TREASURER'S REPORT FOR THE YEAR ENDING 31st DECEMBER 2024

2024 has again been a particularly difficult year financially. We must give thanks again to our faithful team of Wardens and volunteers who have again worked really hard especially with Afternoon Teas and the Fete.

Our Parish Contribution for 2024 amounted to a total of £70,000 – Thanks once again to the Generosity of the Richard Wall/Jack Cox Fund. And Dorothy Smith This year we have needed to reduce our Parish Contribution once again, and we hope now to keep a near balanced budget going forward. We have to remember that our Parish contributions help to support our clergy and the work they do.

The 2024 Statement of Financial Affairs shows a surplus of £5855 in the general fund; It is to be noted that this figure would have been considerably less without the assistance of Dorothy Smith Forum and the Cox/ Wall Fund.

- 1) Once again, the 200 club has been successful – If you would like still to join, please do contact Mary Clarkson or myself.
- 2) We were able to hold near normal Easter and Christmas services this year although with reduced congregations.

We had two generous legacies in 2024 so **PLEASE CONTINUE TO THINK 'LEGACIES'**

It is crucially important at this time, that as custodians of the church affairs, we remain aware of the need to maintain the underlying sustainability of our expenditure compared with our income. Our main priority for 2025 is again to continue to make all possible efforts to keep our budget in check.

The accounts are presented this year in the SOFA (statement of financial affairs) format as laid down by the Charity Commission I hope that they remain reasonably clear. Some observations to note are: -

- 1) The Stock Market has reduced in value owing to the rise in interest rates affecting especially the Dorothy Smith Bequest capital.
- 2) Planned Giving is holding steady however not increasing much, so we do still need to be ever vigilant.

We sincerely hope that 2025 will improve.

After 25 years this is my last report – Mark Swales has agreed to take over in 2025

I would like to end this report by once again asking for 'God's **continuing guiding hand**' in all we do.

PCC Accounts for the year ending 31st December 2024

I have examined the accounts and balance sheets of the PCC General accounts for the year ended 31st December 2024. My examination was carried out in accordance with the general directions given by the Charity Commission. That examination includes a review of the accounting records kept by the treasurer and a comparison of the accounts with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations concerning such matters. The procedures do not provide all the evidence that would be required in an audit.

In connection with my examination, I have found nothing which has caused concern and I am satisfied that the accounts and statements constitute an accurate record of the financial transactions for the year.

The church is located in the High Street in the centre of the town of Market Harborough and its address for correspondence is: - The Secretary of the Parochial Church Council, Bamburgh, 13 Summers Way, Market Harborough, LE16 9QE up until 24th May 2023.

As from 1 November 1997 Market Harborough Parish Church became part of the United Benefice of the Market Harborough, Transfiguration and Lubenham Parishes, with Great Bowden becoming part of the Team in February 2007 (and formally through Pastoral Measures in March 2008).

By the end of 2022 the clergy within the Harborough Anglican Team of Churches comprised:- The Rev Barry Hill, Team Rector (part time), The Rev Phil Bryson & The Rev. Vicki Bryson, joint vicars as from 1st September 2022. The Re-Ordering Committee

REVIEW OF THE YEAR

What a difference a year can make! A year ago we were partly gripped within the Covid pandemic; now it is rare to see a mask being worn and Covid seems to have taken a place within the number of illnesses that we are all potentially liable to catch, but for which we have a reliable vaccination to assist in preventing this. Life has nearly returned to normal, with face-to-face Church services, meetings and social events returning to some normality- we even held a very successful Church Fete in June under the overall organisation of Samantha Peverett and her Fete Committee- except that Covid has and still continues to affected the numbers attending Church services.

In September we saw the arrival of Phil & Vicki Bryson as joint vicars working as a job share. This obviously ended the vacancy, which Andy Giles had managed very well in the position of Acting Team Vicar. We have all been grateful to the considerable effort made by Barry Hill in achieving the permission from the Diocese to advertise for the vacancy to be filled.

Thanks to serious world events, particularly with the invasion by Russia of Ukraine, this Country has suffered financially, and we have seen inflation rise to levels not seen for many decades. Not only has this affected all our lives but the knock -on effect has caused suffering to Church income as well and it is difficult to see when this crisis will end.

