The Parochial Church Council of the Ecclesiastical Parish of St Clement's, Oxford
Annual Report for the year ending 31st December 2021

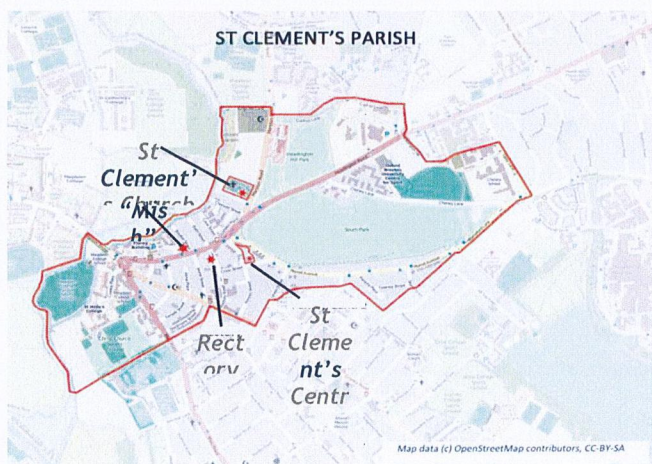

Objectives and activities

The Parochial Church Council (PCC) is the group of people who, with the Rector, run St Clement's Church. We describe who we are, how we are elected and how we organise ourselves in this report. Our objectives derive from the Parochial Church Councils (Powers) Measure 1956. We are 'to cooperate with the minister [Rector] in promoting in the parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical'. We have the 'power jointly with the minister to determine the objects to which all moneys to be given or collected in church shall be allocated'. With the churchwardens, all members of the PCC are responsible for the maintenance of the church building.

The 2004 report 'Mission-shaped church' sets out the meaning of the 'whole mission of the church' as currently interpreted by the Church of England. Worship lies at its centre. It aims to transform people through faith in Jesus Christ and the power of the Holy Spirit; is welcoming; relates to local culture and is open to change when new members join.

St Clement's is an Anglican church serving a parish that is part of the Cowley Deanery within the Diocese of Oxford. Cowley Deanery covers the eastern half of the City of Oxford.

Our parish (shown below with the four buildings from which we operate) is itself varied and interesting. Much of it is green space, including South Park, but there are also two busy retail thoroughfares: St Clement's Street, where the Old Mission Hall ('Mish') sits, and the western end of the Cowley Road. Cheney School (a state secondary school) and part of Oxford Brookes University lie at the eastern end of the parish. Magdalen College School (a private school) and St Hilda's College (part of the University of Oxford) are at its western end. A major new Islamic Centre is at the north, while the Bangladeshi Community Centre and Mosque sit towards the south. The Cowley Road Methodist Church is near the western end. The homes of our parishioners form much of the rest of our parish.

The Parochial Church Council of the Ecclesiastical Parish of St Clement's, Oxford
Annual Report for the year ending 31st December 2021 (continued)

Objectives and activities (continued)

Our church building is set back off the Marston Road. It was completed in 1828 in a 'Norman revival' style, replacing an earlier building in a different part of the parish. Our nearest postcode is OX4 1FN.

Our overarching objective is that all who want to do so may come to know the love of God and experience the richness of His goodness towards us in every aspect of our lives. This is what motivates all our more specific objectives and activities described below. Our activities provide public benefit to the parish and the wider community, in line with guidance issued by the Charity Commission.

We describe our achievements and performance for each of these activities both pre and post Covid in more detail in the next section. Clearly many of the activities described below could not take place after the outbreak of Covid in early 2020.

Objectives	Activities
1. Worship – to give all our parishioners, as well as church members from outside the parish, the opportunity to participate in Christian worship. We want to experience God and the joy that comes from knowing Him.	We provide two services each Sunday. Our styles, supported by our music group , are wide-ranging, to suit members of all ages. Our hospitality group provides welcoming refreshments after our main morning service. Our flower arranging group makes the interior of the church more beautiful.
2. Prayer and Bible study – to deepen our knowledge of God and to follow Him more closely, both collectively and individually.	We aim to understand God's general purposes through Bible study and to discover what he wants for us individually through prayer. Many of us meet in small groups in members' homes to explore our walk with God in depth. We encourage all our church members to pray and study the Bible regularly as part of their personal devotions, and to pray together through weekly and monthly prayer gatherings .

