The charity objectives are outlined below:

Activities of the Charity:

1) Church Planting

The Charity takes pride in its strong church planting dedicated to researching the unique dynamics of various regions across the UK. Over the past year, we have continued our pioneering efforts, successfully establishing numerous churches in key cities across the UK. Undoubtedly, training leadership for these pioneering churches presented significant challenges, but our commitment to growth and development has been unwavering. Throughout the year, our Church Planting team worked diligently focusing on the ongoing development and flourishing of these newly established churches and fellowships. Building upon the lessons and successes learned from previous years endeavors, we are proud to report substantial progress in our church planting initiatives.

2) **Youth Alive**

Youth Alive continues to be a vital and impactful ministry, providing a supportive environment in which children and young people are encouraged to develop spiritually, emotionally and personally while building a strong and meaningful relationship with Jesus Christ. The charity is supported by a highly committed and effective youth leadership team, whose dedication has significantly enhanced youth engagement across the organization. During the year, the youth department successfully delivered a series of one-day youth conferences held in various locations across the United Kingdom. The youth department has successfully organized the IAG Talent Test, wherein all the youth from IAG UK & Europe get a chance to participate and learn. The event encouraged creativity, confidence and self-expression offering a platform for the young people to discover and develop their god-given abilities.

3) **IAG Missions**

IAG Missions, a pivotal arm of the Charity is dedicated to mobilizing the local church for mission. Our primary objective is to equip and inspire members to actively engage with God's mission in every facet of their lives. This year's conference held in the city of Manchester, witnessed an overwhelming turnout, drawing large number of attendees from various cities and towns. The conference serves as a beacon of hope, welcoming individuals from diverse churches and societies, all seeking a life-changing experience. Building on the success of past events, we are eager to continue creating a space for inspiration, connection and profound change in the lives of those who attend. The journey continues and we look forward to many more years of hosting conferences that leave a lasting impact on individuals and communities alike.

ACHIEVEMENTS & PERFORMANCE

During the year, the charity has delivered strong program of activities and demonstrated meaningful progress in advancing its charitable objectives.

A key area of focus has been the delivery of regular teaching and educational sessions, ensuring individuals have ongoing opportunities to explore Christian beliefs, deepen their faith and prepare for their spiritual journey. These activities remain central to the charity's mission to promote understanding of the Christian faith and encourage spiritual growth.

The charity has maintained a strong emphasis on community engagement through a range of outreach initiatives aimed at reaching diverse groups across the communities we serve. These programs enable the charity to share the Christian message while building relationships and responding to local needs. Youth-focused activities continued to play a vital role, providing safe and supportive environments for young people to grow spiritually, receive mentorship and build meaningful connections.

Charitable support and pastoral care formed an important part of the charity's work during the year. Through initiatives such as one-to-one counselling and practical support the charity offered tailored assistance to individuals facing personal, emotional or financial challenges contributing to improved well-being and resilience.

Regular church services remained a consistent and essential aspect of the charity's activities. These gatherings provide opportunities for worship, fellowship and teaching, and continue to strengthen the spiritual life and sense of community among members.

RESERVES POLICY

To uphold the financial stability of the charity organization and fulfill both its immediate financial obligations and broader mission, the charity deems it necessary to formalize a comprehensive reserve policy. This policy is crafted with the objective of ensuring the charity's long-term financial sustainability. The Board of Trustees, in formulating this policy, has referred to CC19 Charity Reserves: Building Resilience, a guideline issued by the Charity Commission.

SAFEGUARDING

The Trustees place the highest priority on safeguarding and are committed to maintaining a safe, vigilant and supportive environment for all individuals engaged in the charity's activities. This commitment is supported through ongoing training, clear policies and procedures designed to protect children, young people and adults with care and support needs.

All staff, volunteers and workers receive safeguarding awareness as part of their induction and are required to undertake regular refresher training courses through recognized safeguarding procedures. This charity works in partnership with Thirtyone:Eight, which acts as the umbrella organization for safeguarding support and Disclosure and Barring Service (DBS) checks, ensuring that appropriate safer recruitment practices are consistently applied.

The charity actively promotes a culture of safeguarding awareness, ensuring that children and adults at risk are informed of how to access help, advice and support. Clear pathways are in place for raising concerns relating to abuse, neglect, discrimination, bullying or any other safeguarding-related issue. The Trustees are satisfied that safeguarding remains embedded across all areas of the charity's work and is reviewed regularly to ensure continued effectiveness and compliance with best practice.

FUTURE PLANS

The Trustees remain focused on sustainable growth and the continued delivery of meaningful public benefit. Looking ahead, IAG UK & Europe has identified several strategic priorities to guide its future development.

