Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The main purpose and aim of the charity is to advance the Christian faith. To create a community where individuals can feel safe, through prayer, worship and solid teachings of the word of God we aim to draw individuals closer to God.
This is being spearheaded by our lead Reverend Ernest Boadu.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

With the sole aim of advancing the Christian faith, we have weekly church services where members of the congregation are encouraged with the word of God. We also run midweek services and monthly departmental meetings. We haven't had much of a change in this structure from the previous year as we believe this helped bring stability to our member base. Unfortunately, we had to stop our radio evangelism as upon review, we were not reaching the target audience we anticipated. Although a family was gained, there wasn't much progression and interaction from listeners and we made the difficult to invest our funds into other means of evangelism. We invested heavily on our audio visuals and background to enable our live streaming. This has been a great avenue we believe the word of God is being shared and we are able to reach masses through this. People are able to experience our services with us and more importantly, our aim of advancing the Christian faith is being met.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
