LEGAL STATUS

The Faith to Share Trust (also known as Faith2Share) is registered under English law as an unincorporated trust governed by a 'Declaration of Trust' dated 1 October 2009. The Trust was registered as a UK Charity on 13 November 2009 with Registration No. 1132707

The Objectives of the Trust are

- (a) to advance the Christian faith, in the United Kingdom and elsewhere, for the public good, primarily but not exclusively, by means of the facilitation of collaborative work between existing mission agencies and movements.
- (b) to advance the Christian faith, in any country, for the public good, primarily but not exclusively, by means of supporting and resourcing new charitable movements and agencies of Christian mission.

The Faith to Share Trust has been established for the primary purpose of supporting and facilitating the work of the international Faith2Share Network of mission agencies.

The Faith2Share Network traces its origin to a meeting of six mission agencies in London in May 2000. The network was more formally constituted in 2004 when it gained the name Faith2Share and adopted a draft statement of Purpose, Ethos, Principles and Values.

VISION

Our **vision** is to see faith changing lives all over the world.

MISSION

Our **mission** is to enable effective collaborations between mission movements and leaders – working together globally to share faith and change lives.

PRIORITIES

We prioritise working together with *mission movements* from the global north and south who particularly demonstrate an intention of working together.

We focus our support to *mission leaders*, creating new opportunities for them to connect, learn and grow in leadership.

We enable *effective collaborations* between organisations, focusing on key mission issues and opportunities, and demonstrating what working together can achieve.

We impact the lives of people across many different cultures, developing *global Christian discipleship*, leadership and faith for a changing world.

VALUES

Our core values are **relational** and based on **sharing faith together**.

PUBLIC BENEFIT STATEMENT

Faith2Share member agencies, and the network itself, seek to bring benefit to the public in all the regions and countries in which we work by equipping individuals and whole communities to live in a way that reflects the Christian faith and its focus on generous love. We seek to work in a positive way alongside and with communities of different faiths and philosophies whilst sharing openly the faith in God which guides our work. We believe our work transforms communities in ways that enhance human life (through education, medical care, development, etc.), protect the natural environment and build societies of respect, tolerance, peace and spiritual health.

GOVERNANCE

The governance of Faith2Share is provided by the Faith2Share trustees appointed in accordance with the Declaration of Trust. During 2024-25 the following persons served as trustees of Faith2Share.

Statement of trustees' responsibilities

The trustees are responsible for ensuring the trustees' report and the financial statements are prepared for each financial year, in accordance with English law and regulations, and UK accounting standards. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies, as described in the Statement of Accounts and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

REPORT ON ACTIVITIES 2024-25

IMPACT STATEMENT

In 2024-2025 Faith2Share worked with over 220 church and mission leaders and organised prayer meetings, consultations and training events held online, but also in person. The highlight of the year was holding a Whole-Life Discipleship consultation in Rawalpindi, Pakistan for over 60 people (and another meeting in Lahore for over 30 people). Faith2Share was also as represented (both staff and Trustees) at the Lausanne IV Congress in Seoul, South Korea where 5,400 Evangelicals from all over the world gathered together to set up the mission agenda for years ahead. Another important development was re-engaging with our Kenyan members by travelling to Nairobi and starting a process of identifying our new Africa Regional Coordinator.

Leadership

The core activities of Faith2Share focus on growing and supporting effective indigenous leaders for mission movements around the world. The year 2024-25 has highlighted how important it is to stay relevant as a network by equipping, resourcing and encouraging mission leaders. Our flagship resource is a **Leadership Briefing** which is received by over 850 leaders in around 55 different countries. This regular bulletin points leaders to a wide range of resources appropriate to their work and challenges them to build collaborations for effective mission. On a daily basis, and at our major events, our small staff team works with leaders in four different ways as outlined below.

Accompany

The methodology of choice for Jesus as he prepared leaders for the church was to 'walk with them', to accompany them on their way through life and ministry. Faith2Share, as a network (not just staff) spends a lot of time 'walking with' leaders, sometimes offering advice or acting as a sounding board, and sometimes just being there to listen, appreciate and encourage.

In 2024-25 we put a lot of work into making sure that mission and church leaders have this opportunity to stay connected with each other, and continued to offer regular online meeting opportunities, especially for our members in India.

Mentor

The mentoring relationship is a more formal aspect of accompaniment. During the year staff and senior leaders within the network have been involved in mentoring a number of leaders, mostly from emerging mission movements.

Consult

The consultation we offer to leaders happens at many levels and is designed to help them respond to the changing mission context in which they find themselves.

We have resumed our programme of international in-person consultations which had been postponed due to Covid. We held a Whole-Life Discipleship consultation in Pakistan in October, as well as a fellowship and prayer gathering for our Kenyan members and partners in Nairobi in November.

