Independent Examiners Report to the Trustees of Frankby with Greasby PCC

I report on the accounts of the PCC for the year ended 31/12/2024 which are set out on the following pages.

Respective responsibilities of Trustees and Examiner

The PCC's Trustees are responsible for the preparation of the accounts. The PCC's Trustees consider that an audit is not required this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an Independent Examination is needed.

It is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;
To follow the procedures laid down in the General Directions given by the Charity Commission under section 144 (5) (b) of the 2011 Act; AND
To state whether particular matters have come to my attention.

Basis of Independent Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is formally given as to whether the accounts represent a 'true and fair' view and the report is limited to those matters listed below.

Independent Examiners Statement

In connection with my examination, no matter has come to my attention;

- 1) Which gives me reasonable cause to believe that in any material respect the requirements to;
- a) Keep accounting records in accordance with section 130 of the 2011 Act; and
 - b) Prepare accounts which accord with the accounting requirements of the 2011 Act

Have not been met; or

- 2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

INCOMING RESOURCES

| | |
|--|---|
| Recognition of incoming resources | These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability. |
| Incoming resources with related expenditure | Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA. |
| Grants and donations | Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. |
| Tax reclaims on donations and gifts | Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate. |
| Contractual income and performance related grants | This is only included in the SoFA once the related goods or services have been delivered. |
| Gifts in kind | Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable. |
| Donated services and facilities | These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received. |
| Volunteer help | The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report. |
| Investment income | This is included in the accounts when receivable. |
| Investment gains and losses | This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year. |

EXPENDITURE AND LIABILITIES

| | |
|--|--|
| Liability recognition | Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources. |
| Governance costs | Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters. |
| Grants with performance conditions | Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output. |
| Grants payable without performance conditions | These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. |
| Support Costs | Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage. |

ASSETS

| | |
|---|--|
| Tangible fixed assets for use by charity | These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt. |
| Investments | Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value. |
| Stocks and work in progress | These are valued at the lower of cost or market value. |

Note 15**Additional Disclosures**

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

Financial Statements

Year Ended 31/12/2024

Independent Examiners Report to the Trustees of Frankby with Greasby PCC

I report on the accounts of the PCC for the year ended 31/12/2024 which are set out on the following pages.

Respective responsibilities of Trustees and Examiner

The PCC's Trustees are responsible for the preparation of the accounts. The PCC's Trustees consider that an audit is not required this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an Independent Examination is needed.

It is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;
To follow the procedures laid down in the General Directions given by the Charity Commission under section 144 (5) (b) of the 2011 Act; AND
To state whether particular matters have come to my attention.

Basis of Independent Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is formally given as to whether the accounts represent a 'true and fair' view and the report is limited to those matters listed below.

Independent Examiners Statement

In connection with my examination, no matter has come to my attention;

- 1) Which gives me reasonable cause to believe that in any material respect the requirements to;
- a) Keep accounting records in accordance with section 130 of the 2011 Act; and
 - b) Prepare accounts which accord with the accounting requirements of the 2011 Act

Have not been met; or

- 2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

| | |
|--|---|
| Recognition of incoming resources | These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability. |
| Incoming resources with related expenditure | Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA. |
| Grants and donations | Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. |
| Tax reclaims on donations and gifts | Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate. |
| Contractual income and performance related grants | This is only included in the SoFA once the related goods or services have been delivered. |
| Gifts in kind | Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable. |
| Donated services and facilities | These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received. |
| Volunteer help | The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report. |
| Investment income | This is included in the accounts when receivable. |
| Investment gains and losses | This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year. |

EXPENDITURE AND LIABILITIES

| | |
|--|--|
| Liability recognition | Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources. |
| Governance costs | Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters. |
| Grants with performance conditions | Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output. |
| Grants payable without performance conditions | These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. |
| Support Costs | Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage. |

ASSETS

| | |
|---|--|
| Tangible fixed assets for use by charity | These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt. |
| Investments | Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value. |
| Stocks and work in progress | These are valued at the lower of cost or market value. |

Independent Examiners Report to the Trustees of Frankby with Greasby PCC

I report on the accounts of the PCC for the year ended 31/12/2022 which are set out on the following pages.

Respective responsibilities of Trustees and Examiner

The PCC's Trustees are responsible for the preparation of the accounts. The PCC's Trustees consider that an audit is not required this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an Independent Examination is needed.

