Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The main purpose and aim of the charity is to advance the Christian faith. Also to create a community where individuals can feel safe.
Through prayer, worship and the bible we aim to draw individuals closer to God.
We also aim to further advance the Gospel through missionary and outreach work which has been spear headed by our General Overseer Reverend Patrick Oware. Reverend Ernest Boadu has also taken over as being the senior leader of the church.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

With the sole aim of advancing the Christian faith, we have weekly church services where members of the congregation are encouraged with the word of God. This was a turbulent year for the world as a whole and as well the church. Church was moved online and as such it was difficult to keep the enthusiasm and regular interaction from members. It was therefore vital that our online presence had to adapt to the changing environment. We decided to continue with our services on zoom and keep our social media platforms active by posting quotes and scriptures from our services.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- ☐ policy on grantmaking;
- ☐ policy programme related investment;
- ☐ contribution made by volunteers.

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

We have been able to maintain our members even though we could not physically meet. As tough as the year has been, we engaged the church by organising virtual praises and worship sessions, bible training courses and even virtual games and movie nights.

A main concern of the church was making sure that our youths and elderly were comfortable. Therefore regular telephone catchups and ensuring the correct training was given to enable every member participate in our virtual activities.

The church also wanted to alleviate the burden and strain of those who had lost their jobs or furloughed by providing all its members with a few provisions such as rice and oil to make sure all were still able to eat well.

Ofcourse we were on hand to provide any further financial support required from those who were struggling financially.

This initiative was well received by all and provided a moral boast as we were effectively still practising what we preach even in a time of chaos.