The Review once again covers the 12 calendar months of the year ending 31st December 2022.

At the 2022 APCM, held in Church at the normal time of April, we were pleased to welcome Rachel Buckby and Steve Tayler to the PCC and Rennie Quinn joined the PCC once again for a further term. During the year Thomas Sandham unfortunately had to step down from the PCC for personal reasons. Samantha Peverett was elected as a member of the PCC on a co-opted basis for one year. Ken Hook was equally co-opted onto the Standing Committee to ensure that the Fabric Committee, which he continues to chair was properly represented.

During 2022 the full PCC met seven times, two of which were held ' virtually' and five in person. In May we held the first Team meeting of all team PCCs at St Nicholas Church. Each PCC held their own meeting, for about an hour, after the Team get together. The Standing Committee met 5 times during the year. Our very able Vice Chair, Roger Brookstein, chaired all Standing Committee and full PCC meetings until the arrival of our two new vicars on September 1st.

The following are some of the items discussed by the PCC during the year.

Re-ordering of The Church

The Faculty obtained for the Re-ordering had a life of 2 years which ran out this year. and the separate Faculty acquired for the Organ refurbishment in May 2021 will run out in May 2023. The focus once again has been concentrated very much on trying to obtain the funding to enable both projects to commence. As reported in last year's Annual Report, we employed a Fund-raising firm-Craigmyle Funding Consultants- to assist us with this gigantic task. At the time of writing this Report, various ideas have been put forward but there has been no substantial success, which to a great extent has been due to outside influences, such as the steep rise in inflation over the last twelve months, caused in the main by a large increase in energy costs. This has of course meant that fund raising has proved far more difficult and the Grants that we have applied for have not been successful as yet. We are indeed hoping that the Heritage Lottery Fund, to whom we have applied may be interested in joining the Church into their wish to expand the Heritage of Market Harborough focusing on the Battle of Naseby in the Civil War. No re-ordering can now commence without obtaining a further Faculty from the Diocese.

The Craigmyle Campaign leadership continues to demonstrate, with the PCC's approval their plan for there to be a genuine commitment to the church being more widely used by the local community-St Dionysius becoming a Worshipping Hub with facilities for the Community. If we are successful with our bid from the Heritage Lottery Fund, the focus would indeed concentrate on the considerable heritage of Market Harborough and its main Church.

The Heart of Harborough Group, continues to be chaired by Rennie Quinn with Chris Etherington taking the lead of The Heart of Harborough Funding Group. Both continue to keep their patience and enthusiasm to see this important venture through to its conclusion.

New Pattern of Services

The trial pattern of services started in 2021 has for the moment become semi-permanent, but it is not popular with all. The creation of The Limitless Church, with a Youth Focused Congregation, was planted in St Hughs and is run by The Rev Tom Grant and Josh Tayler. It does seem to be working well and developing satisfactorily as a Team Group

Safeguarding

As always, Safeguarding has continued to underpin all we do at St Dionysius, with regular meetings taking place between all Team Parish Safeguarding Officers to ensure that things continue to run smoothly. We continue to use the Policy adopted by the PCC in September 2021. In addition, the PCC approved a proposal in March that when a volunteer's Disclosure and Barring Service(DBS) or safeguarding training was due for renewal, their role would be reviewed and safer recruitment completed for all roles that had not been safer recruited originally to ensure transparency in all our processes.

Training continues to be an ongoing process, with the Church of England recommending additional training for PCC members in domestic violence. This

training can be completed online along with the Safeguarding training that needs to be completed on a regular basis.

Finance

At each PCC meeting we receive an update report from both the Chair of the Finance Committee, Rennie Quinn and The Honorary Treasurer, Angie Hill.

