the building to help maintain and improve facilities and environment.
- Possibility that LSJS fails to deliver high quality outputs that meet target audience needs. LSJS has recruited high quality teachers and professional staff with a strong understanding of programme requirements and communal needs. In addition, feedback is requested from all key courses to provide further input into course development;
- Possibility that BA/MA courses are not successful due to not attracting enough students or academic institutions ceasing their relationship with LSJS.  
Relationships with universities are monitored and managed to ensure that LSJS remains a high quality, desirable partner. In addition, there is a strong focus on marketing the courses using standard marketing techniques and informal networks/ relationships. The creation of online degrees increases the pool of potential students and relationships have been developed with institutions globally to provide a pipeline.

The Trustees believe that the major risks facing the charitable company have been identified. They are continuing fundraising activities, closely monitoring levels of reserves and ensuring that adequate controls exist over key financial systems. The Trustees recognise that the charitable company's systems provide reasonable assurance that risks are being adequately managed and that systems are in place to mitigate the effects of the risks identified.

**Structure, governance and management****a. Constitution**

London School of Jewish Studies (formerly Jews' College) is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association dated 21 August 2009. The London School of Jewish Studies is also referred to within this report as the charitable company.

## **LONDON SCHOOL OF JEWISH STUDIES (FORMERLY JEWS' COLLEGE)**

**(A company limited by guarantee)**

### **TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 JULY 2022**

---

#### **Structure, governance and management (continued)**

##### **b. Methods of appointment or election of Trustees**

When new Trustees are appointed, they are given an introduction into the activities of the College and provided with all relevant information they need to fulfil their roles, which includes information about the role of trustees and charity law.

The following Trustees were in office as at the date of signing this report and served throughout the year except where shown:

Gary Phillips, Chair  
Elliot Goldstein, Vice Chair (resigned 31 July 2022)  
Leon Nahon, Treasurer  
Alan Bekhor  
Daniella Klein (resigned 14 October 2021)  
Josephine Rosenfelder  
Margaret Rothem  
Susan Nyman  
Sara Gamsu  
Bill Benjamin  
Elliot Conway (appointed 7 June 2022)  
Steven Michael Noe (appointed 22 June 2022)

##### **c. Key management personnel**

The Trustees consider that they together with the senior management team comprise of the key management of the charitable company in charge of directing and controlling, running and operating the charitable company on a day to day basis. Staff remuneration and pay is set by the Board. None of the Trustees are remunerated for their services as Trustees.

##### **d. Related party relationships**

The related party transactions which took place during the year are detailed in note 27.

##### **Plans for future periods**

A budget has once again been produced for the forthcoming year in which a surplus is projected. The Trustees intend to continue reviewing expenditure and increasing donations and commercial income wherever possible. The number of students on the BA and MA programmes will continue to rise with subsequent cohorts joining the MA online (January 2023). There is a renewed emphasis on marketing to increase the number of students on our teacher training courses. As regards the adult education programme, a new digital strategy project is underway to plan the future balance between synchronous and asynchronous content and digital delivery and distribution as well as the balance between free and paid content. There is also a drive to expand global partnerships.

##### **Members' liability**

The Members of the charity guarantee to contribute an amount not exceeding £1 to the assets of the charity in the event of winding up.

**LONDON SCHOOL OF JEWISH STUDIES (FORMERLY JEWS' COLLEGE)**

**(A company limited by guarantee)**

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 JULY 2022**

---

**Disclosure of information to auditor**

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charitable company's auditor is unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charitable company's auditor is aware of that information.

**Auditor**

The auditors, Blick Rothenberg Audit LLP, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

Approved by order of the members of the board of Trustees and signed on their behalf by:

### **STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 JULY 2022**

---

The Trustees (who are also the directors of the charity for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on its behalf by:

DocuSigned by:  
  
BA999802CBAD432...

**LONDON SCHOOL OF JEWISH STUDIES (FORMERLY JEWS' COLLEGE)**

**(A company limited by guarantee)**

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON SCHOOL OF JEWISH STUDIES  
(FORMERLY JEWS' COLLEGE)**

**FOR THE YEAR ENDED 31 JULY 2022**

---

**Opinion**

We have audited the financial statements of London School of Jewish Studies (formerly Jews' College) (the 'charitable company') for the year ended 31 July 2022 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 July 2022 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**LONDON SCHOOL OF JEWISH STUDIES (FORMERLY JEWS' COLLEGE)**

**(A company limited by guarantee)**

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON SCHOOL OF JEWISH STUDIES  
(FORMERLY JEWS' COLLEGE) (CONTINUED)  
FOR THE YEAR ENDED 31 JULY 2022**

---

**Other information**

The other information comprises the information included in the Annual report other than the financial statements and our Auditor's report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**LONDON SCHOOL OF JEWISH STUDIES (FORMERLY JEWS' COLLEGE)**