A key focus will be the expansion of church planting initiatives, enabling the charity to extend its faith-based activities into new and underserved communities. Alongside this, the charity will continue to strengthen and broaden its community outreach programs, ensuring that services remain responsive to the diverse and evolving needs of the population it serves.

The completion and full operational launch of the IAG HUB is the central objective for the coming period. The HUB will act as the focal point for the charity's activities, supporting collaboration, training, education, digital inclusion and wider community development.

In addition, the charity aims to strengthen its involvement in mission activities, including developing a broader national and international outlook where resources allow.

Notes to the Accounts**1. Basis of accounting**

The financial statements have been prepared under the historic cost convention, and in accordance with the 2019 version of Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with FRS102- the Charities SORP (FRS102) and the Charities Act 2011.

2. Funds

The funds held constitute: General Funds held for any purpose of the Charity which are Unrestricted. Restricted funds which are held for a narrower purpose. Details of each material fund are disclosed in the final note to these accounts. Any funds may be represented by more than just cash.

3. Accounting policies**Basis**

These accounts have been prepared on the basis of historical cost except that investments are shown at their market value at the end of the year, on the accruals basis to show a true and fair view of the Charity's financial position and activities.

Income recognition

Income is included in the Statement of Financial Activities (SOFA) when the Charity becomes entitled to the resources, and the trustees are reasonably certain they will receive the resources; and the monetary value can be measured with sufficient reliability.

Resources expended

This is recognized when a liability is incurred, or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognized as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Charity to pay out resources.

Grants

Grants made by the Charity from its own funds are recognized in full at the time of agreement or when the Charity accepts that there is a legal or operational obligation to make the payment. When the grant is recurrent over more than one year the balance payable in future years is treated as a provision for future commitments in the Balance sheet against the appropriate fund, the provision being released in future years as instalments are paid in accordance with the originally agreed terms.

Tangible fixed assets for use by the Charity

Tangible fixed assets are capitalized if they can be used for more than one year, and cost at least £1,000. The freehold property is shown in the accounts at original cost and improvement expenditure to date. No depreciation is provided on the buildings because the trustees consider the current residual fair value of the manse buildings (on the assumption that it had reached the end of its useful economic life by the year-end) to be not less than its current value. Any depreciation would not be material. The property has been reviewed for impairment.

Depreciation

Depreciation is charged as to write off the cost of the assets, other than freehold property, over their estimated useful lives.

Investment Properties

Investment properties - no property is currently deemed to not be held for the long-term purposes of the charity.

Investments

Investments are valued in the balance sheet at market value at the year end. Investment income is included in the accounts when receivable and any gains or losses on revaluation at the year-end are shown in the SOFA.

Notes to the Accounts**1. Basis of accounting**

The financial statements have been prepared under the historic cost convention, and in accordance with the 2019 version of Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with FRS102- the Charities SORP (FRS102) and the Charities Act 2011.

2. Funds

The funds held constitute: General Funds held for any purpose of the Charity which are Unrestricted. The Charity Fund has wide purposes defined in Standing Orders and is categorized as unrestricted. Restricted funds which are held for a narrower purpose. Details of each material fund are disclosed in the final note to these accounts. Any funds may be represented by more than just cash.

3. Accounting policies**Basis**

These accounts have been prepared on the basis of historical cost except that investments are shown at their market value at the end of the year, on the accruals basis to show a true and fair view of the Charity's financial position and activities.

Income recognition

Income is included in the Statement of Financial Activities (SOFA) when the Charity becomes entitled to the resources, and the trustees are reasonably certain they will receive the resources; and the monetary value can be measured with sufficient reliability.

Resources expended

This is recognized when a liability is incurred, or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognized as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Circuit to pay out resources.

Grants

Grants made by the Charity from its own funds are recognized in full at the time of agreement or when it accepts that there is a legal or operational obligation to make the payment. When the grant is recurrent over more than one year the balance payable in future years is treated as a provision for future commitments in the Balance sheet against the appropriate fund, the provision being released in future years as instalments are paid in accordance with the originally agreed terms.

Tangible fixed assets for use by the Charity

Tangible fixed assets are capitalized if they can be used for more than one year, and cost at least £1,000. The freehold property is shown in the accounts at original cost and improvement expenditure to date. No depreciation is provided on the buildings because the trustees consider the current residual fair value of the manse buildings (on the assumption that it had reached the end of its useful economic life by the year-end) to be not less than its current value. Any depreciation would not be material. The property has been reviewed for impairment.