This last year has continued yet again to be very difficult from a financial point of view, partly because of the after-effects of the pandemic in that there still remains an understandable reluctance on behalf of some members of the congregation to return to pre pandemic Church attendance and giving. A very substantial deficit has continued to increase throughout the year. Every effort continues to be made to improve the financial situation and as in 2021, the two generous bequests granted to us a number of years ago and brilliantly managed from an investment point of view by Ian Clarkson, provide an invaluable back up and support, even with the turmoil in the investment market experienced through the year, thanks to a large extent to the Ukraine invasion. One of the more positive developments this year has been the resurrection of the Church Fete and the recommencement of a number of face-to-face fundraising events which has very much included regular Cream Teas, which are always well supported. The Finance Committee keep The Parochial Church Council fully aware of the financial situation.

A decision has now been taken to reduce the deficit by reducing the annual contribution we make to the Diocese, rather than relying on monies from the two bequests already referred to earlier. This was far from an easy decision and we will not see the benefit until 2023, when the reduction will take place. The Honorary Treasurer's Report will no doubt go into more detail.

The Community Church Hall

Ken Hook, who was Chair of the Community Hall committee and who, together with Pat Hook, had brilliantly managed the Community Hall for some 30 years retired officially in May 2022. The management of the Community Hall then passed pro tem to Andy Giles, as it had not been possible to find anyone to take over the management as a volunteer.

By the end of the year no one had been appointed as permanent Manager and the PCC were considering paying for a Manager to look after the bookings and the Hall maintenance for a period of 6 months whilst a more comprehensive plan was decided upon. The Dorothy Smith Bequest Forum were to be asked to fund this temporary appointment...

Fabric

The Fabric Committee ensures that a careful and watchful eye is always kept on the Church Building and Fabric of the Church and Ken Hook remains Chair of this Committee. Certain

work on the Fabric of the Church during the year went ahead as and when required and much of the required repairs following the recent Quinquennial Inspection were completed. However , there were a number of important areas of repair that were still being discussed at the year end by the PCC, which it is hoped will soon be concluded and action taken early in 2023. These were- the remaining parts of the requirements noted in the last Quinquennial Report; Conservation of the Tower & West Door; a new boiler, work on the Belfry and New Notice Boards.

We have once again been considerably assisted financially by the Friends of St Dionysius, The Dorothy Smith Bequest Forum, The Cox Wall Charities and The Market Harborough & Bowdens Charities.

The PCC has been kept abreast of all new work and repairs to the Church and Ken Hook has continued to involve himself in much valuable work keeping a close eye on the Church building.

Peregrine Falcons.

In my Annual Review last year, I included details of efforts to erect a nesting tray in the Lucarne Window of The Spire of the Church for a pair of Peregrine Falcons. Both the Fabric Committee and the PCC agreed at that time, that provided the Church does not have to contribute financially to this exercise and provided a Faculty is obtained, then they will support the venture which is being overseen and to be paid for through the Leicestershire and Rutland Ornithological Society and the local nature group.

Although the PCC has done all that is necessary unfortunately the Leicestershire and Rutland Ornithological Society and the local nature group, have so far been unable to raise the funds to undertake this work, so until funding is forthcoming there will be no further progress made and no Faculty applied for.

The Electoral Roll

Steve Sherwood, our Electoral Roll Officer, has ensured that we followed all the necessary Church Rules governing the Electoral Roll Register during the year.

As at 31.12.22 the total number on the Church Electoral Roll was 198 (Last year's figure at 31.12.21 was 205).

Other Subjects discussed

Outward Giving

The Outward Giving Committee present their proposals to The PCC once a year and once again they were unanimously accepted by the Council. The only change was that because

the Street Pastors had had to close, through lack of pastors, the donation for that organisation should be given to The Churches Together Forum and their Good Friday Screen in the Square. Despite the difficult state of our finances, we are proud to be the Church within the team giving the largest Outward Giving donations.

Steve Tayler joined the Outward Giving Committee following the sad passing of John Ball, who was the Chair of the Outward Giving.

The Children & Family Development Work

We received regular reports from Dawn O'Connell, Families Development Worker during the year.

Climate Sunday

Climate Sunday, introduced into the Church's calendar last year, took place on Sunday 11th September 2022.

Sustainable Harborough Community.

The PCC is keep regularly informed of the activities of The Sustainable Harborough Community.

Corporate membership of Launde Abbey.

