Based upon the valuer's opinion of the same for insurance purposes only. In adherence to the guidelines for RAF service charities, the value of fixed assets outlined in the organisation's financial statements are as follows: Silverware, painting and prints, and select furniture items are recorded at an insured valuation, which is subject to professional review every five years. It should be noted that due to the elapsed time, the original acquisition costs of most assets are not ascertainable. Consequently, it has not been possible to fully determine the amount of any related Revaluation reserve. Additionally, other tangible assets are depicted at historical cost less accumulated depreciation in accordance with relevant accounting standards.

RAF Valley Officers' Mess

On accounts for the year

Charity no
(if any)

Set out on pages

CC17a & TAR

I report to the Managing Trustee on my examination of the accounts of the above charity ("the Charity") for the year stated.

Responsibilities and
basis of report

As the charity's Managing Trustee, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act, and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

~~The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a Fellow member of the Association of Charity Independent Examiners.~~

I have completed my examination. I confirm that no material matter has come to my attention in connection with the examination (~~other than that disclosed in Section B below~~) which gives me cause to believe that in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Para 1.20	The Mess arranges a variety of formal and informal functions over the Financial Year. The Officers' Mess operates a bar as a primary purpose trading activity. The bar is managed, and the stock is owned by the Contractor. Agreed Gross Profit Percentages/ Mark-ups are set by the Mess Committee and agreed at the EGM before the start of the Financial Year.

CC17a & Trustee's Annual Report (TAR)

I report to the Managing Trustee on my examination of the accounts of the above charity ("the Charity").

Responsibilities and
basis of report

As the Charity's Managing Trustee, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

~~The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a Fellow member of the Association of Charity Independent Examiners.~~

I have completed my examination. I confirm that no material matter has come to my attention in connection with the examination (~~other than that disclosed below~~) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

N/A
Government grants	The charity has received government grants in the reporting period	No
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. N/A
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	N/A

	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.	N/A
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.	N/A

Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	Yes
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	Yes
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	N/A

In adherence to the guidelines for RAF service charities, the value of fixed assets outlined in the organisation's financial statements are as follows:

Silverware, painting and prints, and select furniture items are recorded at an insured valuation, which is subject to professional review every five years. It should be noted that due to the elapsed time, the original acquisition costs of most assets are not ascertainable. Consequently, it has not been possible to fully determine the amount of any related Revaluation reserve.

Additionally, other tangible assets are depicted at historical cost less accumulated depreciation in accordance with relevant accounting standards.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	During the previous financial year, the mess was unable to host major events due to the Covid-19 pandemic, seeing a major decrease in bar and function income. The Mess arranges a variety of formal and informal functions over the Financial Year. This includes; Service Dining-In' or Dinner Nights such as a Battle of Britain evening, Dinner Nights for Mess Members and guests, and both a Summer Ball and a Christmas Draw. This is in order to meet the aim of promoting esprit de corps and for the collective benefit of the Membership. Official Mess Functions receive subsidies, reducing the overall cost for either the mess member, or the mess member and their first guest. As part of the financial planning process the Mess Committee seeks the agreement of the Membership in setting the level of

		subscriptions in the relevant membership categories. Due to a lack of spending during 20/21, the mess subscriptions were reduced by £5.70 per month, from £17.70 to £12.00 for FY 21/22. This is due to the cancellation of the 2021 summer ball. The Officers' Mess operates a bar as a primary purpose trading activity. The bar is managed, and the stock is owned by the Contractor ESS. Agreed Gross Profit Percentages/ Mark-ups are set by the Mess Committee and agreed at the EGM prior to the start of the Financial Year.