The Parochial Church Council of the Ecclesiastical Parish of St Clement's, Oxford
Annual Report for the year ending 31st December 2021 (continued)

Objectives and activities (continued)

<p>3. Pastoral care – to support each other in the routine pressures of daily living and through times of crisis.</p>	<p>Individual friendships, including in our small groups, form the focus of our care for each other. More structured pastoral care supports those in specific need. Volunteer drivers enable less mobile members to stay connected to church activities. We have a fund to help church members facing short-term financial emergencies. We hold a memorial service every year open to all but particularly to people who have lost a relative or close friend in recent years.</p>
<p>4. Young people and children – to give our younger members the opportunity to explore the Christian faith in ways they find meaningful.</p>	<p>Our youth work provides a wide range of activities for those of secondary school age. These include meetings on Saturday evenings and on Sunday mornings. Our children's work, for those of primary school age and younger, is focused on Sunday mornings. On the first Sunday of each month, our young people and children join our main church service.</p>
<p>5. Community and social concern – to express the love of God in practical ways to the local community of our parish.</p>	<p>Our work in the community covers the young, the old and those in financial need.</p> <p>We run a babies and toddlers group for children of pre-school age, along with their carers, on Thursdays. We have begun an after school club on Wednesdays, working in partnership with the Parish Property Trust, East Oxford Primary School and a local charity, Doorsteps. This provides a simple meal, activities and community for parents and children.</p> <p>Our Shared Space (formerly Café Church) provides activities and refreshments for all ages on the first Saturday morning of most months. Our Cafe Club provides social activities and refreshments once a month for older members of the Church family and local community.</p> <p>We are core participants in the Oxford Churches Debt Centre, set up in partnership with the national organisation Christians Against Poverty (CAP) UK to help anyone with problem debt. We run CAP money management courses to help people learn to budget and manage their money better. We also participate in a range of community activities.</p>
<p>6. Outreach – to present the gospel to those around us in our parish, our deanery and the wider world, fulfilling our evangelistic and ecumenical objectives.</p>	<p>Many beyond our regular members attend our services at major Christian festivals and use our services for baptisms, weddings and funerals. We run regular enquirers' courses for those wanting to explore the Christian faith. We join with all the Church of England churches in Cowley Deanery in pooling most of our congregational giving; this helps those parishes in the Deanery in most need. We participate with other churches across the denominations in activities like the Good Friday walk along the Cowley Road. We look beyond Oxford in our annual Mission Gift Fund to support other organisations in the UK and abroad with which we have links.</p>
<p>7. Future generations – to preserve and enhance for future generations the built and natural heritage of which we are the current guardians.</p>	<p>We want our church to be a continuing centre of Christian worship for generations to come, as it has been for the last two centuries. We have continued to restore the church fabric and improve our beautiful churchyard so that it is a pleasure for visitors and a good home for a range of plant and animal species.</p>

Achievements and performance

The objectives and activities in this section follow the same sequence as the table in the previous section. What we offer is available to all, mostly without charge. Where we charge fees or seek donations, it is only to help defray costs.

The Rector and St Clement's PCC are immensely grateful to the many willing volunteers who have enabled so much throughout 2021, particularly given the difficulties presented by Covid. We could not have done all we have without our dedicated staff, to whom we also express our deep thanks.

There were 91 on the Electoral Roll at the date of the Annual Parochial Church Meeting on 29 April 2021. Average Sunday attendances in October 2021 comprised 74 adults and 10 children under 16. Additional church family members attended online.

1. Worship

Music group: The group, including adults and young people, contributed to the musical part of our worship at about 70 services across the course of the year. These included both services in church and online.

