### Statement of Financial Activities

For the year ended 31st December 2021

#### 1 Principal accounting policies

**a. Basis of preparation**

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (Revised 2005). In preparing the financial statements the charity follows best practice as laid down in the Statement of Recommended Practice "Accounting and Reporting by Charities (SORP 2000, Revised 2005).

**b. Incoming resources**

All incoming resources are recognised once the charity has entitlement to the resources, it is certain that the resources will be received and the monetary value of the incoming resources can be measured with sufficient reliability.

**c. Funding income**

Investment income is accounted for in the period in which the charity is entitled to receipt.

**d. Donations**

Donations and gifts are accounted for when receivable.

**e. Resources expended**

Expenditure is included on the accruals basis:

Fund raising costs are those attributable to raising income for the charity.

Governance costs comprise costs for the running of the charity itself as an organisation.

**f. Governance costs**

Governance costs include all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to independent examination of the charities financial statements together with an apportionment of overhead and support costs.

**g. Fund structure**

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

Restricted funds are to be used for the specific purposes as laid down by the donor.

Expenditure which meets these criteria is charged to the fund, together with a fair allocation of management and support costs.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2021.

Responsibilities and  
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent  
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