Depreciation

Depreciation is charged as to write off the cost of the assets, other than freehold property, over their estimated useful lives.

Investment Properties

Investment properties - no property is currently deemed to not be held for the long-term purposes of the charity.

Investments

Investments are valued in the balance sheet at market value at the year end. Investment income is included in the accounts when receivable and any gains or losses on revaluation at the year-end are shown in the SOFA.

Debtors and Prepayments

These amounts are owed to the Circuit and include the payment of the September stipend in August, together with other prepayments and accrued income.

Creditors

Creditors include both sundry expenses and specifically the 1st quarter assessment received in advance.

This policy is crafted with the objective of ensuring the charity's long-term financial sustainability. The Board of Trustees, in formulating this policy, has referred to CC19 Charity Reserves: Building Resilience, a guideline issued by the Charity Commission.

SAFEGUARDING

Our leadership is dedicated to fostering a vigilant safeguarding environment through continuous training and development for all workers. We prioritize the cultivation of a culture of awareness around safeguarding issues, aiming to protect the well-being of everyone involved. To achieve this, all workers undergo comprehensive induction training and regularly participate in recognized safeguarding training sessions.

Additionally, our commitment extends to ensuring that children and adults with care and support needs have access to information on seeking help and advice. This includes addressing concerns related to abuse, discrimination, bullying or any matter emphasizing a proactive approach to safeguarding within our community.

FUTURE PLANS

In the unfolding chapters of our journey, our future vision is expansive and purpose-driven. At the forefront of our ambitions lies the strategic expansion of our church planting initiative, a deliberate effort to extend the transformative message of faith to untapped communities. Our unwavering commitment to community outreach remains a cornerstone, with a focus on creating impactful programs tailored to the diverse needs of those we aim to serve.

Looking beyond our local boundaries, we aspire to establish a more prominent global presence in mission work, directing our efforts towards undeserved areas and actively participating in humanitarian endeavors. Simultaneously, the completion and operational launch of the IAG HUB stand as a cornerstone in consolidating our organizational activities, fostering collaboration, training and community development.

In parallel, our gaze is fixed on innovative approaches and initiatives that adapt to the evolving needs of our community. We aim to introduce educational projects and programs and technology-driven solutions that align with our mission. A dedicated focus on youth and leadership development will aim to create platforms for spiritual growth and character development. ANNUAL REPORT April 2021 – March 2022

Submitted to Charity Commission England & Wales

IAG UK is a well-organised growing charity organisation working along with the Great Britain Assemblies of God in the United Kingdom. We have a very active and enthusiastic trustee board that takes good care of the administrative matters of this organisation. Through the past year, the organisation has worked hard within the community to develop and also build our society through hospitality and care.

CHURCH PLANTING

The organisation has a strong church planting team that researches the present situations of different areas around the UK and always running to start new home churches and cell groups so they can reach the needy, broken, and helpless in the communities. IAG UK has pioneered and planted many churches in major cities of the UK and it was a challenging task in training leadership and team in the pioneering churches. Our Church planting team worked hard this year in the development and growth of the start-up churches and fellowships.

YOUTH ALIVE

Youth Alive is a platform for kids and youths to grow spiritually, and in character and to have a personal encounter with Jesus. It is an opportunity for us to train them to live successfully in the current challenging world. This year's Youth Alive was conducted in the beautiful countryside of North Wales. We had a good number of youth attendance from many churches located across the country. We had an anointed youth speaker from the USA. We held various indoor and outdoor activities and self-development programs along with teaching biblical principles and lessons. We had a lot of testimonies and feedback from the youths by the end of the camp.

Independent Examiner's Report
To the Trustees

IAG UK

I report on the accounts of the church for the year ended 31st March 2022 set out on the following pages which have been prepared based on the accounting policies shown in the corresponding pages.

Respective responsibilities of trustees and examiner

The trustees of the church are responsible for the preparation of accounts: they consider that the audit requirement under section 43(2) of the Charities Act 1993 (the 1993 Act), does not apply. It is my responsibility to:

Examine the accounts under section 43(3) of the 1993 Act.

Follow the procedures laid down in the General Directions given by the Charity Commissioners made under section 43(7)(b) of the 1993 Act.

State whether matters have come to my attention.

Basis of Independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the church and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention.

(1) Which gives me reasonable cause to believe that, in any material aspect, the Trustees have not met the requirements to ensure that:

- proper accounting records are kept (in accordance with section 41 of the Act)
- accounts are prepared which agree with the accounting records and comply with the accounting requirements of the Act: or

(2) to which, in my opinion, attention should be drawn to enable a proper understanding of the accounts to be reached.
