GIVEALL2CHARITY

REPORT OF THE TRUSTEES (including the Directors' and Strategic Report) **For The Year Ended 31st December 2020**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st December 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The Report of the Trustees includes the Directors' and Strategic Report.

OBJECTIVES AND ACTIVITIES

The objective of the charity is to reduce the suffering caused to disadvantaged people through the lack of education in a safe and secure environment, with a special emphasis in the areas of Mathematics, Science and English.

In order to achieve the objective, the charity operates a commission free charitable donations, Payroll Giving and integrated banking platform and makes grants to organisations and charities who undertake work and/or activities to fulfil the objectives of the charity.

The highly transparent platform, with full disclosure of banking costs, ensures that donor engagement is retained and enhanced throughout the donation and reporting process.

The trustees refer to the advice contained in the Charity Commission's general guidance on benefit when reviewing the charity's aims and objectives and in planning future activities. In particular, the trustees consider how planned activities will contribute to the charity's aims and objectives for the public benefit.

GIVEALL2CHARITY

REPORT OF THE TRUSTEES (including the Directors' and Strategic Report) For The Year Ended 31st December 2020

ACHIEVEMENT AND PERFORMANCE

STRATEGIC REPORT

Financial review

During 2020 the charity received £7,464 (2019 - £67,404 donations and made £4,518 (2019 - £473,405) grants to charities.

The charity increased the donations processed through a very successful drive to recruit many more employers who utilise the Giveall Payroll Giving platform. With several hundred employers now utilising the platform and the numbers of employees using the Giveall Payroll Giving platform continuing to increase it is anticipated that donations processed will increase considerably.

Giveall will distribute as many grants as possible by keeping administrative costs to a minimum. While there was a surplus at year-end, this was subsequently all distributed within the following period. Any surpluses will be donated to charities meaning that reserves within the company will be kept to a minimum.

The charity has not received any grants during 2020 (2019 - £Nil).

At the end of the year the Reserves were £5,707 (2019 - £3,242).

Open to all

What makes Giveall really exciting is that any Non-Profit Organisation ("NPO") with special tax status with HMRC can utilise the Payroll Giving platform. In addition, Pension funds, including registered SIPPs, which comply with Section 713 of the income Tax (Earnings & Pensions) Act 2003 can also utilise the Payroll Giving platform. This means that Giveall reaches beyond the 160,000+ registered Charities to the 300,000+ other Non-Profit organisations making a positive impact upon society.

While the reach across the UK alone is massive and the potential for change enormous, following many discussions and meetings the imminent launch across many other regions is extremely exciting.

A level playing field

The determination to "level the playing field" and to give everyone a "fair go" at fundraising, particularly in the corporate arena, remains a key driver within the Giveall team.

Giveall's pricing structure gives all Charities an excellent and affordable opportunity to utilise the platform. Effectively, the larger Charities are subsidising the smaller ones. This is, in our opinion, quite the opposite to prevailing practise whereby the larger Charities have resources that give them an extraordinarily competitive advantage over their smaller "rivals". Further, this ethos of the strong helping the weak sits well within the charitable space and is consistent with Giveall's underlying ethos.

Integrated banking and cash management facility

The Giveall Integrated Cash Management Facility ensures all Charities earn higher rates of interest on all deposits. Many Charities have multiple bank accounts and many of them don't earn any interest at all because they simply carry no weight with the banks. With Giveall, the deposits of all Charities, while individually protected, are consolidated so that all Charities earn higher rates of interest, regardless of their having £100 or £100 million in their account. Therefore organisations, large and small, are benefiting from the extra strength of this consolidation of funds.

Giveall's spending

Giveall uses the subscription fee income it receives, donations to Giveall2Charity, interest on its own funds and any revenue from its affiliate relationships to fulfil its objects and sustain the platform.

Any funds left over at the end of the year after Giveall has met its running costs and objectives will be used to reduce the following year's subscription fees. (NB any funds being held by Giveall prior to clearance earn interest for the Charities, not Giveall). Ultimately, our goal is to reduce the subscription to as close to zero as possible.