It is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;
To follow the procedures laid down in the General Directions given by the Charity Commission under section 144 (5) (b) of the 2011 Act; AND
To state whether particular matters have come to my attention.

Basis of Independent Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is formally given as to whether the accounts represent a 'true and fair' view and the report is limited to those matters listed below.

Independent Examiners Statement

In connection with my examination, no matter has come to my attention;

- 1) Which gives me reasonable cause to believe that in any material respect the requirements to;
- a) Keep accounting records in accordance with section 130 of the 2011 Act; and
 - b) Prepare accounts which accord with the accounting requirements of the 2011 Act

Have not been met; or

- 2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

| | |
|--|---|
| Recognition of incoming resources | These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability. |
| Incoming resources with related expenditure | Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA. |
| Grants and donations | Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. |
| Tax reclaims on donations and gifts | Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate. |
| Contractual income and performance related grants | This is only included in the SoFA once the related goods or services have been delivered. |
| Gifts in kind | Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable. |
| Donated services and facilities | These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received. |
| Volunteer help | The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report. |
| Investment income | This is included in the accounts when receivable. |
| Investment gains and losses | This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year. |

EXPENDITURE AND LIABILITIES

| | |
|--|--|
| Liability recognition | Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources. |
| Governance costs | Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters. |
| Grants with performance conditions | Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output. |
| Grants payable without performance conditions | These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. |
| Support Costs | Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage. |

ASSETS

| | |
|---|--|
| Tangible fixed assets for use by charity | These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt. |
| Investments | Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value. |
| Stocks and work in progress | These are valued at the lower of cost or market value. |

Independent Examiners Report to the Trustees of Frankby with Greasby PCC

I report on the accounts of the PCC for the year ended 31/12/2022 which are set out on the following pages.

Respective responsibilities of Trustees and Examiner

The PCC's Trustees are responsible for the preparation of the accounts. The PCC's Trustees consider that an audit is not required this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an Independent Examination is needed.

It is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;
To follow the procedures laid down in the General Directions given by the Charity Commission under section 144 (5) (b) of the 2011 Act; AND
To state whether particular matters have come to my attention.

Basis of Independent Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is formally given as to whether the accounts represent a 'true and fair' view and the report is limited to those matters listed below.

Independent Examiners Statement

In connection with my examination, no matter has come to my attention;

- 1) Which gives me reasonable cause to believe that in any material respect the requirements to;
- a) Keep accounting records in accordance with section 130 of the 2011 Act; and
 - b) Prepare accounts which accord with the accounting requirements of the 2011 Act

Have not been met; or

- 2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

INCOMING RESOURCES

| | |
|--|---|
| Recognition of incoming resources | These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability. |
| Incoming resources with related expenditure | Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA. |
| Grants and donations | Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. |
| Tax reclaims on donations and gifts | Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate. |
| Contractual income and performance related grants | This is only included in the SoFA once the related goods or services have been delivered. |
| Gifts in kind | Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable. |
| Donated services and facilities | These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received. |
| Volunteer help | The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report. |
| Investment income | This is included in the accounts when receivable. |

The work of the PCC over the last 12 months has increased greatly because of the interregnum and also the preparation for our new incumbent. This involved the preparation of our Parish Profile which is a lengthy and detailed document setting out information about us, where we are presently as a Church and what we want from our new Vicar.

In addition to any issues arising, each PCC meeting also dealt with the following:

- Consideration of fabrics, finance, mission and charitable giving, safeguarding and pastoral matters

- Any issues arising in relation to the Church Hall
- A report from Deanery Synod meetings
- Any other issues which required discussion

The following meetings have taken place:

23 May 2022 – PCC meeting

12 July 2022 – PCC meeting

5 September 2022 – PCC meeting

18 September 2022 – additional meeting to deal with signatories on the church bank account

21 September 2022 – meeting with the Archdeacon and our patron Tim Stratford

15 November 2022 - further meeting with Tim Stratford

27 November 2022 – additional meeting to discuss revisions to the Parish Profile

29 November 2022 – Special Meeting with the Rural Dean David Vestergaard required as part of the appointment process of our new incumbent

14 January 2023 – Away Day

22 January 2023 – additional meeting to approve the submission of the Church accounts for independent audit

Independent Examiners Report to the Trustees of Frankby with Greasby PCC

I report on the accounts of the PCC for the year ended 31/12/2022 which are set out on the following pages.

