Appointment of Station Commanders is controlled by the Royal Air Force Personnel Management Agency, currently based at Headquarters Air Command, Royal Air Force High Wycombe.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- Policies and procedures adopted for the induction and training of trustees.
- The charity's organisational structure and any wider network with which the charity works.
- Relationship with any related parties.
- Trustees' consideration of major risks and the system and procedures to manage them.

The Trustee delegates the day to day management and control of the WOs' & SNCOs' Mess together with the authority for the disbursement of grants and loans to a management committee chaired by the Chairman of the Mess Committee, who is appointed by the Trustee, and its members, who are appointed by the membership of the Mess; however, all management decisions, acquisitions and expenditure are subject to the Trustee's approval by signature in the minute book.

The Trustee confirms that suitable accounting policies have been used and applied consistently, with reasonable and prudent judgements and estimates having been made in the preparation of the financial statements for the year ended 31 October 2022. The Trustee also confirms that applicable accounting standards have been followed and that the financial statements have been prepared on a going concern basis.

As Trustee of all Service Funds at Royal Air Force Odiham, the Station Commander also has responsibility for two other registered charities, namely the Royal Air Force Odiham WOs' & SNCOs' Mess and the RAF Odiham Swimming Pool; and also, the Royal Air Force Odiham Junior Ranks Welfare Fund. Each charity follows applicable Accounting Standards in the United Kingdom, the Statement of Recommended Practice (SORP) 'Accounting & Reporting by Charities' issued in 2005, the Charities Act 2006 and the Royal Air Force Air Publication 3223 (Administration and Accounting for Service Funds). A single centralised accounting system known as the Service Funds Accounting Section (SFAS) is set up to hold and maintain all accounting records of each individual charity and to provide management information and accounting services to all Service Funds, clubs and activities on the station. SFAS is under the direct control of an Officer Commanding Accounts Flight (OC Accounts Flight). The centralized accounting system requires the establishment of combined cash and bank accounts under the control of the OC Accounts Flight. Whilst the cash and bank accounts are common to all funds, the use of the SAGE Line 50 Financial Controller computerised accounting package (SAGE) allows a fund's transactions to be separately identified, and each fund's share of the central cash and bank balances can readily be established by reference to the appropriate fund control account in the nominal ledger. In support of the combined cash and bank account the SAGE system provides separate ledger and purchases books in which transactions are recorded for each fund. The SAGE system also provides an inter-fund transfer journal to record settlement of inter-fund transactions. The external contractor, Sodexo, holds the responsibility for the production of mess bills and Function costings for the Officers' and WOs' & SNCOs' Messes, with the SFAS having overall oversight and accounting responsibility.

The Mess Committee

The Committee is responsible for the day-to-day management of the Mess. It is chaired by the Chairman of the Mess Committee and has the following Members:

Deputy Chairman	House (Property) Member
Mess Secretary	Work Services Member
Entertainments Member	Gardens Member
Improvements Member	Living-In Members' Representative
Gaming Member	Gifts Member

In addition, the Mess Manager attends committee meetings in an advisory capacity.

Committee meetings take place each month. The budget for the next financial year is set in October by the Committee for approval by the Mess Members at an Annual General Meeting. The Annual General Meeting receives the Annual Audited Accounts of the Mess and ratifies any committee appointments.

Minutes are taken at each Committee and General meeting and are circulated to reach the Trustee within 10 working days of the meeting for his approval.

Statement of Risk

The Trustee has continued a programme of work to identify procedures to mitigate risk and to minimise potential impact should risks materialise. A Service Funds Internal Audit Board is also convened at the start of each financial year to carry out an internal arithmetical and management audit of the charity.

Objectives and activities

Summary of the objects of the charity set out in its governing document

The object of the Royal Air Force Odiham WOs' & SNCOs' Mess is:

'The promotion of efficiency of the armed forces of the Crown by the provision and support of facilities and activities for the efficiency and well-being of Service personnel'.

This object presents the Trustee with wide powers, enabling them to provide charitable assistance to all elements of the Royal Air Force Community.

The Royal Air Force Odiham WOs' & SNCOs' Mess has 3 aims set by the Trustee:

- i. Encourage esprit de corps by enabling serving Mess members to mix together in both formal dining situations and informal social activities so as to help keep service traditions alive and encourage the well-being of the mess community.
- ii. Encouraging, supporting and facilitating the development of sport to raise standards and to promote the link to fitness, teamwork and personal development through sporting activity and opportunities.
- iii. Supporting facilities and capital projects to enable the best possible provision for the Royal Air Force Odiham Community.

Summary of the main activities in relation to these objects

Details of the Fund's objectives and activities are grouped together within the appropriate aims and details of the scope of each activity are given in the 'Achievements & Performance' section.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

This Fund derives public benefit as it assists in providing Royal Air Force personnel with the necessary skills to carry out the Royal Air Force contribution to the Defence of the United Kingdom and its interests.

Service Funds are established for the benefit of Service personnel to promote military efficiency which underpins esprit de corps and team working, and they help to encourage personnel to develop the character, spirit and attitude to face challenges and danger associated with military service.