Hospitality group: Teams of church members offered refreshments after morning services and at special church events as part of our continual building of a welcoming church. This hospitality sadly paused during Covid.

Flower arranging group: The group arranged flowers for our services, as part of our valuing of God's creation and our welcome and worship of God.

2. Prayer and Bible study

Home groups: 7 Home groups, each with its own distinctive style, involving roughly 65 church members meet during the week to grow together in friendship and support, in knowledge and understanding of Scripture and in service to the community, especially the vulnerable. During Lent 2021 the Home Groups as well as others from within and beyond our church family came together for a well-attended Alpha course online.

3. Pastoral care

Structured pastoral care: The Rector, with Curate, Minister with Permission to Officiate and a small number of volunteers, offer pastoral care for those facing particular challenges and difficulties, as well as provision of home communions. This pastoral care was particularly necessary during Covid with a greater emphasis continuing through 2021 in keeping in touch pastorally with church family members by telephone or other virtual means.

Volunteer drivers: Volunteers from the church provide lifts to services for the more frail members of our congregation as needed. Sadly, Covid made this more difficult.

Hardship Fund: The Rector has a small discretionary fund to give, with the Wardens' agreement, modest donations to people facing immediate financial hardship. This Fund was not used during 2021.

Memorial service: Our memorial service happens every Autumn. We invite all who have used our funeral, cremation or burial services in the past two years, but the service is open to all and is advertised locally. In 2021, 19 people attended.

Achievements and performance (continued)

4. Young people and children

Youth work: Overflow Youth meet regularly to worship, pray, wrestle with real life issues, and spend time in community and fellowship with one another. The group has between 15 and 20 11-17 year olds on its books, with around 5-10 attending regularly. Whether in person or online (as needed, because of Covid guidelines), they have been meeting weekly on Saturday nights for teaching, worship and socialising and some Sunday mornings for time to gather as youth church. Additional activities include Space (a social after school drop-in, attended by around 7-10 young people every week), residential camps, trips to other churches, social and family get-togethers, one-to-one mentoring and community outreach. Clearly many in person activities were curtailed by Covid during 2021, but more were possible than in 2020.

Children's work: Our Junior Church (for children 5-11 years old) enables children to worship, pray, learn and have fun in a welcoming mixed-age group, taking place 3 Sundays out of 4 in term-time. During 2021 the average attendance at Junior Church has been around 8-10 children. A separate crèche has catered for the active under-5's with an average of 3-4 children attending. During the worst of Covid in 2021, Junior Church met online most Sundays. Post Covid in 2022 our children's work has flourished.

5. Community and social concern

Toddler group: Our Baby and Toddler Group serves the local community during school term-time. Volunteers provide activities for a 2 hour drop-in session once a week, including light refreshments. Toddlers had to be cancelled once Covid struck, but thankfully resumed in 2021 once Covid restrictions allowed. Numbers were lower than pre Covid, but still at an encouraging level (about 15 toddlers with their carers).

Welcome on Wednesdays: At the end of 2019, we started an after-school club for primary aged children called Welcome on Wednesdays (WOW). It is a collaboration between St Clement's Church, the St Clement's Parish Property Trust, a charity (Doorsteps) and East Oxford Primary School (the nearest to the Parish). Food is donated by the Oxford Foodbank. It is a free afternoon drop-in where children can come with their parents and carers, have a hot meal, play and have fun. Adults can chat, relax and develop friendships. It was a great success, with the number of children attending between 20 and 30 each session. Sadly, WOW had to end once Covid restrictions came into force but planning began in late 2021 with a view to recommencing WOW in early 2022.

Café Club and Café Yes: Our Café Club provides refreshments, social engagement and activities for members of the Church family and local community who are around during the day. Towards the end of 2019 church volunteers began Café Yes, a monthly meeting for those from Café Club wanting to share prayer, fellowship, and discussion of faith-related topics. Unfortunately, Covid meant that Café Club and Café Yes could not meet, although Café Club was able to resume in the Autumn 2021, albeit meeting less frequently than before.