Respective responsibilities of Trustees and Examiner

The PCC's Trustees are responsible for the preparation of the accounts. The PCC's Trustees consider that an audit is not required this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an Independent Examination is needed.

It is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;
To follow the procedures laid down in the General Directions given by the Charity Commission under section 144 (5) (b) of the 2011 Act; AND
To state whether particular matters have come to my attention.

Basis of Independent Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is formally given as to whether the accounts represent a 'true and fair' view and the report is limited to those matters listed below.

Independent Examiners Statement

In connection with my examination, no matter has come to my attention;

- 1) Which gives me reasonable cause to believe that in any material respect the requirements to;
- a) Keep accounting records in accordance with section 130 of the 2011 Act; and
 - b) Prepare accounts which accord with the accounting requirements of the 2011 Act

Have not been met; or

- 2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

§§ if no changes have been made to accounts for previous periods then delete these words.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

| | |
|--|---|
| Recognition of incoming resources | These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability. |
| Incoming resources with related expenditure | Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA. |
| Grants and donations | Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. |
| Tax reclaims on donations and gifts | Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate. |
| Contractual income and performance related grants | This is only included in the SoFA once the related goods or services have been delivered. |
| Gifts in kind | Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable. |
| Donated services and facilities | These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received. |
| Volunteer help | The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report. |
| Investment income | This is included in the accounts when receivable. |
| Investment gains and losses | This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year. |

EXPENDITURE AND LIABILITIES

| | |
|--|--|
| Liability recognition | Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources. |
| Governance costs | Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters. |
| Grants with performance conditions | Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output. |
| Grants payable without performance conditions | These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. |
| Support Costs | Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage. |

ASSETS

| | |
|---|--|
| Tangible fixed assets for use by charity | These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt. |
| Investments | Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value. |
| Stocks and work in progress | These are valued at the lower of cost or market value. |

Year Ended 31/12/2022

Independent Examiners Report to the Trustees of Frankby with Greasby PCC

I report on the accounts of the PCC for the year ended 31/12/2022 which are set out on the following pages.

Respective responsibilities of Trustees and Examiner

The PCC's Trustees are responsible for the preparation of the accounts. The PCC's Trustees consider that an audit is not required this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an Independent Examination is needed.

It is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;
To follow the procedures laid down in the General Directions given by the Charity Commission under section 144 (5) (b) of the 2011 Act; AND
To state whether particular matters have come to my attention.

Basis of Independent Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is formally given as to whether the accounts represent a 'true and fair' view and the report is limited to those matters listed below.

Independent Examiners Statement

In connection with my examination, no matter has come to my attention;

- 1) Which gives me reasonable cause to believe that in any material respect the requirements to;
- a) Keep accounting records in accordance with section 130 of the 2011 Act; and
 - b) Prepare accounts which accord with the accounting requirements of the 2011 Act

Have not been met; or

- 2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

§§ if no changes have been made to accounts for previous periods then delete these words.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

| | |
|--|---|
| Recognition of incoming resources | These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability. |
| Incoming resources with related expenditure | Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA. |
| Grants and donations | Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. |
| Tax reclaims on donations and gifts | Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate. |
| Contractual income and performance related grants | This is only included in the SoFA once the related goods or services have been delivered. |
| Gifts in kind | Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable. |
| Donated services and facilities | These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received. |
| Volunteer help | The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report. |
| Investment income | This is included in the accounts when receivable. |
| Investment gains and losses | This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year. |

EXPENDITURE AND LIABILITIES

| | |
|--|--|
| Liability recognition | Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources. |
| Governance costs | Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters. |
| Grants with performance conditions | Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output. |
| Grants payable without performance conditions | These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. |
| Support Costs | Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage. |

ASSETS

| | |
|---|--|
| Tangible fixed assets for use by charity | These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt. |
| Investments | Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value. |
| Stocks and work in progress | These are valued at the lower of cost or market value. |

Independent Examiners Report to the Trustees of Frankby with Greasby PCC

I report on the accounts of the PCC for the year ended 31/12/2021 which are set out on the following pages.

Respective responsibilities of Trustees and Examiner

The PCC's Trustees are responsible for the preparation of the accounts. The PCC's Trustees consider that an audit is not required this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an Independent Examination is needed.

It is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;
To follow the procedures laid down in the General Directions given by the Charity Commission under section 144 (5) (b) of the 2011 Act; AND
To state whether particular matters have come to my attention.

