They also help to encourage personnel to develop the character, spirit and attitude to face</p>

		<p>challenges and danger associated with military service. As a result, the Fund derives a benefit to the general public in helping to provide personnel who are highly motivated, have high morale and are willing to serve the needs of their country and that of the public at all times.</p> <p>Over the Financial Year, the Mess committee have used the period of closure of facilities due to COVID to complete a multitude of self-help improvements to the mess. While the majority of formal functions which would normally have taken place could not, the Cttee arranged various 'virtual' events including, a cocktail party, a wine and cheese tasting evening and a Burns Night, for the benefit of Mess Members in order to meet the aim of promoting spirit de corps.</p> <p>Additionally, where restrictions permitted the Mess has held some informal functions and activities for the collective benefit of the membership, in line with Government direction regarding social distancing, etc.</p> <p>Officers' Mess activities received subsidies to the overall cost with attending members paying the remaining cost of the function or event. Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The Officers' Mess at RAF Brize Norton aims to fund, through investment income, member subscriptions and bar profits, expenditure on the core items of formal/informal functions, sport, support for station charities and administration costs.</p> <p>The annual financial plan, ratified by its members, also allows supported requests for financial assistance towards various projects for the benefit of Commissioned Officers, for instance Mess Improvements. This was obviously impacted greatly by COVID 19 and a surplus of income was received. Part of the surplus will be used to boost the Entertainments programme for FY 21/22 thus benefitting members with a corresponding subscription reduction for this FY only.</p> <p>Each year the Mess agrees to grant sums of money to events and activities on the unit which benefit the wider service community.</p> <p>The Mess arranged several charitable virtual functions. These were organised for the benefit of Mess members in order to meet the aim of promoting esprit de corps. Additionally, where restrictions permitted, the Mess held some 'happy hours' and informal functions for service personnel. These activities received subsidies to their overall costs, with members paying the remaining costs of the function or event. Additional guests of members paid the majority of the economic cost for attending these functions iaw the Mess Financial Plan agreed by the membership and AP 3223 (Service Fund Policy).</p>

Achievements against objectives set	Para 1.41	<p>Due to the change in contracted services on 1 Jun 18, the management of subscriptions income has remained difficult. The mess accountant and Officer Commanding Service Funds (OC SFAS) have again worked tirelessly throughout this FY and have finally resolved the issues with the contractor's antiquated mess billing system. This has led to a respectively low Write Off of mess funds and the current mess debt is minimal and as expected.</p> <p>The Mess Cttee have used their time to make improvements to the mess with allocated and additional funds that were unlikely to be used due to COVID voted on at AGM to be used for improvements. This has included replacing window coverings and repainting in</p>

		both bars, purchase of new furniture and decorative items, etc.
Performance of fundraising activities against objectives set	Para 1.41	Bar takings have been impacted significantly due to COVID and were unsurprisingly far lower than planned, Subscriptions were slightly lower than expected and investment income slightly higher than expected.
Investment performance against objectives	Para 1.41	The investments performed better than anticipated and the values of the investments had rallied significantly at the shortened EOFY.

Amount of reserves held	Para 1.22	A minimum of £60,000. Reserves are shown as current assets within the financial statements for the year (form CC17a). Due to the low expenditure during COVID in addition to the £17K generated in year for the Operational Reserves, the mess membership agreed at AGM that surplus income should be used to reach the amount set by the Trustee. The liquidity of the mess is good and continues to improve each year due to the diligence of the Cttee and support from OC SFAS.

Additional Disclosures

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

It should be noted that the charity revised it's financial year end from 31st May 2021 to 28th February 2021. Resulting in the current year being 9 months only.

It should also be noted that during this financial year the global COVID-19 pandemic had caused most large activities and functions to be cancelled. This is consequently reflected in the figures reported, particularly in the Statement of Financial Activities (SOFA).