Flourishing Life: during 2021, the church received new Diocesan Mission Development Fund grant to enable the parish, in collaboration with the Oxford Pastorate, to begin a programme of activities reaching out to youth and young adults in our local community. The aim is to encourage them to reflect on what it means to live a good life.

Shared Space (formerly Café Church): pre-covid was held on the first Saturday of most months, providing varied activities and brunch for all ages, both the young and the young at heart. Covid restrictions unfortunately meant that it could not meet in 2021.

Oxford Churches Debt Centre and CAP Money Management Courses: The Oxford Churches Debt Centre is a charitable incorporated organisation registered with the Charity Commission (number 1155834) and run in partnership with Christians Against Poverty (CAP) UK. St Clement's is one of six full partner churches. A number of our church family are involved in different ways, and St Clement's is committed both to pray and to give financially for the work of the Centre. This includes assisting in provision of CAP Money Management Courses. Inevitably, CAP's work was hindered by Covid, but continued in 2021 as far as guidance allowed.

Community activities: St Clement's church family members are involved in a number of activities led by others in our local community. These include the Oxford Winter Night Shelter, an initiative of Oxford churches to provide shelter for the homeless in the winter month; a local food bank supported through weekly and Harvest Service food donations; and OXCLEAN, which is an annual event to tidy up our local area.

Achievements and performance (continued)

6. Outreach

Major Christian festivals: Easter and Christmas are the festivals when most visitors attend our services. Covid restrictions inevitably had an impact on attendance, but all Christmas services were well attended, especially our Carol Service, Christingle and Christmas Day Services. Easter services were a mixture of online and in church, with Easter Day being well attended in church. Sadly, the Good Friday Walk of Witness with other local churches was cancelled again, but we much enjoyed welcoming our local community to join us for our early December 'Light in the Darkness' community event, including carol singing and lighting the Christmas Tree outside the St Clements Centre in Cross Street as in previous years.

Thanks to the dedication of volunteers and investment in cameras, we were also able to introduce livestreaming of our Sunday morning services from Easter 2021 through to Christmas 2021. This made possible worship from home for those unable to get to church because of Covid. Sadly, we are not able to continue this in 2022, because of the volunteer effort involved and the absence of a fibre broadband link to the church (despite huge efforts to secure one). We will continue to livestream occasional services such as wedding and funerals using mobile broadband, as volunteer effort allows.

Baptisms, weddings and funerals: As a parish church, we offer the 'occasional offices' of baptisms, weddings and funerals to residents of the parish. We also offer this ministry to those living beyond the parish who worship with us or have a strong connection with us. In 2021, we conducted 2 funerals and ashes internment in the churchyard.

Fabric: 2021 saw further improvements in our church and churchyard. All our historic windows have now been replaced, repaired or cleaned, with an additional plain glass window inserted in the previous organ space (in keeping with the original design of the church). 2021 also saw internal re-ordering intended to improve our welcome as well as restore the organ space, the organ itself having been removed in 2020. Major repairs to crumbling and leaking masonry have now begun and will be completed in 2022. During 2022 we also intend to make progress on modernising our kitchen and bringing up to date our 25 year old sound system, with the intention of improving our scope for hospitality and worship respectively.

We have continued to improve our churchyard. Trees and shrubs have been regularly cut back to improve welcome, visibility and safety. Work to improve the safety and appearance of some of the railings in the churchyard was completed in 2021.

Cowley Deanery: We are part of the Cowley Deanery, which brings together the thirteen parishes in the eastern half of Oxford. The Rector, Curate and three church members are members of the Cowley Deanery Synod.

Across the denominations: We maintained links with other local churches although these were made more difficult by Covid.

Beyond Oxford: We continue to support and pray for several mission partners with links to our church. Church members raised a total of £6,800 (including Gift Aid) for our Lent Mission Gift Fund, which we distributed to our mission partners and other mission agencies.

Future generations: We want our church to be a continuing centre of Christian worship for generations to come. Our aim is to make the church as welcoming and useable for worship and hospitality as possible, while respecting and valuing its historic features. The planned improvements to our fabric in 2022 seek to strike this balance.