Resource

Faith2Share continues to offer over 800 mission leaders its expertise in identifying and generating appropriate and contextualised resources to equip them to take forward their mission work. The regular Faith2Share Leadership Briefing provides access to a wide range of new resources and others are researched on a bespoke basis. A major challenge continues to be the under-resourcing of Global South mission made worse by the cost of living crisis.

Discipleship

A focus on Christian discipleship continues to be the defining characteristic which brings our member movements together and each has been active in making disciples of Jesus Christ in their own context. For some, like Friends Missionary Prayer Band working mostly in rural India, this has involved tens to hundreds of new disciples being brought into the church and equipped for Christian living during the past year, whereas for others, like PMI (working in North Africa) or Church Mission Society (in their Pioneer Ministry work in Britain or establishing mission hubs elsewhere) the work is much slower and involves costly witness.

Whole-life Discipleship

Faith2Share has continued its focus this year on “Whole-Life” discipleship – training our member

movements to equip those who choose to follow Jesus, to do so in every area of their life, in family relations, in their employment and as they seek to transform the communities in which they live. In October 2024 we partnered with Pakistani Evangelical Alliance to organise and run an in-person Whole-

Life Discipleship consultation in Rawalpindi, Pakistan. Compared to the 2022 consultation in Lahore, we saw more women and younger leaders attending and making a vital contribution, but we also had to face a bigger bill because of the high inflation. We also held a follow-up meeting in Lahore for 35 people. Local participants are already asking for a follow-up event in 2026 in Karachi.

Collaboration

No mission movement is invited to join the Faith2Share network unless there is a clear commitment to active collaboration in mission. We have therefore been pleased to see, over the past three years, a closer collaboration between our member agencies in many areas of the world. In 2024 the main challenge of fostering collaboration was still the limit on meeting people physically, but we

continued to foster the spirit of sharing and mission collaboration through a series of regular Zoom events, as well as participating in the online meetings organised by other networks and organisations.

Wider Networks

One of the services which Faith2Share provides for its members is regular collaboration with wider mission networks. Our Associate International Director, Anton Ponomarev, is an Associate of IPA (International Partnering Associates) and represents us at Vision Synergy. The International Director Jan Wessels has continued his new part-time role with the European Evangelical Alliance (EEA) as General Secretary which has brought many contacts, especially with the European Ecumenical Missions Council (EEMC) and the European Evangelical Mission Association (EEMA) in Europe. Regular contact has also been maintained with IMA (India) and MANI (Africa), and with WEA Mission Commission where our International Director is a member of the (Executive Committee of the) Global Leadership Council and attended the Global Lausanne IV Congress in September 2024 in Seoul, South Korea.

CMS Mission Network

In the course of the year *Faith2Share* continued to facilitate the CMS Mission Network which now has seven member movements and has seen an increased level of intentional working together. The highlight of the year was an in-person meeting in Cairo, Egypt which *Faith2Share* facilitated.

Lausanne-Orthodox Initiative

Although Faith2Share handed over the facilitation of the Lausanne-Orthodox Initiative in 2016 the Associate International Director continues to serve on its board. He has attended a number of LOI Board meetings and events delivered online as well as in person.

Consultants

Faith2Share has continued to provide financial administration for two consultants with whom we have a long-standing relationship. During the year they have undertaken consultancy work for Mahabba International (one of our members), Oxford Centre for Mission Studies, Oxford Centre for Christian Muslim Studies and several other mission agencies.

Emerging Mission Movements

As a network Faith2Share retains a strong commitment to supporting the emergence and development of new mission movements around the world. We provided advice during the emergence of a new missional networking entity in Kenya and provided a small number of mission grants, for example supporting educational ministry in West Bengal, India and offering assistance to a local trainer in Kenya.

Building organizational sustainability and resilience

Faith2Share continues to operate supported by a small staff team with decreased capacity. Our International Director, Jan Wessels, has been working for Faith2Share only part-time (50%), and has continued in a new position with European Evangelical Alliance. Our Associate International Director, Anton Ponomarev, continues to be seconded to another Oxford-based charity for one day a week on a paid basis. We are really pleased to have Sonja Woodman join our team in spring 2025 as a Communications Volunteer and are planning to recruit an Africa Coordinator soon (to be based in East Africa).

FINANCIAL REVIEW

Reserves policy

The policy is to hold enough funds to meet three months' operating costs of the charity. At year end the unrestricted cash and investments balance was £76,451. The trustees deem £25,000 to be the minimum cash balance to meet three months operating costs. The reserves policy is reviewed on an annual basis.

Principal funding sources

The charity's main source of income are membership fees, donations, trusts and foundations and consultancy. The charity's total income was £85,391 (2023/24: £85,535) which is almost the same compared to the previous year. This moderate decrease is offset by a decrease in annual expenditure and provides firm basis for continuing the work of the charity in the coming months.

