Chairman's Report

Twenty one years and counting as the clock spins through another twelve months and life remains boisterous. Our student numbers stay strong, with new faces turning up each week. Student access has been interesting at times with the closure of the lane to the west for 12 months. Thankfully following discussion with bus companies, we secured permission to have students shuttled into the Cheltenham Park ride and we have run a collection very effective daily collection service from there. Everything that was planned, happened, we sent 100 to the Pantomime, ran two trips to Weston and have had some amazing on site activities, including very recently a day long Music Festival. Our desire to see fuller use of our kitchen has been realised and our sharing has seen activity every day, with Wednesday being taken by young cooks from the Hartmore School at Hartpury. The recycling continues to be very important, and we are turning around a huge amount of waste. Our connections with Worcester University has now seen us working with another four students across the year and we are currently finalising a similar work experience scheme with the University of the West of England. These connections have been invaluable, with all of the students being really useful across the site. Delightfully many are still maintaining connection although their placements have finished.

Our links with industry have remained strong too with many local companies sending in volunteers to help out. Community has continued to offer financial support and their help has allowed out to carry out some heavy maintenance and to install a platform of solar panels across the workshop roof.

The site has been visited across the year by many local political figures as well as some representatives from the national care sector. The highlight of which was that we hosted a three-day International care conference, entertaining delegates from around the World.

So, we flag up another good year and thank all those who championed our work and our ideology. The students, volunteers, trustees and friends who have continued to be resolute in demonstrating their commitment.

As always I send out our grateful thanks to you all. The new adventure beckons.

**INDEPENDENT ACCOUNTANTS' REPORT
TO THE TRUSTEES OF THE BUTTERFLY GARDEN
ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022
AS SET OUT ON PAGES 6 AND 7**

The charity's trustees consider that an audit is not required for this year (under Part 8 and sections 145 and 152 of the Charities Act 2011 (the Act) and that an independent examination is needed.)

It is our responsibility to:

- examine the accounts (under section 145 of the Act),
- follow the procedure laid down in the General Directions given by the Charity Commission (under section 154 of the Act), and
- state whether particular matters have come to my attention.

Our examination was carried out in accordance with the General Directions given by the Charities Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a true and fair view and the report is limited to those set out in the statement below.

In the course of our examination, no matter has come to our attention:

1. which gives us reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 and 2011 Acts; have not been met; or
2. to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
