Para 1.17 and 1.19	<p>The charity provides priests to 5 parish communities, chaplaincy to 4 hospitals, 7 catholic schools and 1 prison.</p> <p>Chaplaincy is the provision of religious and pastoral services to people within local communities who may have specific needs due to their state of life, who face unique challenges, or who are vulnerable and therefore require special accommodations to be made. Continued operation of individual chaplaincies reflects not only the changing needs of people in their local communities, particularly in relation to social integration and community cohesion. The charity is involved in chaplaincies connected with secular institutions, such as hospitals, prisons.</p> <p>The Youth chaplaincy is responsible for nurturing the character of tomorrow's adults, forming them into active, capable citizens with the confidence required to thrive in modern society. The youth ministry has a paramount importance to the Missionaries of La Salette and is provided on the parish level as well as in the secondary schools connected with our parishes and beyond. Some young people from our parishes went on a diocesan pilgrimage to Lourdes in July 2024.</p> <p>Our priests provide pastoral provision for the needs of Polish communities in Brentwood and East Anglia diocese.</p> <p>The Trustees have held a high regard to the guidance issued by Charity Commission on public benefit and wish to record their</p>

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Charities Act 2006 requires charities to describe the benefit that is provided to the public. "Religion helps to provide a moral and ethical framework for people to live by and can play an important part in building social capital and community cohesion". The adherence to, and advancing of, the Catholic faith to the public our parish communities provides an ethical and moral code for parishioners and visitors; it provides services of public worship, including baptisms, weddings and funerals; it contributes to the spiritual well-being of the public; it contributes to the spiritual and moral education of children; it promotes social understanding and cohesion, and contributes to practical ways of addressing social needs such as visiting the sick and housebound, and furthering other charitable purposes. The above is demonstrated by 5500 people attending mass each Sunday together with masses also being said each day in our parishes. The Charity although it is a small organisation has clear aims, a simple structure and short chains of command. Systems for assessing and insuring against all risks to the Charity are in place to ensure that the Charity complies fully with Charity Commission legislation. We confirm we have had regard to public benefit guidance issued by the Charity Commission.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Parish life is supported through the provision of clergy and buildings as a result of which many parishioners provide support to the local and national community in improving social cohesion and in many other ways. While the celebration of Mass is mainly in churches owned and maintained by the Diocese through its parishes and supported by the curial departments, parishes also reach out to the local community through their activities and support their parishioners through home visits, hospital chaplaincy and a range of courses and other programs.</p> <p>The facilitation and nourishment of spiritual life is the principal aim of the charity and while weekly attendance figures and the number of baptisms, confirmations, marriages, etc are indications of the success of the work, performance can also be measured by the continuing strength of our parish communities and the individual journeys of faith of our parishioners. Sick and elderly parishioners received the Eucharist and Sacrament of the Sick, the dying and their relatives received comfort and support, and the deceased received dignified burial and cremation services, which aided the grieving process for their relatives.</p> <p>The Charity supports various missionary activities run by Missionaries of La Salette in Ukraine and Madagascar.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	It is the policy of the Charity that unrestricted funds which have not been designated for a specific use are to be maintained at a level equivalent to approximately 5 -7 months' expenditure. The Trustees have approved the Reserves Policy which is reviewed annually when the financial statements are considered for approval. An independent audit is conducted annually to fulfil the Charity's legal obligations and for the Trustees to ensure financial statements have been properly prepared and give a true and fair view.