Income from member movements decreased sharply to £8,100 (2023/24: £13,993) – mostly due to the fact that many of our members are suffering themselves from the cost of living crisis and increased costs of international travel. Tax effective individual donations saw a slight increase to £17,481 (2023/24: £16,135) and non-tax effective individual donations decreased slightly to £6,934 (2023/24: £8,769). Income from trusts increased to £18,479 (2023/24: £14,095). Except for the funds raised specifically for the work of two consultants the level of restricted funds received by Faith2Share remains healthily low which ensures that we have maximum flexibility in applying funds where they are most needed within the network.

Investment policy and objectives

The trustees have approved the use of the COIF Charities Investment Fund, whose investments are mainly in equities and follows an ethical investment policy. Other cash reserves are held in bank current accounts. In a challenging investment market, our COIF investment has seen a capital gain of £5,589 during the year (2023-24: gain of £4,432).

Ongoing Concern

The Trustees have considered the financial strength of the charity, bearing in mind the exceptional pandemic circumstances which have affected its operations during the past few years. Significant cost reductions have already been achieved, and the Trustees have confidence that a satisfactory level of income will continue to arrive. Comparing now with the financial situation that the charity was facing in 2020, the Trustees deem the financial position of the charity as stable, although this needs careful monitoring once we have re-started our programmes, international travel and re-building our organisational capacity by employing an Africa Regional Coordinator.

PLANS FOR FUTURE PERIOD

Strategic Direction

The Trustees together with the International Director and other major stakeholders have been given an opportunity to review and revise the strategic direction of Faith2Share but as a network of participating agencies the broad direction will continue to be determined by the vision, needs and aspirations of network members. This is likely to ensure a continued focus on the current vision (see 'Clear Vision' below).

Programmatic Plans

Faith2Share has made a commitment to continue working on Leadership and Discipleship development. For 2025 we are committed to organize and run a Leadership training in Nepal and continue the follow-up work in Pakistan. Faith2Share is also committed to continuing with the Emerging Mission Programme, focusing especially on under-resourced areas of the world and providing support to our partners there, especially focusing on leadership development.

CLEAR VISION

Through regular meetings with trustees, and dedicated staff 'away days' we continue to clarify the core commitments and areas of work for *Faith2Share* as a network. In communication terms we now regularly use the four simple 'words' (which have provided the structure for this report) to describe our mission. They are:

LEADERSHIP

Accompanying, Mentoring, Consulting and Resourcing
(The core activity of the network)

DISCIPLESHIP

Following Jesus in every aspect of our lives
(The core objective of all our members)

COLLABORATION

Doing mission together whenever and however we can
(The core ethos of the network)

EMERGING MISSION

Encouraging and supporting new movements of God's mission
(The core vision for our life together)

We give thanks to God for his faithfulness and the opportunities afforded to us during 2024-25 to participate in His mission.

Notes

1. Income Churches

This includes the support for Phil Simpson (restricted) and the personal support through the Christian Reformed Bethelkerk for the honorarium of the International Director (unrestricted). The support for the ID was higher than budgeted due to a donation from a Trust fund.

2. Income Consultancy Fees

Our Associate International Director is seconded to the Centre for Muslim Christian Studies in Oxford (0.2 Fte) as a consultant for which we invoice CMCS.

3. Income Membership Fees

Membership Fees are significantly lower than budgeted. Invoices and reminders have been sent out in March, October and December.

We know that it is difficult for many of our members to continue to pay their fees, especially getting funds out of India.

4. Individual donors

In general, there is a decrease of income from individual donors. This has been a trend already for some years. Our regular donors are aging and it is difficult and labour-intensive to engage a younger generation. We have been able to restore that capacity in terms of communications, but it takes time. Giving is also changing in the UK, where most of our individual donors live. The latest high rates of inflation and the steep rise of cost of living have also had its impact.

5. Income Trusts

We have received two grants from Trusts: Stichting Urco (Netherlands) and the Evangelical Church of Württemberg (Germany). Because of this funding, we were able to proceed with the training consultation in Pakistan.

6. Investment Gain / Loss

Our investment with COIF Charities Investment Fund has gained £5.589 in this financial year. With an overall performance of +8.5% our investment fund has done very well. Much better than the year before.

7. Costs of Activities: Consultancy

These are solely activities by our consultants Mark Oxbrow and Phil Simpson and paid from their respective restricted funds.

8. Consultation Core Costs

These are the costs of the Whole-Life Discipleship consultation in Pakistan and a members' meeting in Kenya.

9. Cost of Activities: Mission Grants

We have supported one of our network mission partners in Asia and a local trainer in Kenya.