Basis of Independent Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is formally given as to whether the accounts represent a 'true and fair' view and the report is limited to those matters listed below.

Independent Examiners Statement

In connection with my examination, no matter has come to my attention;

- 1) Which gives me reasonable cause to believe that in any material respect the requirements to;
- a) Keep accounting records in accordance with section 130 of the 2011 Act; and
 - b) Prepare accounts which accord with the accounting requirements of the 2011 Act

Have not been met; or

- 2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

§§ if no changes have been made to accounts for previous periods then delete these words.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

| | |
|--|---|
| Recognition of incoming resources | These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability. |
| Incoming resources with related expenditure | Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA. |
| Grants and donations | Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. |
| Tax reclaims on donations and gifts | Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate. |
| Contractual income and performance related grants | This is only included in the SoFA once the related goods or services have been delivered. |
| Gifts in kind | Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable. |
| Donated services and facilities | These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received. |
| Volunteer help | The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report. |
| Investment income | This is included in the accounts when receivable. |
| Investment gains and losses | This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year. |

EXPENDITURE AND LIABILITIES

| | |
|--|--|
| Liability recognition | Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources. |
| Governance costs | Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters. |
| Grants with performance conditions | Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output. |
| Grants payable without performance conditions | These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. |
| Support Costs | Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage. |

ASSETS

| | |
|---|--|
| Tangible fixed assets for use by charity | These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt. |
| Investments | Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value. |
| Stocks and work in progress | These are valued at the lower of cost or market value. |

Financial Statements

Year Ended 31/12/2021

Independent Examiners Report to the Trustees of Frankby with Greasby PCC

I report on the accounts of the PCC for the year ended 31/12/2021 which are set out on the following pages.

Respective responsibilities of Trustees and Examiner

The PCC's Trustees are responsible for the preparation of the accounts. The PCC's Trustees consider that an audit is not required this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an Independent Examination is needed.

It is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;
To follow the procedures laid down in the General Directions given by the Charity Commission under section 144 (5) (b) of the 2011 Act; AND
To state whether particular matters have come to my attention.

Basis of Independent Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is formally given as to whether the accounts represent a 'true and fair' view and the report is limited to those matters listed below.

Independent Examiners Statement

In connection with my examination, no matter has come to my attention;

- 1) Which gives me reasonable cause to believe that in any material respect the requirements to;
- a) Keep accounting records in accordance with section 130 of the 2011 Act; and
 - b) Prepare accounts which accord with the accounting requirements of the 2011 Act

Have not been met; or

- 2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

§§ if no changes have been made to accounts for previous periods then delete these words.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

| | |
|--|---|
| Recognition of incoming resources | These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability. |
| Incoming resources with related expenditure | Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA. |
| Grants and donations | Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. |
| Tax reclaims on donations and gifts | Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate. |
| Contractual income and performance related grants | This is only included in the SoFA once the related goods or services have been delivered. |
| Gifts in kind | Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable. |
| Donated services and facilities | These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received. |
| Volunteer help | The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report. |
| Investment income | This is included in the accounts when receivable. |
| Investment gains and losses | This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year. |

EXPENDITURE AND LIABILITIES

| | |
|--|--|
| Liability recognition | Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources. |
| Governance costs | Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters. |
| Grants with performance conditions | Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output. |
| Grants payable without performance conditions | These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. |
| Support Costs | Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage. |

ASSETS

| | |
|---|--|
| Tangible fixed assets for use by charity | These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt. |
| Investments | Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value. |
| Stocks and work in progress | These are valued at the lower of cost or market value. |

PCC Meetings

The pandemic impacted on the frequency and method of meeting of the PCC during 2020. Some meetings were able to take place at St Nicholas' Church as would normally be the case and other issues which needed to be

dealt with were addressed by e-mail correspondence to members. Where e-mail was used, a formal note of the outcome of the correspondence was recorded and this was then approved by the next PCC meeting as would be the case with any other minutes.

Each face to face meeting includes:

- consideration of fabrics, finance, mission and charitable giving, safeguarding and pastoral matters
- a report from the Deanery Synod meetings
- a report on the church hall
- an update on the church's Growth Action Plan
- any other issues which require discussion.

During the past 12 months we have also discussed

- the reopening of the church buildings after the first lockdown
- ongoing issues in relation to the challenges the pandemic has posed for our church and its members
- the Church of England national discussion initiative 'Living in Love and Faith'.