The same considerations apply to further work planned in our churchyard. We want to keep it well maintained, so visitors can easily find and see the graves of their loved ones and the church can be as visible as possible to those interested in a historic place of Christian worship. At the same time, we value the many trees and plants which are good for the environment and wildlife.

Financial review

Principal funding sources

Giving from the congregation is a vital income source. In 2021 regular giving was stable, while giving from collections at services increased compared to 2020, as services in church resumed.. Overall giving was slightly higher than in 2020, reflecting the generosity of the church family in difficult times.

An annual grant from the Charity of Thomas Dawson is our main external funding source. The generosity of Thomas Dawson, who set up his charity in 1521, enables us to operate on a scale that would otherwise be impossible. The grant of £104,572 for 2021 was a major contribution to the Church's finances, for which we are hugely appreciative. Without such a generous grant, we would not have been able to proceed with our repairs to the masonry and roof.

Principal risks and uncertainties

Volunteer shortages and fatigue remain our greatest risk. Although members of the Church family give generously of their time, the church has a largely working age congregation with work and family responsibilities. The much needed fabric repair and improvements that we have undertaken has been very demanding of volunteer time and the huge additional requirements of Covid have inevitably taken their toll on volunteer energy and capacity. The clergy team are hugely appreciative of those who do volunteer so generously.

Our main financial risk is the need to **repair our church** fabric. However, we have adequate reserves to fund the work planned and the repairs so far undertaken have been achieved within budget.

Our reliance on just a **few main funding sources** clearly presents risks. Both the Dawson Trust and the Parish Property Trust, (which supports our Youth work), have inevitably been affected by Covid. However, our reserves remain strong thanks to careful financial management.

Like all small organisations run by volunteers, we face the general risk of **getting things wrong**. Our principal risks in this respect lie in the areas of finance, data protection, safeguarding, health and safety and employment practice. Wenn Townsend Chartered Accountants support us in financial matters and we receive help from experienced volunteers and advisers in health and safety and employment matters. The Diocese also provides help in a number of areas.

We welcome **children and vulnerable adults** and our designated Parish Safeguarding Officer oversees all work with them. She was formerly our Children's Worker and ensures that all those who work with children and young people or vulnerable adults are safely recruited, including being appropriately DBS checked, as well as subsequently trained. We have due regard to all guidance on safeguarding issued by the House of Bishops.

Finally, there is the risk that the PCC cannot deal adequately with all the growing requirements of Government legislation and guidance from the Church of England. We undertake risk assessments, make other regular checks and organise training for staff and volunteers to try to ensure compliance. Most of our staff and activities are based in the St Clements Centre and 'Mish', belonging to St Clement's Parish Property Trust, so the Church works closely with that charity's General Manager and Trustees.

Investment policy

We do not have funds to invest over the medium-term or long-term. Our general unrestricted reserves are a support for our normal annual expenditure. Our designated and restricted funds are for work that we hope to complete over the next 1-3 years. The need to invest over the short-term arises when there is a delay between receiving funds and being able to use them. This happens mainly when the Charity of Thomas Dawson makes large grants. In such circumstances we can find ourselves with funds to invest for more than 12 months. Our policy for short-term investment is to balance security, liquidity and return, while striving to invest ethically. Overall, this means using a combination of interest-paying bank accounts.

Financial review (continued)

Reserves

Our reserves policy is to achieve a position on our general fund where we hold an amount to match our annual reliance on the Dawson grant, which is never guaranteed, and to provide an additional amount equal to 3 months' normal expenditure paid out of the general fund and Charity of Thomas Dawson grant. We held £ 285,692 in the general fund at the end of 2021, so we achieved our policy intention. We assign £50,000 to the Dawson cashflow fund to ensure we start the year with enough cash to last us until the Dawson grant arrives in late summer. The Dawson Trust Fund is effectively our fabric fund.

We have three types of restricted funds.

