Responsibilities of the Directors

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the surplus or deficit of the Company for that period. In preparing those financial statements, the management committee is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the Management Committee

Members of the Management Committee, who are directors for the purpose of company law and trustees for the purpose of charity law, who served during the year and up to the date of this report are set out on page 1.

- as far as we are aware, there is no relevant audit information of which the company accountants are unaware; and
- as the directors of the company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that the charity accountants are aware of that information.

Independent Examiner

Ace Accountants and Tax Consultants Ltd have expressed their willingness to act as the independent examiner for the Charity.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (issued in 2014) and in accordance with the Companies Act 2006 relating to small entities.

CHILD FIRST (UK)

INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF CHILD FIRST (UK)

We have audited the financial statements of Child first (UK) for the year ended 31st December 2024 on pages 8 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and examiner

As explained more fully in the Statement of Trustees' Responsibilities set out on page 4, the trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors Report to identify material inconsistencies with the audited financial statements and to identify any information that is materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- Ø give a true and fair view of the state of the charity's affairs as at 31st December 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- Ø have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- Ø have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other requirement of the Companies Act 2006

In our opinion the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- Ø the charity has not kept adequate accounting records, or returns adequate for our audit have not been received from branches not visited by us; or
- Ø the financial statements are not in agreement with the accounting records and returns; or
- Ø certain disclosures of trustees' remuneration specified by law are not made; or
- Ø we have not received all the information and explanations we require for our audit.

1. Accounting Policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year.

The introduction of FRS102 for the first time represents a change in Generally Accepted Accounting Practice (GAAP). Therefore consideration has been given to the potential need to restate comparative items. At the transition date (1st April 2014) there was no effect of transition from the previous financial reporting framework.

(a) Basis of accounting

These financial statements have been prepared under the historical cost convention and in the accordance with applicable accounting standards, the Companies Act 2006, the Charities Act 1993 and the Statement of Recommended Practice: Accounting and Reporting by Charities issued in March 2005.

(b) Fund accounting

- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

(c) Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income received by the way of donations and gifts is included in full in the income and expenditure account when received.

(d) Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes VAT and is reported as part of the expenditure to which it relates:

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

- Governance costs include those costs associated with attracting voluntary income and the costs of fundraising activities requirements of the charity.

(e) Comparatives

The figures relate to the year ended 31st December 2024. The comparative figures relates to the year ended 31st December 2023.