Independent Examiners Report to the Trustees of Frankby with Greasby PCC

I report on the accounts of the PCC for the year ended 31/12/2020 which are set out on the following pages.

Respective responsibilities of Trustees and Examiner

The PCC's Trustees are responsible for the preparation of the accounts. The PCC's Trustees consider that an audit is not required this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an Independent Examination is needed.

It is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;
To follow the procedures laid down in the General Directions given by the Charity Commission under section 144 (5) (b) of the 2011 Act; AND
To state whether particular matters have come to my attention.

Basis of Independent Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is formally given as to whether the accounts represent a 'true and fair' view and the report is limited to those matters listed below.

Independent Examiners Statement

In connection with my examination, no matter has come to my attention;

- 1) Which gives me reasonable cause to believe that in any material respect the requirements to;
- a) Keep accounting records in accordance with section 130 of the 2011 Act; and
 - b) Prepare accounts which accord with the accounting requirements of the 2011 Act

Have not been met; or

- 2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

| | |
|--|---|
| Recognition of incoming resources | These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability. |
| Incoming resources with related expenditure | Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA. |
| Grants and donations | Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. |
| Tax reclaims on donations and gifts | Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate. |
| Contractual income and performance related grants | This is only included in the SoFA once the related goods or services have been delivered. |
| Gifts in kind | Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable. |
| Donated services and facilities | These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received. |
| Volunteer help | The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report. |
| Investment income | This is included in the accounts when receivable. |
| Investment gains and losses | This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year. |

EXPENDITURE AND LIABILITIES

| | |
|--|--|
| Liability recognition | Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources. |
| Governance costs | Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters. |
| Grants with performance conditions | Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output. |
| Grants payable without performance conditions | These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. |
| Support Costs | Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage. |

ASSETS

| | |
|---|--|
| Tangible fixed assets for use by charity | These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt. |
| Investments | Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value. |
| Stocks and work in progress | These are valued at the lower of cost or market value. |

Year Ended 31/12/2020

Independent Examiners Report to the Trustees of Frankby with Greasby PCC

I report on the accounts of the PCC for the year ended 31/12/2020 which are set out on the following pages.

Respective responsibilities of Trustees and Examiner

The PCC's Trustees are responsible for the preparation of the accounts. The PCC's Trustees consider that an audit is not required this year under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an Independent Examination is needed.

It is my responsibility to:

Examine the accounts under section 145 of the 2011 Act;
To follow the procedures laid down in the General Directions given by the Charity Commission under section 144 (5) (b) of the 2011 Act; AND
To state whether particular matters have come to my attention.

Basis of Independent Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is formally given as to whether the accounts represent a 'true and fair' view and the report is limited to those matters listed below.

Independent Examiners Statement

In connection with my examination, no matter has come to my attention;

- 1) Which gives me reasonable cause to believe that in any material respect the requirements to;
- a) Keep accounting records in accordance with section 130 of the 2011 Act; and
 - b) Prepare accounts which accord with the accounting requirements of the 2011 Act

Have not been met; or

- 2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Section C**Notes to the accounts****Note 1 Basis of preparation**

This section should be completed by all charities.

- or Financial Reporting Standards for Smaller Enterprises (FRSSE);
- and with the Charities Act 1993.

Give details in this box of any material changes that have been made.

§§ if no changes have been made to accounts for previous periods then delete these words.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

| | |
|--|---|
| Recognition of incoming resources | These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability. |
| Incoming resources with related expenditure | Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA. |
| Grants and donations | Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources. |
| Tax reclaims on donations and gifts | Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate. |
| Contractual income and performance related grants | This is only included in the SoFA once the related goods or services have been delivered. |
| Gifts in kind | Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable. |
| Donated services and facilities | These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received. |
| Volunteer help | The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report. |
| Investment income | This is included in the accounts when receivable. |
| Investment gains and losses | This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year. |

EXPENDITURE AND LIABILITIES

| | |
|--|--|
| Liability recognition | Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources. |
| Governance costs | Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters. |
| Grants with performance conditions | Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output. |
| Grants payable without performance conditions | These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. |
| Support Costs | Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage. |

ASSETS

| | |
|---|--|
| Tangible fixed assets for use by charity | These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt. |
| Investments | Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value. |
| Stocks and work in progress | These are valued at the lower of cost or market value. |
