Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>The object of the Royal Air Force Sergeants' Mess is the promotion, provision and support of mess, social, sporting and other facilities for the military efficiency and well-being of the Servicemen and Servicewomen.</p> <p>This object presents the Trustee with wide powers enabling them to provide charitable assistance to all elements of the Royal Air Force Community: internal subsidy of mess activities and grant making are the Royal Air Force Sergeants' Mess's principal means of delivering this charitable assistance.</p> <p>The specific aims stated in the constitution should be inserted into this area and should be taken from one or more of the following:</p> <p>The Royal Air Force Sergeants' Mess has 3 aims set by the Trustee:</p> <ul style="list-style-type: none">i. Encourage spirit de corps by enabling Service Mess Members to mix together in both formal dining situations and informal social activities, so as to help keep service traditions alive and encourage the well-being of the Mess Community.ii. Encouraging, supporting, and facilitating the development of sport to raise standards and to promote the link to fitness, teamwork and personal development through sporting activity and opportunities.iii. Supporting facilities and capital projects to enable the best possible provision for the RAF Brize Norton community, which includes MOD civilians.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the	Para 1.17 and 1.19	<p>This fund derives public benefit as it assists in providing Royal Air Force personnel with the necessary skills to carry out the Royal Air Force contribution to the defence of the United Kingdom and its interests. Service Funds are</p>

<p>activities, projects or services identified in the accounts.</p>		<p>established for the benefit of Service personnel to promote military efficiency which underpins spirit de corps and teamwork. They also help to encourage personnel to develop the character, spirit and attitude to face challenges and danger associated with military service. As a result, the Fund derives a benefit to the general public in helping to provide personnel who are highly motivated, have high morale and are willing to serve the needs of their country and that of the public, at all times.</p> <p>Over the FY, as per FY20/21, due to the COVID19 pandemic the Mess took a very cautious approach to any form of gathering but have provided members with a limited number of opportunities for entertainments but not held in situ. The Mess held a Battle of Britain Ball in September with reduced attendance to ensure COVID restrictions were adhered to. The Christmas 'Ball' also took place as a Dining In night with again reduced attendance. As rules relaxed more low-key mess entertainments events such as Happy Hours and the Envelope draw have been reintroduced. Mess funding for ents were again voted for reallocation to improvements to the mess by the membership. As we move into FY 22/23 a programme has been resumed for the benefit of Mess Members and in order to meet the aim of promoting spirit de corps.</p> <p>During viable times, the Mess has held some socially distanced activities for the collective benefit of the membership, in line with Government direction regarding social distancing, etc.</p> <p>The Sergeants' Mess activities received subsidies to the overall cost with attending members paying the remaining cost of the function or event. In accordance with Service Funds policy and Mess Committee agreement, additional guests of members paid more towards the full cost for attending these functions, receiving agreed limited subsidies from Mess Funds iaw AP3223.</p> <p>Each year, the Mess agrees to grant sums of money to events held on the unit which benefit the wider Service community. This year, the Sergeants' Mess has contributed to Station Charities, Brizefest and Central Amenities with grants.</p>
<p>Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit</p>	<p>Para 1.18</p>	<p>The above statement has been agreed by RAF Air Command Service Funds staff and the Charity Commission. With assistance issued from Air Command staff, the Trustee has paid due regard to the guidance issued by the Charity Commission on public benefit.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The Sergeants' Mess at RAF Brize Norton aims to fund, through investment income, member subscriptions and bar profits, expenditure on the core items of formal/informal functions, sport, support for station charities and administration costs.</p> <p>The annual financial plan, ratified by its members, also allows supported requests for financial assistance towards various projects for the benefit of Warrant Officers and Sergeants, for instance Mess Improvements. As per last year the FP was again impacted greatly by COVID19 and a surplus of income was received. Part of the surplus will again be used to boost the Entertainments programme for FY 22/23 and for various improvements projects thus benefitting members with a corresponding subscription reduction for this FY only.</p> <p>Each year the Mess agrees to grant sums of money to events and activities on the unit which benefit the wider service community.</p> <p>Due to COVID19 the mess was unable to arrange the normal amount of charitable functions but did a Battle of Britain Ball, Christmas 'Ball' in the format of a Dining In, arrange for Valentine's Day gift bags as a function alternative. These were organised for the benefit of Mess members in order to meet the aim of promoting esprit de corps. Additionally, where restrictions permitted, the Mess held some 'happy hours' and informal functions for service personnel iaw the Mess Financial Plan agreed by the membership and AP 3223 (Service Fund Policy).</p> <p>Due to the surplus from subscriptions not being used for ents the previous year, the subscriptions</p>

		for FY 21/22 were reduced, but the membership were advised this would be for that FY only.

Achievements against objectives set	Para 1.41	<p>Due to the change in contracted services on 1 Jun 18, the management of subscriptions income has been difficult although management has continued to further improve over the last FY. The mess accountant and Officer Commanding Service Funds have continued working together to try to resolve many of the problems caused by the contractor's antiquated mess billing system. The Sergeants' Mess remains financially healthy, the amount of perceived debt has reduced significantly from last FY. Work has now been completed and a final figure for write off should resolve the historical matter in full is to be presented to the mess membership at AGM. This will ensure the mess has minimal mess debt in the future.</p> <p>The Mess Cttee have used their time to make improvements to the mess with allocated additional funds that were unlikely to be used due to COVID voted on at the EGM. Work to decorate a large number of public rooms and corridors should have started in FY 20/21 but was delayed due to ongoing Government restrictions. This work remains unfinished as at the end of FY21/22.</p>
Performance of fundraising activities against objectives set	Para 1.41	<p>Bar takings have continued to be impacted by COVID and were lower than expected at 59% of the planned income for the FY overall. This continued to improve as restrictions were lifted. Investments underperformed (49% of the expected income) but could have been far worse with both the impact of COVID and the situation in Ukraine affecting all markets. Subscription income was more than expected at 104% as outstanding historical mess debt was recovered.</p>
Investment performance against objectives	Para 1.41	<p>The investments performed less well than expected regarding dividends, two of the funds rallied well over the FY but one decreased again slightly. At the Feb AGM, the membership agreed to take advantage of the current markets and its healthy cash balance with further investments of £100,000 being approved.</p>