The Council continues to hold corporate membership of Launde Abbey.

Deanery Synod

The new Gartree 11 Deanery Synod met regularly during the year and Roy Ayliffe & Roger Brookstein were St Dionysius Church's representatives, who gave regular reports to the PCC.

Various fund-raising events for the Church.

The number of fund-raising events organised during the year increased slowly but surely during the year as people got used to meeting face-to face once again. The Fete was resurrected in June and was a great success and there is now a proper Social Events Committee that is moving forward with exciting ideas for this coming year, with a Fete again – this time on Saturday July 1st. The 200 Club thrives under the organisation of Mary Clarkson and the Cream Teas never stop, organised so well again this year by Angie Hill and as ever were very successful.

Christmas Cards

We once again managed to produce and deliver Christmas cards this year to those on the Community Worshipping List. Interestingly the distribution of these cards took on a different

form. Each member of the congregation was asked to take approximately six cards and deliver them by hand to neighbours and friends.

Cards for Good Causes.

Because we were unable to accommodate the Cards for Good causes in 2020 and 2021 because of the Pandemic, we were not asked to assist this year, which was a pity and their stalls within the Church are usually well patronised..

Various regular reports

For completeness and for those who are not too certain what is and what is not discussed at the PCC, apart from those areas already mentioned and including some as well, we receive regular reports from the following throughout the year: -

The Diocesan Synod
The Deanery Synod
The Churches Together Forum
The ECO Church Working Group
The Children & Families Development Work
The Friends of St Dionysius

For those of you who would like to keep up with the activities of the PCC during the year, the Minutes of each meeting are now placed on the Church website once they have been approved by the PCC:- <http://www.harborough-anglican.org.uk/teamchurches-stdionysius/>

Please remember the majority of this Review has been based on those matters discussed in PCC meetings during 2022.

TREASURER'S REPORT FOR THE YEAR ENDING 31st DECEMBER 2022

2022 has seen normality beginning to return to our Church life, particularly when we were delighted to welcome our new Vicars Phil & Vicki Bryson, and it is hoped that we can now have stability in our Church life.

We must give enormous thanks again to our faithful team of Clergy and volunteers who have kept us all going during the Pandemic and of course another huge thanks for the generosity of our congregation enabling us to help those still concerned about returning to Church.

Our Parish Contribution for 2022 amounted to a total of £108,000 – Thanks once again to the Generosity of the Richard Wall/Jack Cox Fund and The Dorothy Smith Bequest Forum. This year we have needed to reduce our Parish Contribution to £88,000 and we hope now to keep a near balanced budget going forward. We have to remember that our Parish contributions help to support all our wonderful clergy and the work they do.

I feel that it is important to remind ourselves again at this stage that all of our Rector's stipend and expenses, all of Pep Hill's and Andy Giles' stipend and expenses are funded directly by the Diocese.

The 2022 Statement of Financial Affairs shows a Deficit of £2042; It is to be noted that this figure would have been considerably more without the assistance of Dorothy Smith Forum and the Cox/ Wall Fund.

- 1) Once again, the 200 club has been successful – If you would still like to join, please do contact Mary Clarkson or myself.
- 2) We were able to hold near normal Easter and Christmas services this year although with reduced congregations.

We had NO legacies again in 2022 so **PLEASE CONTINUE TO THINK 'LEGACIES'**

It is crucially important at this time, that as custodians of the church affairs, we remain aware of the need to maintain the underlying sustainability of our expenditure compared with our income. Our main priority for 2023 is again to continue to make all possible efforts to keep our budget in check.

The accounts are presented this year in the SOFA (statement of financial affairs) format as laid down by the Charity Commission I hope that they remain reasonably clear. Some observations to note are: -

- 1) The Stock Market has reduced in value owing to the rise in interest rates affecting especially the Dorothy Smith Bequest capital.
- 2) Planned Giving is holding steady however, not increasing much, so we do still need to be ever vigilant.

We sincerely hope that 2023 will continue to improve.

I would like to end this report by once again asking for 'God's **continuing guiding hand**' in all we do

ANGIE HILL, Honorary Treasurer,

Accounting Policies as applicable to Market Harborough PCC

Funds

General funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application on the general purposes of the PCC. Funds designated for a particular purpose by the PCC are also unrestricted.

