Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Mess would normally arrange a variety of formal and informal functions over the Financial Year. This would include; Service Dining-In' or Dinner Nights such as a Battle of Britain evening, Dinner Nights for Mets Members and spouses/partners, and both a Summer Ball. and Christmas Draw for the benefit of Mess Members, in order to meet the aim of promoting esprit de corps and for the collective benefit of the Membership. Some of the functions received subsidies to the overall cost, with attending Members paying the remaining cost of the function or event. Unfortunately, due to the COVID-19 pandemic all such activities have stopped. It is hoped that such activities can be revived in the future. Mess Subscriptions: As part of the financial planning process the Mess Committee seeks the agreement of the Membership in setting the level of subscriptions in the relevant membership categories. These subscriptions help to subsidise the formal functions, meet operating and maintenance costs as well as enabling the Mess to fund its grant allocating activities. Trading Activities: The Officers' Mess operates a bar as a primary purpose trading activity. The bar is managed, and the stock is owned by the Contractor ESS.

		Agreed Gross Profit Percentages/ Mark-ups are set by the Mess Committee and agreed at the EGM prior to the start of the Financial Year. Income has been limited due to the pandemic restrictions. Investments: As of June 2021, investments held were valued at £17,995. An additional £1,500 has been approved to be purchased by the Committee. Following which the Mess investments will exceed their Permanent Empowerment Liability.

Achievements against objectives set	Para 1.41	The objectives are set in the Financial Plan, which is approved by the Trustee and voted in at an (Remote) EGM prior to the start of the Financial Year. Committee Meetings are held on a monthly basis and review the performance of the Officers' Mess against the Financial Plan. Planned income over the Financial Year was above target which was due to higher than expected subscription income from the addition of 72 Sqn Personnel. An increase in Mess membership had been anticipated but was greater than forecast. Due to COVID 19 bar profits produced 56% of what was forecast. Planned expenditure was 62% lower than expected due to cancellations of both the Summer Ball and Christmas Draw. The Officers' Mess has finished the year with a surplus. The surplus will be used as the Mess Membership deems appropriate in the FY20/21 AGM.
-------------------------------------	-----------	--

Performance of fundraising activities against objectives set	Para 1.41	The main income streams for the Officers' Mess are subscriptions and bar profits. Subscriptions: Subscriptions are set and agreed at £17.70 per month for each Mess Member. However as noted above, due to increased Mess Membership above that anticipated over the FY subscription income was above target. Bar Profits: The Bar was forecast to make £6,000, however only produced £3,360.39. This 56% reduction was due to large periods of the year being closed due to the pandemic, combined with a significantly reduced number of social functions.
Investment performance against objectives	Para 1.41	The RAF Valley Officers' Mess investments primary purpose is to ensure that the permanent endowment to the RAF Central Fund can be repaid in the event that the Mess should close. The small amount of income generation was considered a second order bonus and therefore not considered in the Financial Plan for FY 20/21. In March 2020 additional income generating investments were purchased in order to compensate for permanent endowment inflation, which has since ceased.

Free Reserves have been calculated as those parts of income which are freely available and do not include the Permanent Endowment, Restricted Funds, any part of Unrestricted Funds not available for spending and Assets which could only be realised through disposing. Included in this are the investments, as they can be realised at short notice if required. The Reserves of the Charity are continually monitored and reviewed within the context of the funds required to fulfil the charitable objectives.