10. Costs of Activities: Staff International Travel

Faith2Share has covered staff travel to South Korea, Pakistan and Kenya as we have resumed our in-person international activities/

11. Administrative Costs: Staff salaries and pensions

Faith2Share has only 2 paid staff members: Mr. Anton Ponomarev (1.0 Fte) and Rev. Jan Wessels (0.5Fte). It is to be noted that Mr. Ponomarev is seconded for 0.2Fte to the Centre for Muslim Christian Studies in Oxford as finance administrator.

12. Balance carried forward

These are internal transfers to and from General fund

13. Operating Profit/Loss

Our Operating Loss is £13,433.

Financial Year and accounting base

Our financial year starts on February 1 and ends on January 31. We are using an accrual accounting base

1. Current account

We have one current account with the Co-op Bank of the United Kingdom. This account is connected to our Xero online bookkeeping system

2. Investments

Our investments with COIF Charities Investment Fund was valued on January 31 and saw a good increase. The overall performance for this year was a gain of £5,589, i.e. +8.5%, despite market volatility.

3. Receivable

The outstanding membership fees for last year were paid in March. New outstanding membership fees on January 31, 2025, were paid in February

4. Restricted Funds

Restricted funds are funds we manage for third parties.

- At this moment we have a small fund for Mark Oxbrow
- Furthermore there is an Emerging Missions Fund that we use for small grants to partners in the global south. The income for this fund is from donors in the UK who want to send the money to partners with Gift Aid.
- The fund for Phil Simpson is slowly growing as he didn't claim a lot of money.

In all instances we charge a small administrative fee, i.e. 5%, for handling this. (This is booked as unrestricted income from churches or individual donors in the P&L Statement, on the same line)

5. UK Staff Support

During the pandemic we ran a campaign to raise funds to support US staff salary. During the year 2024 the Trustees decided to close this campaign and the funds were released into General fund.

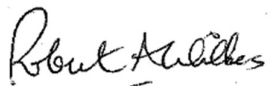

6. Continuity Reserve

This is a 'designated fund' that was created to have a threshold of three months for our operations. This threshold has been set by the Board in 2023

7. Effective Balance

This is the money we 'own' and can use, i.e. our 'Total Capital and Reserves' minus the 'Total Restricted Funds' (money we owe to third parties).

The financial statements on pages 13 to 15 were approved by the Trustees on 26 June 2025 and are signed on their behalf by:

General Notes to the Financial Statements

Year ending 31 January 2025

1. Principal accounting policies

(a) Basis of preparation

The financial statements have been prepared under the historical cost convention with the exception of investments which are carried at current market value where available. The accounts have been prepared in accordance with the Charities Act 2011, applicable accounting standards and the Statement of Recommended Practice: Accounting and Reporting by Charities (SORP 2015).
The accounting policies which have been consistently applied throughout the year are set out below:

(b) Funds structure

All funds raised by Faith2Share are used in furtherance of its charitable objectives.

Restricted funds are raised on the basis of an agreement or understanding with the donors that their use will be restricted to certain specific projects or activities within the scope of the stated charitable purposes of Faith2Share. These restricted funds are accounted for separately.

Designated funds are reservations for continuity and UK Staff Support during the pandemic.

Unrestricted funds are spent at the discretion of Faith2Share's trustees for use on any of the charity's general charitable purposes. With the consent of the relevant donors, tax recovered through Gift Aid is generally treated as unrestricted.

(c) Foreign currencies

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of transaction.

(d) Incoming resources

Donations and gift aid are recognised in the financial statements when Faith2Share believes it is entitled to them, the income is judged virtually certain of receipt and the amount can be reliably quantified.
Incoming resources from grants, where there are performance or service deliverables required by the terms of grant, are accounted for as the charity earns the right to payment through its performance.

(e) Resources expended

All expenditure is accounted for on an accrual basis.

Cost of Sales comprise those activities outlined under 'Purpose' and 'Objectives' at the beginning of the Annual Report.

Fundraising activities are the costs of generating donations and the transactional costs incurred.

Administrative costs are the costs associated with the governance arrangements of the charity. The costs included in this category relate to organizational administration and compliance.

Irrecoverable VAT is charged against the category of resources expended for which it is incurred.

(f) Investments and investment income

Investments in equity funds are included at their open market value at the balance sheet date. All gains and losses on investments are taken to the Income and Expenditure Statement.

Report of the Independent Examiner

Independent Examiner's report to the Trustees of Faith2Share

I report on the accounts of the Trust for the year ended 31 January 2025, which are set out on pages 13 to 15.

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act);
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent Examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's statement

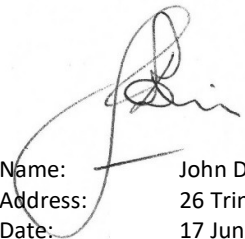

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