The accounts include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body or those that are informal gatherings of church members.

Incoming Resources

Voluntary Income and capital sources

Collections are recognised when received by or on behalf of the PCC.

Planned giving receivable under Gift Aid is recognised only when received.

Income Tax recoverable on Gift Aid donations is recognised when the income is recognised.

Grants and legacies to the PCC are accounted for as soon as the PCC is notified of its legal entitlement, the amount due is quantifiable and its ultimate receipt by the PCC is reasonably certain.

Funds raised by the fete, garden party and similar events are accounted for gross.

Sales of books and magazines from the church bookstall are accounted for gross.

Other Income

Rental income from the letting of church premises is recognised when the rental is due.

Income from Investments

Dividends are accounted for when due and payable. Interest entitlements are accounted for as they accrue. Tax recoverable on such income is recognised in the same accounting year.

Gains and Losses on Investments

Realised gains or losses are recognised when the investments are sold

Unrealised gains or losses are accounted for on revaluation of investments at 31 December.

Resources used

Grants

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding obligation on the PCC

Activities directly relating to the work of the Church

The Diocesan Contribution is accounted for when paid. Any Contribution unpaid/overpaid at 31st December is provided for in these accounts as an operational (though not a legal) liability and is shown as a creditor/debtor in the Balance Sheet.

Fixed assets

Consecrated property and movable church furnishings

Consecrated and benefited property of any kind is excluded from the accounts by s.96(2)(a) of the Charities Act 1993.

Movable church furnishings held by the Vicar and Churchwardens on special trust for the PCC, and which require a faculty for disposal, are accounted as inalienable property unless consecrated. They are listed in the church's Inventory which can be inspected (at any reasonable time). For alienable property acquired prior to (2000) there is insufficient cost information available and therefore such assets are not valued in the accounts.

Investments

Investments are valued at market value at 31st December.

Current assets

Amounts owing to the PCC at 31st December in respect of fees, rents or other income are shown as debtors less provision for amounts that may prove uncollectable.

Short-term deposits include cash held on deposit either with the CBF Church of England Funds or at the bank.

PCC Accounts for the year ending 31st December 2022

I have examined the accounts and balance sheets of the PCC General accounts for the year ended 31st December 2022. My examination was carried out in accordance with the general directions given by the Charity Commission. That examination includes a review of the accounting records kept by the treasurer and a comparison of the accounts with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations concerning such matters. The procedures do not provide all the evidence that would be required in an audit.

In connection with my examination, I have found nothing which has caused concern and I am satisfied that the accounts and statements constitute an accurate record of the financial transactions for the year.

TREASURER'S REPORT FOR THE YEAR ENDING 31st DECEMBER 2021

2021 has again been a very difficult year. We have been able to attend many more Services albeit with Mask Wearing and Sanitising of course, However current circumstances mean that there are still many people who feel unable or unwilling to attend Church.

We can only hope that things get back to some semblance of normal in 2022.

We must give enormous thanks again to our faithful team of Clergy and volunteers who have kept us all going with Zoom Services when we have been unable to attend Church, and of course another huge thanks for the generosity of our congregation enabling us to help those still in need during the Pandemic.

Our Parish Contribution for 2021 amounted to a total of £108,000 - Thanks once again to the Generosity of the Richard Wall/Jack Cox Fund. This year we will be holding our Share at £108,000 and again we will only achieve this with their help. We have to remember that our Parish contributions help to support all our wonderful clergy and the work they do.

We were all very saddened by the departure of James, he was really loved and respected by all and we wish him all the very best in his new post as Bishop's Chaplain.

I feel that it is important to remind ourselves again at this stage that all of our Rector's stipend and expenses, all of Pep's stipend and expenses as well as Andy's are funded directly by the Diocese.

The 2021 Statement of Financial Affairs shows a very small Deficit of £429; It is to be noted that this figure would have been considerably more without the assistance of Dorothy Smith Forum and the Cox/ Wall Fund.