Investment in subsidiaries

The charity has an investment in a subsidiary Giveall Services which manages the operational business for the Giveall Group. This company continues to trade due to the support of loans from Trusts and Foundations established by the wider Odell and Phillips families.

FUTURE PLANS

Giveall is working closely with its related foundations to expand the services which are offered in those countries.

GIVEALL2CHARITY

REPORT OF THE TRUSTEES (including the Directors' and Strategic Report) For The Year Ended 31st December 2020

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Giveall2Charity ("Giveall") is a private company limited by members' guarantee incorporated in England and a registered charity governed by its Memorandum and Articles of Association dated 13 November 2009. It is registered as a charity with the Charity Commission. There are currently five members of the company each of whom has agreed to contribute £1 in the event of the charity being wound up.

Appointment of trustees

Trustees must be appointed by a resolution of a meeting of the Trustees evidenced by memorandum or by written resolution signed by all trustees. Upon election, each trustee holds office for a period of three years, or such shorter period as may be agreed. Trustees can serve additional periods should they wish to do so.

Trustee induction and training

All new trustees are briefed on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision making processes and the strategy and financial performance of the charity. Trustees are encouraged to attend external training events where these facilitate the understanding of their role and function.

Recruitment of new trustees

Recruitment of new trustees will happen as the charity develops over the next few years. Potential trustees will have to apply to the Charity and be approved by the directors.

Organisation

The charity is part of a worldwide operation which, as noted below, currently consists of six associate foundations, all with the common goal of providing support for disadvantaged people who suffer as a result of the inadequate provision of education in a secure and safe environment.

The charity utilises the fundraising platform of Giveall, to:

- * raise funds for the charity;
- * provide an integrated fundraising and banking platform for charities
- * pay higher interest rates to charities on their funds using the Giveall Cash Management platform
- * make fundraising easier and reduce the cost of charitable fundraising
- * enable donors to donate to charities and other fundraising activities in any currency, both locally and internationally, while securing a tax deduction in their country of domicile;
- * provide a "zero cost" Payroll Giving platform, thereby enabling a "level playing field" for all charities to raise funds;
- * enable corporates and their employees to record the hours that they volunteer for charity; and,
- * Other essential services and solutions included in the subscription (worth £10-£5,000/Charity per annum, depending on the number of trustees).

These "other essential services and solutions" include SSL Certificates to secure Charity's websites (and all transactions with them) and state of the art reporting tools to streamline their activities. This list of solutions will grow steadily.

Thus, as well as the UK, the charity is registered in Australia, Luxembourg, the Netherlands, New Zealand, South Africa and the United States of America. Registration in other countries is in process. Each of the foundations has its own governing body and, to ensure consistency of operation, these foundations each have the same objects and the governing boards include at least two of the UK charity's trustees.

The board of trustees administers the charity and members of the UK board are included in the governing bodies of all the other foundations. Given the level of the involvement of the UK trustees over all operations, it is considered appropriate that this report is based upon the total aggregate worldwide donations, grants and expenditure. The board meets quarterly and a Chief Executive Officer is appointed by the trustees to manage the day to day operations of the charity.

Risk management

GIVEALL2CHARITY

REPORT OF THE TRUSTEES (including the Directors' and Strategic Report) **For The Year Ended 31st December 2020**

A formal risk management strategy has been developed. The trustees have identified the major risks to which the charity is exposed. This information is contained within a Risk Register that is reviewed on a regular basis. The Risk Register is not publically available due to the sensitive nature of the various systems contained within the Giveall platform.

The trustees are confident in the systems and procedures that are in place concerning both the safeguarding of assets and the minimising of any potential impact on the charity should risks materialise.

Small Payment Institution (SPI)

One of the subsidiaries of Giveall Services Limited, Giveall Payment Services Limited ("GAPS"), has been registered as a SPI with the FCA.

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st December 2020 which are set out on pages 8-15.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants of England and Wales.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year-end date are noted as a commitment but not accrued as expenditure.

Taxation

The Charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity.