The **Dawson Trust** fund is by far our largest. It holds amounts received from the Charity of Thomas Dawson as a 'contribution towards the upkeep and repair of the fabric of the Parish Church of St Clement's, and the maintenance of the services and furniture therein and subject thereto in furtherance of the religious and other charitable work of the Church of England, in the said ecclesiastical parish as the Parochial Church Council think fit'. Our policy is to spend it in line with these conditions as quickly as is consistent with good financial management. It held £48,992 at the end of 2021.

Our Toddlers Group held a reserve of £715 at the end of 2021 which is adequate to cope with any unusual expenditure.

All our other restricted funds hold **gifts and donations** for specific purposes. The Mission Gift Fund, the Oxford Churches Debt Centre Fund and our various special collections in church are for missional giving. Our policy is to donate them within the year, or as soon as possible afterwards in the case of collections around Christmas.

Other funds, such as the Welcome Fund and the Children's Fund, have been donated for specific uses within St Clement's Church. We aim to spend them in line with the conditions attached as quickly as is consistent with good financial management.

Plans for the future

The Revd Rachel Gibson took up post as Rector of St Clement's in July 2015 and has been grateful to all at St Clement's who have helped her to sustain and grow the life of the church as explained in the report above. Priorities for 2022 include continued development of the church's worship and phased return of missional activities in our local community, as we hope Covid restrictions will gradually ease through the year. We expect to benefit from the increased flexibility of the church's internal space, following internal re-ordering. Once our stonework repairs are completed in the summer of 2022, we hope that the church can be used more during the week by community and faith groups. A key project to help achieve this is the refurbishment of our kitchen which we expect to be achieved in 2022.

Structure governance and management

The **PCC** is a corporate body established by the Church of England. Our objectives derive from the Parochial Church Councils (Powers) Measure 1956. It is elected by church members recorded on the Electoral Roll, in accordance with the Church Representation Rules 2011. It is charged with consulting together on matters of general concern and importance to the parish, including co-operating with the incumbent in promoting in the parish the whole mission of the church, pastoral, evangelistic, social and ecumenical. It met 7 times in 2021.

The PCC has created a structure of Sub Groups to help it take a strategic view of church policy and expenditure, whilst also ensuring that its responsibilities receive the detailed attention they need. All report to the PCC with recommendations, action plans and, where relevant, budgets and then assist with implementing decisions made. In addition, certain volunteers and staff members have delegated spending authority up to defined limits, but must report their spending to the PCC through the Treasurer.

The Parochial Church Council of the Ecclesiastical Parish of St Clement's, Oxford
Annual Report for the year ending 31st December 2021 (continued)

The **Standing Committee** deals with issues between PCC meetings. It helps to set the agenda for PCC meetings and retains responsibility for confidential matters relating to staff such as salaries. It also receives reports on risk management from the Risk Management Coordinator. It may act on its own initiative, but must report to the next PCC. It met 5 times in 2021.

PCC Sub- Groups

The **Fabric and Churchyard Group** is responsible for assessing the need for repair, maintenance and improvement of the fabric of St Clement's Church, including having regard to the Architect's Quinquennial Report. It also takes a lead on matters relating to the use and care of the churchyard. .

The **Finance and Stewardship Group** is responsible for encouraging generosity and using financial resources well. It oversees financial strategy and the church's approach to the stewardship of money.

The **Mission Group** is responsible for determining and overseeing the balance of mission within the parish and beyond and for developing teaching and activities to support mission. This includes reviewing the partners and organisations supported by our Mission Gift Fund and proposes the amount of support to be allocated to each.

The **Faith and Worship Group** is responsible for helping grow the church family in faith, through welcome, discipleship, worship, pastoral care and social activities. It works closely with the Rector in doing this.

The **Staff and Volunteer Support Group** is responsible for overseeing arrangements for staff and volunteers and for matching people's gifts to areas of ministry and service. All aspects of Human Resources, including recruitment, training, safeguarding and data protection form part of this Group's remit.