**(A company limited by guarantee)**

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON SCHOOL OF JEWISH STUDIES  
(FORMERLY JEWS' COLLEGE) (CONTINUED)  
FOR THE YEAR ENDED 31 JULY 2022**

---

**Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the company through discussions with directors and other management, and from our commercial knowledge and experience of educational charities
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including the Companies Act 2006, taxation legislation and data protection, anti-bribery, employment, Charities Act 2011 and health and safety legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested a sample of journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in the notes were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions

**LONDON SCHOOL OF JEWISH STUDIES (FORMERLY JEWS' COLLEGE)**

**(A company limited by guarantee)**

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON SCHOOL OF JEWISH STUDIES  
(FORMERLY JEWS' COLLEGE) (CONTINUED)  
FOR THE YEAR ENDED 31 JULY 2022**

---

**Auditor's responsibilities for the audit of the financial statements (continued)**

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims; and
- reviewing correspondence with HMRC.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Auditor's report.

**Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

**LONDON SCHOOL OF JEWISH STUDIES (FORMERLY JEWS' COLLEGE)****(A company limited by guarantee)****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 JULY 2022**

---

**1. General information**

The London School of Jewish Studies (formerly Jews' College) is a private company limited by guarantee, incorporated in England and Wales. The registered office is Schaller House The Wohl Campus For Jewish Education, 44a Albert Road, Hendon, London, NW4 2SJ. The charity is registered with the Charity Commission for England and Wales with charity no. 1131850.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

In the event of the charity being wound up, the member's liability in respect of the guarantee is limited to £1 per member of the charity.

**2. Accounting policies****2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

London School of Jewish Studies (formerly Jews' College) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**2.2 Income**

Income comprises donations, investment income, income from charitable activities and other income including rental income. Income is recognised in the period in which the charitable company had entitlement to the income, the amount of income can be measured reliably and it is probable that the income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount.

Income from charitable activities is made up of students fees' and amounts received from government funding agencies that relate to training and development. Income arising through providing educational courses is recognised on an accruals basis, with amounts received in advance being shown in deferred income.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

**2.3 Expenditure**

Expenditure on charitable activities includes all costs associated with furthering the charitable purposes of the charitable company through the provision of education and courses for students. Such costs include direct programme costs and support costs in respect to the operation of the charitable company including governance costs.

**LONDON SCHOOL OF JEWISH STUDIES (FORMERLY JEWS' COLLEGE)****(A company limited by guarantee)****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 JULY 2022**

---

**2. Accounting policies (continued)****2.3 Expenditure (continued)**

Governance costs are the costs associated with the governance arrangement of the charitable company and include audit costs and the costs of other necessary legal procedures for compliance with statutory requirements.

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. Expenditure comprises direct costs and support costs.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

**2.4 Going concern**

Having considered post year-end financial results and cash reserves, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

**2.5 Government grants**

Grants are accounted under the accruals model. Grants of a revenue nature are recognised in the statement of financial activities in the same period as the related expenditure. Government grants comprise amounts receivable from HM Revenue and Customs for employees under the Coronavirus Job Retention Scheme also known as the furlough scheme. These are recognised in the period in which they become receivable.

**2.6 Interest receivable**

Interest on funds held on deposit is included when received.

**2.7 Tangible fixed assets and depreciation**

Tangible fixed assets are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

**LONDON SCHOOL OF JEWISH STUDIES (FORMERLY JEWS' COLLEGE)****(A company limited by guarantee)****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 JULY 2022**

---

**2. Accounting policies (continued)****2.7 Tangible fixed assets and depreciation (continued)**

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following bases:

Freehold buildings	- Over a 50 year period on a straight line basis
Computer equipment	- Over a 5 year period on a straight line basis

Freehold land is not depreciated.

**2.8 Heritage assets**

The library collection includes a number of items of historical significance which were valued in 1998. Due to the nature of the heritage asset, depreciation would be immaterial as the collection's useful life is considered to be indefinite and therefore no depreciation is charged.

At each reporting date the charity assesses whether there is any indication of impairment. If such indication exists, the recoverable amount of the asset is determined to be the higher of its fair value less costs to sell and its value in use. An impairment loss is recognised where the carrying amount exceeds the recoverable amount.

**2.9 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account. Bank overdrafts are shown within current liabilities.

**2.10 Financial instruments**

The charity has elected to apply Sections 11 and 12 of FRS 102 in respect of financial instruments.

Financial assets and financial liabilities are recognised when the charity becomes party to the contractual provisions of the instrument.

Financial liabilities are classified according to the substance of the contractual arrangements entered into.

The charity's policies for its major classes of financial assets and financial liabilities are set out below.

**Financial assets**

Basic financial assets, including trade and other debtors and cash and bank balances are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest for a similar debt instrument. Financing transactions are those in which payment is deferred beyond normal business terms or is financed at a rate of interest that is not a market rate.

Such assets are subsequently carried at amortised cost using the effective interest method, less any impairment.