Achievements against objectives set	Para 1.41	The objectives are set in the Financial Plan, which is approved by the Trustee and voted in at an EGM prior to the start of the Financial Year. Committee Meetings are held on a monthly basis and review the performance of the Officers' Mess against the Financial Plan. Actual income was above target, at 202% of the planned income. The bar made 212% of planned profit and the mess subscriptions being 132%. This was largely due the planned figures being low due to such a dramatic fall in 20/21 FY, and also an increase in Mess membership. There was also a £4,994 donation from Linton-on-Ouse, increasing the income. Actual expenditure was significantly above target at 299.5% of the planned expenditure in the 21/22 FP. This was due to the Covid-19 rebate from 20/21 being actioned in this FY, as well as a £48,348 planned bar refurbishment. The Officers' Mess finished this year with a £30,439 deficit.
-------------------------------------	-----------	--

Performance of fundraising activities against objectives set	Para 1.41	Subscriptions: Subscriptions were set and agreed at £12.00 per month for each Mess Member in the FY 21/22 Bar Profits: The Bar was forecast to make £6,000, however made £12,682. This 212% increase was likely due to the a 'rebound' effect from the relaxation of covid rules, and an increase in membership.

There was also a £48,348 spend on the bar refurbishment. Liquidity is good at 1.85

The Committee is clear about the Charity's aims and purpose and that they are delivered effectively. Regular meetings are held to review their financial position and the impact funding has on achieving their charitable purpose. Minutes are taken at each Committee and General Meeting and circulated to the Trustee for approval of any decisions discussed and agreed by the Committee. Risks are actively managed through a Risk Register and are regularly reviewed and updated accordingly. The Trustee is also satisfied that systems and procedures have been established to manage these risks through the Service Funds Internal Audit Board. The Trustee and Officers' Mess Committee act with integrity and are aware that they have ultimate responsibility for the Charity's funds and assets, including its reputation. They act in the best interest of the Charity and have implemented a Conflict of Interest Policy, which every Committee Member must adhere to and sign upon taking up their role on the Committee.

Note 2

Accounting Policies

This standard list of accounting policies has been applied by the charity except for those identified, "No" or "N/A". Where a different or additional policy has been adopted then this is detailed in the box below.

2.1 INCOME

Recognition of income	These are included in the Statement of Financial Activities ▪ the charity becomes entitled to the resources; ▪ it is more likely than not that the trustees will receive the resources; and ▪ the monetary value can be measured with sufficient reliability.	Yes
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP). In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	Yes
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	N/A
Government grants	The charity has received government grants in the reporting period	No
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	N/A
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	N/A
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.	N/A N/A N/A N/A

	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable	N/A
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.	N/A
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.	N/A
Support costs	The charity has incurred expenditure on support costs.	Yes
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	N/A
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably	Yes
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.	N/A
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	Yes
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP) and are included as an item of other income in the SoFA.	N/A
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	Yes

2.2 EXPENDITURE & LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	Yes
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	Yes
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	Yes
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	N/A
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	Yes

Section C	Notes to the accounts	cont...
-----------	-----------------------	---------

Redundancy cost	The charity made no redundancy payments during the reporting period.	Yes
Deferred income	No material item of deferred income has been included in the accounts	Yes
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	N/A
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	Yes
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS 102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS 102 SORP.	Yes

Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.	Yes
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments	Yes
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.	Yes
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.	Yes
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	Yes

Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.	N/A

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Mess would normally arrange a variety of formal and informal functions over the Financial Year. This would include; Service Dining-In' or Dinner Nights such as a Battle of Britain evening, Dinner Nights for Mets Members and spouses/partners, and both a Summer Ball. and Christmas Draw for the benefit of Mess Members, in order to meet the aim of promoting esprit de corps and for the collective benefit of the Membership. Some of the functions received subsidies to the overall cost, with attending Members paying the remaining cost of the function or event. Unfortunately, due to the COVID-19 pandemic all such activities have stopped. It is hoped that such activities can be revived in the future. Mess Subscriptions: As part of the financial planning process the Mess Committee seeks the agreement of the Membership in setting the level of subscriptions in the relevant membership categories. These subscriptions help to subsidise the formal functions, meet operating and maintenance costs as well as enabling the Mess to fund its grant allocating activities. Trading Activities: The Officers' Mess operates a bar as a primary purpose trading activity. The bar is managed, and the stock is owned by the Contractor ESS.

		Agreed Gross Profit Percentages/ Mark-ups are set by the Mess Committee and agreed at the EGM prior to the start of the Financial Year. Income has been limited due to the pandemic restrictions. Investments: As of June 2021, investments held were valued at £17,995. An additional £1,500 has been approved to be purchased by the Committee. Following which the Mess investments will exceed their Permanent Empowerment Liability.