The **Communications Group** is responsible for internal and external communications, including the strategy guiding the church's communications and the implementation of the practical means to achieve these. Specifically, it oversees development of the church website and the provision of IT support.

Other Groups

In addition, a number of other groups come together, namely:

The **Staff Team** comprising the paid staff and the Rector;

The **Worship Team** comprising service leaders, musicians and preachers;

The **Ministry Team** comprising those most concerned with pastoral care;

The **Home Group Leaders** comprising those with oversight of Home Groups.

Training

The PCC Secretary, Risk Management Co-ordinator and Treasurer, assisted by our professional advisers, arrange for regulatory changes, Diocesan guidelines and other advice in areas such as health and safety to be brought to the PCC's attention as appropriate.

Other charities chaired by the Rector

The Rector chairs the following three charities, in addition to the PCC, as a consequence of being the Rector:

- St Clement's Parochial Charities (Registered Charity 201989)
- St Clement's Parish Property (Registered Charity 220051)
- The Charity of Thomas Dawson (Registered Charity 203258)

 7 April 2022

**Independent Examiner's Report to the
Trustees of The Parochial Church Council of the Ecclesiastical Parish of St Clement's, Oxford**

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31st December 2021 which are set out on pages 12 to 26.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Parochial Church Council of the Ecclesiastical Parish of St Clement's, Oxford

Notes to the Financial Statements for the year ended 31st December 2021

1. Explanatory notes on the Financial Statements:

The accounts for 2021 are presented in a format compatible with the Church Accounting Regulations 2006 and the Charities Act 2011.

The Statement of Financial Activities (SOFA) gives an overall summary of the church finances for the year and the movement on the reserves, which are divided for reporting purposes between Unrestricted and Restricted Funds.

The aim of the SOFA is to summarise the church income and expenditure according to activity. The notes to the accounts divide the summarised figures in a variety of ways, which provide additional breakdown of the income and expenditure.

The balance sheet represents the assets and liabilities of the PCC at the end of December 2021. However, it does not include the church itself or the rectory, as well as some other church assets purchased in past years.

- The general fund comprises the regular income and the regular and predictable expenditure relating to core church activities.
- Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes.
- Restricted funds are detailed in note 8 to the accounts and have been received for specific purposes.

The charity constitutes a public benefit entity as defined in FRS 102.

2. Accounting policies

2a Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with Church Accounting Regulations 2006 together with applicable accounting standards. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102 1A) (effective 1 October 2019).

2b Funds

General funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application to the general purposes of the PCC. Funds designated for a particular purpose by the PCC are also unrestricted.

Restricted funds are to be used for specific purposes as specified by the donor.

The accounts include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body or those that are informal gatherings of church members.

The Parochial Church Council of the Ecclesiastical Parish of St Clement's, Oxford

Notes to the Financial Statements
for the year ended 31st December 2021

..... continued

2. Accounting policies (continued)

2c Incoming resources

Voluntary income and capital sources

Collections are recognised when received by or on behalf of the PCC, as is planned giving.

Income tax recoverable on Gift Aid donations is recognised in the year the donation is received.

Grants and legacies to the PCC are accounted for as soon as the PCC is notified of its legal entitlement, the amount due is quantifiable and its ultimate receipt by the PCC is reasonably certain.

2d Resources used

i) Grants

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding obligation on the PCC.

ii) Activities directly relating to the work of the Church

The diocesan quota is accounted for when payable on an accruals basis.

iii) Governance costs

These include those costs associated with meeting the constitutional and statutory requirements of the charity and include the independent examination fees and costs linked to the strategic management of the charity.

2e Fixed assets

Office equipment

Office equipment with an initial cost exceeding £1,000 is capitalised and included within fixed assets. Items below this de minimis threshold are written off as expenditure in the SOFA. Depreciation is provided on office equipment so as to write off the cost or valuation, less any estimated residual value, over the expected useful economic life on a straight line basis at 25% a year.