- 1) Once again, the 200 club has been successful - If you would like still to join, please do contact Mary Clarkson or myself.
- 2) We were able to hold Easter and Christmas services this year although with much reduced congregations.
- 3) Sadly, due to the continuing Pandemic we felt unable to accommodate the Cards for Good Causes, we sincerely hope to be able to do so again in 2022.

Formulating the budget for this year is again extremely difficult because of the need to estimate when things might return to "Normal". The increase in activity which we hoped would come in the Autumn 2021 did not sadly materialise. This will still result in a predicted deficit of £27,000

We had NO legacies again in 2021 so **PLEASE CONTINUE TO THINK 'LEGACIES'**

It is crucially important at this time, that as custodians of the church affairs, we remain aware of the need to maintain the underlying sustainability of our expenditure compared with our income. Our main priority for 2022 is again to continue to make all possible efforts to keep our budget in check.

The accounts are presented this year in the SOFA (statement of financial affairs) format as laid down by the Charity Commission I hope that they remain reasonably clear. Some observations to note are: -

- 1) The Stock Market remarkably stable affecting especially the Dorothy Smith Bequest capital
- 2) Planned Giving is holding steady however not increasing much, so we do still need to be ever vigilant.

We sincerely hope that 2022 will continue to improve on 2021

I would like to end this report by once again asking for 'God's **continuing guiding hand**' in all we do

ANGIE HILL, Honorary Treasurer,

PCC Accounts for the year ending 31st December 2021

I have examined the accounts and balance sheets of the PCC General accounts for the year ended 31st December 2021. My examination was carried out in accordance with the general directions given by the Charity Commission. That examination includes a review of the accounting records kept by the treasurer and a comparison of the accounts with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations concerning such matters. The procedures do not provide all the evidence that would be required in an audit.

In connection with my examination, I have found nothing which has caused concern and I am satisfied that the accounts and statements constitute an accurate record of the financial transactions for the year.

TREASURER'S REPORT FOR THE YEAR ENDING 31st DECEMBER 2020

2020 has been a year we would all wish to forget.

We must give enormous thanks to our faithful team of Clergy and volunteers who have kept us all going with Zoom Services when we have been unable to attend Church, and of course a huge thanks for the generosity of our congregation enabling us to help those in great need during the Pandemic.

Sadly 2020 has a year when we have not been able to celebrate any of the festivals that are so important to us as Christians.

Our Parish Contribution for 2020 amounted to a total of £105,000 – Thanks to the Generosity of the Richard Wall/Jack Cox Fund. This year our total is to be a massive 108,000 and again we will only achieve this with their help again. We have to remember that our Parish contributions help to support all our wonderful clergy and the work they do.

I feel that it is important to remind ourselves again at this stage that all of our Rector's stipend and expenses, all of Pep's stipend and expenses as well as Andy's are funded directly by the Diocese.

The 2019 Statement of Financial Affairs shows a – small Surplus of £1638 – It is to be noted that this figure would have been considerably more without the assistance of Dorothy Smith Forum and the Cox/ Wall Fund.

1) Once again, the 200 club has been successful – If you would like still to join please do contact me

Formulating the budget for this year is extremely difficult because of the need to estimate when things might return to “normal”. Basically, we have assumed an increase in activity beginning from July 2021. This has still resulted in a predicted deficit of £27,000.

We had NO legacies in 2020 so **PLEASE CONTINUE TO THINK 'LEGACIES'**

- 1) The Stock Market reasonably stable affecting especially the Dorothy Smith Bequest capital
- 2) Planned Giving is holding up, but we do still need to be ever vigilant.

2021 will we sincerely be a better one than 2020..

PCC Accounts for the year ending 31st December 2019

I have examined the accounts and balance sheets of the PCC General account for the year ended 31st December 2019. My examination was carried out in accordance with the general directions given by the Charity Commission. That examination includes a review of the accounting records kept by the treasurer and a comparison of the accounts with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations concerning such matters. The procedures do not provide all the evidence that would be required in an audit.

In connection with my examination, I have found nothing which has caused concern and I am satisfied that the accounts and statements constitute an accurate record of the financial transactions for the year.
