### ***AIMS AND PURPOSE/OBJECTIVES***

The Mountain Movers Chapel International was set up to, among others; to advance the Christian faith by sharing and demonstrating the Love of God to every person in every way possible and to reach the uttermost part of the earth with the Full Gospel of Jesus Christ. The principal activities of the church include:

1. To proclaim the Gospel of the Kingdom of God through activities such as regular Sunday meetings and weekly activities, conferences, ministerial training and seminars.
2. To share and demonstrate God's love by ministering to the needs of people (both members and others).
3. Worship services which are opened to the general public – during these services we encourage personal growth by developing and empowering people through preaching and teaching of the Gospel of Jesus Christ; by motivating people through seminars and conferences.
4. To develop strong society by encouraging and building strong family relationship through seminars/conferences and family friendly activities.
5. To evangelize in order to tell people about the love of Christ by the use of the media (radio evangelism), tracts and other educative materials.
6. To build lives by encouraging people to have hope in life and using the ministry of healing and deliverance through the full Gospel of Jesus Christ by provision.
7. To undertake general charitable activities – such as providing aid for the needy.

**OBJECTIVES, AIMS AND PRINCIPAL ACTIVITIES**

The Mountain Movers Chapel International is committed to enabling as many people as possible to worship at our church and to become part of our community. The trustees maintain an overview of worship throughout the parish and constantly seek ideas on how our services can involve the diverse population and groups that live within our parish and the community. Our services and worship put faith into practice through prayer and scripture, music and sacrament, healing and deliverance.

When planning our activities for the year, the Pastor and the Board of Trustees has considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. In particular, we try to enable ordinary people to live out their faith as part of our church community through:

- Worship and Prayer, learning about the Gospel; and developing their knowledge and trust in Jesus.
- Provision of pastoral care for people living in the parish.
- Missionary and outreach work.
- Education and training

A summary of the result of the Mountain Movers Chapel International activities during the period is given in the Statement of Financial Activities on page 16. Total income of the charity amounted to £ 387,389 this includes income from regular Giving & Sunday offering of £302,565. The income was spent judiciously to meet the objectives of the Church.

**Volunteers**

Without the selflessness, hard work and dedication of our volunteers we couldn't have achieved our aims and objectives. The volunteers at MMCI contribute greatly to the running of the church and enables it to fulfil its objectives. We would therefore like to thank all the volunteers who work so hard to make our church the lively and vibrant in the community. The valuable contribution of time, energy and expertise of the Church members has helped the church community to achieve so much.

**Financial Review**

The book values of the assets held at the year-end are, in the opinion of the Board of Trustees, as stated in the financial statements. Also, in its opinion, adequate assets are

available to fulfil the obligations of the charity. Our principal source of funds comes from the generous donations of committed members through Tithes and Offerings. Overall, we had a good financial year. Total receipts on unrestricted funds were £387,389 of which £311,533 was spent to promote the Christian ministry and charitable activities.

### **Reserves Policy**

The Trustees have identified the need for reserves to be held as developing a reserves policy will assist in strategic planning such as in considering how new projects or future activities will be funded. To ensure sustainability and continuity of funding future activities, the trustees plan to have unrestricted funds to cover at least 3 months of unrestricted payments. This policy will be reviewed regularly to meet the charitable needs of the Church.

### **Investment Policy**

The Trustees have the power to invest in such assets as they see fit. The charity's investment policy is appropriate to the nature of the funds for which the investment is held. The primary investment aim is to provide a high degree of security and liquidity and to maximise returns whilst adopting a conservative approach.

### **Grant Making Policy**

As part of our charitable objectives of providing aid to the needy, donations are made in the form of cash gifts to needy people and to members who find themselves in some form of financial difficulty.

### ***ACHIEVEMENT AND PERFORMANCE***
