Trustees Annual Report for the period ended 31st March 2023

The trustees of the charity, who are also the directors for the purposes of Company Act, have pleasure in submitting their report together with the financial statements for the year ending 31st March 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Church's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

The purposes of the charity as set out in its governing document.

1. To advance the Christian faith in accordance with the statement of beliefs appearing in the schedule hereto in North West London and in such other parts of The United Kingdom or the world as the directors of the Charity (herein called "the trustees") may from time to time think fit and to fulfil such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charitable work of the Charity;
2. To relieve sickness and financial hardship and to promote and preserve good health by the provision of funds, good or services of any kind, including through the provision of counselling and support in such parts of the United Kingdom or the World as the Trustees from time to time may think fit.

The main activities undertaken in relation to those purposes during the year.

The spiritual governance of the church is taken by the Leadership Team which was organised by the Trustees in January 2011. The Leadership Team is comprised of two of the four Trustees, namely, Dipak Upadhyay and Matthew Irvine besides two others on Leadership Team. There is a division of labour between the Leadership Team (i.e. Spiritual Oversight) and the Trustee Board (i.e. Financial and Administrative Oversight).

The Church conducts regular meetings for the worship of God. The central worship meeting takes place each Sunday at 11 am.

The main activities undertaken during the year to further the charity's purpose for the public benefit. All members of the public are welcome to attend the service and the activities at the church, and our membership comprises people from various ethnic and social backgrounds.

There were outreach events held during school holidays or on other significant Christian dates. Attendance at the weekly Sunday meetings ranged from 30 to 50 people.

Youth Clubs for boys and girls met each week during school term time (Wednesday evenings and Friday evenings). The Mums and Toddler Group takes place on Friday mornings. We also conducted periodic spiritual bhajans in needy people's homes for their blessing. There were also regular women's and men's meetings for bible study and encouragement which happened in personal homes. (Mondays, Tuesdays, and Thursdays and Saturdays)

Risk management

The Church has operated smoothly over the year in review and the Trustees have not identified any major risks to which the Church may be exposed. Financial and operating procedures are appropriate for an organisation of this size and nature. An insurance policy is current which mitigates against the financial risk that is commensurate with the nature of activities undertaken by the Church.

Financial review of the position at the reporting date 31 March 2023

The trustees consider the financial performance by the charity during the year to have been satisfactory and in line with aims and objectives of the charity.

Financial and operating procedures are appropriate for an organisation of this size and nature. An insurance policy is current which mitigates against the financial risk that is commensurate with the nature of activities undertaken by the Church.

Policies on reserves

It is the policy of the Church to maintain unrestricted funds at a level which takes into account the future needs of the Church and the variable nature of general giving. The Church is also planning to employ a youth worker or a pastor at some point. The rent is increased considerably from March 2019 when the ten-year lease was renewed to six more years. At 31st March 2023, the free reserves stood at **£95,417**. This includes **£200** raised by the Mothers and Toddlers Group which has been designated for use by that group. It also includes £5,062 raised by Women Learning Together which is designated to be used by that group.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

Principal funding sources

The Church's income is made up entirely of voluntary donations and offerings. Donations received for local or overseas missions and natural disasters are passed on to recipients at full value with no deductions for administrative costs.

Investment policy

The Trustees decided during 2012 to invest in a number of higher interest earning accounts whilst continuing to hold a prudent amount in a current bank account to cover fluctuations in normal business. Two deposit accounts were opened; one with a building society and another with a bank reflecting the Church's low risk approach and desire to spread risk across the banking sector.

Statement of the Trustee's Responsibilities

The Trustees (who are also directors of New Life Suwarta Sangat for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company at the balance sheet date and its incoming resources and application of resources, including income and expenditure for the financial year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business; and
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.

The Trustees are responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approval

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF NEW LIFE SUWARTA SANGAT

I report to the trustees on my examination of the financial statements of New Life Suwarta Sangat (the Church) for the year ended 31 March 2023.

Respective responsibilities of the Trustees and the Independent Examiner

As the trustees of the Church, you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the church's financial statement carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements: to keep accounting records in accordance with Section 130 of The Charities Act 2011, and to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the Charities Act 2011 have not been met; or
- (2) which, in my opinion, attention should be drawn in my report in order to enable a proper understanding of the accounts to be reached.