Consecrated property and movable church furnishings

Consecrated and beneficed property of any kind is excluded from the accounts by section 10(2) of the Charities Act 2011. The value of such fixed assets is not included in the balance sheet. All expenditure incurred in the year on consecrated or beneficed buildings and moveable church furnishings, whether maintenance or improvement, is written off as expenditure in the SOFA and separately disclosed.

2f Current assets and liabilities

Amounts owing to the PCC at 31st December 2021 in respect of fees, rents or other income are shown as debtors less provision for amounts that may prove uncollectable. Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the charity to expenditure; it is probable that a settlement will be required and the amount of the obligation can be measured reliably.

The Parochial Church Council of the Ecclesiastical Parish of St Clement's, Oxford

Salaries	36,317	34,476
Employer's national insurance	-	-
Pension costs	905	894
	<u>37,222</u>	<u>35,370</u>

No trustees were employed during the year (2020: £nil). No remuneration was paid to trustees during the year (2020: £nil). No expenses were reimbursed to trustees during the year (2020: £nil).

Payments to related parties of the Trustees are outlined in note 10.

No employee received £60,000 or more during the current or preceding year.

The Rector is not included in the total for salaries. This is because the Rector's stipend is met under Church of England arrangements and not by the PCC.

The average number of staff employed during the year was:

	2021	2020
Administration	1	1
Cleaning	-	1
Youth work	1	1
Children's work	1	1

The Parochial Church Council of the Ecclesiastical Parish of St Clement's, Oxford

Notes to the Financial Statements for the year ended 31st December 2021

..... continued

8. Fund details – (continued)

The designated fund: Dawson cashflow comprises funds set aside at the start of each year to ensure there is enough cash to last until the Dawson Trust grant arrives in late summer. The £50,000 assigned to the fund was determined on the basis of past experience.

The restricted fund: Dawson Trust represents amounts received from the Charity of Thomas Dawson as a 'contribution towards the upkeep and repair of the fabric of the Parish Church of St Clement's, and the maintenance of the services and furniture therein and subject thereto in furtherance of the religious and other charitable work of the Church of England, in the said ecclesiastical parish as the Parochial Church Council think fit'.

The restricted fund: Mission Gift Fund comprised gifts received during the 2021 Lent appeal to help support the mission partners of St Clement's and mission agencies (Open Doors UK, A Rocha UK, Prison Fellowship, Mahabba, Centre for Muslim Christian Studies, Viva Doorsteps and the Oxford Pastorate)

The restricted funds: The Children's Society represents special collections at Christmas for this purpose.

The restricted fund: Porch Steppin' Stone Centre represents special collections at Christmas for this purpose.

The restricted funds: The Gatehouse represents special collections at Christmas for this purpose and was fully expended in 2021.

The restricted fund: Church Welcome/Light comprises donations and regular giving specifically towards providing a more hospitable welcome to visitors to St Clement's Church.

The restricted fund: Crèche Room comprises a special donation received in 2015 specifically for furniture to make the refurbished Crèche Room a more friendly and useful place for young children. Amounts unspent by the end of 2021 will be used for similar purposes as needs arise.

The restricted fund: Toddler Group comprises surpluses built up over past years from Toddler Group activities and subsidies from the PCC. It is held to ensure the continued viability of the Toddler Group through peaks and troughs of income. It is to be used solely for Toddler Group purposes unless the PCC decides to close the Toddler Group, in which case any remaining money would revert to the general unrestricted fund.

The restricted fund: Rectors' Discretionary Fund exists to enable the Rector to respond in a loving and appropriate way to cases of urgent and extreme hardship where a short term small financial provision will make a significant difference to the well-being of the church member, or someone in our wider community.

The restricted fund: Children's Fund comprises donations to enable the church to employ a Children's worker.

The restricted fund: Shared Spare is a grant received from the Diocese of Oxford to enable this mission-based activity to take place.

The restricted fund: Student Fund is a grant received from the Diocese of Oxford to enable mission inspired work with students by St Clements.

The restricted fund: Sound consists of donations for the improvement of the acoustics and sound equipment in the church.

The restricted fund: Roof Alarm comprises donations received to fund a roof alarm for St Clement's church.