As a result, the Fund derives a benefit to the general public in helping to provide personnel who are motivated, have high morale and are willing to serve the needs of their country and that of its public, at all times.

The above statement has been agreed by RAF Air Command HQ Service Funds staff and the Charity Commission. Through instruction supplied by Air Command staff, the trustee has paid due regard to the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- Policy on grant making
- Policy programme related investment
- Contribution made by Volunteers

Grants are made by agreement of the Mess membership through voting at an AGM or EGM.

With the exception of the Mess Manager who is mandated by virtue of their postings to carry out those duties, the Mess Committee is comprised of volunteers. As such, activities including entertainments, functions and identifying improvements to the Mess are reliant upon the work of volunteers.

Each volunteer is given separate responsibilities with separate TOR's. These duties are indicated in the minutes of the meeting, but the main responsibilities are: Treasurer, Entertainments, Property and House.

Separate committees are formed by volunteers for all of the mess functions that take place throughout the year, all of which are subsidised by mess funding.

The Mess's investment policy is to invest all surplus income required above its working capital to protect the longevity of the Mess and provide an income source for future years.

Achievements and performance

Summary of the main achievements of the charity during the year

The operating brief for the Royal Air Force Odiham WOs' & SNCOs' Mess was firstly to fund, from available investment income, bar profits and members subscription expenditure on the core items of formal functions, sport, support to certain charities and administrative costs. A limited amount of the balance is applied to current community support needs. The achievement of this operating brief is outlined in the following analysis of income and activities.

Mess Activities

The Mess arranged a total of 5 formal functions consisting of 1 Formal Dining-in nights (Chinook 40th Anniversary dinner), Christmas draw and a Summer ball for the benefit of Mess Members in order to meet the aim of promoting esprit de corps. In addition to these functions, the Mess has also hosted an exchange function and Oktoberfest with the Officers' Mess members. There was also a Christmas Prize draw for mess members only.

Mess Subscriptions

As part of the financial planning process the Mess Committee seeks the agreement of the membership in setting the level of subscriptions in the relevant membership categories. These subscriptions help to subsidise the formal functions, meet operating and maintenance costs as well as enabling the Mess to fund its' grant giving activities. The level of subscriptions was adequate to enable the Mess to fund its planned commitments along with a small number of unplanned expenses, therefore were unchanged.

Trading Activities

The Royal Air Force Odiham WOs' & SNCOs' Mess operates a bar as a primary purpose trading activity. An agreed Gross Profit Percentage is set by the Mess Committee for the year. Bar profits continue to be affected by the operational tempo of the unit and the number of personnel being deployed away but have improved since the Covid-19 pandemic. Furthermore, investments have seen a

Achievements and performance

decrease towards the end of the FY, this may be largely due to the Ukraine conflict and the cost-of-living crisis. The high cash reserves (much owing to Covid-19) will help to maintain the level of welfare that has been in place for all members of the Mess should income fall in future years. The income generated from these activities in the short term will further offset the expenditure required of the mess and further improvements.

Financial review

Brief statement of the charity's policy on reserves

The Royal Air Force Odiham WOs' & SNCOs' Mess needs a lower level of reserves due to having few operational or staff commitments.

The Royal Air Force WO & SNCOs' Mess has exceeded its current reserves level target. The balance sheet shows that the fund has more than adequate working capital, despite the investments falling over the last 6 months.

Additional to the reserves, the Mess has a Contingent Liability to the Royal Air Force Central Fund which currently stands at £24,013. This is the amount of money that would need to be returned to the Royal Air Force Central Fund should the unit ever close. As instructed by HQ Air Command, the contingent liability has been invested in an attempt to yield more profit than interest that it would receive from being held in a Bank Account. Should the Mess close in the future, it would need to confirm that the contingent liability can be withdrawn from the investment portfolio in order to meet its Contingent Liability to the Royal Air Force Central Fund.

Details of any funds materially in deficit

No funds were materially in deficit.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- The charity's principal sources of funds (including any fundraising).
- How expenditure has supported the key objectives of the charity.
- Investment policy and objectives including any ethical investment policy adopted.

Investments

To meet the over-riding need of regular ongoing specified annual income increasing with inflation, the Royal Air Force Odiham WOs' & SNCOs' Mess investment strategy is to have a diversified portfolio across established UK equity and UK fixed interest markets with a bias towards equities that offer growth and yield. The Royal Air Force Odiham WOs' & SNCOs' Mess has a neutral ethical investment policy; by investing in St James Place equity and bonds, the Trustees have no control or influence over stock selection.

Related Party Transactions

The Royal Air Force WOs' & SNCOs' Mess operates in conjunction with the Royal Air Force Odiham Officers' Mess and the Royal Air Force JRWF.

2.1 INCOME

Recognition of income	These are included in the Statement of Financial Activities ▪ the charity becomes entitled to the resources; ▪ it is more likely than not that the trustees will receive the resources; and ▪ the monetary value can be measured with sufficient reliability.	Yes
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS 102 SORP).	Yes

Government grants	The charity has received government grants in the reporting period	No
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.	N/A
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. 	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable	N/A

Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	Yes