Achievements against objectives set	Para 1.41	The objectives are set in the Financial Plan, which is approved by the Trustee and voted in at an (Remote) EGM prior to the start of the Financial Year. Committee Meetings are held on a monthly basis and review the performance of the Officers' Mess against the Financial Plan. Planned income over the Financial Year was above target which was due to higher than expected subscription income from the addition of 72 Sqn Personnel. An increase in Mess membership had been anticipated but was greater than forecast. Due to COVID 19 bar profits produced 56% of what was forecast. Planned expenditure was 62% lower than expected due to cancellations of both the Summer Ball and Christmas Draw. The Officers' Mess has finished the year with a surplus. The surplus will be used as the Mess Membership deems appropriate in the FY20/21 AGM.
-------------------------------------	-----------	--

Performance of fundraising activities against objectives set	Para 1.41	The main income streams for the Officers' Mess are subscriptions and bar profits. Subscriptions: Subscriptions are set and agreed at £17.70 per month for each Mess Member. However as noted above, due to increased Mess Membership above that anticipated over the FY subscription income was above target. Bar Profits: The Bar was forecast to make £6,000, however only produced £3,360.39. This 56% reduction was due to large periods of the year being closed due to the pandemic, combined with a significantly reduced number of social functions.
Investment performance against objectives	Para 1.41	The RAF Valley Officers' Mess investments primary purpose is to ensure that the permanent endowment to the RAF Central Fund can be repaid in the event that the Mess should close. The small amount of income generation was considered a second order bonus and therefore not considered in the Financial Plan for FY 20/21. In March 2020 additional income generating investments were purchased in order to compensate for permanent endowment inflation, which has since ceased.

Reserves of £11,500.00 have been set aside, which is the value of approximately 3 months' worth of recurrently committed expenditure. Free Reserves have been calculated as those parts of income which are freely available and do not include the Permanent Endowment, Restricted Funds, any part of Unrestricted Funds not available for spending and Assets which could only be realised through disposing. Included in this are the investments, as they can be realised at short notice if required. The Reserves of the Charity are continually monitored and reviewed within the context of the funds required to fulfil the charitable objectives.

Note 2

Accounting Policies

This standard list of accounting policies has been applied by the charity except for those identified, "No" or "N/A". Where a different or additional policy has been adopted then this is detailed in the box below.

2.1 INCOME

Recognition of income	These are included in the Statement of Financial Activities ▪ the charity becomes entitled to the resources; ▪ it is more likely than not that the trustees will receive the resources; and ▪ the monetary value can be measured with sufficient reliability.	Yes
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP). In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).	Yes
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	N/A
Government grants	The charity has received government grants in the reporting period	No
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	N/A
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	N/A
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.	N/A N/A N/A N/A

	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable	N/A
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.	N/A
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.	N/A
Support costs	The charity has incurred expenditure on support costs.	Yes
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	N/A
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably	Yes
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.	N/A
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	Yes
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP) and are included as an item of other income in the SoFA.	N/A
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	Yes

2.2 EXPENDITURE & LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	Yes
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	Yes
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	Yes
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	N/A
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	Yes

Section C	Notes to the accounts	cont...
-----------	-----------------------	---------

Redundancy cost	The charity made no redundancy payments during the reporting period.	Yes
Deferred income	No material item of deferred income has been included in the accounts	Yes
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	N/A
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	Yes
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS 102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS 102 SORP.	Yes

2.4 ASSETS

	They are valued at cost.	No
	The depreciation rates and methods used are disclosed in note 14.	No
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 15.	No

	They are valued at cost.	N/A
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.	Yes
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments	Yes
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.	Yes
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.	Yes
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	Yes

----------------	---	------------

Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.	N/A

I report to the Managing Trustee on my examination of the accounts of the above charity ("the Charity").

Responsibilities and
basis of report

As the charity's trustee, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

~~The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a Fellow member of the Association of Charity Independent Examiners.~~

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (~~other than that disclosed below *~~) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