**LONDON SCHOOL OF JEWISH STUDIES (FORMERLY JEWS' COLLEGE)****(A company limited by guarantee)****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 JULY 2022**

---

**2. Accounting policies (continued)****Financial instruments (continued)****Financial liabilities**

Basic financial liabilities, including trade and other creditors and bank loans are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Financing transactions are those in which payment is deferred beyond normal business terms or is financed at a rate of interest that is not a market rate.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

**Impairment of financial assets**

Financial assets measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the statement of financial activities.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between the asset's carrying amount and the best estimate of the amount the company would receive for the asset if it were to be sold at the reporting date.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between the asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If the financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been had the impairment not previously been recognised. The impairment reversal is recognised in the statement of financial activities.

**Derecognition of financial assets and financial liabilities**

Financial assets are derecognised when (a) the contractual rights to the cash flows from the asset expire or are settled, or (b) substantially all the risks and rewards of the ownership of the asset are transferred to another party or (c) despite having retained some significant risks and rewards of ownership, control of the asset has been transferred to another party who has the practical ability to unilaterally sell the asset to an unrelated third party without imposing additional restrictions.

Financial liabilities are derecognised when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

**Offsetting of financial assets and financial liabilities**

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**LONDON SCHOOL OF JEWISH STUDIES (FORMERLY JEWS' COLLEGE)****(A company limited by guarantee)****NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 JULY 2022**

---

**2. Accounting policies (continued)****2.11 Fund accounting**

The general fund comprises those monies which are freely available for application towards meeting the charitable objectives of the charitable company at the discretion of the Trustees.

Fixed asset fund comprise the net book value of the charitable company's tangible fixed assets and heritage assets, the existence of which is fundamental to the charitable company being able to perform its charitable work and thereby achieve its charitable objectives. The value represented by such assets should not be regarded, therefore, as realisable.

**2.12 Pension costs**

The charity offers a workplace pension. This takes the form of a defined contribution scheme. Contributions on behalf of employees are recognised in the statement of financial activities in the year in which they are payable.

**2.13 Taxation**

The London School of Jewish Studies (formerly Jews' College) is a registered charity and therefore is not liable to income tax or corporation tax on income derived from its charitable activities, as it falls within the various exemptions available to registered charities.

**3. Critical accounting estimates and areas of judgement**

Judgments in applying accounting policies and key sources of estimation uncertainty

Critical accounting estimates and assumptions:

In the application of the charity's accounting policies, the Trustees are required to make judgments, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

**Key accounting estimates and assumptions**

Value of heritage assets – The heritage assets represent a collection of books in The London School of Jewish Studies library, these are mostly historic and religious texts and as such, there is a limited market for these items. The value of these items is therefore uncertain and is necessarily a Trustees' estimate based on a valuation made in 1998. At the year end the carrying amount of the heritage assets is stated in note 17. The accounting policy for heritage assets is described in note 2.8.

**20. Statement of funds (continued)****General Funds**

Fixed asset fund comprise the net book value of the charitable company's tangible fixed assets and heritage assets.

**Restricted Funds**

Library Fund had been set up for the funding of the computerisation of the library book catalogue, upgrading of the library collection and refurbishment of the physical space.

The Teaching Agency funds represented income and expenditure in relation to the Jewish Teacher Training Partnership.

The Security Grant is money given by the Community Security Trust to cover the cost of physical guarding of the premises whilst it is occupied.

The teacher training fund is money given by the Pincus Fund for Jewish Education in support of the New Teacher Training, Professional Development and Online Courses for Jewish Educators Project.

The Jewish Lives fund relates to income and expenditure on a research project funded by The Pears Family Charitable Foundation and The Maurice Wohl Charitable Foundation. The project involves a longitudinal study which follows the lives of Jewish families over time.

The Tanach Course fund relates to donations received to sponsor the Tanach Course.

The Sacks Chair and Rafi's Book Publishing fund related to student, Lecturer, Principal – Rabbi Lord Jonathan Sacks zt"l who fulfilled all these roles at LSJS (formerly Jews' College) in his rise to becoming Chief Rabbi for two decades. His impact on the Jewish People, and the world is immeasurable. This project is to honour his memory. The deep connection that Rabbi Sacks had with LSJS spans over forty years. He studied here, he taught here and ultimately, he led the institution as Principal and then President. And following his term as Chief Rabbi he became the Honorary President of LSJS. He was always fully supportive of LSJS and gave so much of his time and advice. We are immensely proud of this long-standing association and so, in his honour, this new academic Chair has been created to recognise his contribution to contemporary Jewish thought and further his teachings and approach. Rabbi Dr Raphael Zarum, the Dean of LSJS, has been appointed as the first occupant of this Chair and in this new role he will have the opportunity to teach, write and amplify many of the teachings of Rabbi Sacks.

On 31 July 2020 the Trustees passed a resolution to transfer the funds from the Freda & Victor Hockley Fund and Bradfield Graduate Programme Fund to unrestricted funds.
